

We're excited to share a new Park'N Fly Rewards perk that can benefit our association's travellers and help stretch travel budgets even further.

Members can now enjoy exclusive savings of up to 35% on Avis and Budget car rentals when they *Pay Now*. Plus, Platinum-level Park'N Fly Rewards members also receive a complimentary vehicle class upgrade for added comfort.*

This new benefit is simple for travellers to access:

- Available directly through their Park'N Fly Rewards profile (online or in the Park'N Fly app);
- Works seamlessly alongside the other perks they already enjoy, like discounted airport parking, Aeroplan points, and lounge access savings, and more!

Why this matters for your members:

- Lower overall travel costs - with negotiated discounts on rentals;
- Added convenience - travellers can book parking, car rentals, and earn rewards in one place;
- Enhanced traveller experience - with upgrades and rewards that make every trip easier.

We encourage you to share this [downloadable flyer](#) with your employees so they can start taking advantage of these savings right away.
