

Guidelines to participate in trunk or treat:

- Must be willing to provide treats for approximately 300 children. When selecting treats for “Trick-or-Treaters”, candy (pre-wrapped & sealed) is an obvious choice but other favorite treats include pencils, pens, erasers, glow sticks, bracelets, bookmarks, and stickers.
- For anyone who isn’t able to purchase candy, we do have extra donated candy to hand out. Please email us at ptg@seelosacademy.org if you need some of the extra candy.
- Your “trunk” can be simple or elaborate...it’s up to you. As you’re dreaming up ideas, consider your trunk to be set up as a fun scene with props. If you are representing a grade, perhaps a theme in support of your grade would be fun. Need some inspiration? A quick search of “Trunk or Treat” on the Internet and you’ll find dozens of photos that others have posted of their own event. The possibilities are endless! Please remember:
 - No open flames, fireworks, or flammable liquids
 - No power will be provided
 - Keep decorations “kid friendly”
 - Cars must be turned off for the duration of the event
- All participating cars should be at the St. Alexis parking lot one hour prior to the event (@ 5:00pm for set-up trunk or treat will begin at 5:30).
- Cars will have an assigned parking spot and volunteers will be available to direct vehicles to their assigned spots.
- Please remember to sign up your theme on the sign up genius.
- If you don’t want to decorate a trunk, a table can be made available.
- Each car will be entered in a decorated car trunk contest 😊
