DUNGENESS VALLEY HEALTH & WELLNESS CLINIC
THE SEQUIM FREE CLINIC
A Beacon of Health A Beacon of Hope

The mission of DVHWC, AKA Sequim Free Clinic is to provide access to free, quality health care to those who are medically underserved and to provide education to promote wellness.

Our Social Action Network has selected the Dungeness Valley Health & Wellness Clinic as the first recipient of our new Share the Plate program for June.

Located at 777 North 5th Avenue in Sequim, the clinic—also known as the Sequim Free Clinic—is a 501(c)(3) nonprofit organization that has served our community since 2001 through donations, grants, and the dedication of community volunteers. Its mission is to provide free, quality health care to medically underserved residents of the Sequim-Dungeness Valley.

The need is significant. Clinic statistics show that:
• 67% of patients are under the age of 50
• 83% do not have a primary care doctor
• 75% have no health insurance
• 45% are unemployed

The clinic provides basic urgent care clinics two evenings each week, operates a daytime chronic health care clinic, and offers wellness education through the monthly KSQM Radio Forum program, “Working on Wellness.”
