

Steve Nordberg, continued.

He learned to play hearts, spades, smear, whist, pinnacle, canasta and cribbage. Then while attending his first year of college at the University of Minnesota Duluth, Steve played poker for the first time.

“This was not my favorite card game,” said Steve. “I was not lucky, and I could never win.”

Steve served in the Air Force from December 1967 to December 1971. While at Carswell AFB, Fort Worth, TX, Steve has the opportunity to learn bid whist. In June of 1971, while in Vietnam, Steve was introduced to bridge by a group of Australian airmen.

After graduating from UMD, Steve became a teacher in El Paso, Texas. Steve continues to learn, play and enjoy the game of bridge while serving our bridge community.
