

### **Calling all Marching Hundred alumni members:**

We are ecstatic to begin this next season with you and the junior band! With our current push for a stronger alumni presence, we have adapted our activities to be based around a culture of giving back and showing our appreciation for the Marching Hundred.

As you may recall, band camp is a time that members build lifelong relationships, explore their love for IU, and establish their marching fundamentals. This "Tradition of Excellence" does not come easily, though. It takes a lot of time, energy, and high steps. We believe that it is essential that we show our support and appreciation during these long rehearsal days. This is where YOU can make a huge difference in our members' lives!

In the past we have distributed water bottles during a band camp rehearsal day. We felt that this wasn't enough for our members and that we could do more. After a thorough assessment of this activity, we have decided that we should show our support of our first-year members, welcome our vet members back to Bloomington, and appreciate their efforts by attending the famous Section Competition at the end of camp.

Here is how YOU can help. Volunteer your time to help us with any of the following activities:

1. Help us distribute Gatorade to our First-Year members: 8/13/18 at the asphalt rehearsal lot.
2. Help us distribute cookies at Vet Night: 8/14/18 at the Ray E. Cramer Hundred Hall.
3. Attend Section Competition and root on your section to victory: 8/18/18 at Memorial Stadium.
