LET'S BUILD AN OUTDOOR CLASSROOM !

We have (4) outdoor tables that were purchased from last year's sales.

NOW WE NEED TO BUILD THE PAVILLION!!

Dimensions: 24 ft. X 32 ft. with the tables set in concrete!!

ONLINE SALES ONLY: To protect our BCA families and keep them socially-distanced, we will have **ONLINE SALES ONLY** this year. If you have friends or family who are not comfortable with ordering online, you can place their order for them. Simply take their order **AND** their money (checks would be made to you), and deposit their money in your personal account so you can pay for their online order.

EARNED PRIZES FROM THE COOKIE DOUGH COMPANY will be shipped with the student's cookie dough order. Prize poster is inside your packet. These prizes are cumulative and will be awarded to students **who place orders online only.**

SUPPORT OUR TROOPS is a wonderful option again this year and can be ordered online. Cookies will be baked and shipped directly to our troops for a \$25 donation.

DONATIONS TO BCA: Please make checks payable to BCA. **Students will receive cookie credit for sales equal to the amount of profit from the donation.** EXAMPLE: BCA makes \$8 profit for each \$20 cookie dough ordered. If someone makes a Donation to BCA for \$50, then $(\$50 \times \$8 = \$400)$ that student would be credited for sales of \$400). $\$400 / \20 per unit of cookie dough would = 20 units of cookie dough sold. **The cookie dough company cannot give student prizes for donations, as all of the donation money goes directly to BCA, but be assured, all students who sell and/or raise donations will receive the BCA prizes at the level sold (see below).**
