

Ella Duncan
El Paso Unit 159
Nominated by Steve Nordberg
Continued

Ella taught school for 36 years, and with all her years of teaching, she has learned how people can make mistakes when playing bridge. With this knowledge, she is a person who always smiles at mistakes in the bidding or in the play of the cards. She makes playing with or against someone who makes a mistake a very enjoyable round. Ella's favorite comment is, "It was not a mistake, but it was a play in the hand."
