**Beyond Limitation to New Horizons!**

This is a time we must go beyond in recognizing the fields that are white for harvest. There was such an incredible river of revelation that poured through this portal on

Sunday to help us think and see in a new way. Here is a portion that will help ***break off limitations and uncap your potential for going beyond.***

***"There are parts of your brain that you are not allowing to be influenced. You are entering a season where you need to adjust to go beyond the way you think now and beyond what you know now. I have a capacity in you that you have never tapped into that I am going to start tapping into, and you are going to know things that only I can reveal to you. I am going to a place in you that you have never allowed Me to go. You have storage tanks that you have kept locked up and I'm going to pop the cap on them. If you will let go and let that cap pop, you will be able to be the source of energy for many.***

***"You are capable of doing things you have never even imagined that you could do. I am breaking you out of your limitation of knowledge. This is going to be a week that I will remind you every time you limit Me. I am weary from My people limiting My abilities. I must stir My people beyond where they are presently walking. Now is the time for you to step out of your place of familiarity. Let Me overthrow the throne you sit on that has caused you to be close-minded to change. I am moving through this place like a mighty rushing wind, and if you remain seated in familiarity, then your chair will be overturned by My Spirit. I am setting a new horizon for you, for you are looking way too closely and playing your cards way too close to your chest. I am going to cause you to see what you couldn't see." (Chuck D. **The Great Battle for the Land, From: September 2, 2009**

**Wade Butler, In His Name Ministries**

At our House of Zion Meeting on August 25, 2009 I had an open vision which I shared with those who were present. Several days later, I was up praying during the last watch while recovering from shoulder surgery, and the vision reappeared with greater emphasis and detail.

In the future, a terrible storm of darkness was bellowing over a large field from the east faster than any storm I had ever experienced. I asked the Lord to explain the vision in greater detail. At that moment, the Spirit of the Lord told me it was the powers of

darkness coming to try to disrupt the work to be done on the land, but to fear not, His Army was arising to meet the storm.

I looked, and instantly, the Army of the Lord appeared to the west. The formation looked like tens of thousands on white horses. There were three forward points - a center point, one to the north, and a point to the south. **In the center, the Lord stood out more brilliant than anything in the skies.** He was magnificent in robes of purple, royal blue, silver, gold, and red with a crown that cannot be described in words. He was fearsome, yet love flowed like honey beneath His horses' hooves. On either side were twelve elders on horses; at the end of the southern point was Moses, and on the northern point was Elisha.

I fell before Him and asked, "Lord what must I do?" He said to turn and face the enemy. I replied, "Lord I am weak from shoulder surgery, and I am unable to hold a shield, but give me a sword, and I will fight." He said, "***The faith of many has been attacked this year and has been weakened due to hope deferred from the dreams and visions received but not yet fulfilled. Arise and be fitted with new armor; the work is yet to be done."***

As I arose and turned, I saw angels fitting multitudes with new armor. They were coming from all nations, filling the land. Everyone appeared to be wearing peasant garments of linen pants and shirts. Each was being fitted with the new armor that looked like matted or dulled stainless steel, but the metal was not from the earth. It was made in Heaven, forged and tempered in the Blood of the Lamb.

My heart raced as an angel approached and put on me boots that extended to the thighs and buckled on the outside of the legs. Next was a skirt in layers, with a wide belt and buckle, then breast plates that surrounded the chest and back and strapped on the sides. On each person's head was placed a helmet that had a plume of camel's hair like paint brushes down the center, extending from the front to the back of the head. The plumes were brilliant in color, representing the different tribes. Many were multi-color signifying the calls on each person's life. A cape representing humility was placed on our shoulders.

A shield was given each man, woman, and child that was unusual in that it sat out ten inches from the arm. An adult's shield was forty inches tall and thirty-two inches wide. On the handles inside the shields were bows of bronze with quivers carrying twelve arrows, and behind the bow were three short spears or darts. There was no weight to the apparatus, and all my infirmities were instantly healed. As my thoughts questioned what each item represented, the Spirit would answer before I could speak. ***"The arrows represent the twelve apostles and my word they brought forth, the***

***darts Father, Son, and Holy Spirit." A sword of the Word was placed over our shoulders as well as a battle axe, and the Lord said, "Turn and face your enemy; draw an arrow and release it into the darkness."***

Arrows filled the air, penetrating the darkness. As each struck, lightning exploded exposing the hideousness of the enemy. We instinctively turned once again to our Lord and He said, ***"Each arrow delivers a word to destroy the enemy's works. Your arrows only run out if your faith diminishes. Turn again and attack the enemy with a sound of joy, for the battle is yours, and the field will be redeemed if you do not turn back."*** We turned again with swords drawn to battle as the shofars sounded, and we charged across the field into the darkness. When we had reached the center of the field, the Glory of the Lord filled the land, and our armor shown with a brightness that has never been seen on earth, dispersing the darkness. We stood in silence and wonder at what had just taken place and turned again to our Lord for further instructions.

The Spirit spoke and said, ***"The land has been redeemed, and a great work to heal the nations shall be birthed. Storms will come again, but this land shall be a garden of rest. Stand ready, you have new armor. Hear the sound of war; give no ground when the enemy comes."***

The vision ended. I asked the Lord, "Where is this battle to take place?"

**The field was the land of Glory of Zion! The battle was the day of first fruits.**

## The Biblical Month of Tammuz (Hebrew) begins this year at sundown on June 16, 2026 and runs to sundown July 14, 2026.

With each new month of the Hebrew calendar, we cross over into new territory, yet at the same time experience the fullness of the LORD'S foundations for the season we are entering.

### Each Month is a new opportunity!

Each month represents a new opportunity to make a difference in the kingdom of GOD, in our own lives, our families, and those around us. We need to get back to work, keeping in mind that our Father orchestrated this lockdown. The enemy planned to destroy the threat of We the People from obtaining our goals of Liberty and Justice for all in his attempt to dominate the world with the one world order taking over.

Our enemies, the devil and his minions, are continually on attack trying to wear us down through discouragement, sickness, financial burdens and more. **What makes the difference is our relationship with the Trinity: Father, Son and Holy Ghost.**

The deep state and satan's minions want to re-afflict the world with the fake pandemic of fear. That is actually what we are facing. Demonic governors, mayors and politicians want to reinstate the restrictions that paralyzed the world. If it happens, millions of businesses will be lost, families devastated, and nations destroyed.

Regardless of our political views, we must keep in mind who was really behind the virus and the attempt to break our spirits and hearts. Satan is a liar and thief who comes to kill, steal and destroy. He uses whoever will surrender to his will. Many will say the President is to blame. It is far more sinister than him or his staff. Our LORD raises up our leaders and takes them down. Remember that. The deep state is controlled by evil forces that will do whatever they can to keep from being exposed. Our job is to keep our eyes upon Yeshua and remember that HE is in charge.

We are GOD'S warriors who stand between the enemy and our promises. We all have been calling out those promises as we wait on GOD to do the miracles on our behalf. **The truth of it all is HE ALREADY DID.** Every day we battle for hope, direction and relief.

## The Biblical Month of Tammuz

Biblical months fall under the Law Form of YHWH (Yahweh), Father-Son-Holy Spirit, through the revelation of His Word and begin on the new moon each month.

***I often ask myself, do the readers understand how to pray after reading a text of prophesy? The answer is to ask the LORD how did this relate in the Bible for then, and how does it relate now? How would YOU have me to pray Lord?***

**In developing this calendar prayer guide, prophets are used to bring current words from the LORD*. (See last page.) Each month the contributors change, and some months have multiple contributions from a particular author depending on what they received that month. Many Christians do not have access to publications such as the Elijah List, Judaism 101, teachings from Chuck Pierce, Robert Heidler and many other contributing authors which are included. 1 Thessalonians 5:20 <u>Do not spurn the gifts *and* utterances of the</u>**

**<u>prophets (do not depreciate prophetic revelations) nor despise inspired instruction or exhortation or warning.</u>**

**Several people have asked me why the calendars are so long, "It's a book each month." I have to say, "Yes, it is a book." Yet, it is a daily devotional reposting the prophetic word to those who do not have the time nor resources to accumulate the number of authors, depth of detail, or emphasis of the living word that we present. So, if you prefer to read it all or do the daily prayer, it is for anyone who is hungry. This month is the longest so far due to the content of each author's message. The power on these pages will change your life, so buckle up. This month is packed with solid Revelation from the LORD!!!!!**

On July 4th, it will have been nine years since we started publishing the Prayer Calendar based on the Hebrew Lunar Cycle, so for anyone joining us for the first time, I want to give some background. In Genesis1:1, the very first words GOD speaks are "In the beginning," and according to Rabbinical teaching, the very first commandment given to the children of Israel while in Egypt was to sanctify the "New Moon." From that point on, the nation of GOD was to look at the moon for the setting of their days and evenings and as a means to reconcile the times and seasons. The Biblical day begins at sundown and ends at sundown the following day. At sundown, it is known as the dawning of a new day.

**Genesis 1:5 <u>And God called the light Day, and the darkness he called Night. And the evening and the morning were the first day.</u>** Even history is set into motion as God said that the world may be understood as seven 1,000 days with the seventh 1,000 years of days being the Millennial Reign of Christ.

The Lunar cycle is only 29.5 days or 354 days per year, whereas the solar cycle has 365 days per year. An additional month is added every 3rd year to coordinate with the solar calendar for agricultural seasons. The reason the numerical date may not look like the previous year's is because of this shift. The Month begins with the rising of the "New Moon." The Hebrew year begins in spring every year in the Month of Nissan when Passover occurs. Every month is related to a specific tribe, feast, and season.

**As we begin the month of Tammuz, keep in mind that man changed the calendar, GOD didn't.**

The church today misses a very important part of their history and understanding. There was never really a new church started. They worshipped and practiced Hebrew.

The difference was Christ completed the requirements of the Law and made us **"New Men" in Him**. If you think about it, we are literally Hebrew, as we were adopted or grafted into the Kingdom.

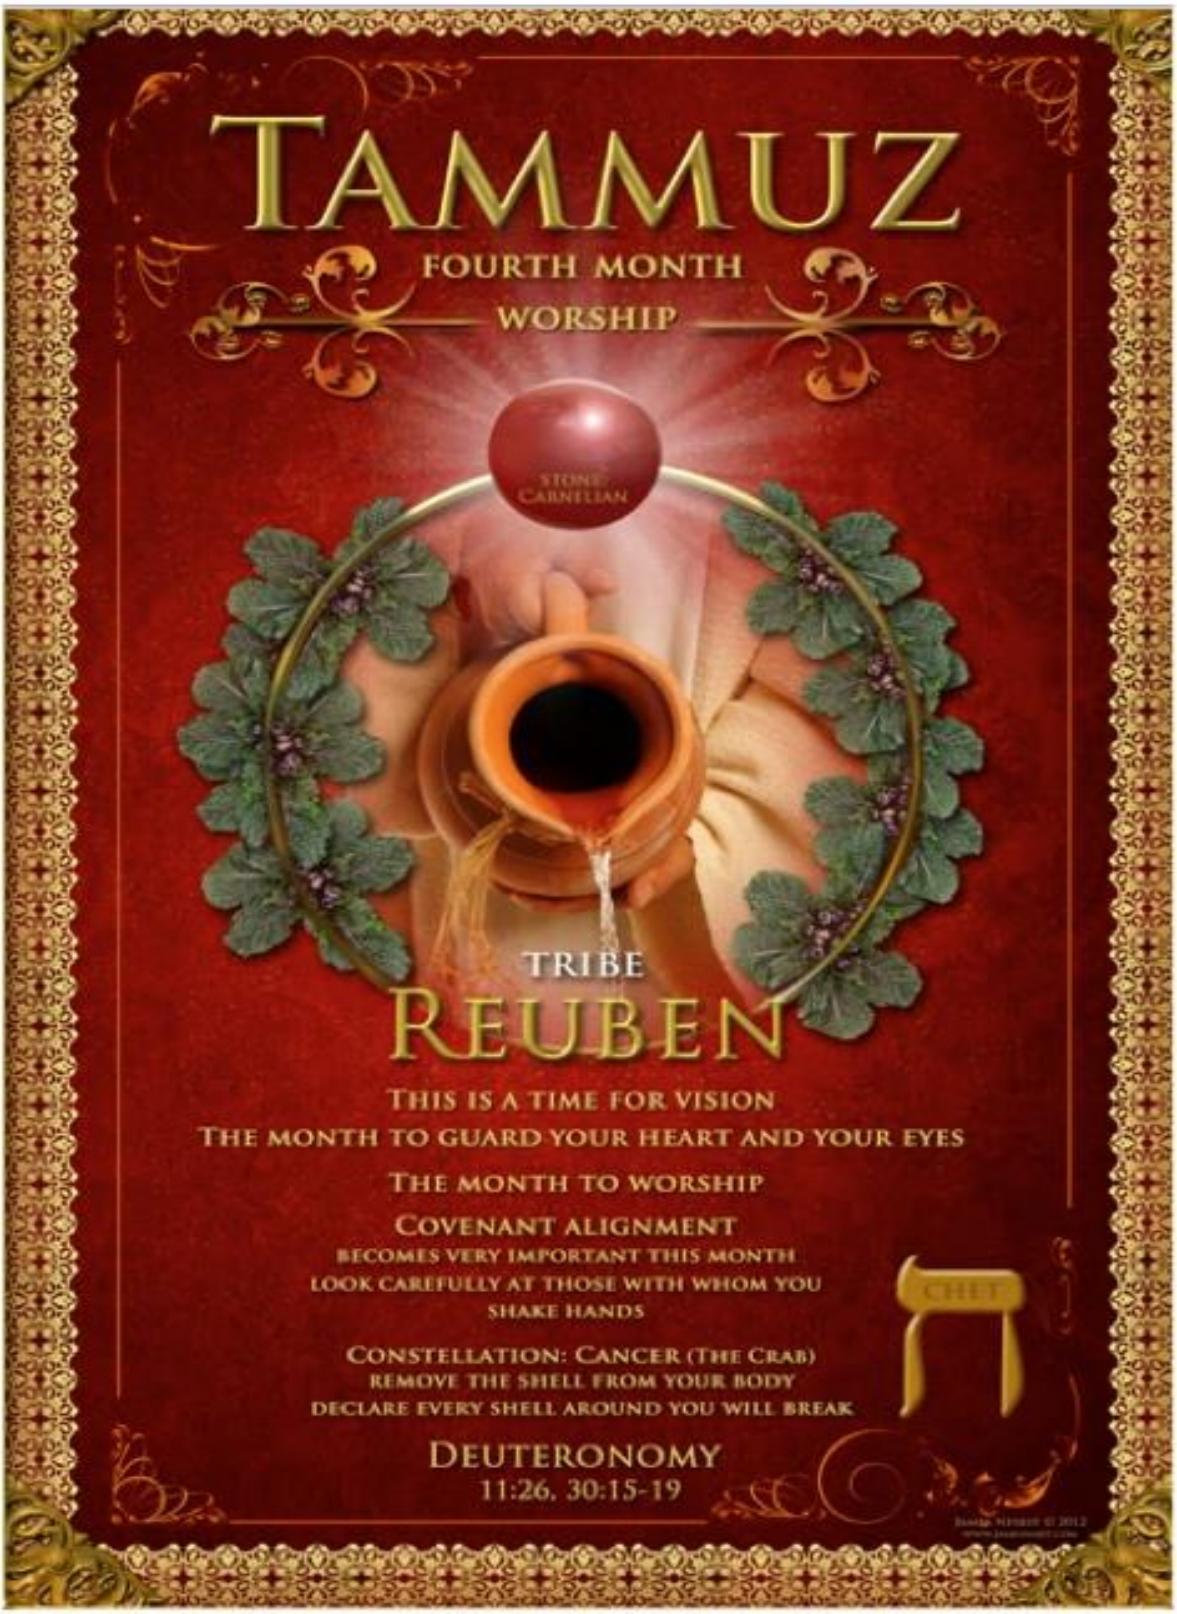

With that in mind, we will not miss out on what God is doing by honoring the feasts or HIS Calendar. At the same time, we will honor our Lord Yeshua the Christ, and we may learn something.

**Tammuz is also linked with the Tribe of Reuben, who was Jacob's first son born to Leah. When Reuben was born, Leah said, "*Surely the LORD hath looked upon my affliction; now therefore my husband will love me.*" As such, his name means "behold a son." Jacob prophesied, "Reuben, you are my first born, my might, the beginning of my strength, the excellence of dignity, the excellency of power."**

The root word for his name, *raah,* means to see or to behold. When Jacob blessed Reuben he said***, "Reuben, you are my firstborn, my strength, the child of my vigorous youth. You are first in rank and first in power. But you are as unruly as a flood, and you will be first no longer. For you went to bed with my wife; you defiled my marriage couch."*** When Moses blessed Reuben he said, "**Let Reuben live, and not die; and let not his men be few."** This reveals to us how unbridled desires cause us to forfeit our birthright, but as we behold the Son, we become heirs of the promise.

As I have mentioned multiple times over the last couple of months, I believe we are in a historic shift that is initiating the greatest revival and reformation the world has ever seen. That is a pretty bold statement when we look at how the early church turned the world upside down as they moved in great signs, wonders and miracles preaching the Gospel of the Kingdom. Get ready to turn the world right side up as He realigns you in a new way!

**Unfortunately, Reuben fell and lost his birthright when he let his eyes and heart wander and committed a horrible sin against his father, and more importantly, the LORD. It's the month to guard your heart and eyes and not build any "Golden Calves" in your lives (Deut. 11:26; 30:15-19). Therefore, we get, "Behold the SON; Let HIM guard your Heart and Eyes." It's a time for vision - keep your eyes on the LORD. It is so easy to fall into worship of other things than the LORD, like Reuben did: money, position, even people. Keep in mind, our priorities are Christ, HIS Kingdom, family, then look at work and duties.**

**The fourth captain for the fourth month was Asahel the brother of Joab, and Zebadiah his son after him: and in his course there were twenty and four thousand. (1 Chronicles 27:7)**

*We have now entered the fourth month of the Biblical calendar during the year Ayin Gimmel. The month of Tammuz is the month of refined vision, the month of worship, and the time to look at our progress and allow the Lord to direct our paths. This month is very key every year because it is the month, historically, when Israel sinned in the wilderness by worshiping the golden calf, and when the twelve spies were sent into the promised land. Again, this is highly significant this year, the year of restoring glory, because God has realigned us as His new administration to become the dwelling place of His glory. It's time to reject every form of godliness that lacks kingdom power and worship our King in the outpouring of His glory!*

## The Month of Worship

**And when the people saw that Moses delayed to come down out of the mount, the people gathered themselves together unto Aaron, and said unto him, make us gods, which shall go before us; for as for this Moses, the man that brought us up out of the land of Egypt, we know not what is become of him. (Exodus 32:1)**

The historical account of the people requesting gods to worship, seen in Exodus 32:1, took place during this month, the month of Tammuz. In this account, we see that the people felt as if they had been abandoned in the wilderness by God and Moses. They formed a mob and confronted Aaron, demanding that he make them gods which were to go before them. Somehow, the people had become desensitized to the glory of the Lord that was still visible over the mountain where He was speaking to Moses. He had already gone before them to prepare the Promised Land; all they needed to do is worship while they were waiting.

There is a great danger of falling prey to the same type of rebellion when we find ourselves waiting. I have found that worry and anxiety are two enemies that creep in when it seems nothing is happening. These will cause us to move too quickly, devise a plan of our own, and lead us to a place of hope deferred if we allow them to. Worship is the key that unlocks the destiny that God has predetermined for us. He has already gone before us and prepared the time and the space where our destiny will be fulfilled, all we have to do is worship Him while we are waiting.

The prophet Samuel said that rebellion is like witchcraft, and stubbornness is like idolatry (I Samuel 15:23). When we are rebellious and stubborn, we reject God and fail to see His path for our lives. Instead, we choose an inferior reality and do what we feel is right based on our own desires. There is nothing in this world that can separate us from God and keep us from experiencing His promises besides our choice to reject His truth and choose our own way. We see this illustrated in the life of Saul, who chose to disobey God. When the prophet Samuel confronted his disobedience, he chose stubbornness rather than repentance, and God's presence left him. Samuel's judgement on the matter is one of the most frightening statements in the Bible, ***"So because you have rejected the command of the LORD, he has rejected you as king."***

Just like the people of Israel in the wilderness who chose to worship the golden calf, Saul chose to worship his own way. I believe what led them to the place of rebellion was not intentional maliciousness, but a failure to keep the main thing the main thing. The presence of God should ALWAYS be our measure of success. The children of Israel were so focused on the promised land, they were willing to get there by any means possible; failing to realize the presence of God was still visible on the mountain. Saul was so focused on the victory and the spoils, he failed to realize that obedience to God is better than sacrifice. When we exalt our promise above the one who gave it, or our breakthrough above the one who produces it, we forfeit our place in His presence and fail to see the fulfillment of our destiny.

I encourage you to worship the Lord with great fervency throughout this time. Make special time to worship Him, especially when it seems that you have been delayed in what you believe He is taking you into. New songs break old cycles, so ask Him to release to you the new song that will cause barrenness to turn into fruitfulness. Psalm 96 gives us our instruction for this month. **O sing unto the LORD a new song: sing unto the LORD, all the earth. Sing unto the LORD, bless his name; shew forth his salvation from day to day. Declare his glory among the heathen, his wonders among all people. (Psalm 96:1-3)**

## The Month of Tammuz according to the Book of Formation (Sefer Yetzirah)

***According to Sefer Yetzirah, to each month of the Jewish calendar there corresponds a letter of the Hebrew alphabet, a zodiac sign, one of the twelve tribes of Israel, a sense, and a controlling limb of the body.***

Tammuz is the fourth of the twelve months of the Jewish calendar.

The month of Tammuz begins the "season" (*tekufah*) of the summer. The three months of this season, Tammuz, Av, and Elul, correspond to the three tribes of the camp of Reuben – Reuben, Simeon and Gad – who were situated to the south.

Tammuz is the month of the sin of the golden calf, which resulted in the breaking of the Tablets. On that very day, the 17th of Tammuz begins the three-week period (ending on the 9th of Av) which commemorates the destruction of the Holy Temple in Jerusalem.

This is the month that the spies sent by Moses traveled through the land of Israel to see it and report to the people. (They returned on the eve of the 9th of Av).

## Letter: Chet (ח)

The form of the letter chet is composed of the two previous letters of the Hebrew alef-beit, the vav and the zayin (corresponding to the two previous months of Iyar and Sivan) connected from above by a thin "bridge." In relation to the sense of sight, the form of the chet represents the dynamic of spiritual light being emitted from the eyes (the vav) and physical light returning from the object observed, to the eyes (the zayin).

The word Tammuz reads in Hebrew: "tam"– "connect together," "consummate"– vav Zayin the two letters that together form the chet.

## Mazal: Cancer

One of the meanings of the root of sartan, seret, is a visual "strip," in general, or (as in Modern Hebrew) a "film" strip in particular.

The spiritual sense of sight of Tammuz is the ability to "see through" physical reality, to behold its Divine source. In accordance with this thought, the word sartan is understood as being composed of two words – sar tan – which literally reads: "remove the body" (in order to reveal the soul), i.e. remove the outer "shell" of reality (by means of the power of concentrated sight) in order to reveal reality's inner "fruit" and lifeforce.

## Tribe: Reuben

The name Reuben comes from the root "to see," the sense of Tammuz.

The precious stone of Reuben in the breastplate of the high priest is the odem, the ruby (from Reuben), which due to its brilliant red color (odem means red) is the most sensually visible of the stones.

Red is the most seductive of all colors, implying either the fall of man (in Hebrew odem [red] has the same spelling as Adam [man]), as in the sin of the golden calf, or the ultimate rise and rectification of man with the coming of Mashiach.

## Sense: Sight

The summer (the period of Tammuz) is the "holiday" of the eyes. It is the time that one must "guard" his eyes to see only that which is good (in the world in

general and in his fellow man in particular) and modest. The ability to guard and focus one's eyesight correctly is the rectified "sense" of sight.

At the end of Moses' blessing Israel, he said (Deuteronomy 33:28): "betach badad ein Yaacov – sure, alone, is the eye of Jacob." The word betach, "sure," is an acronym for three words: bracha tov chayim, blessing good and life. These are the three focus-points of rectified eyesight, as is said in **Deuteronomy 11:26: "See, I give before you today blessing and curse. The blessing," and subsequently (Deuteronomy 30:15-19): "See, I have given before you today life and good, and death and evil, and you shall choose life."** In relation to these three, one must train one's eyes (both spiritual and physical) to see only the inner positive dimension of reality, and not to focus upon reality's outer, negative "shell."

This is the meaning of "sure, alone, is the eye of Jacob." The sense of the Jewish eye ("the eye of Jacob") is to only ("alone") see that which is "sure"– G-d's blessing, good, and life.

