

The Challenges of the New Normal
By Suzette Wynn - Unit 354 - Arizona
(Continued)

What the game looks like was a little harder, but we listened to our players and we learned by trial and error. In the end, we determined that we would not partner with clubs from around the country, but chose to foster community by keeping our virtual games as close to our “live” club games as possible. We did, however, partner with some local clubs as this approximates our sectionals and allows us to “see” friends from different parts of the valley.

We will continue to respond to the requests of our players and hope to find our NORMAL soon, and we look forward to returning to face-to-face play when it is safe to do so.
