Procedures

Registration Any parent wishing to utilize the Extended Day Program services **must** register and complete the emergency form **prior** to the child/ren attending the program.

Behavior Behavior rules for the program follow the same guidelines as Blessed Francis Seelos Academy. Students will be expected to respect each other, the staff, and the materials and environment. Should misbehavior occur, the student/students involved will be removed from the activity for a period of time, and the parent notified at dismissal. Serious behavior infractions may result in an immediate phone call to the parent or authorized adult, conference with the staff and/or principal, and possible removal from the program.

Snack A snack and drink will be provided daily. Any student with severe food allergies must have this documented on his/her registration and emergency forms. Such instances may require that the student bring in a personal snack.

Homework A homework period will be provided daily and help will be given when needed. It is the responsibility of the student to acknowledge and complete any assignments using the available resources. The staff is not responsible for checking homework. Once signed into the program, students may not return to their classrooms for materials.

Recreation Games, organized activities, and occasional crafts will be provided for the students. Weather permitting, the students will go outside to play. Occasionally an appropriately rated and approved video may be shown.

Technology **NO ipods, ipads, tablets, other gaming devices or phones are permitted.**

Illness/Safety Should a child become ill or hurt during the program hours, the parents or another authorized adult will be notified. The child may need to be picked up at that time. Basic first aid will be given when needed. In cases of a more serious nature, the staff will carry out the instructions provided on the emergency form.

Attendance Parents must provide a note for the classroom teacher(s) so that their child(ren) may be sent to the Extended Day Program at the end of the school day.
