frequently asked questions

How many players can be on my team?

6-8 per team recommended, but please know slightly smaller or slightly larger teams are welcome. Table space is tight if everyone eats at the same time. Otherwise, we love a full house!

Cost is $200 per team regardless of size

Can't we all sign up separately?

Just like our first year, only team registration is available. Contact us at any time if you need help with registration

What's for dinner?

A wide array of sandwich "melts", pasta and garden salads with oodles of add-ons, garlic bread & bruschetta. Vegetarian, dairy free and gluten-friendly options available. You can serve yourself any time between 6-9pm. Cupcakes for dessert!

Do I have to wear a costume?

Goodness no, but we sure would love to see you dressed for the occasion (Halloween)! There will be a fun costume contest with team and individual prizes. Oh, and just a note...LEAVE THE GORE AT THE DOOR...and no weapons of any kind.

I'm no good at trivia! Should I stay home?

PLEASE do NOT stay home! Your teammates want and need you! All levels welcome. The evening is about so much more than trivia. Think music, raffles, friends, food, fundraising, and a few amusing surprises!

I have more questions. I need a human.
