

Kentucky Elections Cybersecurity Tabletop Exercise 2024

Jan 30 –
Mar 12

Intended Audience:

KOHS and our partners within FBI, CISA and DHS are proud to offer this series of no-cost training opportunities across Kentucky to election infrastructure members. Register TODAY and learn cyber and physical security best practices from the experts! Learn how to identify, prevent and report events such as cyber-attacks, physical incidents, threats and more.

Locations/Dates (2024)

Six events
completed in Jan!
Don't miss out!

Limited to 30
attendees per location.

- Jan 30 | Morehead
- Jan 31 | Grayson
- Feb 1 | Maysville
- Feb 7 | Florence
- Feb 20 | London
- Mar 6 | Frankfort
- Mar 7 | Prestonsburg
- Mar 12 | Hazard

All training will take place 1PM – 4PM
Eastern time AND Central time.

Training Objectives:

- Meet some of the major state and federal resources available to members of Kentucky's elections infrastructure including KOHS, FBI and CISA/DHS.
- Learn to identify and report concerning incidents throughout the election process.
