

D17 Grand National Teams Results
Summer Atlanta NABC
July 26 - August 5, 2018

Congratulations to all our participants who delivered the District's best showing ever. We are all very proud of you -- Bonnie Bagley, national board member, ACBL.

Joshua Donn, Roger Lee, Sylvia Shi and Daniel Korbel, all from Las Vegas were second in the Morehead Grand National Teams Championship Flight. They played fantastically, but things just did not go their way in the fourth quarter of the final.

Flight A (Burke Snowden, Gregory Herman, Larry Matheny, Neil Petrie, Fort Collins, CO and Robert Sherman, Lafayette, CO, and **Flight B** (Edward Yosses, Aurora CO, Roger Miller, Paul Perkowski, Highlands Ranch, CO, Scott Needham, Boulder, CO and Don Little, Broomfield, CO) who made it to the quarter-finals.

Flight C (Justin Browning, Daniel Zwonitzer, Cheyenne, WY, Robin Elliott and Gregory Newcomb Boulder, CO) who made it to the second day. Unfortunately, they played the one team that they wanted to meet in the final, a team from Michigan which defeated the Justin and Daniel team in the 2016 Flight C National GNTs.
