Cub Scouts are K - 5 Grade Boys & Girls

Cub Scouting is fun! No matter what grade you are in, kindergarten through fifth, it can be a blast! We're all about encouraging boys and girls to make friends, be helpful to others, and do their very best no matter the outcome. With the help of powerful learning projects and exciting outdoor activities, we aim to teach children that doing their best can be a fun and rewarding experience.

Cub Scouts Do Things and Go Places

Cub Scouts participate in a huge array of activities, including games, projects, skits, stunts, songs, outdoor activities, trips, and service projects. Besides being fun, these activities offer opportunities for growth, achievement, and family involvement.

Cub Scouts Earn Awards

Each time you complete an accomplishment or learn a new skill, you will be rewarded. Sometimes the reward is a loop for your belt, a pin, or a patch. We teach young people how to work hard towards a goal and be rewarded for their success.

Family Involvement

Whether a Cub Scout lives with two parents or one, a foster family, or other relatives, their family is an important part of Cub Scouting. Parents and adult family members provide leadership and support for Cub Scouting and help ensure that Scouts have a good experience in the program.

Serving the Community

Cub Scouting focuses on the home and neighborhood. It helps Scouts strengthen connections to their local communities, which in turn supports their growth and development.