***Exodus 33: 12-23 Amplified Bible (AMP)***

**It was a time when Moses interceded for the people.**

**12 Moses said to the LORD, "See, You say to me, 'Bring up this people,' but You have not let me know whom You will send with me. Yet You have said, 'I know you by name, and you have also found favor in My sight.' 13 Now therefore, I pray you, if I have found favor in Your sight, let me know Your**

**ways so that I may know You [becoming more deeply and intimately acquainted with You, recognizing and understanding Your ways more clearly] and that I may find grace *and* favor in Your sight. And consider also, that this nation is Your people." 14 And the LORD said, "My presence shall go *with you*, and I will give you rest [by bringing you and the people into the promised land]." 15 And Moses said to Him, "If Your presence does not go [with me], do not lead us up from here. 16 For how then can it be known that Your people and I have found favor in Your sight? Is it not by Your going with us, so that we are distinguished, Your people and I, from all the [other] people on the face of the earth?"**

**17 The LORD said to Moses, "I will also do this thing that you have asked; for you have found favor (lovingkindness, mercy) in My sight and I have known you [personally] by name." 18 Then Moses said, "Please, show me Your glory!" 19 And God said, "I will make all My goodness pass before you, and I will proclaim the Name of the LORD before you; for I will be gracious to whom I will be gracious, and will show compassion (lovingkindness) on whom I will show compassion." 20 But He said, "You cannot see My face, for no man shall see Me and live!" 21 Then the LORD said, "Behold, there is a place beside Me, and you shall stand there on the rock; 22 and while My glory is passing by, I will put you in a cleft of the rock and *protectively* cover you with My hand until I have passed by. 23 Then I will take away My hand, and you shall see My back; but My face shall not be seen."**

### The Covenant Renewed

**10 Then God said, "Behold, I am going to make a covenant. Before all your people I will do wondrous works (miracles) such as having not been created or produced in all the earth nor among any of the nations; and all the people among whom you live shall see the working of the LORD, for it is a fearful and awesome thing that I am going to do with you.**

**11 "Be sure to observe what I am commanding you this day: behold, I am going to drive out the Amorite before you, and the Canaanite, the Hittite, the Perizzite, the Hivite, and the Jebusite. 12 Watch yourself so that you do not make a covenant (solemn agreement, treaty) with the inhabitants of the land into which you are going, or it will become a [dangerous] trap among you.**

**13 But you shall tear down and destroy their [pagan] altars, smash in pieces their [sacred] pillars (obelisks, images) and cut down their Asherim 14 for you shall not worship any other god; for the LORD, whose name is Jealous, is a jealous (impassioned) God [demanding what is rightfully and uniquely His]— 15 otherwise you might make a covenant with the inhabitants of the land and they would play the prostitute with their gods and sacrifice to their gods, and someone might invite you to eat his sacrifice (meal), 16 and you might take some of his daughters for your sons, and his daughters would play the prostitute with their gods and cause your sons also to play the prostitute (commit apostasy) with their gods [that is, abandon the true God for man-made idols]. 17 You shall make for yourselves no molten gods.**

**18 "You shall observe the Feast of Unleavened Bread (Passover). For seven days you shall eat unleavened bread, as I have commanded you, at the appointed time in the month of Abib; for in the month of Abib you came out of Egypt.**

**19 "All the firstborn males among your livestock belong to Me, whether cattle or sheep. 20 You shall redeem the firstborn of a donkey with a lamb; but if you do not redeem it, then you shall break its neck. You shall redeem all the firstborn of your sons. None of you are to appear before Me empty-handed.**

**21 "You shall work for six days, but on the seventh day you shall rest; [even] in plowing time and in harvest you shall rest [on the Sabbath]. 22 You shall observe and celebrate the Feast of Weeks (Harvest, First Fruits, or Pentecost), the first fruits of the wheat harvest, and the Feast of Ingathering (Booths or Tabernacles) at the year's end. 23 Three times a year all your males shall appear before the Lord GOD, the God of Israel. 24 For I will drive out and dispossess nations before you and enlarge your borders; nor shall any man covet (actively seek for himself) your land when you go up to appear before the LORD your God three times a year.**

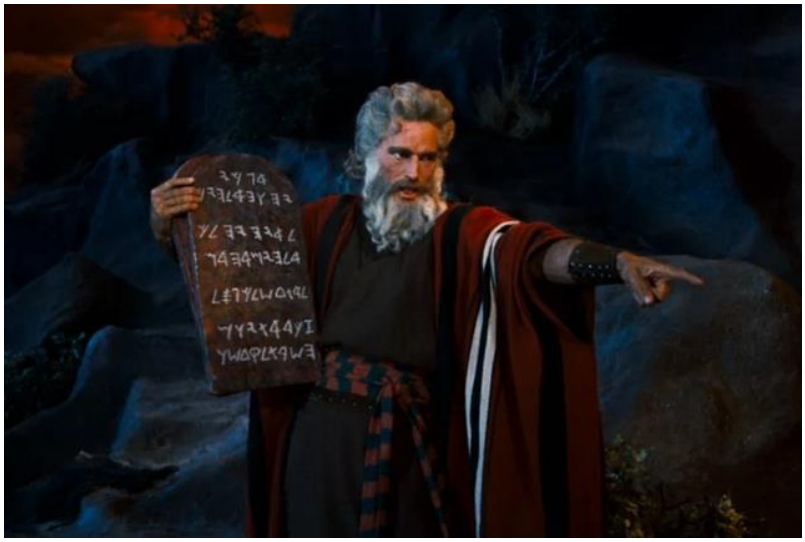

**25 "You shall not offer the blood of My sacrifice with leavened bread, nor shall the sacrifice of the Feast of the Passover (Unleavened Bread) be left over until morning.**

**26 "You shall bring the very first of the first fruits of your ground to the house of the LORD your God.**

**"You shall not boil a young goat in his mother's milk [as some pagans do]."**

**27 Then the LORD said to Moses, "Write these words, for in accordance with these words I have made a covenant with you and with Israel."**28 **Moses was there with the LORD forty days and forty nights; he ate no bread and drank no water. And he wrote on the tablets the words of the covenant, the Ten Commandments.**

## The Ten Commandments, Exodus 20:1-26

**Then God spoke all these words:**

**2 "I am the LORD your God, who has brought you out of the land of Egypt, out of the house of slavery. 3 "You shall have no other gods before Me. 4 "You shall not make for yourself any idol, or any likeness (form, manifestation) of what is in heaven above or on the earth beneath or in the water under the earth [as an object to worship]. 5 You shall not worship them nor serve them; for I, the LORD your God, am a jealous (impassioned) God demanding what is rightfully and uniquely mine], visiting (avenging) the iniquity (sin, guilt) of the fathers on the children that is, calling the children to <u>account</u> for the sins of their fathers], to the third and fourth generations of those who hate Me, 6 but showing graciousness and steadfast lovingkindness to thousands [of generations] of those who love Me and keep My commandments. 7 "You shall not take the name of the LORD your God in vain [that is, irreverently, in false**

**affirmations or in ways that impugn the character of God]; for the LORD will not hold guiltless nor leave unpunished the one who takes His name in vain [disregarding its reverence and its power]. 8 "Remember the Sabbath (seventh) day to keep it holy (set apart, dedicated to God). 9 Six days you shall labor and do all your work, 10 but the seventh day is a Sabbath [a day of rest dedicated] to the LORD your God; on that day you shall not do any work, you or your son, or your daughter, or your male servant, or your female servant, or your livestock or the temporary resident (foreigner) who stays within your [city] gates. 11 For in six days the LORD made the heavens and the earth, the sea and everything that is in them, and He rested (ceased) on the seventh day. That is why the LORD blessed the Sabbath day and made it holy [that is, set it apart for His purposes].**

**12 "Honor (respect, obey, care for) your father and your mother, so that your days may be prolonged in the land the LORD your God gives you. 13 "You shall not commit murder (unjustified, deliberate homicide).**

**14 "You shall not commit adultery. 15 "You shall not steal [secretly, openly, fraudulently, or through carelessness. 16 "You shall not testify falsely [that is, lie, withhold, or manipulate the truth] against your neighbor (any person). 17 "You shall not covet [that is, selfishly desire and attempt to acquire] your neighbor's house; you shall not covet your neighbor's wife, or his male servant, or his female servant, or his ox, or his donkey, or anything that belongs to your neighbor."**

**18 Now all the people witnessed the thunder and the flashes of lightning and the sound of the trumpet and the smoking mountain; and as they looked, the people were afraid, and they trembled [and moved backward] and stood at a [safe] distance. 19 Then they said to Moses, "You speak to us and we will listen, but do not let God speak to us or we will die." 20 Moses said to the people, "Do not be afraid; for God has come in order to test you, and in order that the fear of Him [that is, a profound reverence for Him] will remain with you, so that you do not sin." 21 So the people stood at a [safe] distance, but Moses approached the thick cloud where God was.**

**22 Then the LORD said to Moses, "Thus you shall say to the Israelites, 'You have seen for yourselves that I have spoken to you from heaven. 23 You shall not make other gods [to worship] besides Me; gods of silver or gods of gold, you shall not make [these lifeless idols] for yourselves. 24 You shall make an**

**The Golden Calf:** It's the month to guard our heart and eyes and not build any "Golden Calves" in our lives. Take time to look at all the times GOD has saved you, blessed you, and bailed you out of situations. It is easy to look at the children of Israel and judge them for falling so many times, when we do the same over and over again. Never take your eyes off of the promise in HIS WORD, and look for idols. If you fall, go back to HIS Amazing Grace and repent.

**Exodus 32:1-34**

**Now when the people saw that Moses delayed coming down from the mountain, they gathered together before Aaron and said to him, "Come, make us a god who will go before us; as for this Moses, the man who brought us up from the land of Egypt, we do not know what has become of him." 2 So Aaron replied to them, "Take off the gold rings that are in the ears of your wives, your sons and daughters, and bring them to me." 3 So all the people took off the gold rings that were in their ears and brought them to Aaron. 4 And he took *the gold* from their hands, and fashioned it with an engraving tool and made it into a molten calf; and they said, "This is your god, O Israel, who brought you up from the land of Egypt." 5 Now when Aaron saw the molten calf, he built an altar before it; and Aaron made a proclamation, and said, "Tomorrow shall be a feast to the LORD!" 6 So they got up early the next day and offered burnt offerings, and brought peace offerings; then the people sat down to eat and drink, and got up to play [shamefully—without moral restraint].**

**7 Then the LORD said to Moses, "Go down at once, for your people, whom you brought up from the land of Egypt, have corrupted themselves. 8 They have quickly turned aside from the way which I commanded them. They have made themselves a molten calf, and have worshiped it and sacrificed to it, and said, 'This is your god, O Israel, who brought you up from the land of Egypt!'" 9 The LORD said to Moses, "I have seen these people, and behold,**

**they are a stiff-necked (stubborn, rebellious) people. [10] Now therefore, let Me alone and do not interfere, so that My anger may burn against them and that I may destroy them; and I will make of you (your descendants) a great nation."**

### Moses' Entreaty

**[11] But Moses appeased *and* entreated the LORD his God, and said, "LORD, why does Your anger burn against Your people whom You have brought out of the land of Egypt with great power and a mighty hand? [12] Why should the Egyptians say, 'With evil [intent] their God brought them out to kill them in the mountains and destroy them from the face of the earth'? Turn away from Your burning anger and change Your mind about harming Your people. [13] Remember Abraham, Isaac, and Israel (Jacob), Your servants to whom You swore [an oath] by Yourself, and said to them, 'I will multiply your descendants as the stars of the heavens, and all this land of which I have spoken I will give to your descendants, and they shall inherit it forever.'" [14] So the LORD changed His mind about the harm which He had said He would do to His people.**

**[15] Then Moses turned and went down from the mountain with the two tablets of the Testimony in his hand; tablets that were written on both sides—they were written on one side and on the other. [16] The tablets were the work of God; the writing was the writing of God engraved on the tablets. [17] Now when Joshua heard the noise of the people as they shouted, he said to Moses, "There is a sound of battle in the camp." [18] But Moses said,**

**"It is not the sound of the cry of victory, No is it the sound of the cry of defeat; But I hear the sound of singing."**

### Moses' Anger

**[19] And as soon as he approached the camp and he saw the calf and the dancing, Moses' anger burned; and he threw the tablets from his hands and smashed them at the foot of the mountain. [20] Then Moses took the calf they had made and burned it in the fire, ground it to powder, and scattered it on the surface of the water and made the Israelites drink it.**

**[21] Then Moses said to Aaron, "What did this people do to you, that you have brought so great a sin on them?" [22] Aaron said "Do not let the anger of my**

**lord burn; you know the people yourself, that they are prone to evil. 23 For they said to me, 'Make us a god who will go before us; as for this Moses, the man who brought us out of the land of Egypt, we do not know what has become of him.' 24 I said to them, 'Let whoever has gold [jewelry], take it off.' So, they gave it to me; then I threw it into the fire, and out came this calf."**

**25 Now when Moses saw that the people were out of control—for Aaron had let them get out of control to the point of being an object of mockery among their enemies— 26 then Moses stood in the gate of the camp, and said, "Whoever is on the LORD'S side, come to me!" And all the sons of Levi [the priestly tribe] gathered together to him. 27 He said to them, "Thus says the LORD God of Israel, 'Every man strap his sword on his thigh and go back and forth from gate to gate throughout the camp, and every man kill his brother, and every man his friend, and every man his neighbor [all who continue pagan worship].'" 28 So the sons of Levi did as Moses instructed, and about three thousand men of the people [of Israel] were killed that day. 29 Then Moses said [to the Levites], "Dedicate yourselves today to the LORD—for each man has been against his own son and his own brother [in his attempt to escape execution]—so that He may restore *and* bestow His blessing on you this day."**

**30 Then the next day Moses said to the people, "You have committed a great sin. Now I will go up to the LORD; perhaps I can make atonement for your sin." 31 So Moses returned to the LORD, and said, "Oh, these people have committed a great sin [against You] and have made themselves a god of gold. 32 Yet now, if You will, forgive their sin—and if not, please blot me out of Your book which You have written (kill me)!" 33 But the LORD said to Moses, "Whoever has sinned against Me, I will blot him out of My book [not you]. 34 But now go, lead the people [to the place] where I have told you. Behold, My Angel shall go before you; nevertheless, in the day when I punish, I will punish them for their sin!" 35 So the LORD struck the people with a plague, because of what they had done with the calf which Aaron had made [for them].**

## The Road to the Master Covenant

### Chapter 1

### The Abrahamic Covenant—The Contractual Template

**To understand how the Master Covenant emerged in history, we must first examine the covenantal framework that preceded it: the Abrahamic Covenant.**

*Why examine the tenets of this Covenant?* Two reasons. First, it establishes the foundational principles upon which the later Master Covenant stands. Second, it reveals that biblical covenants all share recognizable configuration patterns—acting as binding legal contracts rather than vague promises or agreements. Such contracts may include both unilateral and bilateral obligations, structured much like the legal instruments prevalent the ancient Near East (ANE). These covenants involved defined terms, performance expectations, benefits, and consequences—features the original participants would have clearly understood. Very similar contract structures are still used today. However, unlike purely human agreements, biblical covenants involve YHVH Himself, who can—and often does—forego the penalty for breaches, even when people repeatedly exploit His mercy. It is YHVH's *khesed* (mercy; steadfast love), *emunah* (faithfulness), and *khen* (grace) as well as His power to perform that elevates these biblical covenants beyond anything human contracts can replicate or achieve.

Abram (or Avram) emerges from a polytheistic Mesopotamian environment shaped by the worship of multiple deities. He was born in a city called *Ur* which is identified much later as "Ur of the Chaldeans" located in southern Mesopotamia. Many scholars

believe Ur was located in the north.[1] The broader cultural milieu was saturated with idolatry, including the widespread veneration of the moon-god *Sin* whose Temple in *Haran* was established as a northern branch of the Sumerian temple. Some scholars have suggested that Abram's family may have been connected to priestly service in that Temple.

Against this background, the biblical account presents an unexpected event: *El Elyon* (God Most High) speaks directly to Abram—without a mediator—calling him out from among a world of many gods. Such an encounter would have been shocking and disruptive.

Now YHVH said to Abram, "***Go forth from your native land and from your father's house to the land that I will show you.*** **I will make of you a great nation, And I will bless you; I will make your name great, And you shall be a blessing. I will bless those who bless you And curse him that curses you; And all the families of the earth shall bless themselves by you." (Gen 12:1–3)**

This passage constitutes YHVH's original offer to Abram to enter into covenant. The six elements of the offer include blessing, land, physical descendants, a great name, global impact through blessing him, and protection against those who oppose him. As scholars note: "The Lord begins anew singling out one Mesopotamian ... and promising to make him a *great nation*... The twin themes of land and progeny inform the rest of the Torah."[2]

Abraham establishes the pattern: Active trust and faithful obedience to YHVH

Abram responds not merely with intellectual assent, but with decisive action. He trusts YHVH's word, knowing that the *covenant's blessings are contingent on his obeying the command to "Go forth"* from his pagan homeland. Abram's faithful obedience constitutes his acceptance and the required exchange of value. Such performance-based commitment was a standard feature of ancient covenants and remains fundamental to binding contracts today. This pattern of active trust is later affirmed by James, the leader of "**The Way": *"I by my actions will show you my faith."* (Jas 2:14–22)**

Thus, it is Abram's courageous actions—leaving behind his comfortable former life and setting out toward an unknown, perilous land—that establishes the primary

[1] The designation "Ur of the Chaldeans" *('Th Kaśdîm)* reflects a later geographical identification rather than a contemporaneous label from Abram's time. The Chaldeans *(Kaldu)* do not appear in Mesopotamian sources until the early first millennium BCE, rising to prominence in the Neo-Babylonian period (seventh–sixth centuries BCE)—one thousand plus years after Abram. Many scholars therefore understand the phrase as a subsequent addition. *Urkesh,* an ancient city in northern Mesopotamia near Haran, has a long-standing tradition of being Abraham's birthplace and even has landmarks attributed to the patriarch such as Abraham's well.

Abrahamic Covenant. This covenant may be understood as an oral or "handshake" contract, reflecting the principle, *"My word is my bond."* [3]

After Abram reaches the land of Canaan, YHVH appears to him again, affirming the promise that the land he was traversing would be given to his descendants.

Abram went forth as YHVH had commanded him, ... And Abram took Sarai his wife, and Lot his brother's son, and all their possessions; ...into the land of Canaan they came. Abram passed through the land as far as the site of Shekhem, ...YHVH appeared to Abram and said, "**I will give this land to your offspring"; And he built an altar there to YHVH who had appeared to him. (Gen 12:4–7)**

This affirmation functions as a second validation of the original promise, confirming that Abram's physical descendants would inherit the land in fulfillment of YHVH's covenant oath. In response, Abram builds an altar there, not for blood sacrifice but rather as a memorial marker of unhewn stones acknowledging YHVH's faithfulness. He then moves to a mountain between *Beth-el* and *Ai* and builds a second commemorative altar (Gen 12:8).

YHVH reiterates the land promise a third time in Genesis 13:14–17, encouraging Abram to lift his eyes and survey the full extent of the land. This third corroboration unmistakably establishes the covenant's primary status, confirming its terms without adding new conditions or obligations (Deut 17:6, 19:15).

And YHVH said unto Abram, **"Lift up now your eyes, and look from the place where you are, northward and southward and eastward and westward for all the land which you see, to you will I give it, and to your seed forever. And I will make your seed as the dust of the earth. …Arise, walk through the land in the length of it and in the breadth of it; for unto you will I give it." (Gen 13:14–17)**

Abram is then commanded to walk the length and breadth of the land—an ancient symbolic undertaking signifying possession. Abram ceremonially accepts the vast territory YHVH was granting him and his descendants, symbolically bringing a spiritual promise into an earthly reality. Nothing new is added to the primary covenant at this stage; what had already been promised is confirmed and reinforced. Abram then moves his tents to *Khevron* (Hebron) and builds a third memorial altar to YHVH—a third witness—and another acknowledgment of the covenantal promises to be fulfilled.

## ***Covenant of the Pieces—A Ceremonial Validation of the Abrahamic Covenant***

[3] In the ancient Near Eastern worldview, breaking a promise, vow or oath was not merely a breach of contract between humans but a serious violation of the cosmic and divine order, often carrying religious consequences including curses, abandonment of protective spirits bringing divine wrath, etc. See Hittite treaties (14th –13th century BCE), Mesopotamian oath and curse formulas (Old Babylonian period, ca. 18th century BCE) and others.

If Genesis 12 and 13 establish the basic terms of the Abrahamic Covenant, then Genesis 15 provides its formal ratification. After ten years of faithful obedience, Abram remains childless even though YHVH promised him he would have offspring through Sarai. Now he seeks assurance that the promise will indeed be fulfilled. In response, YHVH reaffirms that Abram's own offspring will be his heir and declares: ***"Look toward heaven and count the stars… so shall your offspring be." And he believed in YHVH, and counted it to Him for righteousness.*** **(Gen 15:5–6)**

Yet, Abram asks for a tangible sign—*"O Lord Elohim, whereby shall I know that I shall inherit it?"*—a confirmation of the unfulfilled promise (Gen 15:8). What follows is not a new covenant, but a formalization of the existing one through a well-known ancient Near Eastern ritual. In a ceremonial display, the two parties would cut up an animal, lay the pieces out with a pathway between them, and both would walk through, vowing something akin to: **"Let the one who breaks this covenant be cut into pieces like this animal." (e.g., Jer 34:18–20)**

YHVH commands Abram to prepare animals for a "cutting" (*berit*; covenant) ceremony**: *"Bring Me a three-year-old heifer… a ram… a turtledove…"* (Gen 15:9–12). Abram gathers the animals and prepares the pieces, arranging them in the proper placement. The text tells us he then falls into an immovable, trance-like sleep. Instead of both he and YHVH walking through them, *"A smoking fire pot and a flaming torch passed between those pieces. On that day YHVH made a covenant with Abram…"* (Gen 15:17–18)**

*This detail is essential to the narrative*. By passing through the pieces alone, YHVH binds the covenant unilaterally, swearing by Himself to fulfill the promise. Abram does not participate because he has already performed his part—his covenantal fidelity has already been demonstrated. The obligation to carry it out now rests entirely on YHVH—and He does so.

The Covenant of the Pieces is a supplement that validates and seals the original covenant, without changing its terms. It functions as a divine guarantee, an irrevocable "royal land grant" to Abram and his descendants secured by YHVH's own oath.

## ***Covenant of Circumcision—An Addendum to the Abrahamic Covenant***

In Genesis 17, the covenant is not merely revalidated—it is amended. Elohim appears to Abram as *El Shaddai* (God Almighty), affirms His promise of innumerable descendants, and changes his name to Abraham—signifying that he would become ***"the father of a multitude of nations"*** **rather than only one** ***"great nation."*** **Then He changes Sarai's name from** ***"my princess"*** **to Sarah,** ***"princess over all"*****—both names pointing to the future fulfillment of the six promises to Abraham, his physical descendants, and the future global impact of the Abrahamic Covenant. (Gen 17:1–5, 15)**

He reiterates the land grant to Abraham's descendants: ***"And I will establish My covenant between Me and you and your seed after you… for an everlasting covenant, to be an Elohim unto you and to your seed after you. And I will give unto you, and to your seed after you… all the land of Canaan, for an everlasting possession…" (Gen 17:7–8)***.[4] **Then He adds the covenant addendum—a perpetual sign in the form of a performance requirement:** ***"As for you, you shall keep My covenant… every male among you shall be circumcised… and it shall be a sign of the covenant." (Gen 17:9–11)***

Circumcision becomes the visible sign (*oath;* token) of covenant participation. It is required not only of Abraham's physical descendants, but also of all males within his household: ***"He that is born in the house, or bought with money… must be circumcised" (Gen 17:12–13)*****. The consequence of refusal is explicit:** ***"The uncircumcised male… shall be cut off from his people; he has broken My covenant."*** **(Gen 17:14)**

The remnant of the descendants of Abraham, Isaac, and Jacob who are alive today—even most of the so-called "secular" Jews—have faithfully continued this rite for more than 3,500 years.[5] Many Jews and Christians view the modern return to the land of Israel within this same long arc of covenantal fulfillment.

This addendum *builds upon the original promise.* Although the land grant and divine commitment to Abraham and his seed remain intact, participation in the covenant community (i.e., "household") is now contingent upon the "specific performance" of new condition. Obedience will guarantee inclusion. Thus, the Covenant of Circumcision reinforces a crucial principle: while YHVH's promises are secure, *ongoing covenant relationship is still expressed and maintained through obedient deeds*—a perennial feature of every primary biblical covenant.

## ***The Way of YHVH—A Performance Contract***

Sometime after the Covenant of Circumcision, Abraham is sitting in the doorway of his tent in the heat of the day when the text states that YHVH appears to him (Gen 18:1–2). When Abraham lifts his eyes, he sees three men approaching. He greets them with great respect, prepares food for them, and visits with them for some time. At the end of the visit, the men begin walking toward Sodom and Gomorrah. As an aside, YHVH considers whether to reveal to Abraham His plan to destroy those cities for their wickedness (vv. 17–18). Readers will be familiar with Abraham's intercession and plea to YHVH for *khesed* (mercy), that the cities be spared if even ten righteous men remain. But why does YHVH choose to share His plan with Abraham?

[4] Covenant participation is not identical to inheritance rights (e.g., Eleazar; Gen 15:2–5).

[5] In Genesis 22, YHVH commanded Abraham to sacrifice his son Isaac as a burnt offering, but He provided a ram as a substitute, preventing the shocking act from taking place (Gen 22:13). Many interpret this as YHVH's repudiation of human sacrifice once and for all. This event did not change anything fundamental in the Abrahamic Covenant.

**"For I have known him, to the end that he will command his children and his household after him, *that they shall keep the Way of YHVH, to do righteousness (tsedaqah) and justice (mishpat); so that* YHVH may bring unto Abraham that which He has spoken of him." (Gen 18:19)**

**YHVH declares that He "knows" Abraham—the man who listened and faithfully obeyed from the first command to "go forth"—and calls him "My friend" (Isa 41:8; Jas 2:23). Abraham continued to teach and ensure that his children and household kept the Way of YHVH, "so that" He would "bring unto" him that which was promised. The verb "to keep" is *shamar;* and its root meaning also includes "to guard, preserve."**

This confirms that *it was not Abraham's passive belief* that secured divine favor, *but his continual covenantal fidelity by walking in "the Way (derekh*) *of YHVH*" (Deut 10:12–13; Micah 6:8; Ps 89:14). The Abrahamic Covenant (Gen 12:1–7; 13:14–17) thus serves as the blueprint for all subsequent covenantal performance: Abraham is blessed as he keeps the contractual provisions by establishing the pattern of living by tsedaqah and mishpat for all who followed. (Gen 22:18; 26:5; Jas 2:17, 20, 26)

The covenantal pattern is easy to recognize: offer; acceptance; performance. *YHVH binds Himself to bless; Abraham binds himself to obey by keeping the Way of YHVH.* In time, this same pattern is repeated in Abraham's descendants at another pivotal moment.

