

Candy Cane Shop

Dec. 13 – 17

On December 13, our annual PTL Candy Cane Shop will officially open! This is a fun-filled week for Christmas shopping for our children. A Christmas "store" will be set up in the Multi-Purpose Room behind the gym with tables full of items for men, women, children, pets, and more! Students will have the opportunity to shop with their classmates one day during the week.

Kirsten Shipp, Candy Cane Shop Coordinator, will soon communicate with your child's teacher as to the date that your child will shop. You will also receive an envelope on which you may make a list of the family members that your child will shop for, along with a designated amount they may need to spend on each person. **Due to time constraints for class shopping, please limit your gift purchasing list to 10 people.**

On their shopping day, our volunteers will help them choose items. This is an exciting event for the students as they are able to shop for and surprise their loved ones. If your child misses their class shopping day, they may come on the morning of Friday, Dec. 17 to shop.

Price Ranges of Items: As we shop for items during the year, we look for items that have been discounted. We purchase nice items at deep discounts, so that we can offer them at a reasonable price. Items are priced from \$1 to \$20, however, most are between \$4 and \$6.

At least TWO volunteers are needed each day in a 2-hour time slot during this week. Feel free to work several hours if you have the time. It's a lot of fun to help the students shop and help wrap their gifts with them.

Please note, anyone is welcome to shop with his/her child, but please do not volunteer during your child's shopping time. You may volunteer by contacting Kirsten at kirstenshipp@yahoo.com or 865-333-8108. Thank you!
