

**Toby McEvoy**  
**Las Vegas Unit 373**

**Toby is playing a key role in building the foundation for the future of duplicate bridge in Las Vegas.**

**Toby McEvoy is a certified ACBL teacher having completed TAP and the Best Practices programs. He is a member of the ABTA and planned to take the ACBL director's course at the Spring 2020 NABC which was canceled due to COVID-19. He plans to do so at the first possible opportunity. He will be an excellent director.**

**The 2019 NABC was held in Las Vegas Nevada and Toby served on the tournament committee for three years. He attended meetings with the hotel and assisted with many other tournament decisions. His key role was as the I/N chair. He put together an outstanding team of volunteers to make sure the I/N Help Desk and Partnership Desk were friendly services that helped newer players enjoy the tournament. Player feedback was excellent. Toby took personal leave from his full time job in the IT industry to be present at the tournament each day.**
