### NEW! Stratified Pairs/Teams:

This is a combined event where you play as a pair and are scored as a NORMAL PAIR GAME. You may bring another pair or we will find you a pair as your team to play corresponding boards in a different section and be scored as a Board-A-Match team. You will be awarded whichever master points are greater.

**ABSOLUTE FUN! FUN!**

### Barometer:

A stratified pair game where all pairs play the same boards at the same time during the 2nd session of the event. All scores are available as soon as each round is over. The scores and the position of each pair will immediately be posted on the wall.