Any Gentile who follows the Way of YHVH can become part of the extended household.

James Tabor, PhD, historian of early Judaism and Christianity and former university professor of religious studies at the University of NC at Charlotte, comments on the universal scope of the Way.

"There we have it. The Way of YHVH is defined precisely: it is doing or practicing *tzdaqah* and *mishpat*. The Plan of God, that involves the entire calling and mission of Abraham, *depends on the preservation and extension of this Way*. Also notice that he teaches both his children as well as his "household," so that anyone of the nations who takes up this Way of YHVH, becomes part of the extended household of Abraham and partners in the Plan of Genesis 12:1–3, where Abraham first gets both his call and his historic mission." **Terry Freisen: Accelerate by My Glory**

In the early morning hours of Friday May 22, 2026, the Lord woke me. I was in a contentious place and could feel various political and economic forces pushing and pulling for prominence, often in league with each other. I've been waking in this environment for several days and seeking the release of our Lord's peace and His design to displace the territorial hold of darkness in this world's system.

On this morning, as I waited on the Lord seeking to do the same, I heard very clearly, "***it is time for My plans to accelerate in the earth, and you need more of My glory for that to take place."*** I continued to pray and wait, asking for more of the Lord's glory to come and occupy.

In the early morning hours of Saturday May 23, 2026, I was again awakened into the same contentious spiritual environment and recognizing the same need for increased glory as the night before, I asked for more. In my mind I was thinking 50% more, double the glory – more can mean many things, but this was my context as I waited in prayer.

Even though I recognized and heard the need for greater glory, I failed to fully recognize the hour of our need. Holy Spirit quickly responded, "5X." I could hear and see a large bold five times in my view.

As I began asking for five times His glory to enter the situation, the Lord expanded my view. I found myself over the city where I was praying, asking for five times the glory; then I was taken in the spirit to another U.S. state for the same purpose, and then over Iran for the same purpose.

Once over Iran in the spirit, the Lord then brought me low onto the soil and directed me to release five times of His glory into the earth. It is time to accelerate His plans in the earth, and His glory will make the way.

As we again approach the anniversary of Pentecost, as we celebrate the first outpouring of Holy Spirit in the earth from the book of Acts, we are to ask for more. It is the Father's will for us to walk in greater dimensions of His glory in this season to accelerate His plans in the earth. This anniversary of Pentecost will mark a time and place, an opportunity for five times increase to take place. I encourage you to ask for more.

**Let's first look at what this means and why we need more.**

The enemy cannot hide in the presence of the Lord's glory. The glory of God exposes deep darkness that can otherwise remain hidden. In fact, in this day and hour, we are seeing great hidden darkness in both man's structures, and the alliances man has made with evil being exposed.

As God's glory is released and penetrates the earthen structures, I have seen large demonic entities hidden in the earth through ancient covenants being exposed and being removed. This is part of the reason we are seeing such calamity in our day, both politically and economically. Long held fortresses of evil are being shaken, and they are making some noise as they are being dislodged and removed.

So, exposing evil is the first thing that happens when greater glory is released. The second thing that takes place is the advance of Our Lord's Kingdom. In reality, the first occurs because of the advance of His kingdom through exposure, but it needs to be identified separately, because simply exposing and removing evil is not enough. The spiritual realm is such that something needs to occupy, so it is either evil or our Lord's glory and His Kingdom.

The Father's manifest presence, His glory, contains the DNA of His nature and His kingdom, so as it advances, it instructs all of creation, seen and unseen, how to be. Apart from His glory, we do not know how to be and what to be except it is revealed to us. His advancing glory reveals what His intent was all along, and we can then yield to what He is expressing through His nature being revealed.

On the practical side, this transformation zone can look chaotic as one kingdom is supplanted for another until evil is removed and the pre-eminence of the Father's

glory and peace take over the atmosphere. That is why in this day we have been told there is great shaking, but if we are rooted in Him, we will not be shaken, but the world around us may shake in the process.

So, how do we participate with this request for more glory. It is very clear the glory is the Lord's, and it is not ours, but yet we are being invited into a place of partnership in how this unfolds. Over the years, I have been taught four different anointings, or enablements as it relates to the glory for this purpose. This will not be an exhaustive study, but rather, an introduction so we know how to ask; then Holy Spirit is faithful to instruct us as we proceed. As I define and describe the four glory anointings, you can then ask the Lord for these to be operational in your life and ask for His glory to be released in greater measure.

1) **Receive** – We can ask for His glory to come into our circumstance or environment. The Lord may even place us somewhere that He desires to fill with His glory, and our proximity is the way this happens. In the same way I was in the spirit in Iran and on the soil and I asked for the Father's glory to come into the place where my feet stood – I received His glory into the place I was occupying in the spirit. I simply say, "Father, I receive your glory into this place for your purposes to take place." It is clear the glory I am receiving is not my own, and it is not for my will to be done but His. We can do this in our homes, communities, wherever we have been planted.
2) **Release** – We can declare His glory to be released into a circumstance or geography. This is very similar to receiving but functions a bit differently. When I receive His glory, it often comes into a place where I have skin in the game – in other words, I am somehow identifying with the need, or have been placed directly in the middle of the need so as it comes, it automatically comes into the place it is to affect. When I release His glory, it is coming out of my identity and position in Christ into a place that is external to me. I don't need to feel His glory before I declare release; it is an operation of faith, and sometimes this comes with some form of confirmation, but not always. I simply say, "Father, I release Your glory into this situation, circumstance, or geography that so Your will and Your plan can be accomplished."
3) **Carry** – We can become glory carriers so that His glory begins to rest more fully on our lives and spill out of our lives. A clear example of this is Moses when He spent time with God as He received the ten commandments. His face shone with such great glory that the people asked him to cover himself. We can simply ask, "Father, I ask that Your glory rest upon me and increase only for Your purpose and Your plans to be accomplished." As a word of wisdom, to ask for this but not spend time with the Lord in intimacy is a bit foolhardy. His glory may rest on our lives apart from intimacy because He has a purpose in it, but this would not be the model clearly laid out in scripture.
4) **Steward** – We can become ones that participate in stewarding His glory in our homes, our church community, city, or territory. When the Lord was instructing me in these things, He showed me very clearly that some will be

called to steward His glory over whole regions for His purposes. To better understand how this may work, the Lord's glory can rest on a region, which will ultimately reduce crime and increase His Kingdom, but this does not diminish each believer's responsibility to steward the Lord's capacity in their own lives and the assignments they have been given. There can be many layers of His glory and grace overlaid to create a kaleidoscope of His goodness in the land. We see the opposite in the world of evil, where there are multiplied layers of various forms of evil, each one supporting the next until society completely degrades – the opposite is true of His Kingdom. We all have a part to play. Even when His goodness is being demonstrated in ways beyond our comprehension, there will still be more ways that every believer can participate to see His glory and Kingdom expand – there is no limit. I simply pray, "Father I steward Your glory over my family." In so doing, my spirit man in Christ is connected in a functional way to His presence and glory in my home. As you grow in this aspect, you can feel a connection to the place of stewardship in the spirit, and it can remain 24/7.

When approaching the subject of glory, as with any aspect for our Lord's Kingdom, we need to posture ourselves rightly and recognize this is His Kingdom, not ours. Therefore, the purposes of what we are engaging in are His and not ours. Sure, the benefits will spill over into our lives and the places we engage, but it must always be about Him and His will. Remember the disruptive nature of His glory – changes will take place – so it is important that we are submitted to His Lordship and His will, otherwise we will be the ones that shake when His glory comes on the scene.

"Father, we ask for more of Your glory to rest on our lives and function through us according to Your Kingdom design. We need Your glory to see that which is hidden, to advance Your Kingdom, and to know the ways of Your Kingdom. We ask You to express Your loving design through us into the earth in a way that returns Your glory to You and restores us to Your original design."

**Alison Garcia Cantú**
**There is an acceleration right now. I have been advancing My Kingdom!**

Tonight, I want to come on here with urgency, but also with great hope, because there is something happening in the spirit right now that the body of Christ cannot afford to

miss. If you have not watched my most recent live on demonic opposition and Nehemiah 4, I need you to go back and watch it. I truly believe we are living in a Nehemiah 4 moment. The builders are rising, the wall is being rebuilt, the gates are being restored, and because of that, the opposition has intensified. But what the enemy meant to intimidate, delay, distract, and wear out the saints has only become a launching place for acceleration. After that demonic opposition, there has been a refreshing. There has been a wind of the Spirit. There has been a gathering of people who have felt like they were in exile, scattered, hidden, wounded, overlooked, or in preparation, and now they are being brought together for rebuilding.

I have been watching the Lord move so beautifully. There is an acceleration right now. I have been advancing the kingdom, bringing deliverance to different territories all over the world, helping people gain background for Yeshua, and now I am equipping people to do the same. This is not about one person. This is not about one platform. This is not about one ministry. This is about the body of Christ coming back into divine order. This is about the five-fold being restored. This is about deliverance coming back into the body. This is about the temple being cleansed, the gates being rebuilt, and the people of God being healed, delivered, trained, equipped, and sent.

In Nehemiah 4, the opposition rose because the rebuilding had begun. Sanballat mocked. Tobiah tried to discourage. The enemies conspired. The people became weary. The rubble was great. The threats were real. But Nehemiah did not tell the people to stop building. He gave them strategy. He positioned the people by families. He placed weapons in their hands. He reminded them not to be afraid, but to remember the Lord, who is great and awesome, and to fight for their families, their sons, their daughters, their wives, and their homes. That is where we are right now. This is not the hour to retreat. This is the hour to build with one hand and war with the other.

And I want to say this clearly: just because someone has a platform, prophesies, preaches, teaches, or says the right thing does not mean they are moving by the Spirit of God. This is why discernment is vital in this hour. People can say the right words and still carry the wrong spirit. People can sound biblical and still be operating from mixture, compromise, pride, self-promotion, deception, or another spirit. The Bible tells us in 1 John 4:1 to test the spirits. It does not say test the platform. It does not say test the charisma. It does not say test the popularity. It says test the spirits to see whether they are from God.

There are many in the body of Christ who do not have discernment, and because of that, they are aligning with people who are still in compromise, still walking in darkness,

still bound, still lukewarm, still entertaining demons, and still calling it ministry. This is why the fear of the Lord must return. This is why holiness must return. This is why purity must return. This is why deliverance must return. This is why the five-fold must return. Because when the church loses discernment, it begins to celebrate what heaven is trying to expose. It begins to platform what should have been confronted. It begins to protect what should have been purified.

Ephesians 4 tells us that Christ gave apostles, prophets, evangelists, pastors, and teachers to equip His people for works of service, so that the body of Christ may be built up until we reach unity in the faith and maturity. The five-fold was not given for celebrity Christianity. It was not given so people could build empires around their names. It was not given so gifts could be used for money, fame, control, or applause. The five-fold was given to mature the saints, equip the body, guard the doctrine, confront darkness, build the church, release the saints into their assignments, and bring the body into the fullness of Christ.

The **apostle** is a builder. The apostle carries governmental grace to establish, order, pioneer, plant, reform, and confront systems that are out of alignment. The apostolic grace does not just gather people, it builds people. It does not just preach a message, it lays foundations. It confronts false systems. It breaks open territory. It establishes kingdom order. It carries the burden of Christ for the church to be mature, pure, equipped, and functioning. Apostolic ministry is not about a title. It is not about control. It is not about hierarchy. True apostolic ministry looks like servanthood, sacrifice, fathering, correction, endurance, spiritual authority, and building according to the pattern of heaven.

The **prophet** is not just someone who gives personal words. The prophet carries the burden of the heart of God. The prophet calls people back to covenant, holiness, obedience, repentance, purity, and alignment. The prophet exposes mixture, confronts deception, tears down what is false, and helps build what is true. The prophet does not live for applause. The prophet cannot be owned by people, controlled by systems, or silenced by fear of man. A true prophetic voice must be consecrated, purified, tested, and rooted in Scripture. Prophecy was never meant to entertain the church. Prophecy was meant to edify, exhort, comfort, warn, align, strengthen, and build the body.

The **evangelist** carries the fire for souls. The evangelist reminds the church that we are not called to sit inside buildings while the world is perishing. The evangelist carries urgency. The evangelist breaks apathy. The evangelist goes after the lost, the bound, the broken, the addicted, the rejected, the forgotten, and the ones nobody wants to

touch. But true evangelism must also be connected to deliverance, discipleship, and healing, because we cannot just get people to an altar and leave them bound. Yeshua preached the kingdom, healed the sick, cast out demons, and set captives free. That is still the model.

The **pastor** carries the heart of the Shepherd. True pastoral ministry is not about managing people. It is about caring for souls. It is about protecting sheep, feeding them truth, binding up wounds, restoring the broken, correcting with love, and guarding the flock from wolves. A pastor after the heart of Yeshua does not use sheep for personal gain. A true shepherd lays down his life for the sheep. The pastoral grace is deeply needed, but it must be purified from control, people-pleasing, fear of man, performance, and religious systems that keep people comfortable but not transformed.

The **teacher** grounds the body in truth. The teacher brings clarity, doctrine, understanding, Scripture, wisdom, and stability. Teaching is not just information. Teaching is formation. It takes the Word and helps the people become rooted, so they are not tossed back and forth by every wind of doctrine. But teaching without the Spirit becomes dry religion. Teaching without deliverance can leave people informed but still bound. Teaching without obedience can create hearers who never become doers. We need teachers who carry both truth and fire, both Scripture and surrender, both doctrine and demonstration.

**And the body needs all five.** We cannot just have pastors and teachers and ignore apostles and prophets. We cannot just have prophecy and no doctrine. We cannot just have evangelism and no discipleship. We cannot just have deliverance and no healing. We cannot just have teaching and no power. The body has been fragmented because the five-fold has been rejected, misunderstood, abused, or replaced with systems that were never meant to carry the full weight of the church. This is why so many people are sitting in churches bound. This is why so many people know verses but are still tormented. This is why so many leaders are falling into exposure. Many have gifts, but they have not been delivered. Many have platforms, but they have not been purified. Many have influence, but their inner life is in ruins.

And I say this with fear and trembling: every person I have ministered deliverance to has been connected to church in some way. They are not all people outside the church. Many are sitting in churches. Many love Yeshua. Many read the Bible. Many pray. Many serve. Yet they have been tormented, oppressed, bound, and carrying demons because nobody taught them about deliverance, legal rights, generational iniquity, soul ties, trauma, unforgiveness, inner vows, word curses, occult doors, false religion, sexual sin,

rejection, fear, shame, and all the ways darkness hides inside the soul. This is not to shame the body. This is to awaken the body.

We have a gap. Just like in the days of Nehemiah, the walls are broken down, and the gates have been burned. The temple has been neglected. The people have been scattered. But the Lord is raising up builders. He is raising up watchmen. He is raising up deliverance ministers. He is raising up prophets, apostles, pastors, evangelists, and teachers who will not build with mixture. He is raising up a warrior bride who is being refined, purified, equipped, healed, delivered, and made ready.

The Bible says in 1 Corinthians 14:1 to follow the way of love and eagerly desire gifts of the Spirit, especially prophecy. Prophecy is not supposed to be rare in the body. The prophetic was given to build up the church. But if the church rejects prophecy, rejects discernment, rejects deliverance, and rejects the five-fold, then what happens? People remain immature. People remain bound. People remain tossed by deception. People remain dependent on one man behind a pulpit instead of being equipped as the body of Christ.

This is why Born-Again Ekklesia and Acts University of the Spirit exist. I want to invite those who are rising in this hour. If you are prophetic, if you are called as a prophet, apostle, pastor, evangelist, teacher, watchman, intercessor, deliverance minister, or you simply know there is a call of God on your life and you are hungry to be trained, equipped, healed, delivered, and matured, I want to invite you into this community. This is a private place where we are not just talking about deliverance, we are walking people through it. We are not just talking about the five-fold, we are equipping people in it. We are not just talking about revival; we are confronting the things that keep the body bound.

This is for people who want purity. This is for people who want holiness. This is for people who fear the Lord more than they fear man. This is for people who know there is a need for deliverance and are willing to go through the process themselves first. Because we cannot cast out of others what we are still partnering with in secret. We cannot confront darkness publicly while making agreements with darkness privately. We cannot build the house of God while our own gates are broken down. The Lord is not just raising gifted people. He is raising clean vessels.

In Born Again Ekklesia and Acts University of the Spirit, I am equipping people in deliverance, inner healing, spiritual warfare, discernment, the prophetic, apostolic building, prayer, watchman ministry, and the five-fold. We are making sure people are

healed, whole, delivered, and walking in the fullness of salvation. That word *"soteria"* speaks of salvation, deliverance, preservation, healing, rescue, and wholeness. Yeshua did not come just to get us to heaven one day. He came to save completely, deliver completely, heal completely, and restore completely.

And I am also building teams because the need is so great. There is so much need for deliverance. There are people crying out for freedom. There are people who need prophetic ministry. There are people who need intercession. There are people who need discipleship. There are people who need healing. There are people who need mature leaders who will not exploit them, use them, control them, or leave them bound. So we are building. We are rebuilding the gates. We are filling the gap. We are raising up people who will carry this work with purity.

So tonight, I am calling the body of Christ to wake up. We need deliverance back in the church. We need the five-fold back in the church. We need discernment back in the church. We need holiness back in the church. We need the fear of the Lord back in the church. We need apostles who build, prophets who confront and align, evangelists who burn for souls, pastors who shepherd with purity, and teachers who ground the body in truth. We need leaders delivered. We need the sheep delivered. We need the temple cleansed. We need the gates restored. We need the wall to be rebuilt.

This is not the hour to be lukewarm. This is not the hour to be passive. This is not the hour to be entertained by ministry while remaining unchanged. This is the hour to pick up the sword and the tool. This is the hour to build and build war. This is the hour to be healed, delivered, equipped, and sent. The warrior bride is being made ready. The builders are rising. The scattered ones are being gathered. The wind of the Spirit is moving. There is acceleration after opposition. There is refreshing after warfare. There is strategy after attack. There is rebuilding after ruin.

If you know you are called, if you know you are hungry, if you know you need deliverance, if you know you need equipping, if you know you are part of this rebuilding company, I want to invite you to join Born Again Ekklesia or Acts University of the Spirit. Come ready to be purified. Come ready to be trained. Come ready to be corrected. Come ready to be healed. Come ready to be delivered. Come ready to build. Come ready to war. Come ready to serve.

Because the harvest is great, the need is urgent, and the body of Christ cannot remain bound while calling itself free.

**Christa Elisha: This Is Your Full Circle & Fullness of Time Season**

## The Cycle Is Not Closing on You, It's Closing for You

On Mother's Day, I was pouring out my gratitude to the Lord for my family, our journey of salvation, sanctification, and the long unfolding of stepping into our calling. In that holy quiet, I felt the Father smile over me.

He said, "This is a full circle and a fullness of time season for you and for many of My sons and daughters."

I sat with those words. I turned them over in my heart. And I knew this was too good to keep to myself.

So, if the Holy Spirit has led you to this word, receive it as confirmation to your soul. He sees where you have been. He sees what you have carried. He is telling you that the cycle is not closing *on* you; the cycle is closing *for* you.

## Ready to Manifest Exactly as God Intended

**The fullness of time is the moment when a cycle, a process, a prophecy, or a season of hidden preparation has reached completion and is ready to manifest exactly as God intended.**

It connects deeply to the idea of something coming full circle. Where "full circle" describes the completion of the journey, the "fullness of time" describes the

appointed moment when the completion is revealed. The phrase comes straight from Scripture:

"**But when the fullness of the time was come, God sent forth His Son..." (Galatians 4:4 KJV)**

Yeshua did not arrive randomly. History had to align first. Prophecy, governments, intercession, constellations, covenants, generations—all of it had to converge. Then Heaven moved. That is how the Father operates.

Full circle is the completed journey. Fullness of time is Heaven's appointed moment for its unveiling. One is the path; the other is the timing.

## When Maturity Catches up with Destiny

The fullness of time is the ripening of a season, the completion of hidden preparation, the divine timing that closes one circle and opens another, and the exact moment when beginnings and endings meet.

It is when the seed becomes harvest, when prophecy becomes reality, when pain becomes purpose, when process becomes promotion, and when warfare becomes testimony.

You may have walked through years of pruning, obscurity, testing, deliverance, and preparation without ever understanding why. Then suddenly old words make sense. Previous wounds become ministry. The places where you once wept become the places where you lead. What almost destroyed you becomes the very thing God uses. That is both coming full circle and entering the fullness of time. *(Photo via Unsplash)*

There is a Kingdom principle tucked inside this word that the Body of Christ needs to hear. **God often allows things to go in circles until maturity catches up with destiny.**

Israel wandered in the wilderness until a generation was ready. David was anointed long before he was enthroned. Joseph carried a dream long before he entered the palace. The vision was for an appointed time.

**"For the vision is yet for an appointed time, but at the end it shall speak, and not lie though it tarry, wait for it; because it will surely come, it will not tarry." (Habakkuk 2:3 KJV)**

The fullness of time is not merely chronological time. It is fulfilled time. It is the moment when character, calling, circumstances, and divine purpose converge. You did not waste those years. You were not late. You were not behind. You were ripening.

**Golden Tempo: It Was Not Failure, It Was the Finish Line**

This year, the Kentucky Derby, held in early May, was a prophetic sign to many of us watching the season.

The winning horse started the race at the back. He was not in front. He was not even close. Then he overtook the field and crossed the line first. His name was *Golden Tempo*. Golden represents divinity, anointing, and glory. Tempo is another word for timing. Heaven was speaking.

**This is a sign to the whole Body of Christ, but I feel this strongly for the Believers who are in their golden years. You have not missed the mark. You have not fallen behind. You have been in pace with His divine timing the whole way.**

No matter where you started, God has you in His perfect timing. You are right where you are supposed to be.

For many in the Body of Christ, long term assignments have ended. Doors have closed. Seasons have shifted. And many of you have been left wondering if you failed.

**Hear me: It was not failure. It was the finish line.**

You have been faithful. You crossed the line. Now you are being handed a greater sphere of influence and a greater assignment. The years of trial, the years of toil, the years of teaching that nobody noticed, all of it produced the character required to sustain the greater weight of glory that is about to land on your shoulders. *(Photo via Unsplash)*

**This is not the end of your race. This is the next leg of it. And it is the glory lap.**

**"I have fought a good fight, I have finished my course, I have kept the faith." (2 Timothy 4:7 KJV)**

### A Decree for the Golden Years Generation

To the Baby Boomers, to the seasoned saints, to the ones the world has tried to retire, and to the ones the Church has sometimes overlooked, this decree is for you. Speak it out loud over your own life:

**● I decree that my golden years are my glory years.**

**● I decree that I have not missed the mark.**

**● I decree that I have been in pace with the divine timing of God.**

**● I decree that what looked like a closed door was the finish line of one assignment and the starting gate of another.**

**● I decree that my character has caught up with my calling.**

**● I decree that the hidden years are about to become the revealed years.**

**● I decree that what almost broke me is now what carries me.**

**● I decree that I am stepping into a greater sphere of influence.**

**● I decree that the seed of every tear will become a harvest of glory.**

**● I decree that I will finish my race well.**

**● I decree the fullness of time over my life, my family, my ministry, my finances, my body, and my legacy.**

In Yeshua's mighty name, amen.

If this word witnesses with you, lay hold of it and steward it in the secret place.

Sit before the Lord this week and ask Him to show you the circles that are closing in your life. Ask Him to name the assignments that have completed, so you can release them without grief and pick up what He is handing you next. Write down every word, every promise, every prophecy that has been spoken over you that has not yet manifested. Bring them back to the Father in prayer and begin to declare that the fullness of time has come! Then watch.

