

# RVDA CANADA MEMBER ONLY PROMOTION

## TOTAL MANAGEMENT 1

### A Special Perk Just for RVDA Members

RVDA Canada members, Total Management 1 is a results-driven program designed for leaders, decision-makers, and key employees who want to create a stronger, more resilient organization. Whether you're looking to improve internal processes, increase accountability, or create a more unified team, this training provides the structure and strategies to make it happen.

You'll walk away with a practical set of principles and tools that clarify direction, strengthen execution, and support smarter decision-making. The outcome: a more focused, efficient organization positioned for consistent growth—and a work environment that's more rewarding for everyone involved. Take advantage of our RVDA member pricing.

### Take home these benefits:

- Make faster, better decisions based on proven principles and ratios for business management
- Achieve a highly profitable and adaptable business by effectively structuring a right-sized operation
