

Albany Diocesan Cemeteries carry out the sacred responsibility of Catholic burial and provide dignified care for the resting places of our beloved dead while they await the Resurrection and the promise of eternal life.

We engage in the Corporal and Spiritual Works of Mercy as we respect the deceased, bury the dead, and offer comfort to families we are privileged to serve. We pray daily for the living and the dead, including your family. We strive to maintain and preserve our cemeteries as a matter of duty and to reaffirm our commitment to preserve and protect them for all time.

Unfortunately, expenses continue to rise. Our operating budget is simply not sufficient to address all needed repairs and landscape issues within each cemetery. Thanks to the past generosity of donors, we have been able to address many issues that impact the appearance and safety of our cemeteries, but there is more to be done.

We ask for your partnership to help fund restoration and preservation purposes. It is our goal to keep these consecrated grounds worthy of the blessing that was bestowed upon each cemetery. Please consider a gift to help. *100% of your donation will be used for renovations in the Cemetery of your choice from the list below.*

With an Annual Appeal donation of \$150 or more in 2019, pick up a complimentary copy of These Sacred Grounds, a book celebrating the 150th Anniversary of St. Agnes Cemetery, at our office in Menands or Niskayuna.