**Heaven and earth are moving together in a divine duet. And you are not behind. You are right on time.**

**Tammuz 4, 5786: Friday-June 19, 2026**

**Lana Vawser: I HEARD THE LORD SAY 'THE MIGHTY WINDS OF MY PROVISION ARE COMING UPON THE VISION'**

**Recently, I heard the Lord say, *'The mighty winds of My provision are coming upon the vision.'* When the Lord spoke these words, I began to hear the sound of rushing wind increasing in velocity.**

**As I leaned into the Lord and listened, I heard the Lord say:**
***'The mighty winds of My provision are coming upon the vision. My people, listen to My voice and listen to My heart for you. For I am bringing forth the mighty winds of My provision in miraculous ways upon the vision that I have given you. For I say unto you, there is a temptation that some of you are facing to withdraw from and be discouraged in the vision I have given to you because you have not yet seen the provision come in its fullness.***

***'For I say unto you, that I am the Lord who owns the cattle on a thousand hills (Ps 50:10), and I will provide all that is needed to accomplish My vision that I have given to you. I say unto you, do not withdraw from or be discouraged in the vision that I have given you; for there is an APPOINTED TIME of My provision coming to you, and I will provide all and more than ever before. Do not give into the temptation to water down what I have said, to cut corners on the vision and adjust the blueprint I have given you.***

***'Do not trade obeying Me fully in what I have spoken in strategies to build and walk in these visions, to gain the favour of man. For the favor of man will fail, and I shall bring blessing and favor upon obedience, purity, integrity and humility. I will breathe upon obedience and faithful stewardship. For I say unto you, that in the magnitude of the vision that I have given to you, I am increasing your faith in greater ways. Do not despise the stretching, for I am maturing you in faith and causing you to come deeper in dependence upon Me and MY WAYS.***

***'For where I guide you, I will provide for you. For I say unto you, be not anxious. Trust in Me and trust in My ways, for I am going to provide in ways that you have not yet seen. I say unto you that there shall be***

***multiple rivers of provision that shall come into your lives as you follow in obedience to My ways, My wisdom and My leading in going forth with the vision that I have given you. For I shall provide ALL that is needed to accomplish that which I am asking you to do.***

***'I say unto you that I shall open the doors that need to be open. I shall bring the finances that are needed to accomplish My vision. I shall bring the people that are needed to walk with you and assist you in My vision that I have given you. Rest in Me and rest in My ways. For I am not a God that is late; I am always right on time, and you shall see in these days as you trust in Me that My timing is perfect.***

***'My people, you must continue to remain faithful to My leading in the building. For there will be great temptation to take the vision into your own hands and attempt to accelerate the process. I say unto you, attempting to take the vision in ways that I am not leading will cause you to come into delay, and frustration, and you shall not find My grace. For I say unto you, do not look to the left or to the right in how others are stewarding and carrying out the vision to follow their blueprints, for I have strategies and wisdom that I shall give to you that is for the implementation within My vision that I have given you. I say unto you, continue to seek My heart and remain deeply in My Word.***

***'For there are great strategies and My wisdom that I am releasing to you from within My Word that I will reveal to you which will bring greater insight, peace and strength to you in following My ways to build, continue to build and walk in the vision that I have given to you.***

***'You must remain faithful to My vision and My strategies and not attempt to run ahead. Walk with ME in deep intimacy listening to the leading of My Spirit and My direction. Where the enemy has come against many of your ears with false voices, confusion and lies, I say unto you, as you continue to seek Me and My Word, you shall hear clearly the direction that I am leading you. For there are many who are allowing too many voices into their ears, and I say unto you, repent for allowing many voices into your ears and running to man's wisdom before Me.***

***'Do not become weary or anxious in the waiting for Me to speak. Continue to remain postured before Me in expectancy to hear from Me and I will***

***give you the wisdom that you need as you need it. 'I say unto you, that in these days as you trust Me and faithfully follow Me in obedience to My vision and My ways in building and walking in the vision I have given you; I say unto you, that you shall see expansion and provision that is greater than you have seen. You shall see mighty demonstrations of My power to provide. And what you never thought could be possible in the natural – as you have faith in Me and faithfully follow Me – you shall see the impossibilities turned on their heads and become some of the greatest testimonies of My faithfulness, My provision and My power.***

***'I say unto you, there are new avenues that I am opening up to you within My vision that I have entrusted to you. There are new avenues that you have not expected, anticipated or walked in that I am opening up to you. I say unto you, do not shy away from the new avenues, but faithfully follow Me in trust and dependency following My leading. And I say unto you, the rivers of My provision, the mighty demonstrations of My power and the miraculous move of My Spirit that will come forth shall cause the world to turn its head and look to My Glory, My power and My provision.***

***'For I say unto you, that where you faithfully follow Me and the new avenues and strategies I will give to you within the vision that I have entrusted to you, as you follow Me, My favor shall be upon you in ways you have not seen before. I shall cause what needs to be opened to be opened, and I shall draw many who do not yet know Me to you to share of who I Am and the Good News of the Gospel. I say unto you, that there shall be salvations and harvest in unprecedented ways and great transformation shall take place by My hand and My power. I shall not only transform lives, but I shall bring forth My Kingdom culture in ways you have not yet seen, but you must remain faithful to My instructions.***

***'The mighty wind of My Spirit is breathing upon visions that have died and withered like dry bones. I say unto you, that I am causing the visions that have died to COME BACK TO LIFE in this hour in mighty ways. I say unto you, that My resurrection power shall be displayed in unprecedented ways and there shall be resurrection life that shall come upon these visions. I shall bring many of you full circle to the visions that I once gave you. And I shall bring forth great provision, acceleration, favour and a move of My Spirit in your midst. It is time to begin again.***

***'There is a RECOMMISSION taking place upon many in visions that I have given you and were given up on, ended, stolen or broken. I am recommissioning you again and I say unto you, that it shall not be as it has been.***

***'My people, do not delay in your obedience to Me. Do not be swayed back and forth. Follow Me in immediate obedience and watch and see what I am going to do. Do not allow the opinions of man to sway you. Remain deeply rooted in My Word and rehearse and meditate upon that which I have spoken to you and the blueprint I have given you. I am looking for immediate obedience. I am looking for purity and for those who will remain faithful in stewardship to My vision and will not take My Glory for themselves. For greater Glory is coming.'***

**Tammuz 5, 5786: Saturday-June 20, 2026**

**Veronika West: 'RECLAIM YOUR SPACE.'**

As I heard the Lord speaking these words, I heard the Lord say: ***'You must REMAIN and RECLAIM." You will NOT be chased out of your land.'*** As the Lord spoke these words, I felt such a strong sense from the Lord's heart again of the word 'ADVANCE.' This is the time where the Lord is speaking and declaring 'ADVANCEMENT' over His people.

I could feel so much pressure against so many right now to RUN. I have been hearing the Lord speaking over and over and over in this season, encouraging many not to run from what God has called them to. This morning, the Lord said to me that the pressure to run which has come against many right now is attempting to cause many to feel like there is something wrong with them, that they are not as strong in the Lord as they thought they were. I could see many surprised by the level of intensity of the pull to 'run away' that they were feeling, and many were feeling a temptation to begin to come into deep condemnation and discouragement that they were not standing as strong in the Lord as they once were.

As I saw this, I began to see these whirlwinds surrounding them, and they were so fierce. And I heard the Lord say***, 'There are words, SO MANY WORDS." Tear down the WORDS.'*** Then suddenly **Isaiah 54:17 surrounded me**:

**'But no weapon that is formed against you shall prosper, and every tongue that shall rise against you in judgment you shall show to be in the wrong. This [peace, righteousness, security, triumph over opposition] is the heritage of the servants of the Lord [those in whom the ideal Servant of the Lord is reproduced]; this is the righteousness or the vindication which they obtain from Me [this is that which I impart to them as their justification], says the Lord.' (Isaiah 54:17 AMPC)**

I continued to lean into the Lord and listen and I heard:
***'No weapon formed against you shall prosper, My people. Every tongue that rises against you in judgement, you shall condemn. Arise, My people, and take authority over that which is being spoken against you. Arise and tear down the words of accusation and death that the enemy is speaking over you. Align not your expectations with words and narratives of death that are contrary to My Word. Align your expectation with what MY WORD SAYS! DO NOT MOVE FROM MY WORD!!! Arise and bring down every witchcraft word that is being spoken against you. For I say unto you, of the barrage that many of you are facing from many directions – barrage of words being spoken, barrage of discouragement, barrage of intimidation – STAND AGAINST IT.***

***'For I say unto, you do not listen to the voice of the accuser that is attempting to derail you with lies and accusations that you have not heard My voice and that you are moving in the wrong direction or that you have moved out of step with Me. YOU KNOW what I have spoken to you, for I have confirmed My Word to you. The enemy is attempting to derail you, but I say unto you, that as you continue to remain standing upon My Word and what I have spoken to you, continue to move in the ways that I have been leading you, you will SEE an advancement like you have not seen before.***

***'I say unto you that within the pressure of the intimidation and opposition which you have been facing, I say unto you, that I am bringing forth a birthing that you have not yet seen. I am bringing forth an expansion of My plans and purposes for My Kingdom through you that is far beyond what you have imagined. Despite what your emotions and your heart tell you at times, I AM strengthening you as you seek Me. I AM fortifying you in faith as you seek Me. I am building you in perseverance and endurance in deeper ways as you seek Me. I say unto you, that what many of you are walking through***

***right now will not be for nothing, for I am the Lord that turns ALL THINGS for your good. (Romans 8:28)***

***'I say unto you, SPEAK to the mountains to be moved. I say unto you, SPEAK what I have spoken to the giants that are attempting to intimidate you. And as you speak My Word and what I have spoken to that which is attempting to hinder you and oppose you, you shall see the POWER of My Word and My Spirit bring down that which is attempting to hinder you. The enemy has come so ferociously against you to keep you muzzled, but I say unto you, the MUZZLES are being broken, and you shall declare by faith, that which I am calling you to speak and you shall see GREAT DELIVERANCE and a TEARING DOWN in the spirit of the works of darkness.***

***‘I say unto you that I have been training you deeply in discernment and warfare. As you continue to lean into My process and the work of My Spirit, as I teach you and train you in My Word – walking in a renewed mind and by My voice – you shall go forth with a sharpened discernment in these ways like never before. I am truly moving you from living on the defense to the offense. Don’t align with the narrative of the enemy. I am moving you into greater victory.***

**Sara Whitten: It's Tent Time**

**For Those Experiencing Unlikely Growth**

God has had me "camping" (ironically) in Isaiah 54:2:

**"Enlarge the place of your tent, stretch your tent curtains wide, do not hold back; lengthen your cords, strengthen your stakes." (NIV)**

As I read these familiar words, the Lord said, ***"It's tent time."*** Line by line, the Lord began unpacking this word for those of us who are in seasons of experiencing unlikely growth.

**What Does It Mean to Be in a "Tent Time"?**

This verse and its context are so familiar to us that we often gloss over them. What is it to be in a "tent time," and what does the Word communicate about it?

This verse and chapter mark a sharp turn in the book of Isaiah—from oppression and dwindling to preparing for expansion and hope. God highlighting this word marks the same sort of shift in our own walk.

**A tent time is a time of heightened encounter.** The Tent of Meeting used to be the place in which God would be encountered. Similarly, in our tent-time seasons, there are five encounters we can have with the Lord as we prepare to grow.

### 5 Encounters with the Lord as You Prepare to Grow

### 1. "Enlarge the Place of Your Tent"

God reminded me of when we moved from our first home to the home we now live in. We gained more space. We enlarged. When we brought all our things to our new home, it was stark. There was so much empty space. It wasn't because we were dwindling, but the emptiness was, in fact, because we were growing. This word for enlarge (*rachab*, Strong's H7337) is the same word used in Proverbs 18:16: **"A man's gift makes room for him" (NKJV).** It's a picture of opening a door or making more space accessible, because it's needed for you to operate in all that God's calling you into.

At first, however, that "enlarging" or "making room" looks a lot like "dwindling" or "emptying"—lots of pruning, endings, canceled plans, etc. This is the empty space that results from an enlarged tent. It's not actually less; it just feels empty because there is the same stuff in more space. There is now room to grow! This is the "making room" that precedes the "more." *(Photo via Pexels)*

Encountering God in this place looks like asking, "Father, what places in my life seem like they are sparse or dwindling, but are actually being enlarged by You?"

### 2. "Stretch Your Tent Curtains Wide"

In Biblical times, tents would have been made of animal skin. I'm no expert in ancient Hebrew tent curtains, but there are two possible ways this could have been done. The first is that the existing skin for the tent could have been stretched. A major step in this process involves soaking the animal skin. The second is that more animal skin could have been added to expand the animal hide. This would require sacrificing an animal. Spiritually, sometimes stretching takes soaking. Other times, stretching takes sacrifice—sacrifice of time, resources, etc. Both of these things keep us pliable to get ready to grow and hold more.

Encountering God in this place looks like asking, "Holy Spirit, how can I lean into the stretching that You're doing in my life? What do I need to give to You or receive from You to accomplish this process?"

### 3. "Do Not Hold Back"

The Hebrew word that's translated "do not hold back" (*chasak,* Strong's H2820) would have reminded its original hearers (who had heard and memorized early Scripture) of the same word which was used when God commended Abraham for "not withholding" his only son (Genesis 22:12).

**Abraham didn't hold back Isaac because he knew God wouldn't go back on His promise.** He didn't know how, but He knew God could be trusted to do it. For us, it's a surrendering of a need to control, know, or understand the path because of the faith we have in the outcome.

Encountering God in this place looks like asking, "Lord, in what places am I holding on to my own way or understanding and holding back from You?"

### 4. "Lengthen Your Cords"

To "lengthen your cords" implies stabilizing a space that holds more. If you lengthen your cords without increasing your area, you end up with a sagging structure. Lengthening implies increase. The interesting thing is that this word for lengthen (*arak,* Strong's H748) is usually used to describe time. It's translated as things like "delay," "endure," and "survive." *(Photo via Pexels)*

This creates a very different picture. Lengthening our cords looks like patience, perseverance, not giving up, and outlasting. THAT is how we lengthen. That is how we are made able to hold more. That is how we increase. **Your time isn't wasted. It's creating increase.**

Encountering God in this place looks like asking, " Yeshua, what does it look like to persevere in this season? What increase is time creating?"

### 5. "Strengthen Your Stakes"

To "strengthen" (*chazaq,* Strong's H2388), Biblically, has little to do with the grit or striving we picture. It's used in the context of installing gates, repairing, and objecting to breaches. When we let God strengthen our stakes, we are asking the Holy Spirit what to let in and what to shut our gates to. This is what fortifies us

for growth, and it looks more like discernment. It looks like letting God repair and heal our hearts from previous breaches. It looks like objecting to any compromises that the enemy would seek access through.

It's a strength that comes from standing strong and not letting the wrong things get in or stay in our minds, hearts, and spirits. Just as stakes bring stability and keep a tent from being moved, our ability to be moved starts with what we allow in.

Encountering God in this place looks like asking, "God, where does my heart need repair? What thoughts are creating breaches? What do You want to raise up boundaries against in my life in order to fortify me?"

### For Those in a "Tent Time"

To anyone in a tent time, be filled with joy and hope! He is blessing you with new eyes to see that the places which felt sparse are actually places of growth! He is blessing you to experience that stretching that looks like soaking in His promises and preparing to be filled. He has birthed faith in you to not hold back.

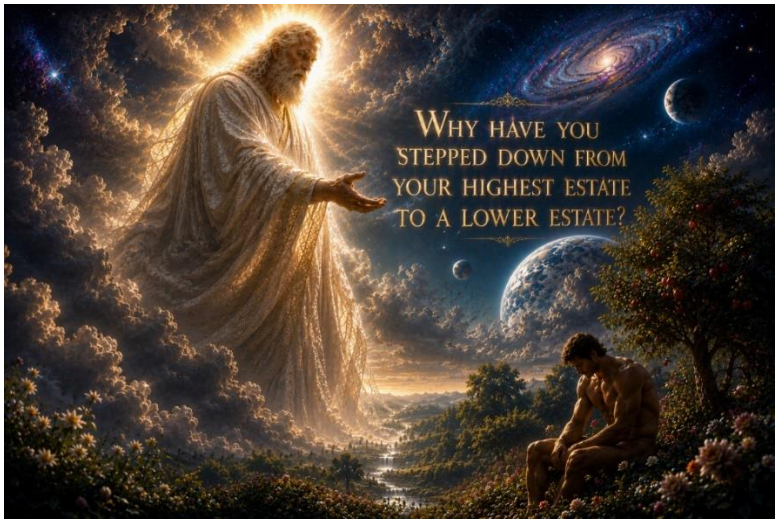

**Every area in which you haven't quit is an area in which you've outlasted, and that outlasting is bringing increase.** He is giving you eyes to see your gates and boundaries and aligning them with what is for your strengthening. Because before every big move, there is a tent time.

### Terry Friesen: Our Highest Estate

Creation is now starting to experience the greater glory of God. It must happen. It is the Father's desire that, as the body of Christ, we start to accelerate along with His purposes in the earth at this time. This increased glory will reveal great hidden darkness; things we have never seen before.

**"For the earnest expectation of the creation eagerly waits for the revealing of the sons of God." (Romans 8:19 NKJV)**

As we grow in our understanding of sonship, we must see the Father more clearly, and therefore we become more like our Father because we see Him as He is. Christ has made this possible by removing every barrier that would keep us from this state of life and preparing for us the way to return in every way.

One of the things that will define this season of knowing the Father, and of Christ's body coming into sonship, is that as sons (and daughters) we will become more and more acquainted with the Father's glory. It gives the Father glory when the body of Christ steps into sonship and we reflect back to Him the glory He is pouring out in the earth and upon us, His children.

On May 28th, I was brought into a place in the spirit for an intercessory assignment. It was a hard place, possibly the "hardest" place I have ever found myself. I have experienced realms with great chaos, and all manner of distractions, but never a place with such hardness. It is very difficult to describe, but consider a place void of feeling, void of any grace or emotion. It was faceless, heartless, cold, and 100% unfeeling.

After a long night in the heartless environment, I heard the Father say, "Don't step out of the posture of Sonship." As I pondered this, it became more like a question. "Why would you step our of your high estate *(status, condition, nature, or moral and spiritual standing)* as a son, for a lessor estate?"

I was puzzled by this question, and why I found myself in the midst of such hardness. The next few days in this environment were trying at best, but I felt the Lord guiding my thoughts, step by step.

I've been learning sonship, but somehow, I stepped out of that place into a "former" place.

We can abide in Christ, but what frame are we abiding in? In His time in a human body, Christ learned to be a believer, a disciple, a servant, a friend, and a son. How could we learn to walk the Christian walk if He did not go before us and make the way possible? All of the capacities we need to relate to the Father are in Him - so we can remain in Him and abide in Him, but in what capacity are we abiding?

I've been learning to abide in sonship, which means to abide in the Father, through the finished work of Christ, because as "son," this is where Christ would be at rest. Somehow though, I stepped out of that posture into another, still in Christ, but I stepped out of this place of rest to execute something in a different frame.

This is not technically "wrong" or "sin," but is it the best the Lord has for me? In the last 24 hours, I have found it has not been the most advantageous frame. Perfectly lawful and acceptable, but not the choicest piece.

All of the many relational and functional aspects of Christ we learn from Him, by Him, by accepting the yoke He gives us in each season. To step out of an "in season" frame to a frame "out of season" is not sin, but it's also not the choicest meat and the way to grow in intimacy in greater and greater ways. We all lean to our strengths at times, but Holy Spirit leads us in paths that are not always familiar.

Recognizing the nuance of what the Holy Spirit is saying and leading us into requires our natural man to submit to the spiritual man. Our natural man recognizes wisdom from this age or past frames (prior learning), whereas our spiritual man recognizes wisdom from another realm, a higher realm.

The decision I made was solid, grounded, and even resulted in pushing back the enemy's attempt to encroach in my territory - so it seemed right to me. But the moment I made that decision and put it into action, I started to experience a shift in the spiritual atmosphere around me - which became quite pronounced.

I was not left defenseless, but rather, it required me to operate out of an untimely frame to keep step with the events as they unfolded. I am confident the results will be good and fruitful, even though I stepped off of the best the Lord has for me.

But He had a better way, I just didn't see it in the moment. I didn't recognize my state and the need to view my circumstance through the lens of sonship, I saw it instead through the lens of a disciple or servant, still in Christ.

What lens do you want to see life through, and what quality and texture of relationship with Christ and the Father do you want to abide in?

I recognize this concept may appear to be somewhat abstract, and maybe even a nuance you're not interested in. For myself, I know I'm in a season of learning what it means to be a son, operate as a son, and abide as a son. For me in this season it's really important.

Some would suggest that because the word of God calls us sons, or children, therefor we are - end of the matter. This is true. My son was my son the moment he was conceived, but I was not ready to give him the keys to the car until he came of age and had the capacity to wield that level of responsibility. I was also not able to have mature and thoughtful conversation with him until he came of age to do so, let alone assign him tasks of great weight and responsibility.

Our DNA in Christ dictates our identity, and in that frame, I am a full son, but maybe not mature enough to get the keys to every aspect of His kingdom. They are already in Christ, and I am in Christ, so one would assume they are mine. They are, to the degree I abide in Christ, and I am ready and have been prepared to operate them. Even if my son came of age to drive, I would not give him the keys without some lessons. I have a class one drivers license, but I needed training and to pass a test before I got the license and the keys, otherwise I would have become a threat to myself and others.

Does that mean we should not try to use the keys that we have received in Christ? Not really - but as in all things He leads us, equips, us, trains us. Holy Spirit is great at this. He has been doing this for all of mankind for 1000's of years; you can trust Him to lead you.

The Father spoke to me a couple years ago and said, "***I have so many things that I look forward to doing with you (together), but you must first grow up into the fullness of sonship in Christ, otherwise, what I have in mind will crush you."***

Amazing. My desire is to remain in Christ, grow up in full sonship, and start to walk in the things the Father is speaking about - I don't fully know what they are, but knowing who my Father is creates great anticipation.

I want to give you permission today to set your mind, will, and emotions on the altar before Christ, so that they yield to your spirit man in Christ. You don't have to respond to their beck and call; they will yield if you choose a higher estate.

Teaching your soul to step down and come into alignment, looks like obediently following the Holy Spirit and remaining in the frame and person of Christ. As we remain in Him, we take upon ourselves the yoke He gives us, and we learn from Him. As we learn from Christ, our soul automatically comes into its right posture.

Yeshua is the perfect son, and we cannot learn this without abiding in Him; He is the one who presents us to the Father.

Yeshua became the perfect believer, disciple, servant, friend, son, even to the obedience of death. His soul was at rest, allowing His spirit to abide in the Father, and be led by the Holy Spirit. But I also believe Yeshua had to learn this. Because He learned it, and became perfected in every capacity, His capacity is formed in us as we journey along the same path. As we learn to abide in Christ and as we grow in the capacities that are within Him, we don't cease to be one or the other, we simply continue to grow in the likeness of Christ in every way.

Just to be clear, if you said yes to Yeshua as your Lord and Saviour, you are on this same path. There is no other path in Him, except to become like Him and come into full union with the Godhead. This journey will start now in our human experience, and any pieces left undone will be completed as we transition from this life to the next.

But why wait? There will be a generation that walks the earth as a pure and spotless bride. Every motion we make in this direction becomes our contribution in the body's migration to fullness. No effort is ever wasted. Every circumstance and every relational step with God will result in the body moving in this direction.

I know that we see so many changes in the world around us, and many of the promises spoken over your life are connected to circumstances in this world – I have a bunch of these as well. But do you realize your capacity to step into all the

promises that you are believing for are also connected to who you are becoming in Christ?

David was anointed as King by Samuel but spent years in preparation as he ran from Saul, before this new and "heavenly determined identity" was real in the life he was living. In a similar way, the Father spoke to me about His promises, but He also said they would crush me if I don't learn to abide in Christ in the capacity that is required.

Do you realize it is the love of the Father that keeps these things for us, until we are ready to walk in them? To give them to us prematurely would be detrimental to our lives, our families, and our relationship with Him. He is a good Dad, and He has made it clear, once we are ready, we get to step into this next step in our journey.

Since He spoke this promise over my life, I have encountered some of the greatest spiritual battles of my life. Not because He is a bad dad, not because the enemy has the upper hand, but because the path before me is the one that leads to His promise. I have laid everything down before Him so that He can dictate my path, and I can have confidence the path I am on is the one that leads to His promise.

As evidenced from the start of this post, this journey does not require my perfection – I just admitted I came short of this path in the last 24 hours – it just requires me to continually refocus myself on Christ and the leading of Holy Spirit. They know how to get me to where I need to be. Each step moves me forward, and most importantly, draws me closer to the heart of the Father.

This sounds to me like the restoration of all things. Christ-likeness (a journey of His grace), intimacy with the Father (a walk in the garden again), resulting in influence and stewardship of the world around me (empowered and led by Holy Spirit).

On the last day, as I was coming out of this hard place, I started to see things more clearly. I could see this great hard darkness is behind much of the tyranny we have seen in society. It is being exposed because of the Father's greater glory being released, and the question He asked me at the beginning flooded my mind once again. ***"Why would you step our of your high estate as a son, for a lessor estate?"***

In that moment, I realized the Father was asking me this question, and He was also asking all of humanity, ***"Why would we step down from our high estate as sons, for a lessor estate?"*** He was asking Adam, "***Why would you step down from your high estate as a son, for a lessor estate?"***

You see, Adam was created as a son. He started in the highest estate. Let's ponder this for a minute. Adam was created by Father God, the greatest in the universe that every was, is, and ever will be. Adam started as His son. As a son, there was no estate that was higher, nor will there ever be an estate greater than to be a direct descendant of the God of all the universe. Then he stepped down to a lower estate.

As I pondered this incredible question for myself, in light of the last several days, Holy Spirit showed me that the great hardness I felt - the atmosphere without grace, life, compassion, and without goodness - existed because those behind this atmosphere did not believe the Father had a good heart. They believe the Father is one who would withhold from them.

When the serpent in the garden tempted Adam and Eve, he cast doubt that the Father was good and had a heart of goodness and generosity. In fact, in the space where they doubted the Father's heart, they partook of the apple, and this started a long lineage of mankind doubting the Father's willingness to give.

One of the strongest roots of the occult and satanism is to be doubtful of the goodness of the Father's heart. Lucifer's lie is that God is a withholding God, one who is not generous, but hard. Lucifer positions himself as the one who gives and tries to convince us that God withholds. Yeshua was tempted in this same way in the desert as Lucifer offered Him all the kingdoms of the world.

In Matthew 25:24, Yeshua relays the parable about the master who goes on a journey, giving three of his servants' talents to manage. Remember the servant who hides the talent, and then when the master returns, he defends himself by saying, "I knew that you are a hard man." (Matt 24:25 NIV)

The deep darkness being exposed views our God as one who is hard, ungiving, without generosity.

We must cling to the truth that our God is a generous God, and one who **"rewards those who earnestly seek Him" (Hebrews 11:6 NIV)**. To step into sonship, and to remain in sonship requires that we see the Father as He is. We can abide in His goodness knowing He is love, He is generous, He is giving.

"Father, our desire is that we return to our highest estate in Your Son, Yeshua. Forgive us for choosing a lesser way and forgive us in any way we have considered You as hard and lacking a generous heart. Reveal to us Your great generosity of heart, that we can remain in the frame of sonship."

**Reposting this super encouraging, powerful & very timely prophetic word from Lana Vawser!**

**"In this season of unprecedented breakthrough, promotion, favor and increase I felt the Lord releasing an encouragement and exhortation to His people.** ***"Do not try to manufacture anything or make anything happen. In rest, you will find explosive breakthrough, fruit and favor."***

I saw this unrest in many hearts and souls in this season and when I asked the Lord what it was, I felt the Lord say that there is a great FEAR upon many of being LEFT OUT or LEFT BEHIND!

