

SUPPORT BCA through FOOD CITY SCHOOL BUCKS!

Each school year, Food City offers its annual *School Bucks* program to allow schools to earn points for cash for their school. Belvoir Christian Academy is registered as a recipient for these funds, but we also need you to register to help us earn money for BCA!

Enrolling is easy! The next time you shop at Food City, have the cashier scan the barcode below to link it to your Food City Valucard. Once our BCA barcode has been linked to your card, all purchases made between now and next May will help BCA earn cash.

You may also visit https://www.foodcity.com/community/school_bucks/ to link the barcode to your Valucard.

Please create an account and register as soon as possible so that we may begin earning money from your Food City purchases. The program will continue through May 31, 2022. *(We must re-enroll for each school year, so once the program ends in May 2022, we will re-enroll September 2022.)*

Once you have had the barcode scanned at Food City, please pass this memo along to family members and friends so that they may support BCA as well! (If you choose not to register, you may simply give them our school ID number - **60081** - at check-out each time you shop.)