***"Many are fearful they will be passed over, that the breakthroughs, increase and favor being released will be for everyone else, or they will lose their place of favor as others increase and breakthrough.***

***"It is IMPERATIVE in this season that My people are leaning in for deeper encounters with My heart, with My love, for in this season of accelerated breakthrough and promotion, if there is not the secret place of constant communion with Me and diving deeper into the revelation of My love and who I am, there will be a significant breeding ground for COMPETITION and STRIVING!!***

***"In encounters with My heart and awakening to My love there is a DEEP REST being brought to My people's hearts and souls. I am working for your best! Continue to lean in and give Me your yes! You will not miss out as you follow the leading of My Spirit. I am the God that rights wrong turns. I am the God who establishes in your life what no one else can. I am the God who takes you where you could never get yourself. Do not be concerned by the promotion and breakthrough of others, but REJOICE WITH THEM as they take ground for Me and KNOW there is abundance for you!"***

**DEEPER ROOTS WILL CAUSE YOU TO RISE**

***"Your roots must go down deeper into My love! The deeper your roots go, the higher you will rise! I am strengthening foundations right now. I am bringing a deep stability and maturity to My people so you will stand with strength in Me as the building increases. Do not allow competition, jealousy, or striving to steal your breakthrough.***

***"Know that the most glorious breakthroughs, positionings and alignments are before you right now. They are TAILOR MADE by Me, FOR YOU! Concern yourself not with favor, promotion or breakthrough, CONCENTRATE ON ME! CONCENTRATE ON ME, and you will see MORE FRUIT, MORE BREAKTHROUGH, INCREASE and FAVOR over your life as you simply concern yourself with knowing Me, Seeking Me, delighting in Me. And oh, how My rest and living deeply in the place of My love and who I am, is going to change everything. Let Me take care of everything! I am birthing your dreams!***

***"There is a test before you, My people, to keep Me as your first love in this season of acceleration! There is grace upon grace upon Grace for you! There is also a test to rejoice with others as they break through, and more will be added unto you! I am removing cloaks of self-condemnation and placing the seal of the fire of My love upon your heart! Your destiny is to KNOW and LOVE ME! EVERYTHING flows from that place!***

**IN REST YOU ARE BECOMING A SPIRITUAL HURDLER!**

**Dr. Sandie Freed: Revealing the Fenced-in and Hidden Things**

**A Present Invitation**

Beloved, I want to speak to you heart-to-heart for a moment. This is not just another season. **We are in a weighty, defining moment in the Spirit.** Many of you have been feeling it deeply. There has been pressure, stretching, and even a sense of restriction that you can't quite explain.

I know that feeling, because I've been walking through it too. There have been moments where I've sat before the Lord, asking, "What are You doing right now?" I've experienced moments where the silence felt longer than expected, moments where I knew He was moving, but I couldn't yet see how. And yet, in the middle of that place, the Spirit of the Lord kept drawing me back to this promise:

**"Call to Me and I will answer you and show you great and mighty things, fenced in and hidden, which you do not know." (Jeremiah 33:3 AMPC)**

This is not just comforting, but this is a present invitation.

## A Prophetic Season of Revelation

I hear the Lord saying, ***"This is a season where I am revealing what has been hidden."*** But the revealing is coming in a way that requires closeness. It will not come through striving. It will not come through noise. It will come through those who will *draw near and call on Him.*

There are mysteries—strategies, answers, directions—that have been reserved for *this time.* And they are beginning to be released to those who are willing to lean in and listen. Even now, many of you are sensing that something is shifting beneath the surface. You can feel that you are on the edge of breakthrough, but there is still a tension between what you know and what you see. That tension is not accidental.

## When You Feel Restricted

Many in the Body of Christ feel fenced in right now. It feels like limitation, like delay, like doors that should have opened by now but haven't.

I want to say this carefully, but clearly: **What you are interpreting as restriction may actually be divine protection.** I've had to wrestle through this personally. There were moments when I thought something was being withheld—when in reality, God was guarding timing, alignment, and even my own readiness. A fence does not only keep you in; it guards what God is developing within you.

## The Purpose of What Is Hidden

There are things in your life right now that are hidden, not because God is withholding them from you, but because they are not meant to be revealed prematurely. Hidden things are *protected things.* Hidden things are *timed things.* Just as Christ Himself was revealed in the fullness of time, there are assignments, opportunities, and even aspects of your calling that are being preserved until the appointed moment.

The enemy would love to force things ahead of time. But God is not rushed, and neither is His plan for you.

## A Word for Those Who Feel Stuck

If you have felt stuck, confined, or even overlooked, I want you to hear this: **You have not been forgotten.** The Lord knows exactly where you are.

I sense Him saying, ***"Do not measure My movement by what you can see. I am working in hidden places, aligning what you have been praying for. What feels delayed is being prepared."*** **There is movement happening right now that your natural eyes cannot yet perceive.**

## What Is About to Shift

I believe we are stepping into a window where...

• Hidden things will begin to come into view,

• Confusion will give way to clarity,

• Delayed answers will begin to unfold,

• What has felt fenced in will begin to open—*at the right time*.

**But it will come by revelation, not by striving.** *(Photo via Pixabay)*

## Stay Close in This Hour

This is not the time to pull back. This is the time to press in—not out of fear but out of relationship. Talk to Him honestly. Sit with Him quietly. Call on Him expectantly. Because when He says, "Call to Me," He fully intends to answer.

## Prophetic Declarations

I want you to take a moment and declare these out loud:

• I declare that this is a season of revelation in my life.

• I declare that what has been hidden will be revealed in God's perfect timing.

• I declare that every place where I have felt restricted is being used for my protection and preparation.

• I declare that I am not forgotten, delayed, or overlooked—I am positioned.

• I declare that clarity, direction, and peace are being released to me now.

• I declare that I will see the goodness of the Lord in this season.

**A Prayer for You**

*Father, in the name of Yeshua, I lift up every person reading this right now. You see where they are, and You understand what they've been carrying. You know the questions, the waiting, and the moments where they have struggled to understand what You are doing.*

*Lord, as they call out to You, I ask that You would begin to reveal what has been hidden. Release insight, wisdom, and divine strategy for this season. Where they have felt fenced in, reassure them that You have been protecting them. Strengthen their trust in Your timing. Break off discouragement, and replace it with hope and expectation. And, Lord, bring them into the fullness of what You have prepared—at the appointed time. In Yeshua's name, amen.*

***"I will surprise you with the speed and suddenness of the changes that will happen in your life, situation, and surroundings. Yet, it will be obvious and clear that this is My sovereign hand at work. There will be a suddenness and acceleration on how I answer the prayers, promises, and prophetic words that seemed to be delayed or dormant. It's almost like you will be snatched out of your current environment or surroundings. Everything [will] look and feel different.***

***"You might not feel ready, but you are ready. The way has been prepared. You have been tested and tried, empowered and equipped with all you need. Now, the doors will open. But you will have an unusual assurance and confidence that this is right, that it is God-ordained.***

***"When the word comes, it will be backed up by signs. Like the wind and fire on Pentecost, you will experience confirmations from Heaven. You will know which way to go from here. **A Now Word to God's Shofar Warriors**

I heard the Spirit say, ***"Listen! For there is a Sound that will come through My Shofar Warriors in the Days ahead that will Break the powers of the demonic Frequencies of the Spirit of Jezebel and the Prophets of Baal and that will Strike Fear into the Heart of the Devourer and Send Divine Confusion into the Enemy's Camp.***

***"Again, I Say Listen! For the Sound of My Seven Spirits shall be heard through the Sound of the Shofar that will bring a Great Spiritual Awakening across this Nation and to the Nations"***

Shofar Warriors, we know that the Shofar is not just an instrument, but rather, a Spiritual Weapon of War for the Consecrated Breath, the Ruach of God. What we hear when the Shofar is blown is not just an empty noise, but it's a multi-dimensional release of Heaven's Authority and Power into the Earth realm. We see in Scripture that the blasts around Jericho collapsed fortified Walls. Just like Gideon's 300 that shattered the enemy with the Sound of Trumpets, Light and Confusion, I saw this same Prophetic dynamic taking place in the days ahead in greater ways. There is a Sound being released from the deeper realms of Glory through God's Shofar Warriors in this hour of increasing darkness that will bring a divine disruption into the spiritual atmosphere/s over Nations.

I literally see the Spirit of Jezebel, the Principality of demonic Control, Seduction, Manipulation and false prophecy that has silenced the Voices of God's Remnant, begin to tremble in fear. The demonic frequencies of the Counterfeit are being short circuited and broken.

We also know that the Spirit of Jezebel works powerfully through the Altar of the Media and Entertainment, but as the Spirit of God begins to Move upon the Shofar Warriors in the Days ahead, I see that these Demonic Altars within the Media will not stand against the Purity of the Blasts of the Shofar carrying the RUACH of the Seven Spirits of God. Let's Keep in Mind, 'The Spirit of the Lord' brings God's Sovereign Rule. His 'Spirit of Wisdom and Understanding' gives Prophetic strategy, revelation and precision in Battle. His 'Counsel and Might' Imparts to us an Unbridled Boldness and Anointing for Kingdom Execution and Advancement, and His 'Knowledge and the Fear of the Lord' fully exposes and terrifies the Demons of Hell and Sends them fleeing.

The Lord has shown me many times that the Sound of the Shofar is powerfully backed by the same Fire that Answered Elijah on Mount Carmel and it's the same rushing Mighty Wind that birthed the Acts Church at Pentecost in the Womb of the Upper Room.

The RUACH of God, when Released, rebukes the Devourer. It Heralds Divine Restoration of Stolen Harvests, and it releases Divine Clarity where the Spirit of Deception reigns.

I believe the Lord would say, ***"Fear not, My Shofar Warriors, For I have Placed within you a Sound that is not your own; it is Mine. It Belongs to Me, flowing from My Throne of Glory through yielded and Surrendered Vessels. And though the Voices of the kingdom of darkness grow louder and more oppressive by the hour, know that its Roar is that of a Toothless Lion, a Sound that masquerades as having all Authority and Power, but compared to My Roar within you, My Beloved Remnant, it cannot Stand. Am I not the Creator, the One who formed the Ram's horn and commanded its use on the Battlefield? For the Same Power that routed Armies and turned enemies against themselves now Rests on you and now fills your Mouths. Listen! For Every time you lift the Shofar in Obedience to My Voice, All of Heaven leans in, Angel Armies are Summoned to take their position, and Demonic Strongholds are confronted and dismantled.***

***"Is not the Power of the Devourer rebuked by the Blood of the Lamb? And now, My Victory becomes audible in the Earth. Watch! For You will See Generational chains breaking and False Altars exposed in High places and Weary Warriors Awakened and Ignited with fresh Fire. Look! For Nations will feel the Divine Ripple effects of My Glory as it invades the Earth through a Righteous Remnant that dared to obey My Voice.***

***"See! For Fresh Oil and New Wine is being poured out on the Consecrated and refined Warriors that have Waited Upon Me. Watch! For New Sounds and Songs shall be imparted in the Sercet Place that will become a Roar of the Lion of Judah that shall Shake and Shift Nations Awake. I Say, Warriors, Stand firm. Do NOT Retreat. Do NOT shrink back, for this is the Hour to Advance. Take Ground and Bring the Giants Down!***

***"Fear Not! For the Same Spirit who raised Christ from the dead NOW quickens your Sound. Open your Mouth Wide and Blow boldly, for Great Awakening is rising now through the Voices of My Remnant Army that is Rising and Shining!"***

NATE & CHRISTY

**THIS SNEAKY, HIDDEN ASSIGNMENT IS COMING TO HEAD IN JUNE...**

There's a reason you've been waking up in a swirl every day. There's a reason you have been sitting in a constant state of heaviness and deep confusion about your direction and your purpose, trying to put your hands to the plough, but not knowing what your plough is anymore… not knowing what you're called to do anymore, what your voice is, what your message is, or what you're meant to dedicate your life and time to.

Plainly put, you have no clarity on your vision like you used to have, and it's been spiraling you into a place of deep depression, heaviness, and anxiety.

Here's why: The enemy has been assigned to assault your VISION so that you come into division or double-mindedness. And we know what the scripture says…

***"A double-minded man is unstable in all his ways." –James 1:8***

I believe that for most people, this has been in effect for 3-4 years, especially where you have been PUSHING. But instead of moving with grace and ease like you have in other seasons, it feels like you're trudging uphill.

It's where things that used to work don't work as easy and some things don't work at all. And you have been worn down and exhausted from the warfare that meets you at the most menial tasks.

But how has it gotten in?

Subtle deviations…

The enemy knows that if he can bring in influences that taint your vision and your purpose or rob you of it, you'll be barren in a season of birthing. You'll be empty in a season of planting, and you will be lost and confused in a season of running.

Proverbs 29:18 says, ***"Where there is no vision, the people perish,"*** and the enemy knows this is a major target point to disarm us.

But the Lord is exposing this assignment of the enemy that has been keeping you stuck in a constant place and cycle of your plans being frustrated.

Now here we are in June, and people here in California say it's "June gloom." It's more spiritual than we realize, because that's exactly what the enemy wants to do – in the middle of the year, he wants you to be empty. He wants you to be directionless. He wants you to be confused about where you're going and what you're doing.

But this is what the Lord told me about June. He said,

***"Nate, I am pulling My people out of the demonic STRONGHOLD that they have been in that's keeping them running in circles and exhausting them."***

I know that place well. It's multifaceted and the enemy has been playing the long game against you.

For Christy and me, the enemy worked a long game bringing us into division over our calling with America for so long.

We were believing the lie that we were meant to somehow straddle the fence between Australia and America. That double-mindedness brought so much robbery into our lives when the Lord was wanting us to fully commit to our calling here.

That's exactly what has been taking place in the lives of so many believers.

**God has called you and put a new fire in your belly, but you are still tethered to something in the past that's keeping you stuck, or a voice in your past that has been like a false word that has led you astray or had you believing a lie so deeply you haven't realized the damage it has caused.**

And the frustration and fruit of being stuck and in division is that your vision is like a broken net. A broken net can't catch any fish.

That's where you are finding yourself lacking oil – unction and anointing.

Lacking resources and opportunities.

Lacking people to run with.

And lacking the fire that releases the vision that sets others ablaze. Without pure, God-given vision, there is no herald to RUN! (Habakkuk 2).

Right now, He's exposing the enemy's lies and assignments over us. And He's also exposing our own agreements – the things that we have come into alignment and agreement with that were not His plan and purpose either.

As I said last week, God has been exposing the wrong mantles, the wrong vision, and the wrong calling. Every single one.

But I want to explain to you the spiritual assignment that's been working against you. Are you ready?

It is the spirit of Python, and the spirit of Leviathan.

The spirit of Python will come to choke the life out of you, the joy out of you, the strength out of you.

In Acts 16, Paul encountered this same spirit – a python spirit that followed, oppressed, and constricted until it was cast out.

It's where nothing works. Nothing seems to come together. Everything is tedious and difficult. Finances dry up. Health issues come. It feels like you have spaghetti brain. You can't quite put a sentence together like you used to. The fire is there, but somehow it doesn't seem to quite come out of your mouth the way it used to.

It's a place of continual frustration where everything is just difficult all the time. You wake up and every day is a mess, and the house is in chaos.

The second assignment is Leviathan. Job 41 describes Leviathan as a creature that makes the deep boil like a pot, and that churning, that chaos, is exactly what it produces in your relationships.

Leviathan comes to twist, skew and make everything difficult on a relational front. It's where everybody works against you. There's no unity. It just feels like there is a demonic assassination, a sabotage, coming at you constantly from all angles, stirring up familiar spirits, saboteurs, and people that just want to take you down.

It makes you want to shut down because you're like, 'What is the point of all this?' It's depleting my strength, depleting my joy, and depleting every part of me.'

These two assignments in tandem create such a realm of witchcraft and swirl over you that brings depletion and emotional breakdown, headaches, and sickness.

It brings defeat at such a level it actually triggers and targets areas of your insecurities and your soul that are the weak areas in the wall.

And those two things together eventually crash you, leaving you in a place of deep despondency and despair, where you wake up one morning and you're like, 'I don't even know what I'm on this earth for anymore. I don't know what I'm doing living.'

And that's when the stronghold begins to form…

So, no, this isn't just June gloom. This is the enemy's decree and prophecy over your year and over your month. But the Lord is saying,

***"I'm breaking the gloom and going to use this month to BREAK YOU THROUGH THIS THRESHOLD."***

Yes, He is breaking that assignment, breaking that trifecta to bring you out of division and into clarity and vision. God is bringing you out of a place where nothing works to where everything works again. Think about the Python spirit. It chokes the breath. So many people have been running around trying to make everything work in their own strength. It's like you're chasing the wind.

You know what the Lord says over you?

***"You're about to feel the wind on your back again. You're about to feel the Holy Spirit on your back again."***

Isaiah 40:31 says, **"those who wait on the Lord shall renew their strength; they shall mount up with wings like eagles, they shall run and not be weary, they shall walk and not faint,"** and that is your word for this month.

This is the strategy of the Lord for June. And please hear me in this – I heard the Lord very clearly that this is a month of **re-consecration.**

**This is a month to consecrate yourself to the Lord in prayer and fasting, communion, setting yourself apart for the Lord to break that long-standing assignment that's been over you, choking you and keeping you held up.**

Isaiah 58:6 says the fast God has chosen is the one that ***"loosens the bonds of wickedness, undoes the heavy burdens, and lets the oppressed go free,"*** and that is exactly what this month of consecration is going to do.

This long-standing bondage has been having you STUCK in yesterday, looking back at the people that have been against you and after you. It's had you caught up and tethered to old experiences, old seasons, old people, and old alignments. And the Lord is using this month to break every single one of them once and for all.

It is a month of consecration that's going to bring revelation, realignment, and breakthrough.

**I decree this over you right now in the name of Yeshua that this will not be a month of gloom. It will be a month where fruit begins to bud forth in your life from a place of fresh intimacy and consecration with the Lord. You will see this assignment buried in the ground never to return again, in Yeshua's name.**

**Prophetic Encounter: Canada's Dumpster Fire & Re-Birthing Canada 2.0**

This afternoon, as I was resting and praying, the Lord took me into an open vision of a big dumpster fire. Flames were raging out of this dumpster, and the dirty black smoke was terrible! I knew by the spirit of God that this was a dumpster fire to destroy evidence from the corrupt dealings of the Conservative Party of Canada!

They had been receiving threats and notifications that there was a major, significant evidence drop about to be released to the Nation regarding corruption within the party, Canadian parliament, and every government agency within. The back room deals with the Liberals, Globalist Illuminati leaders, organizations, and organized crime where all coming out!

The evidence that was coming clearly connected these Federal parties and leaders to the most atrocious crimes against humanity and treason, not only in Canada but abroad: financial kickbacks being made to these corrupt leaders through numbers of shell companies, and inside intel and special arrangements to bring other benefits and profits. I saw what were clear, detailed lists of phone and e-mail records including Federal Conservative and Liberal leaders, federal bureaucrats along with foreign deep state leaders and agents. The evidence at hand included information regarding Canadian election interference (here and abroad) and globalist agendas to take Canada as the first Post-Nation State.

These Political and Governmental leaders clearly had sold out and betrayed the Canadian people. I saw boxes of bank records, blackmail videos and e-mail and text messages that were all ready to go public for the Nation to see. The truth of what has been going on, and what is going on is being exposed on a level we have never seen before. The blankets were being pulled back. There would be no hiding from this one. From what I could see and discern, as I was watching this in the Spirit, was that they were preparing for what was coming out. The Conservative Party of Canada was taking every step possible to gather and destroy all evidence that they had on hand. They were not taking any chances.

The dumpster fire was to destroy all the records, cell phones, computers, and electronic drives to get all this damaging evidence destroyed and out of their possession. What was about to be released by the white hats would forever impact the Federal Government, all existing legacy parties, the Globalist cabal puppet masters and all their puppets. This was going to be a major blow to them.

I knew, by the Spirit of God, that no matter the lengths that they were going through to destroy evidence of wrongdoing, it was futile. The White hats already had captured it all securely. Everything copied, and in their possession. It really didn't matter if they destroyed things or not, justice was being served. They were not going to get away with this. I was taken into the Spirit over Canada and was at once taken over Alberta. I looked over the land, and as I did, I watched the noise and the anger. The chaos. This group and then that group all making noise, fighting the establishment. And fighting each other.

They were playing into the enemies' hands, causing division and confusion to the general public, not just in Alberta, but for the Nation. They knew they had to do something, unfortunately, it was only half-baked and driven by fear and the unhealthy

anger, pride, and ego of men. Now, all were fighting among themselves as to who should lead the parade for change without the means to do so. Then I saw Premier Danielle Smith. She was in a parade. She had stepped more than an earshot away from her people and security for a private, "secret" phone call. It was clear she was taking instructions from her handlers. The men in black had her now in their control.
She was under instruction and being very careful to slow walk these separation - referendum matters forward to pacify Alberta.

It was essentially gaslighting Albertans and Canadians with a false hope of change the enemy and the deep state position would never allow under the crown. It would not matter how many signatures they had. It simply would not matter.
I saw a folder the Premier held. The deep state cabal were grooming her in a way to set her up for deeper federal integration. If they could control her, it would help control the Nation all at the expense of Alberta and saving Canada.

As I was watching this charade, I began to see this grassroots movement grow. They were waking up; scales were coming off their eyes. They were doing the math, having another look at things, and they knew things were not adding up. I saw these little regional camps - communities coming together in unity to prepare for what had to be done, and organizing to get it done. They were getting activated. I saw this new movement arising. At first, I saw a United Rail train, and as I was watching it, it reshaped and was the United Party of Canada. It was like a train leaving the station in Calgary, crisscrossing through the province laying tracks for the Liberation of Alberta and ultimately the Liberation of Canada!

I was taken into the Spirit, and as I looked around, I saw this Albertan ground movement taking shape and gaining strength; the skies were suddenly filled with American Eagles! Our American Brothers and Sisters had come to help the Liberation of Canada!

The time had come for Canadians to stand up and leave the crown and globalist regimes. It was time for the rebirthing of Canada 2.0. A new righteous Government of God fearing, God led leaders, and people was arising, God-chosen, handpicked for the job at hand!

Canada would not be forfeited!
Canada will be liberated!
The favor of God was surely upon these ones.
Their resolution was battle ready. Their faces like flint.

I saw what looked impossible shift and the scales flipped in our favor!
Justice was being served!

With God on their side, victory was assured!

As I was journaling this out, the Lord Spoke to me:
***"Barry, tell my people I have not forgotten Canada, the True North Strong and Free. I know your freedom has been repressed and taken from you in more ways than you understand!***

***"If the enemy had it his way you would lose it all. They have gone through great lengths to deconstruct Canada! From the inside out, they have taken your government over.***

***"Yes, they have taken it over on every level. Do not be naive. There is no way out of this without Me! King Carny will not be long-lived here! His great compromise shall be his great downfall! The enemy has put him in place to seal the deal and destroy your sovereignty at all costs!***

***"If he has it his way, Canada will be no more! He is about to meet Me, the one true and living God! Or shall I say, I am about to meet him! He has a final decision to make. The choice will be of his own free will. Either way, he shall be removed. His days are numbered. He shall face My Justice for crimes against My people! Pierre, the prince in waiting, has made his choice. He is bought and paid for. He has a sharp, silky-smooth tongue and a charisma that has deceived many.***

***"He speaks with a forked tongue – misleading the Nation. He is no different than the rest; he has taken the silver. The video they have buried, is not as buried as they think it is. The check stubs are on record. He won't be able to dance around this forever, nor can he balance on the fence much longer pretending to be something he is not. The masks are coming off.***

***"The Nation will be shaken when they see the evidence and the truth I am about to release! Barry, tell My people this all must come down! This all must be rooted out!***

***"Barry, tell My people there is a new day coming! Barry, tell My people darkness and light have nothing in common. You cannot keep company with***

***the enemy, dance with him and support him as well as stand in My ways at the same time! You can't suck and blow at the same time!***

***"Barry, call My people out of these ways! This is double-mindedness! Evil is evil! Is not the shedding of innocent blood enough for you? What more do you need to see? How can you fast and pray for Me to move My hand in the Nation, and yet you support evil Government leaders and parties along with their evil ways! How can this be? How can you not see? How can you not understand? Let it be known, they are corrupt to the core!***

**"YOU WILL NEVER BE ABLE TO CHANGE THEM! THE BABYLON SYSTEM MUST COME DOWN!"**

***"Why waste time and energy to try and reform what I am bringing down? Either you are for Me, or you are against Me. I can assure you that I change not. I don't bend to darkness. Darkness bends to Me! I have a destiny over Canada, and it shall come to pass; nothing will stop it. Hear My word today; consider your ways. I call you again today to walk in the Light as I am the Light. There is no darkness in me, nor should there be any in you, nor should you support it – for I have come to abolish it!***

***"Tarry no longer, and come into the light, leaving all darkness behind for the Nations await us!***

**Dutch Sheets**: **Global Outpourings**

I enjoyed being with my brother, Tim, for his conference in Ohio this past weekend. What a powerful gathering! Today's post is a word Holy Spirit gave him recently, which, as always, is very powerful. The title is: **Global Outpourings.**

Pentecost was never meant to be remembered as a single moment in history, but rather, a continuing outpouring, an ongoing revelation of Holy Spirit moving in power through generations, nations, and seasons of history. What began as fire falling on a

small gathering of believers has continued to echo across the earth through every revival, every awakening, and every fresh visitation of God's presence. I believe we are standing at the threshold of something even greater: a new era marked by simultaneous increases in both the glory of God and the outpouring of His Spirit.

In recent months, while reflecting on the strategic and prophetic times unfolding before us, Holy Spirit impressed upon me that we are entering a season unlike anything the church has experienced before, a synergizing of greater glory and greater outpourings. Powerful outpourings of Holy Spirit are not just for the time in which they're given; that which He pours out accrues, building toward a fullness to come. Scripture, prophetic revelation, and the stirring of the Spirit all point toward a worldwide move of God. The prophet Joel declared that God would pour out His Spirit upon "all flesh," and that promise speaks of a global awakening touching every age, ethnicity, religious denomination, nation, and people group.

As these truths began to stir deeply within me, a simple phrase kept rising from my spirit: "Global outpourings." Those words became a prayer and a prophetic declaration. Global outpourings of Holy Spirit. Global awakening across the true Ekklesia of King Yeshua. I began praying for churches, apostolic hubs, and remnant believers around the world to become saturated with the presence and power of God. Pentecost is once again prophesying to the nations. It is announcing that wave after wave of Holy Spirit outpourings is intensifying and preparing the church for a historic move of heaven.

As I continued to pray concerning this, Holy Spirit spoke the following word:
***"The Lord says the new and renewed apostolic and prophetic New Testament Ekklesia will now stir themselves. They will be fired by special outpourings of Holy Spirit reserved for this era. End time wells tapping into deep and vast pools are breaking forth upon the earth. These are my artesian wells; there is no need to pump them. They will spring forth propelled by Holy Spirit's power. Reservoirs of blessings and anointings will be seen erupting in My Kingdom Ekklesias. Spontaneous geysers of power from lakes of boundless glory will activate in this moment at great levels.***

***"It will be said the whole earth is filled with My glory, and from My glorious presence the Christ-built Ekklesias, or churches, will rise aggressively, confirmed by miracles and wonders. Miracles, miracles, and more miracles will erupt, Kingdom geysers of spontaneous miracles. Supernatural realms are being opened, miraculous portals of glory. And a glorious church will rise from the corruption of hell's delusional world.***

***"The forever loser will lose again. Hell will not prevail. For I have built relentless faith in My radical remnant. Tenacious faith will rise to face entrenched enemies of darkness. My remnant will not run; they will pursue, stand, and display a boldness that confounds the nations. Remnant warriors are rising to their place in the gaps and on the walls. Radical warriors are accepting My challenging call. Yes, smaller in number, but all I need.***

***"Know, says the Lord, that unintimidated, fierce warriors of My Kingdom are taking to their posts, special forces trained for such a time as this. Hell has never seen the like. Relentless ones with lion-like hearts, displaying "the eye of the tiger," carriers of the yoke-destroying anointing of the Lion-King Himself, Yeshua. Carriers of the anointing to prevail are posting in their territories to defeat evil schemes, just as in the days of Gideon, Elijah, Deborah, Esther, Jehoshaphat, and David.***

***"Spiritual aggression will now be seen in My remnant demanding a harvest and a restoration of the lost harvest. For a cry has gone up from My people: Restore our harvest! Restore our harvest! Restore our harvest! And it shall be restored! Barren fields will be cleared and plowed for supernatural harvest seasons. Behold, Ekklesia, behold and see the supernatural harvest. The Lord of hosts decrees on this Pentecost, "On earth as in heaven."***

***"On earth as in heaven" includes fruit, fruitfulness, and copious, boundless, plenteous crops in multiple yields. For the harvest of Heaven's Kingdom is not yearly; it is monthly. My trees bear fruit every month. My seeds produce a crop every month. My yield cycles are supernaturally multiplied–on earth as in heaven! Multiple harvests will come in one season as I anoint for increase.***

***"Get your hopes up. Get your faith up. Plowmen will overtake the reapers. Harvests will synergize, multiply, and accelerate into the nations. Pull the combines behind the plows. Pull the fruit wagons behind the seed planters. Sink the plows. Plant the seeds. Get in harvest mode.***

***"The Lord says to His uncompromising church, a new era of Pentecost will now pour forth, and Kingdom authority will be seen on the earth as never before. Glory presence will fill territories, regions, and nations as glory angels, mighty angels, warring angels, breakthrough angels, government angels, reformation and awakening angels, revival angels, finishing angels,***

***and seraphs on Godhead assignments move in with glory presence upon them.***

***"Remnant warriors, know I am commissioning these mighty ones to labor with you in far greater ways. My mighty ones are shifting into a deployment of the hosts, a deployment of the ages, for the outpouring of the ages. They are commissioned to partner with My church. For the intersection of times and seasons, and My purposes will spawn miracles and sudden victories.***

***"The strike season of the heirs and the angels now begins, says the Lord, soaked in Pentecostal outpourings and the King's greater manifest glory. Striking power will be seen in the Name of your King Yeshua. Striking power is releasing end-time former and latter rains simultaneously–harvest rains, glory rains, outpouring rains. Hell's power will be struck from an empowered Ekklesia. Strongholds of hell will be struck and uprooted. Thrones of wickedness will be struck and pulled down. Principalities and powers of darkness will be struck and overthrown.***

***"My Kingdom Ekklesias will strike with the sword of My Word. And My mighty angels, who carry My breaker anointing to break up, break out, and break through, will activate to assist the power-filled Ekklesias. And the insufficient power of hell's kingdom to stop them will become clearly evident as I pour out My anointing and power to prevail.***

***"My conquering remnant will now rise to stand by My side. Know, says the Lord, in this new era of glory Pentecost you have entered a fullness of time, and prophetic words have intersected with their moment. Prophetic dreams and visions are intersecting a divinely prepared era of greater glory and outpourings. I will lead this synergy of movements, anointings, and alignments. History will shift and align with heaven's plan. The forever loser will be dethroned from territorial, national, cultural thrones he has usurped, as the King's Ekklesia–seated with Him in heavenly realms–influences natural realms. You are entering into the great harvest and the discipling of the nations, says the Lord."***

Holy Spirit is calling the Ekklesia to awaken, align, and prepare for a historic outpouring of glory and harvest. This is not the hour for fear, complacency, or retreat. It is the hour for bold faith, fervent prayer, and expectation. The cry of the Spirit is clear: ***"Get ready for global outpourings."***

**Pray with me:**
Father, we thank You for the promise and power of Pentecost, which still flow today. Awaken Your church with fresh fire, fresh boldness, and fresh hunger for Your presence. Pour out Your Spirit upon the nations, causing wave after wave of revival to sweep the earth. Strengthen Your remnant to stand with courage, faith, and unwavering devotion in this strategic hour. Let Your glory fill homes, churches, cities, and nations until the world sees the greatness of King Yeshua.

And we continue to call forth Your order, Lord, into the Middle East. Do not stop until the prince of Persia is completely dis-empowered, Iran is ablaze with revival, and the Middle East sees the great harvest spoken of in this word. Your Kingdom come, Your will be done! In Yeshua's name, amen!

**Our decree:**
Global outpourings, releasing the glory of God, are occurring across the earth in unprecedented power.

## I HEARD THE LORD SPEAKING TO MANY DAUGHTERS OF GOD 'AS YOU STEP UP AND OUT, YOU WILL FLY'

I heard the Lord speaking to many daughters of God, ***'As you step up and out, you will fly.'*** As the Lord spoke these words, I felt this word was being released from the heart of God to the daughters of God who have heard the Lord speak to them to step up, step out, and to follow His leading in new assignments, new directives, and many different areas that He is asking them to step out. But fear and intimidation have been coming hard against them and the taunts from the enemy of foreboding if they arise and step out.

As I leaned into the Lord's heart and listened, I heard***: 'My daughters, do not be swayed or dismayed by the fear and intimidation that you have been experiencing. I say unto you, that the fear and intimidation have come as a battle at the doorway of you arising and stepping up, out, and into that which I am calling you to arise up and move forward into with Me. I say unto you, that the enemy is attempting to keep many of you in double-mindedness and fear – to keep you hiding and keep you in places of cowering back – where I am speaking over you in this hour that you are arising as MY DAUGHTER OF BOLDNESS.***

***'I say unto you, that as you arise and step up, out, and into that which I am calling you to, you shall find your wings again, and you will fly. For there are many of you that have felt like you have lost your focus, lost your strength, and lost your way. But I say unto you, in the word and assignment that I have given you in this hour – as you arise and obey – you shall find your strength again in vision, in hope, and in My strength, and you will fly. You will fly in the empowerment of My Spirit in ways that you have not seen.***

***'For there are many of you that I have placed My heart and My message within you, but you have hidden it away because of comparison, because of fear and intimidation. And I am calling you to arise and release that which I have called you to speak. There are many that have felt like you have lost your vision. You have lost the direction of that which I have called you to and have found yourself caught in places of indecision. And I say unto you that I am reminding you again of that which I have revealed to you. I am reawakening the vision. Where many have laid down the vision because of discouragement, warfare and weariness, I say unto you, receive My breath upon you that will release My hope, My strength and My vision again.***

***'For there has been great battle over much of what you carry because the enemy seeks to cause you to remain in a place of hiding, but I am shining My light into the places where you have been hiding, and I am calling you forth. You go not alone. I am covering you, surrounding you, and I GO WITH YOU. I have gone before you and I have prepared the way. All you need to do is follow in obedience to what I have spoken, what I have placed in your hands, and where I am leading you. It is not by your strength or your power, but it is by MY strength and MY power (Zech 4:6) that you shall see Me do through you that which I am asking you to step up, out, and into.***

***'I say unto you, there are many waiting for the empowerment of My Spirit before you step up and out and into that which I have spoken. But I say unto you, that you shall find MY GRACE and the power of My Spirit to do what I have called you to do in levels you have not experienced before – AS you arise and step up, out, and into that which I am calling you to.***

***'As you step forward and are resolved to not allow fear and intimidation to continue to lead you and as you repent for tolerating the fear and intimidation in your lives, you shall see how I have anointed you for what I am calling you to do. As you step up, out, and into that which I am calling you to, you shall see suddenly come forth that which I have been doing within your hearts to strengthen you, prepare you and fortify you in Me for what is before you. I say unto you, that you shall be amazed at the work of My Spirit in your hearts and lives to build and strengthen you – that will come forth AS you step up and AS you do that which I have called you to do.***

***'The enemy wants to keep many of you stuck in a place of to-ing and fro-ing. He wants to keep you stuck in places of transition because of fear and intimidation. But I say unto you, it is time for you to arise and step up and out and into that which I have called and confirmed to you to do. And you shall see a BRAND-NEW SEASON open up before you.***

***'I am not a god that sends you without going with you. I am not a god that leads you and leaves you. I am the God that is WITH YOU, and I AM ALL YOU NEED. I say unto you, the strength within you that comes forth in this hour is My strength. I have worked deeply on your hearts to heal, deliver and set you free. The areas where the enemy has tried to take you out in previous seasons – as you have stepped up and out and into that which I am calling***

***you to – they hinder you and affect you deeply. But watch in this hour as these snares and traps that used to ensnare you no longer affect you, because I have deeply healed your hearts and delivered you.***

***'I say unto you, as you arise and obey in where I am leading you, I am CLOTHING YOU WITH MIGHT from on high (Luke 24:49). I say unto you, that you shall be CLOTHED in My power as you walk in My ways and follow Me in humility and reverence. I say unto you, that your mouths shall be full of My Words in ways you have not seen before, as you ARISE AND SPEAK.***

***'I say unto you, that this is one of the greatest seasons of your lives, where you shall step into greater fullness of what I have called you to and called you to walk in; and that is why the enemy has come so hard against you. But you are not a victim. You are victorious (Rom 8:37). You are not the tail; you are the head (Deut 28:13). You are above and not beneath. I say unto you, "Daughter, ARISE in your authority in this hour! Do not abdicate your authority and what I have called you to do any longer because of fear and intimidation."***

***'I say unto you, that there has been a deep metamorphosis that I have been bringing you through by My hand in this hour. I have been doing a deep work. And with My Word – for you to step up, out and into what I am calling you into and to do – comes My empowering grace to do ALL that I am calling you to.***

***'I say unto you, watch the favor that I shall bring upon your obedience to accomplish My plans and purposes. Rest in My leading and My ways and know that I will open doors that need to be opened and I will close doors that need to be closed. I am moving to position you. All you need to do is rest in Me and follow and obey Me in My instruction and My leading. I am increasing the instruction in your midst in this hour as you seek Me and as you obey Me. You shall see with clarity like you have not seen before as you seek Me and follow Me.***

***'As you arise and no longer abdicate your authority and that which I have given you, watch the deeper places of divine insight and wisdom that shall be opened up to you. I say unto you, for many of you who have been deeply tormented by a spirit of witchcraft in this hour, I am breaking the battle over your hearts and minds that has attempted to find a landing place in your life***

***as you arise and obey and walk in My truth and My wisdom. Watch the days of confusion come to an end, and a new day of vision open up before you.***

***'Linger no more in the place of hiding. Linger no more in the places of indecision to what I have called you to. Arise in the truth of My Word; that I have NOT given you a spirit of fear, but of power, love and a sound mind (2 Tim 1:7). You arising and obeying what I am calling you to in this hour is not only opening a new season before you, but watch the SUDDEN untethering take place in a significant way of that which has been trying to hold you back at this battle at the doorway of the new day.***

***'Arise, mighty woman of valor! It's time to fly high above that which has attempted to keep you hiding and contained for so long. The time to see the power of My Spirit move through your lives in greater ways as you walk in My ways has arrived: to walk in greater fullness of who I have created you to be and to partner with Me in what I have created you to do.'***

**"LET TRUE AND PURIFIED PROPHECY RISE IN THE MIDST OF THE SHAKING!"**

With the Current Shaking of the Prophetic Movement, many have become disillusioned by the Power of True Prophecy. I Understand, and God Understands!! But Let this Time be a Moment for greater Inspection and a true reflection of one's own heart, let this Moment be one of Spiritual Growth and Maturity by Going Deeper to See where we have misplaced our Faith, Hopes, Expectations, and Worship. Often, even subconsciously, we have put Men on pedestals, and we have Elevated Man's Opinion over Gods Word.

Let this Be a Time to Invite the Holy Spirit to Come and reveal any and every area where we have built our Faith on any false Foundation. Because Anything built on Flesh will eventually be exposed by the Light of God, And Anything birthed by Selfish Ambition, Performance or the Fear of Man will never have the Capacity to carry the Weight of His Glory.

The Lord is Calling His People back to Purity, back to Holiness, back to the Secret Place where True Intimacy with Him matters more than fleeting Influence, or another Platform with your name in lights, or the fickle Recognition of Men. **True Prophecy is POWERFUL AND LIFE CHANGING** because it Reveals Yeshua, and when we Behold Him, we Become Like Him, and we are Forever Changed. True Prophecy does not draw Men unto itself; it draws Hearts unto CHRIST and exposes every idol that is competing for the Throne in our lives.

The Fruit of True Prophecy Produces Godly Reverence, Holy Conviction, Purity and deeper Surrender and Obedience to the Lord. So, Friends, Guard your hearts lest we become cynical or critical of what True Prophecy is, and Let us Go Higher to accurately Discern the Voice of God and to be able to rightly recognize what is orchestrated and manufactured by Man. Remember, Not everything that looks or feels Spiritual is Holy and of God, and not everything Supernatural is from God either, even Witches and Warlocks perform Signs and Wonders.

We desperately Need the Spirit of the Fear of the Lord and the Wisdom of the Holy Spirit in this Critical Hour. My Prayer is that True Discernment would Increase within the Body of Christ, that our Eyes would become single and fixed upon Yeshua alone, and that every False Voice, every strange and counterfeit Fire, and every polluted stream would be fully exposed by the Spirit of Truth.

**I HEARD THE LORD SAY, "THERE HAS BEEN GREAT WARFARE AGAINST YOU, BUT I AM DECLARING ADVANCE"**

Recently, I heard the Lord say, *"There has been great warfare against you, but I am declaring advance."* As the Lord spoke these words, I could see opposition coming from many directions at some of God's people right now. The ferocity of the warfare was stronger than many of these ones had faced before, but as I saw the ferocity of the warfare, a mighty excitement came forth in my spirit. Suddenly, this joy and excitement began to bubble strongly within me, and I heard the words loudly **"OH, GOD IS ABOUT TO MOVE".**

Those words continued to surround me: **"GOD IS ABOUT TO MOVE! GOD IS ABOUT TO MOVE,"** and I knew in that moment that this increase of warfare that has come so significantly against many right now is because the Lord is about to move in an UNPRECEDENTED way in their lives. This wasn't a 'far off' God is about to move; these words were filled with IMMINENCY!

As I leaned into the Lord and listened, the Lord spoke to me that the enemy is attempting to cause many to run, to hide, to withdraw, and to give up right as the Lord is about to move in a MIGHTY way. The sense surrounded me so strongly that it was VERY important right now that His people REMAIN where He has called them, to REMAIN IN FAITH and to STAND and be STEADFAST.

The Scripture surrounded me: **"Fight the good fight of faith; lay hold of the eternal life to which you were summoned and (for which) you confessed the good confession of faith before many witnesses." (1 Timothy 6:12)**

As I continued to lean into the Lord's heart and listen, I heard the sound of a shofar SO loudly in the spirit, and I heard:

***"ADVANCE! My people ADVANCE! I have ALREADY given you the victory. The enemy is doing all he can to attempt to delay you, intimidate you, weary you and discourage you. My people, there is such an assignment of the enemy to bring discouragement upon you right now and to attempt to discourage you out of your victory. This demonic spirit has come relentlessly against many of you right now to attempt to move you out of faith and to keep you from moving into the victory that I have given you. The enemy is attempting to cause you to lock your eyes upon all the areas that would bring you discouragement, rather than you remaining in the place of faith. FIGHT, My people!***

***Now is the time to FIGHT the good fight of faith. I am breathing fresh wind upon you to revive you and strengthen you. You fight not from your own strength, but you fight FROM and UPON My Word. The discouragement that has been attempting to assail your hearts and minds is to keep you from standing in the place of faith upon My Word. DO NOT MOVE FROM MY WORD. For not only will you see MY WORD DO ITS WORK in your lives, hearts and circumstances, as you walk by faith, there are greater blueprints and wisdom that I am opening up to you FROM My Word to DISPLACE THE ENEMY from***

***your lives in areas where he has constantly assailed you. This is a day of great victory, but you must NOT abdicate your authority.***

***My people, I say unto you, watch how I am going to move on your behalf. Watch how I am going to turn that which the enemy is trying to shut down and attempting to break down in your lives into some of the greatest places of expansion, fruitfulness and breakthrough in your midst. There is a fight over the places where My Glory is going to reside in greater ways in these days, and you must fight for the ground that I have promised you. Keep your eyes upon Me. Look to Me. For the enemy is attempting to do all he can to convince you to agree with his words of death, his curses and his lies, but I say unto you that I am speaking ADVANCE. I am speaking over the areas where the enemy has attempted to delay, ADVANCE. I am speaking over you and where the enemy has attempted to hinder you, disrupt, break you down and cause you to run, ADVANCE. I am speaking ADVANCEMENT over you. Let your agreement of faith be aligned with My Word, "ADVANCE".***

***Where the enemy is speaking to many to lay down arms and to give up, I am speaking to you "ARISE AND BUILD"*** **(Nehemiah 2:18).**

When the Lord spoke these words, I went into a vision, and I saw the enemy attempting to convince many out of their assignment and to give up building where the Lord had called them to, and then again, the voice of the Lord came to me:

**"BUILD, BUILD, BUILD"**

The Lord continued to speak:

***"I am uncovering and revealing the enemy hidden in your land. I am exposing the places where he has been hiding. I am bringing to light where he has been hindering you. I am bringing you into greater realms of understanding as you seek Me in humility and follow My ways. I am bringing you into deeper places of discernment as you seek Me and listen to Me and remain in My Word. I say unto you, My people, that as I speak to you in this hour and I increase your discernment, do NOT dismiss the discernment that I have given you and am increasing in your lives. You MUST listen to My voice, and you must follow the wisdom that I am giving you. Allow not fear or a fear of man to hinder you from doing that which I am calling you to do and to walk in My ways and the discernment that I have given you. You MUST***

***remain TRUE to what I am calling you to, for you are moving further into what I have for you, and I am building, maturing and strengthening you in Me to remain steadfast and obedient to only that which I am speaking and I am calling you to do. For there is a greater increase of understanding and strategy that I am releasing right now for you to UPROOT the enemy and enemies that have been hiding in your lands. FOR I say unto you that as you follow My wisdom and My leading, the enemies that you have seen today, you shall see NO MORE.***

***"My people, I am calling many to repent for waiting to 'feel ready' before stepping into that which I am calling you to do. For you do not walk by emotions, you do not walk by feelings, you walk by FAITH and OBEDIENCE to Me and MY VOICE. For where you delay to obey and remain rooted deeply in emotion, you are opening a door to the enemy. Watch and see in these days as you ARISE AND OBEY and step into that which I am calling you to, watch how the enemy will FLEE. Watch how the giants will be overcome AS YOU ARISE and OBEY. Many are waiting for a great deliverance and breakthrough of much of what they have been facing and enduring, while remaining and waiting to "feel ready," but MY STRATEGY and MY WISDOM is leading you to ARISE AND OBEY STRAIGHT AWAY, and you shall see a MIGHTY DELIVERANCE AS YOU GO! Watch how powerfully I WILL INCREASE that which I have told you to build and to do, not by the works of your hands or your strength to attempt to build, but as you OBEY AND BUILD, watch what I will SUDDENLY increase because of obedience and what your hands never could nor could sustain.***

***"Fresh fire is coming upon you and upon your mouths and your eyes. There has been a great attack against many of your mouths and eyes. The enemy is so afraid of you seeing, as I see and declaring that which I am speaking. I say unto you as you repent for placing your eyes upon anything else but Me and giving eye to what you feel rather than faith, WATCH the scales SUDDENLY fall off of your eyes. I am causing you to arise being led by MY SPIRIT, not by your EMOTIONS. Watch truth, discernment and greater clarity be restored unto you. SUDDENLY, things will become clear as you remove double-mindedness from your lives (James 1:8). I say unto you that I am causing all demonic spirits that attempt to MUTE you to be REMOVED by the power of My Spirit. You shall not be MUTE, but you shall DECLARE MY WORD, and you shall see MY SPIRIT go forth to accomplish that which I HAVE***

***SPOKEN! OPEN your mouths and speak. OPEN your mouths and declare My Word.***

***"Where some of you have been hiding because of what you have walked and endured, the levels of opposition and pain, trauma, grief and weariness that you have experienced, the enemy has come and chased you into hiding. I say unto you, ARISE AND COME OUT of hiding and SPEAK. Do not allow your agreement with the enemy to steal your voice. Repent of your agreement. Renounce all agreements with hiding and watch how I shall bring you into a deeper revelation of being HIDDEN IN ME and arising and SPEAKING that which I am calling you to speak. Many of you have felt stuck and delayed because you are hiding away in a season when I am calling you to ARISE and SPEAK as you do WATCH the fire of My Spirit come upon your tongue and your mouth to declare My Word with BOLDNESS, power and authority.***
***I am declaring over you, My people, "ADVANCE" - IT IS TIME TO MOVE! The wind of My Spirit is blowing ferociously upon you and behind you to propel you and empower you to move into all that I have for you. Know that what has been coming against you now has been because I am about to move in powerful ways. It is a mighty shift, but you must be positioned in faith and REMAIN and WATCH how I will bring forth MY mighty victory and a mighty increase of My anointing upon you to do what I have called you to do and to see what I have promised you."***

**<u>Lana Vawser: Three Important Words</u>**

**"Prayer Moves the Hand that Moves the World"**

**"'For I know the plans that I have for you,' declares the Lord, 'plans for welfare and not for calamity to give you a future and a hope.'" (Jeremiah 29:11 NASB)**

Many people consider this verse only when in difficult situations, using it to inspire hope that God has a plan for their deliverance or recovery. Though certainly including this, the verse has a much broader meaning. "Future" is derived from a Hebrew word that

includes the meaning of destiny. The New King James Version at times translates it this way.

The word "plans" is taken from a word meaning "to weave, plait, or mix." It can even refer to craftsmen inventing musical instruments, artistic objects, weapons, and other objects. The concept is simple: combining two or more substances to create something new. When used in reference to the mind, it refers to thoughts mixing together to form plans.

God has plans for our future that involve more than rescue operations. They are His all-wise thoughts, woven together into plans before we are even born (Psalm 139:16) that become a hope-filled destiny. We can have confidence that we are more than a meaningless blip on eternity's radar screen. God has assignments for us to accomplish, people whose lives we are to impact, prayers we are to pray, and more.

"Hope" is a word that means more than a pleasant expectation regarding the future; it is also the word for a cord or tether. Fascinating. Hope "connects" us to our future. Conversely, a lack of hope can cause us to give up on life, thereby disconnecting us from our future. Knowing and believing God has good plans and a destiny for us is more than optimism; this understanding and assurance actually connects us to that plan.

This hope also forms a path or track upon which to travel. We no longer wander aimlessly, but follow the roadmap God gives us as we confidently seek Him daily (Proverbs 3:5-6). Life becomes a secure, meaningful journey, not a maze of endless dead ends and wrong turns.

## **Governmental Destinies**

God destines some people to be leaders, including leadership in government. Donald Trump now believes that God saved his life in order for him to play a significant role in saving America. This belief has become a purpose that produces passion, a path that provides direction, and a cord connecting him to God. A belief in destiny, as President Trump now possesses, creates incredible motivation, discipline, and focus.

There are others in our government whom I am sure also realize they are there by God's design and calling. The concept of a "calling" is not limited to the religious world. Adam was called to be a gardener, David was called to be a shepherd and king, Abraham was called to be a rancher. God used these individuals mightily as they carried

out responsibilities and pursued careers we would not normally consider "spiritual." Many individuals in vocations we would not consider spiritual do more to influence the world than those in so-called "spiritual" vocations. Are we to believe God does not "call" people to and equip them for this level of influence in government and other influential arenas? Of course He does.

This means we must pray for God's gifts, anointing, and wisdom to be given them in their assignments. Do President Trump, his cabinet, and his advisors need this God-given help less than Moses, David, Josiah, or other leaders in the Scriptures? Do Mike Johnson and other legislators need this less than Joseph, Daniel, or Joshua? These people today are making decisions that influence the entire world! We need to pray that they will seek God and hear His voice. We should ask that Holy Spirit's help be given them, as well as that of angels. We ask that revelation of Scripture and insight from dreams be given to them. And, of course, we should pray for their safety and protection from harm, wrong influences, and corruption. We also pray for their families.

I continue to feel a prompting from Holy Spirit to pray for President Trump and our leaders as they navigate the situation in Iran, and, of course, as they face other issues here in America. They desperately need Holy Spirit's and angelic help as they deal with complex circumstances.

I do not find it a stretch to believe that some mistakes made by leaders could have been avoided had people been praying for them. I believe some leaders who have fallen into sin could have been spared had people been praying for them. Peter's ministry and walk with God were undoubtedly saved by Christ's intercession for him (Luke 22:31-32). Why would we be called to pray for leaders (1 Timothy 2:1-3) if our prayers did nothing? We must accept our responsibility to pray for those in government; part of their success in serving us will be determined by our faithfulness to pray.

The great preacher and orator, Charles Spurgeon, once made the profound statement, "Prayer bends the omnipotence of heaven to your desire. Prayer moves the hand that moves the world." This doesn't mean our prayers control God; it means they invite and cause His involvement. Let's keep Him involved in our nation's government.

**Pray with me:**

Father, thank You for the assurance that we have a purpose, and that our lives were planned by You. You created us with design and intent; we all have a calling and

destiny. Teach us to factor this into our decisions and goals, always seeking Your path for us, staying tethered to Your purpose.

A purpose we all share is moving Your powerful hand through our prayers. We are honored to partner with You in this way. We do so today by interceding for our government. We pray that President Trump, his cabinet, and his advisors will be given wisdom from You to lead America on a path of restoration. Keep them from wrong decisions and demonic traps. Help them make sound financial, legal, and military decisions. Guide them in their dealings with other nations. Help them reform our nation back to strength and morality.

We pray for Congress. Give them the understanding needed to legislate wisely. Give favor to those who honor You and Your ways; remove the voices of those who do not. Deliver us from the political spirit that is so influential and divisive in our nation.
We pray for our Justices and Judges. Give them wisdom and understanding. Give us Judges who do not legislate, but who accurately and wisely interpret laws without prejudice or bias. We ask for the removal of those who politicize their positions and who do not honor You.

Please continue to cleanse and reform our government and send an outpouring of Holy Spirit to our nation's leaders. We ask this in Yeshua's name. Amen.

**Our decree:**

We decree that we are divinely tethered to the plans and purposes of the Lord for our lives.

**Laus Deo**

**A perfect Word for one of our greatest days! WB**

The year 2026 marks the 250th anniversary since the Declaration of Independence of this nation from Great Britain. Many patriotic celebrations, parades, sporting events and other activities are scheduled throughout the nation during the course of the year and will be held in keeping with this historic time of celebration. Most significantly, there has been a growing emphasis on returning to God within the nation: many revival events have transpired on college campus around the country; there has been a National Day of Reading of the Bible in Washington, D.C., and recently, we celebrated as a nation at the Rededicate 250 event at which time the United States of America was rededicated to the God of Heaven.

All eyes have recently turned to the city of Washington as it is being restored to its former beauty with many projects and upgrades including the refurbishment of many parks and fountains including the reflecting pool in front of the Lincoln Memorial, the reconstruction of the east wing of the White House, the beginning of construction of America's Garden of Heroes, and other projects which are in the works.

As we consider Washington, D.C., however, many Christians have learned of the somewhat controversial Masonic influence over the street layout, various occultic ritual sites, Illuminati influence in the shape of various monuments, etc. These concerns may or may not have legitimacy and should be searched out on the internet for those who are interested, but there are other influences which also have had their play here, one of which was the hand of God.

The brief article which follows does not originate from myself. Rather, it came from an email I received a number of years ago. The author is unknown, but the historical nature of the content was rather fascinating to me. I trust it will be to you as well.

**Laus Deo**

One detail that is never mentioned is that in Washington, D.C. there can never be a building of greater height than the Washington Monument. With all the uproar about removing the ten commandments, etc., this is worth a moment or two of your time. I was not aware of this amazing historical information. On the aluminum cap, atop the Washington Monument in Washington, D.C., are displayed two words: ***Laus Deo.***

No one can see these words. In fact, most visitors to the monument are totally unaware they are even there and for that matter, probably couldn't care less.

Once you know ***Laus Deo's*** history, you will want to share this with everyone you know. These words have been there for many years; they are 555 feet, 5.125 inches high, perched atop the monument, facing skyward to the Father of our nation, overlooking the 69 square miles which comprise the District of Columbia, capital of the United States of America.

***Laus Deo!*** Two seemingly insignificant, unnoticed words. Out of sight and, one might think, out of mind, but very meaningfully placed at the highest point over what is the most powerful city in the most successful nation in the world.

So, what do those two words, in Latin, composed of just four syllables and only seven letters, possibly mean? Very simply, they say ***'Praise be to God!'***

Though construction of this giant obelisk began in 1848, when James Polk was President of the United States, it was not until 1888 that the monument was inaugurated and opened to the public. It took twenty-five years to finally cap the

memorial with a tribute to the Father of our nation, ***Laus Deo,*** 'Praise be to God!'

From atop this magnificent granite and marble structure, visitors may take in the beautiful panoramic view of the city with its division into four major segments. From that vantage point, one can also easily see the original plan of the designer, Pierre Charles l'Enfant ... a perfect cross imposed upon the landscape, with the White House to the north, the Jefferson Memorial is to the south, the Capitol to the east and the Lincoln Memorial to the west.

A cross you ask? Why a cross? What about separation of church and state? Yes, a cross; separation of church and state was not, is not, in the Constitution. So, read on. How interesting and, no doubt, intended to carry a profound meaning for those who bother to notice.

Praise be to God! Within the monument itself are 898 steps and 50 landings. As one climbs the steps and pauses at the landings the memorial stones share a message.

- On the 12th Landing is a prayer offered by the City of Baltimore;
- On the 20th is a memorial presented by some Chinese Christians;
- On the 24th a presentation made by Sunday School children from New York and Philadelphia quoting Proverbs 10:7, Luke 18:16 and Proverbs 22:6. Praise be to God!

When the cornerstone of the Washington Monument was laid on July 4th, 1848, deposited within it were many items including the Holy Bible presented by the Bible Society. Praise be to God! Such was the discipline, the moral direction, and the spiritual mood given by the founder and first President of our unique democracy 'One Nation, Under God.'

I am awed by Washington's prayer for America. Have you ever read it? Well, now is your unique opportunity, so read on!

*'Almighty God; We make our earnest prayer that Thou wilt keep the United States in Thy holy protection; that Thou wilt incline the hearts of the citizens to cultivate a spirit of subordination and obedience to government; and entertain a brotherly affection and love for one another and for their fellow citizens of the United States at large. And finally, that Thou wilt most graciously be pleased to dispose us all to do justice, to love mercy, and to demean ourselves with that charity, humility, and pacific temper of mind which were the characteristics of the Divine Author of our blessed religion, and without a humble imitation of whose example in these things we can never hope to be a happy nation. Grant our supplication, we beseech Thee, through Jesus Christ our Lord. Amen.'*

When one stops to observe the inscriptions found in public places all over our nation's capital, he or she will easily find the signature of God, as it is unmistakably inscribed

everywhere you look. You may forget the width and height of 'Laus Deo,' its location, or the architects but no one who reads this will be able to forget its meaning, or these words: 'Unless the Lord builds the house its builders labor in vain. Unless the Lord watches over the city, the watchmen stand guard in vain.' (Psalm 127:1)

***Laus Deo!***

**Dutch Sheets: "Escape from Freedom"**

**From <u>Exodus 14:8-12</u>:**

**"And the LORD hardened the heart of Pharaoh, king of Egypt, and he pursued after the children of Israel: and the children of Israel went out with a high hand. But the Egyptians pursued after them, all the horses and chariots of Pharaoh, and his horsemen, and his army, and overtook them encamping by the sea, beside Pihahiroth, before Baalzephon.**

**"And when Pharaoh drew nigh, the children of Israel lifted up their eyes, and behold, the Egyptians marched after them; and they were sore afraid: and the children of Israel cried out unto the LORD. And they said unto**

**Moses, Because there were no graves in Egypt, hast thou taken us away to die in the wilderness? Wherefore hast thou dealt thus with us, to carry us forth out of Egypt? Is not this the word that we did tell thee in Egypt, saying, Let us alone, that we may serve the Egyptians? For it had been better for us to serve the Egyptians, than that we should die in the wilderness."**

**And from Exodus 16:2-3:**

**"And the whole congregation of the children of Israel murmured against Moses and Aaron in the wilderness: And the children of Israel said unto them, Would to God we had died by the hand of the LORD in the land of Egypt, when we sat by the flesh pots, and when we did eat bread to the full; for ye have brought us forth into this wilderness, to kill this whole assembly with hunger. "**

It has always baffled me how these Israelites could still doubt God and His leader, Moses, after the many miracles performed to lead them out of Egyptian slavery. And it has certainly amazed me how they could prefer slavery - because of the regular provisions they received - to freedom.

It turns out there's a name for this, actually more than one. When I asked the experts hiding in my web browser if there was a term for it, the internet gave me three and actually began its response by referencing Scripture! Here is a summary of the explanation:

When people prefer the "predictable security" of oppression over the "terrifying risks" of freedom, it is most commonly referred to by the following concepts:

## 1. The "Fleshpots of Egypt" Syndrome

Deriving directly from the Exodus narrative itself (specifically Exodus 16:3, where they pine for the literal pots of meat they had in captivity), "Fleshpot Syndrome" describes the tendency of an oppressed group to look back at their period of bondage with romanticized nostalgia because their basic physical needs (food, shelter, etc.) were guaranteed by their masters.

## 2. The Comfort of the Known Cage

Psychology uses the phrase "loss aversion," saying that humans feel the pain of losing essentials like security or predictable food twice as intensely as they value the potential gain of something abstract like freedom. They also speak of it as a "System Justification Theory": A psychological phenomenon where people will defend and prefer a broken, oppressive status quo simply because it provides a predictable framework for survival. To these people, freedom requires greater mental stress and frightening uncertainty; slavery, while it can be brutal, eliminates all decision-making.

## 3. Escape from Freedom

(How's that for an oxymoron!) In 1941, the psychoanalyst and philosopher Erich Fromm published the famous book Escape from Freedom that addresses this exact human crisis. Fromm argued that true freedom brings to some intense anxiety, isolation, and the terrifying burden of personal responsibility. When people cannot handle that anxiety, they often seek out authoritarianism or submission to a ruling power to feel safe again.

The Israelites were experiencing the sudden shock of de-institutionalization. When you have been conditioned for generations to have your survival managed by an external power, the immediate instinct upon facing a crisis in the wild is to flee back to the predictable, even if the predictable is a whip.

Interesting. But as real as these feelings may be, God didn't consider them as justification for the murmuring and unbelief of the Israelites. In 1 Corinthians 10:9-11, Paul warned the early church to avoid the rebellious attitudes of the Israelites in the wilderness, specifically mentioning their grumbling and the resulting consequences. Hebrews 3:7-11 quotes Psalm 95, reminding us of the rebellion in the desert when the Israelites angered God by their constant complaining. The passage goes on to say this rebellion kept them from receiving their inheritance. And Stephen, in his defense before the Sanhedrin, recounts how their ancestors rejected Moses and turned their hearts back to Egypt during the time in the wilderness (Acts 7:39-41). God held the Israelites responsible for their attitudes, showing us that these weaknesses can be overcome.

Our Founding Fathers, Patrick Henry and Samuel Adams, spoke to the "loss aversion" crowd of their day - the "even if it IS broken don't fix it" cowards, and "fleshpots of Britain" lovers - stating their disdain for these mindsets.

In his famous defense of the Revolution, Patrick Henry said: "*There is no retreat but in submission and slavery! Our chains are forged! Their clanking may be heard on the plains of Boston! The war is inevitable - and let it come! I repeat it, sir, let it come…Is life so dear, or peace so sweet, as to be purchased at the price of chains and slavery? Forbid it, Almighty God! I know not what course others may take; but as for me, give me liberty or give me death!"*

And, of course, there was the inimitable Father of the American Revolution, Sam Adams:

"*If ye love wealth better than liberty, the tranquility of servitude better than the animating contest of freedom, go home from us in peace. We ask not your counsels or arms. Crouch down and lick the hands which feed you. May your chains sit lightly upon you, and may posterity forget that ye were our countrymen." Sounds like Sam, like God with the cowardly Israelites, had heard enough!*

**Choose life.**

**Choose freedom.**

**Choose to pay the price.**

**Pray with me:**

Father, encourage believers today who refuse to crouch down and lick the hands of government officials who contend that our rights come from them. Give us brave hearts to resist those who tell us we must accept immoral and unrighteous laws, and the courage to speak out against those desiring to muzzle us. We don't want the fleshpots of Egypt, and we certainly don't want to "escape from freedom."

Awaken Americans to the realization that liberty can be lost, that great nations can become entangled, trapped, and destroyed by the webs of fear and complacency. Restore passion and love of freedom in America, and awaken in us once again the DNA of our roots.

And we ask You to mix these traits with passion for Your holy destiny on this nation; that our love of freedom be mixed with a love for You and the cause of Christ. Remind believers that it is okay to love America, that it is acceptable and appropriate to be Christian patriots. And now that our nation has been rededicated to You, fan the flames of revival in - and from - our land. In Yeshua's name we pray, amen.

Our decree:

We decree that we cast our vote with Patrick Henry: we will never accept peace at the price of chains and slavery.

## "GOD'S GREATEST DESIRE" (Part 1)
## GOD BLEW ME AWAY AND LEFT ME UNDONE!!

### The Divine Interruption

Yesterday, I was sharing with a friend how God recently blew me away and left me undone. A few weeks ago, I was sitting with the Father praying about many things when He suddenly interrupted my Prayers and asked me a powerful question. At first, it seemed strange, but the answer that came blew me away left me Undone and Changed Everything!

**He asked, "*Daughter, what do you think My Greatest desire is?" Well, I immediately answered, "Faith, Love, Trust, Obedience, Worship?"* But the** Lord was quiet as I spoke, I received no feedback. Although I knew He certainly desired all those things, but they were not His Greatest desire.

So I asked Him, "Father, tell me what is Your Greatest Desire?" He immediately answered me saying **"*Daughter, My Greatest Desire is to be Known. It is to be Known as Creator to My Creation, to be Known in all My Glory, My Majesty, My Power, My Authority and My Love!"***

**Then He said it again: *"Daughter, My Greatest desire is to be Known and for you to give Me permission to Make Myself Known to you as the All-Sufficient One, according to the riches of My Glory!"***

Friends, I cannot put into words what took place in my heart and mind as I heard the Father speak those words. Suddenly, everything shifted, A Mega Paradigm Shift took place within me. It was as though a light suddenly came on. In but a moment, I saw something I had never fully seen before.

I saw that from the very Beginning of Time, from the moment of Creation itself, the Greatest Desire within the Heart of Creator God was not simply to Create Mankind but to Create Mankind to 'Make Himself Known' to His Creation through Intimacy, Covenant Relationship and a Demonstration of His Glory!

I suddenly saw Genesis through a completely different lens. The Garden of Eden was never about a place, or a Realm. It was about His Presence, His Glory. It was about Relationship. It was about Fellowship. It was about "God Making Himself Known" to those He had Created in the Image, and in the Likeness and in the full Essence of the Godhead.

## The God-Shaped Longing

As I continued to meditate on what the Father had spoken, I realized why there is such a deep longing and restlessness within the human heart. God Himself has placed something within the Heart of His Creation - a longing, a yearning and a deep Eternal ache; a God-shaped Capacity that nothing in or of this World can ever fully satisfy. And why? Because Mankind was never Created to live Independently of the One who Created him. We were created for Encounter through Covenant Relationship and for Fellowship. We were created to 'Know Him and to be Known by Him!'

I suddenly realized that the longing within every Human heart, even at a subconscious level, is by Divine Design. It is not a flaw or a Weakness in Creation. It is not Brokenness. It is evidence of Divine Design. God has placed within every human heart a deep desire to KNOW THE ONE who Created it; a desire to Encounter Him, to Experience Him, and to find its Origin and True Identity in Him. This is why Mankind is constantly Searching, Searching, through Wealth and Success, Pleasure, Relationships, Knowledge, Religion, Influence, and Achievement. And yet even after obtaining many of these things, the longing Remains; a Yearning a Cry from deep within the Soul. Because the deepest need of the Human Heart can never be satisfied by created things.

**Only the Creator Himself can satisfy what the Creator Himself Designed!**

This longing within Mankind, I believe, is Heaven's Witness that we were made FOR GOD! I submit, this is why Scripture says, that God has 'Set Eternity within the Heart of Man.' Friends, I believe the great tragedy of Humanity is that many spend their entire lives trying to satisfy a longing that 'Only God can truly satisfy.' For the answer to the Cry within the human heart is not a thing; It is a PERSON!

## The Creator Himself, The One whose Greatest Desire is to be KNOWN by His Creation

When I saw THIS Truth, suddenly everything made sense - the Divine Thread Through Scripture: The Garden, the Altars, the Covenants, the Prophets, All the Signs, Wonders, and Miracles, the Great Exodus out of Egypt, the Wilderness Journey across the Desert, the Cross, the Resurrection, and the Outpouring of the Holy Spirit at Pentecost. **From Genesis to Revelation there is a Divine thread woven throughout Scripture, the 'Relentless Pursuit' of a God whose 'Greatest Desire' is to 'Make Himself Known,' and a Creation that was Designed from the Beginning, even before the Foundation of the Earth, 'TO KNOW HIM!'**

I saw with fresh and greater Clarity, that when God parted the Red Sea, "He was making Himself Known." When He sent Manna from Heaven, "He was making Himself Known." When He caused Water to gush from a Rock, "He was making Himself

Known." When He led Israel by a Pillar of Cloud by day and a Pillar of Fire by Night, "He was making Himself Known!"

And when their clothes did not wear out and their shoes did not fail in the Wilderness, "He was making Himself Known" as their Provider and Sustainer. When He delivered Daniel from the Lion's den, "He was making Himself Known." When He preserved the Three Hebrew boys in the fiery furnace, "He was making Himself Known." When He reduced Gideon's Army from Thousands of Warriors to only Three hundred, "He was making Himself Known." The List goes on and on and on and on and on.

**We see throughout History 'A CREATOR GOD MAKING HIMSELF KNOWN TO HIS OWN!'**

For God will Share His Glory with NO MAN, Hence, when God Sets out to 'BE KNOWN,' He will remove every Idol and every false Foundation and every Counterfeit substitute that dares to compete with His Glory. God strips away ALL human wisdom and ability that would compete with His Glory being made Known in the midst. He delights in Revealing Himself as the One who alone is able, Who alone Saves, Delivers, Heals and Redeems. Even Pharaoh became a stage upon which God revealed His Authority, and Power. Even the hardening of Pharaoh's heart became an opportunity for God to reveal His Greatness, His Glory, and His Majesty. And why?

**Because God's Desire was not just to Deliver the Nation of Israel out of Bondage. His Desire was to "MAKE HIMSELF KNOWN TO THE NATION OF ISRAEL AS THE ONLY TRUE AND LIVING GOD!"**

## Lessons from David

And then the Holy Spirit began to highlight David to me. Suddenly, I saw David's Battle with the Giant Philistine Goliath through an entirely different Prophetic lens. David had no fear of Goliath because David "ALREADY KNEW" the God who had "MADE HIMSELF KNOWN TO HIM." He had experienced God for himself with the Lion with the Bear and in countless other moments while tending to his Father's Sheep. David's confidence was not in his own strength or ability, but rather, it was in the 'God who had Already Revealed Himself.'

Friends, David's confidence was born out of an "Experiential Knowledge" of God. David did not know ABOUT God, David KNEW God! And when we truly KNOW the God who has made Himself Known to us in previous Battles, we no longer Fear the Giants standing before us in the present. For every previous Victory becomes a Testimony of the God who desires to make Himself known again and again and again and again!

I believe this is why Sharing a Testimony is so powerful, because it will Testify to the God that has made Himself known to His Creation. And when we release our

Testimony, the Power of the spirits of Fear, Infirmity and Oppression diminishes and flees wherever God has made Himself Known. David understood something profound; he knew that the Battle was never ultimately about Goliath. The Battle was yet another opportunity for God to Reveal His Glory and make Himself known to the Nation of Israel and to their Enemies.

## The Biblical Meaning of "Knowing"

**Then the Holy Spirit took me a little deeper. He quickened to me the words, "And Adam KNEW Eve his wife and she conceived!" For the Sake of Time, I can't share fully what I saw here, but the Biblical principle of "Knowing" is not intellectual. "TO KNOW" as Adam KNEW Eve is to Enter into a Deep, intimate and Sacred Place through Covenant Relationship. "TO KNOW IS TO EXPERIENCE; TO KNOW IS TO ENCOUNTER; TO KNOW IS TO BECOME ONE!"**

Every Revelation that comes from the Heart of God is like Seed, and the Bride of Christ is Called to position herself as a Receiver of that Seed. "True Revelation can only be Received through Deep Intimacy which becomes the place of Divine Conception, and Conception becomes Divine Transformation, and Transformation becomes Supernatural Manifestation!" The More God makes Himself Known and the More we intentionally Set ourselves to Know Him, the More we are Transformed into His Image!

## Head Knowledge vs. Experiential Knowledge

So much of what we Hear in the Church today possesses a Knowledge ABOUT God but far fewer possess an EXPERIENTIAL KNOWLEDGE of God. And make no mistake, there is a vast difference between the two. "Head Knowledge informs the Mind, whereas Experiential Knowledge Transforms and Reforms the Heart!" One can go to Seminary to Study God, quote His Promises, understand Doctrine, even Teach and Preach to others about Him, and yet still never truly KNOW Him through Intimate Encounter. The Father's desire is not that we accumulate information about Him, but that we Encounter Him in His Fullness, personally.

"For when God Makes Himself Known, EVERYTHING SHIFTS AND CHANGES."
When He Reveals Himself as our Healer, then Healing is no longer a Doctrine or a dead Letter. When He Reveals Himself as Jehovah Jireh our Provider, then Provision is no longer someone else's Testimony; it becomes our lived reality. Because once God Makes Himself known in a place of Desire or Need, we no longer simply believe that He can Provide, we KNOW Him as the All**-Sufficient** Provider.

When God makes Himself known as our Mighty Deliverer, the chains that once bound us become evidence of His Power to Save, Rescue, and Set us free. And it's from that moment on that Freedom is no longer something we say we believe in. It now becomes something we tangibly Carry as a Witness of Who He truly is. And When He reveals Himself as Father, then an Orphan-hearted and Poverty Mindset living loses its grip. I

believe this is why Job could say**, "I have heard of Him by the hearing of my Ear but NOW my Eye sees Him!"**

**Tammuz 22, 5786: Tuesday-July 7, 2026**

**Veronika West (part 2)**

**Job moved from hearing ABOUT God to truly KNOWING Him!**

**A Transformed Prayer Life**

Friends, since receiving a greater understanding of What God's Greatest Desire is, it has absolutely transformed my Prayer life. I'm No longer coming before the Lord asking, Lord what can You do for me!" But instead, I'm Praying with a Radical Faith, Hope, and Expectation: "Father, Would You Come and Make Yourself Known!" Father, Make Yourself Known as my Healer, as my Provider, my Protector. Come and Make Yourself Known as the Chain Breaker and Great Promise Keeper. Father, Would You Come and make Yourself Known in every area of my life, that You may receive ALL THE GLORY!"

No More Striving. No need to try to persuade or convince God to Intervene or Answer my Prayer, because if God's Greatest Desire is truly, to be 'KNOWN,' then His Desire to Reveal Himself to me is Far Greater than my desire to see Him Move. The Onus Is Upon God. The Burden, the Desire and Delight is on God, to display His Power and Glory. When His Desire to be KNOWN is greater than my desire for the Answer being made manifest, then all I need to do is Give Him my YES!

Wow! How this revelation has the Power to Set us Free and to bring us into a place of Radical Faith, Hope, Obedience and Surrender - the Rest of Surrender. Our Responsibility is simply to respond to His Invitation, to His Desire, and to His Call to Intimacy and Deeper Encounter. The responsibility of Surrender and yielding belongs to me, while the responsibility of Revelation, Transformation through making Himself Known, Belongs to Him!

Suddenly, we will find that Prayer is not about trying to pull God into my circumstances; it's more about giving Him Permission (Yes! Permission) to Come and to Reveal Himself within my situations and circumstances.

Saints! Listen!! If we can truly grasp the weight and gravity of THIS TRUTH, then "TRUE REST" comes; No Striving or Manipulation, No Religious rituals or performance, only a yielded Heart responding to the Invitation of a Father whose 'Deepest Desire is to Make Himself Known.'

Prayer, I don't believe, was ever meant to be us trying to persuade God to Move on our behalf. Prayer has always been an Invitation for God to Reveal Who He already is through an Experiential Knowledge of His Power, Wisdom and Glory. And so, the greatest Prayer we can pray is not, "Father, tell me more about Yourself," but rather, it's **"Father COME AND MAKE YOURSELF KNOWN!"**
For when God makes Himself Known, as I said above, 'Everything changes.' For when we have TASTED and SEEN His Goodness and Beheld His Glory, we discover that everything else this World tries to offer is but a hollow and empty promise, unable to satisfy the deepest needs and desires of the human Heart. What once seemed to carry any resemblance of importance suddenly fades in the Radiant Light of His Presence, and we come to the revelation and the full conclusion that there is NO SUBSTITUTE for God. GOD HAS NO EQUAL!

Heaven's Invitation: I hear the Spirit saying again, ***"Daughter, My Greatest Desire is to be Known. For My Eyes are looking, searching to and fro for Sons and Daughters who will Respond to the Greatest Desire of My Heart, and say, "Father, Come and Make Yourself Known that You may Receive All the Glory!"***

A Sober Warning … And lastly, in light of this Revelation, I am given to feel a tangible weight of the Spirit of the Fear of the Lord, even as I write. Hence, When God is misrepresented, it is an extraordinarily serious offense, especially because it directly undermines His Greatest Desire: "to Be Known" truly in His Holiness, Power, Glory, Love and Sufficiency.

When Shepherds, Leaders, Prophets or even on-line Influencers distort His Character, they are not just sharing wrong information, but with their mouths they poison the very Well of Relationship and Encounter that God longs for with His people, causing many to stumble and to harden their hearts or fall away. The poison turns the Hearts of many away from God and toward Idols, False Hope, or despair, instead of True Intimate Knowledge of God's Heart.

Moses comes to Mind. Let this be a Grave Warning for All Leaders. Moses, in Numbers 20:1-13, when the people complained for water, God instructed Moses to SPEAK to the rock (which was a prophetic picture of God's Provision through His Word, which was a foreshadow to Christ as the Rock). But instead, in anger, Moses calls the people "rebels" and he strikes the rock twice, saying, "Shall 'WE' bring water for you?

Though the Water still flowed because of God's Grace toward the people, God's response is incredibly sobering. **"Because you did not believe in ME, to uphold ME as HOLY in the eyes of the people of Israel, therefore you shall NOT bring this Assembly into the land that I have given them" (Numbers 20:12).** Moses was God's Chosen representative - the one through which God had demonstrated His Power and Glory again and again in the Wilderness Journey. But Moses acted out of frustration

and took credit. Moses misrepresented God's Heart to the people. God wanted them TO KNOW HIM as Patient, Holy, Merciful and Gracious, but Old Moses made God appear angry, harsh, irritated, or dependent on human ability and force, rather than as Israel's Sovereign Provider who responds to His Word. This was a massive public failure to Honor God as Holy, undermining the very revelation God desired to show Israel, and because of this moment of misrepresentation of God's Heart to Be Made Known, Moses, the faithful Servant who had actually spoken with God face to face and who had ascended the Holy Mountain and Beheld His Glory, did not enter the Promised Land.

**Moses saw it from afar on Mount Nebo. He had but a glimpse of the Inheritance he had labored for, but he could not Step into it. The Door was Closed!**

**Thus saith the LORD, "Let not the wise man glory in his wisdom, neither let the mighty man glory in his might, let not the rich man glory in his riches: But let Him that glorieth Glory in this, that he Understandeth and Knoweth Me, that I am the LORD which exercise lovingkindness, judgment, and righteousness, in the earth: for in these things I Delight, saith the LORD." (Jeremiah 9:23-24)**

**Veronika West**
**"GOD'S GREATEST DESIRE" (Part 3)**

Friends, as I meditate on this powerful Revelation today, as I take time to deeply Marinate in the Oil of this Truth, it gives me pause to keep Listening and Leaning in, and I submit, given that we are Made and Created in the Full Image and Likeness of the Godhead (See Genesis 1:26-27), it should come as no surprise that the echo of the Father's Own Heart's desire resounds within each of us. If it is God's Greatest Desire To Be Known in all His Holiness, Power, Glory, Majesty, and Love, then He has placed within the Heart of Mankind a corresponding longing, a deep desire to Be Known. Again, this is by Divine Design.

The same Creator who yearns for Intimate Covenant Relationship with His Creation has wired us with a God-shaped capacity not only to Know Him, but to Be Known by Him. And when this deep longing is turned TOWARD the Father, when we allow Him to make Himself Known to us in Truth, something amazing happens. True Identity is established, and God-Purposed Destiny is Realized.

It's from that place of being deeply Known and Loved by the One who formed us, that true God-Given Anointing, Authority and Power flows. We no longer strive to have to prove ourselves to anyone. We fully Rest in the Security of Covenant Relationship. We

become Ambassadors and Divine Reflectors of His Glory, rather than chasers of our own or that of another.

## Watch! The Tragedy of Misdirected Desires

Yet it makes me think: how often has this Holy and Sacred God-given longing been twisted and distorted? Instead of us running toward the Father to where the Deep longing and Cry to be Known finds its only true satisfaction and Fulfilment, Mankind has turned that same desire Inward and Outward and Toward the SELF. This has produced the fruit of Self-Ambition, Self-promotion, and Selfish Gain. We have craved to be Known by men. We've labored tirelessly to be Seen, Acknowledged, and Celebrated by mere Men. We've built for ourselves Platforms, so our Names shine in lights. We have hungered and thirsted for relevance and to be followed and applauded and admired! All while still remaining strangely discontented and unfulfilled with the Highest honor of all, "Simply being seen by God!"

We have struggled with being Hidden in the Secret place; we have not been satisfied with simply being Known intimately by the Father. Being Approved by Heaven, rather than by the Crowds, has not been our greatest desire or intention. And dare I say it, but the evidence of the perversion of this God-given desire has produced devastating fruit in the Body of Christ. It's Created Idol Worship of Men.

We know that God has placed within every human heart the deep need to Worship, to bow down before and adore the One who has made Himself Known in all His Glory. We were Made to Worship, created to fix our gaze upon Him Alone, to Behold His Beauty and Majesty, and to be Transformed into His likeness. **"And we all, with unveiled face, Beholding the Glory of the Lord, are being transformed into the same Image from one degree of glory to another." (2Corinthians 3:18)**

Yet, in our Restlessness and sinful nature, we have turned that Worship, meant only for God, toward created things: towards men, towards Platforms, towards Money and Material possessions and fleeting Fame and the fickleness of Men's Applause!

## "What we Behold, We Become."

Many have fixed their eyes on Celebrity Culture, Social Media Sensations and Influencers and So-Called "successful" Voices, only to take on the defilement and mixture which has further produce more striving, discontent, disappointment, and emptiness. Others have Worshipped the god of Wealth and Image and have become anxious, hollow, and enslaved to the very things they pursued, all while their God-shaped longing remains unsatisfied and the Soul grows increasingly restless in its pursuit!

There has been a Great Exchange. We have Traded the Glory of the Immortal and Eternal God for false images and mirages that resemble mortal man. We've Traded Intimate Experiential Knowledge of the Father for the empty applause of a Crowd that is here today and gone tomorrow.

**The Invitation Back to True Knowing**

But even as I sit here, I hear the Voice of Mercy in the Father's Heart: ***"My Greatest Desire is to be Known and for you to be Known by Me!" I*** believe, in this season, God is Calling us out, and as we Respond, He will break the power of exhausting and destructive Cycles of Self-promotion into the Divine Rest of being fully Known and fully Loved by Him Right Now. He is inviting us to allow His Spirit of Truth to Redirect that deep longing within our own Hearts back to its Original Source, back to the One that Created us and desired above All to Be Known by Us and for Us to Know Him. Friends, Dare to Open your Hearts and let this Revelation pierce us. The same God who desires to Make Himself Known to us is the only One who can truly satisfy our desire to 'Be Known.' Friend, there is No Platform, Position or Fame, no amount of human Recognition and Celebration that will ever fill the God-shaped Space or the deep ache. ONLY HE CAN!

**Pray with me:**

"Father, Come and Make Yourself Known to me in Greater Measures and Degrees of Your Glory and Love. Expose, Reveal, and then Heal the misdirected longings within my own Heart that longs to Be Know. Turn my eyes away from the empty mirrors of the Self and the Altars and Idols of Men and of Satan. Let us truly find deep and lasting contentment and satisfaction to Be Known by You. Build and Establish my True Identity in the place of Deep and Intimate Encounters with Your Presence.

"Let True Anointing and Authority flow from an Established Identity and from a Heart that has been fully seen by You. And may we become a People who Behold You, and in Beholding, become like You. For in Knowing You and being Known by You, we will find the True meaning of Life and the Real Reason Why and for What we were Created, that You May Be Glorified!"

**Tammuz 24, 5786: Thursday-July 9, 2026**

**Dutch Sheets: "Consecrate the Court"**

**In 1988, I heard Holy Spirit say, "Study the watchman concept of prayer."**

I had studied the subject prior to this, taught on it, and was pretty familiar with the concept. Yet I had a strong, immediate impression that I was missing something.

I obeyed Holy Spirit's prompting and, indeed, there was more to the subject than I had previously seen. I discovered that the watchman concept of prayer is not just defensive and protective; it also has an offensive or aggressive aspect. I found that the Hebrew words for watchmen are also translated "to lay siege, blockade," "spy," and "ambush," in order to conquer cities or people (see Judges 1:24; 2 Samuel 11:16; Isaiah 1:8; Jeremiah 4:17; Psalm 56:6; 71:10). The reason these words are used in this manner is because all of the actions involve "watching."

When I saw this and began praying for greater insight, I heard Holy Spirit say the following:

"***I am about to release revelation to the praying church that will enable them to deliver individuals, cities, regions, and nations for Me. New strategies, concepts, and movements will emerge; discernment of satan's strongholds will be given, and prayer sieges will begin that eventually end his hold over nations, regions, and people.***

***"This will be broad in scope, with strategies and actions disseminated through many different ministries/organizations. I will give an assignment to one person or ministry, while simultaneously assigning another part to others. At times, they will not even realize they're part of a larger strategy. I will orchestrate all of the efforts in order to lay sieges in the spirit realm, cutting off satan's 'supply lines' - sins and iniquities that have given him access. I'll close these entry points, cleansing from sins that have enabled him to hold places in captivity. Through the anointing of Holy Spirit, My intercessors will discern strategies and conduct prayer sieges of cities and nations."***

In 1988, very little was known or spoken of regarding solemn assemblies, prayer walking, prayer journeys, spiritual mapping, identificational repentance, reconciliation ceremonies between races and people groups, etc. I am sure understanding of them existed in a few people's thinking, but most of the body of Christ had never heard of them. I am relatively certain that some of these concepts weren't spoken of at all. At

the time, I knew of only a couple of ministries that existed primarily for prayer purposes, and there weren't many books on the subject of intercession.

Since then, however, literally millions of believers around the world have come to understand these aspects of prayer, and have learned to pray more effectively. The learning curve in the prayer movement shot up exponentially: Dozens of prayer ministries have been launched, thousands of prayer groups have formed, and millions of believers are interceding effectively. Dr. C. Peter Wagner, one of the leaders and fathers of this movement in the 1990's and early 2000's, once happily stated, "The prayer movement around the world is out of control."

Certainly, we have not yet "arrived" in our understanding of prayer, but we've moved forward at a rapid pace. This understanding and related activities are due to the revelation God began releasing to the church at the end of the 1980s.

While much has been accomplished, we must always remember that prayer sieges for cities and nations can take years, even decades, to accomplish their purposes. Perseverance is non-negotiable. The prayers we release are part of dismantling centuries-old, sometimes millennia-old, strongholds of darkness. Also, millions of hearts and minds - traditions, cultural paradigms, even religious beliefs - must be changed. Spiritual transformation doesn't occur simply because God "finally decides" to create it; it occurs when people's actions and the conditions in a region make it possible. And those conditions are created, in part, through prayer sieges.

Our prayers are accomplishing much; they're absolutely shaping history. Blockades have been placed in the spiritual realm against satan's activities; sieges are occurring and accomplishing their purposes.

## The Courts

One of the places where this has occurred, and continues to take place, is the Supreme Court of America. Millions of believers in America have been part of this prayer siege; I began praying for a transformation and turnaround of our Supreme Court in the 1990s. We have made progress.

Another individual the Lord has called to focus on the Court is my good friend, Phillip Jauregui, president of Judicial Action Group. Though living in Alabama, he spends a substantial amount of time in Washington, D.C., reviewing, researching, and working to place only the best judges and justices in our federal courts. Phillip has worked on hundreds of judicial nominations over the past 20 years, including several United States Supreme Court justices.

Not only is Phillip an attorney, but he is also a man of prayer. For years, God has motivated him to pray for the Supreme Court's transformation. In 2017, the Lord began speaking to Phillip in a unique way regarding the Court, comparing it to the prodigal son in Scripture. That download from heaven has now become an incredible book - written in layman's terms, not legalese - filled with insights regarding how we can pray for the Supreme Court. It was my great honor to write the foreword to this book, ***The Parable of the Prodigal Court***.

Phillip also hosts a prayer gathering in D.C. for the High Court each year, on the first day of its new session. The Lord gave him the phrase "Consecrate the Court." I join him each year for this very strategic gathering, which will take place this year on October 5-6 at The Museum of the Bible. It is my honor to be the keynote speaker at the dinner on Monday night.

I encourage you to join us this year as we continue the prayer siege and consecrate America's Supreme Court to the Lord. (Go to JAGF.org and click on EVENTS for tickets and more information. Tickets are required, and seating is limited, so get your tickets today.)

**Pray with me:**

Father, we turn our attention today to the Supreme Court of America. Through this institution, our nation has rejected You, life, the covenant of marriage You established, and more. We have arrogantly rebelled against You, and have paid for this rebellion with the loss of tens of millions of Americans. Today, we repent and ask for Your mercy. The blood of Yeshua was sprinkled on a "Mercy Seat," and we ask for this mercy.

We also join our prayers today with the prayers that have been offered to consecrate this Court to You. YOU birthed America and our government. YOU instituted all government. Bring the Court back under YOUR plans, purposes, precepts, and laws. We dedicate the Supreme Court to YOU and ask that You change all that needs changing. Fill this branch of government and its building with Your presence once again. We ask all of this in the holy and all-powerful name of Yeshua. Amen.

**Our decree:**

We decree that the Supreme Court of the United States is being reconsecrated and rededicated to Almighty God, Creator and Owner of all the earth.

**By: Wade Butler with excerpts from Chuck Pierce's book "Perspective"**

**and "A Prophetic Vision for the Future".**

Most of you know that I am a part of Glory of Zion under Chuck Pierce. Frances and I either are in attendance or watch the Live Stream Broadcast every week in addition to having a substantial library of Chuck's books. Much of this is excerpts from Chapter 8, **Look Again! There are Signs for Your Future!**

If you keep up with this monthly Prophetic Calendar, then you should be aware of the vision that Terry Friesen and I both had in April where Abba asked each of us***; "How much are you willing to lay down or give up to go into the next Era or Season?"***

One might think that is an easy answered question, yet when you weigh what you have already walked away from or laid down, our flesh could easily say, I need to think about that, Lord. That is until you realize that nothing is worth anything compared to what Yeshua laid down for us. Or that HE is saying right now… To enter into the next Era of War we must lay everything down and pick up only what HE says we can carry with us. Imagine the 70 disciples whom HE sent out and said to only carry what is on your back.

On a prayer call several weeks ago Holy Spirit said we must abide with HIM, in HIM on the next steps ahead because we could not move forward any other way. When the flesh abides in HIM, we want to stay there and rest, camp out for a while. When actually, HE is continually on the move, so if we don't keep up, HE has moved on. I heard HIS voice very clearly that the weapons of this Era were greater than the last Era, and we had to have … are you ready???? "Five times the GLORY for the last Era!" My question was, "Lord, what are the new weapons, and how do we carry '5 Times the GLORY?'

If you look up the word for *Weighty Presence* or *GLORY* in Hebrew, the root word *Kavod* (כָּבֵד) means "heavy" or "weighty," and in the context of God's presence, it conveys both **spiritual weight**—the awe-inspiring holiness of God—and **physical weight**—a tangible, overwhelming experience of HIS presence.

In Christian understanding, *kavod* is also linked to the **Shekinah glory**—God dwelling among His people in a way that is both visible and transformative

- **Hebrew word:** כָּבוֹד (*kavod*)
- **Meaning:** Heavy presence, glory, or manifestation of God's holiness

- **Example:** "The glory of the LORD filled His temple." (1 Kings 8:10) — literally, "the *kavod* of the LORD filled His temple" (Hope for Israel).

This term captures the idea that God's presence is not just seen, but **felt as weighty and awe-inspiring**, leaving those who encounter it humbled and transformed.

What Yeshua said that night was, we needed more of HIM as our weapons of war. I asked, "Isn't the word and Blood enough?" HE responded; ***"It will take 5 Times MY GLORY and 5 TIMES MY GRACE to take down the giants that will fall in this next season. Are you ready and willing?"*** Our answers were the same, "YES LORD, here I am, send me!" At that point, you have to count the cost and look seriously into your future.

**The immediate question becomes; How do we get there?**
**From Chuck's book, (Pg 87)**

Perhaps our greatest challenge is to recognize and see GOD'S interventions as HE accomplishes the ultimate purpose of our existence. How I wish it were possible to awaken every human being's power to see GOD! Much of the issue, I think, involves knowing when we encounter HIM. How do we learn to see HIS signs on our path? How can the scriptures prepare us to see HIM and recognize HIM for who HE is?

Psalm 23 is a favorite passage among children who are being introduced to the Bible. Let me paraphrase the passage: "The Lord is the One on my path who leads me. He causes me to see what I need, so I will not lack. If I follow Him and celebrate Him, I will see Him lead me through trials, wars, and even destruction. He will even prepare a table on which my enemies will feed me. If I stay in His timing, He will go before me and follow me with His goodness and mercy. He will cause me to dwell with Him."

**What does it mean to Follow, (Pg 90)**

In a word during prayer one night, during study, Pam and I were quickened by two words: **"Follow ME."** We agreed to study what the Word says about following God, beginning in the Old Testament and the life of Abraham. God called him out of worship of Molech into worshipping the one true God. This brought Abraham into a blessing-filled covenant agreement with GOD.

We also noticed a pattern that Yeshua set when HE called HIS disciples; They were to leave their homes, careers, families, friends and old forms of religious practices, and follow after Him.

To Pam and me, it meant **"W*orship in Spirit and in Truth,"*** which took us to the question, ***"How Far will you follow?"*** (Pg 96). If you remain faithful and refuse to

cower in fear or distrust, we can see miracles that demonstrate GOD's power in our lives. It is as simple as seeing clearly, by the power of HIS SPIRIT. Then as we obey, HE extends into the future the promise HE has already made.

If we pull back and camp out, we miss the Manifest Glory of HIS presence. I want to be on the front lines. It isn't always easy. There is a lot of misunderstanding, rejection and frustration. At the same time, the rewards age great, the joy is unspeakable, and there is peace in the storm as we advance HIS KINGDOM, here on earth as it is in Heaven.

**Prophetic Encounter: London Bridge is Falling Down.**

Early this morning I woke up, and was just spending time with the Lord. He took me into open vision. I found myself over the old City of London. Looking down I was very high; I would say at least 40,000 feet. As I looked down, I saw what looked like some kind of an octopus that sat over the old City of London, Little Babylon. It had tentacles that ran from that hub globally throughout the nations.

This was a very dark, dark place, and the operations that had been run out of it, controlling and oppressing people and nations for hundreds of years, was about to come to an end. I could see that they felt invincible; that there was nothing that they would not do to fulfill their evil dark agendas. The pride and ego that they operated in was so very evident.

The financial power they had appeared to be unbeatable. The political control and manipulation that they had through their string pullers and puppet masters throughout the nations was clearly evident.

The next thing I knew, I found myself standing in the spirit in Buckingham Palace in a very elaborate room. Front and center there was King Charles standing in front of me. He was dressed head to toe in Muslim attire.

He looked very disturbed. He was facing me, and his back was towards a group of officials that had come together with him for a sit down with him. This most definitely was the hardest briefing that they were ever going to have to have with him. They were not the bearers of good news for him. They had just received an intelligence briefing, and stuff was about to get real!

**The House of Windsor was about to fall once and for all. There was no stopping it. The Crown was about to fall!**

This group that had gathered was a combination of deep state globalist intelligence folks, Secret Service officials and controllers. There were Globalist and Luciferian

leaders. These were the ones that were operating from behind the curtain. There were spin masters that were now at the crux of making critical strategic plans and how to handle what had just come to their attention. They had known it had been coming; they just were not sure when. Today was the day. There was no getting around this one. It most certainly was not going away. Some things had already been done in the public eye that most were really not aware of what was really going on, but now with this coming out there would no longer be a way to hide it or to refute what it was or its legitimacy.

**At that point I was taken in the spirit into Washington DC.**

I found myself in a high-level briefing where the balance of the Epstein files were being analyzed. Evidence collaborated; legal framework was being laid out for the arrest and apprehension of global leaders throughout the nations that had a hand to play in the most horrific crimes against humanity.

King Charles was on that list. The House of Windsor had blood on their hands, and it was going to be dealt with at the highest level.

This evidence not only contained everything that was involved with Epstein and the pedophilia, human and child trafficking, but also involvement with adrenochrome and the Luciferian rituals of sacrifice. From what I saw, it did not stop there; there was also an element of organ harvesting among other things.

There were ledgers; there were phone records and communication records tying in people from governmental and leadership and power positions throughout the nations. Among the evidence there were also records of blackmail that they held over different ones to extort and control them throughout the Nations.

This team in Washington had been taking a lot of heat because they were not moving fast enough for the public eye to bring justice to these atrocities. From what I could see, this was a very elaborate, complex operation to bring everything together in order to bring justice, with clear indisputable evidence, in an airtight package that once executed, would bring the highest level of justice we could have ever hoped for.

They were briefing with different teams as they were coming in and working on their parts. There was one particular team that held the keys on the evidence in relationship to King Charles and the House of Windsor. It was the motherload.

**The Crown was coming down. This Evil King was being removed.**

Once this evidence was brought forward, this would most certainly break the hub of this evil demonic structure that ran out of little Babylon in the old City of London and throughout the Nations, and Justice would be served!

In the same way as these things were being taken down, there were those forensic accountants and computer scientists that were collaborating the take down of the

corrupt financial systems that they had weaponized against the free people throughout the Nations. Not only was the House of Windsor coming down, but the corrupt, evil, debt financial systems were also coming down! Things were now moving on a Biblical scale.

I knew by the Spirit, that they could not let King Charles face this, so the deep state Global Cabal had a plan to remove him in their own way. I will put it this way: From what I saw, the King's health was failing him, and he would not be much longer on this earth.

The elitist, dark, global power structure was coming down, and as it did, the tentacles that ran out of little Babylon, the old City of London, were being cut off. No longer would they have the control and the power over the nations that they once had.

**Liberation and freedom was at hand!**

The dominos were falling as evil kings were falling. Every house of cards was coming down. While I was in Buckingham Palace in front of King Charles in his Muslim attire, it was obvious that he was severely compromised in even another way, quite possibly even greater than the other coming charges.

The King's alliance with the Muslim faith and his position as head of the Church of England has opened a door into the Nation and Nations that was equally as destructive as his involvement through the Epstein world.

He knowingly brought an alignment with powers and principalities that are hell bent on taking over the Nations through radical Islam. There was no question about it. This open door has only served to increase the power and control that is now on staggering levels. The terrorist threat in the UK and ties into North America had been given a pathway through unrighteous governance.

**As I was journaling this out, the Lord spoke to me:**

***"Barry, tell My people London Bridge is falling down! Barry, tell My people that there is nothing done in darkness that gets by Me! Barry, tell My people they must prepare to stand up, for as I bring down corrupt systems and governments, it shall surely leave a vacuum. It will leave a void, and who among you are ready to stand up and advance as the Ekklesia I have called you to be to step into that void for My kingdom's sake? For I have tapped those on the shoulder that I am calling in this hour. Are you going to have the courage, strength and purity of heart and spirit to do what I have called you to do? Are you prepared to walk with Me closer than you ever have? Are you willing to lay down your life for Me?***

***"Let Me tell you clearly on this day; every step forward you make with Me, I will be with you; I will be right at your side! It is My desire to see you walking in the fullness of your identity in Me and in Me alone. What I am***

***doing in this hour is truly bringing My Kingdom to earth, for as it is in heaven, so shall it be on Earth, and I do not do it alone; I use empty surrendered vessels to do it with Me!***

***"There is a time to tear down, and there is a time to build. Many have gotten weary and have taken the sidelines.***

***"You have not left Me or the faith, but you have left the church as you have known it. I have nurtured you there even if you do not understand it. I have been stripping away the old religious ways and mindsets and have been rebuilding you in My Kingdom ways that are very different. I am preparing to release you throughout the Nations with a new Kingdom mindset full of Love and Grace and union with Me and My People that you have longed for.***

***"Let it be known that I have commissioned you to go and disciple the Nations!***

***"Just like I pulled simple fishermen, I am pulling and advancing My dear sons and daughters throughout the earth to release My kingdom ways throughout the earth!***

***"The days of the one-man show, and superstar ministries are coming to an end. It has become more about themselves than it has about Me! It is My desire, by My Love and Grace, to bring them into the fullness of My Kingdom ways. It will be painful for a time as things are pruned, but in the end they will bear much better fruit.***

***"I am raising up and releasing My Body! My manifest sons and daughters shall know Me, know My voice, and do even greater things than I! I exhort you to walk in a greater humility, prefer one another, be authentic in all you do, be the authentic you! There is no need to be a poser! Do not fear, no matter "come what may," for I am with you; I am for you, and we shall tear down and we shall build together in the days ahead!"***

# NATE & CHRISTY

## THERE'S A NEW CHAPTER DAWNING AFTER YOUR BATTLE SEASON...

When you have been through the most difficult battle and greatest warfare season of your life, endured the deepest, most painful betrayals of your life, faced the most insidious assignments, principalities, powers, every demonic force that could ever rise up against you, all in one season, it is difficult to see beyond that moment.

It is difficult to see that there's anything good that could happen after that.

In fact, the enemy reinforces in that season that this is where it comes to an end. This is where everything falls apart, fails, where you're lost, and where the enemy won. Where the promises of God die and do not come to fruition.

But I want to give you a word of encouragement.

For the last two weeks, the Lord keeps showing me the picture of Jacob wrestling the angel of the Lord until daybreak.

***"Then Jacob was left alone; and a Man wrestled with him until the breaking of day. Now when He saw that He did not prevail against him, He touched the socket of his hip; and the socket of Jacob's hip was out of joint as He wrestled with him. And He said, 'Let Me go, for the day breaks.' But he said, 'I will not let You go unless You bless me!' So He said to him, 'What is your name?' He said, 'Jacob.' And He said, 'Your name***

***shall no longer be called Jacob, but Israel; for you have struggled with God and with men, and have prevailed.' (Genesis 32:24-28)***

Penuel was a place of transition, a place where Jacob knew he needed to move past the place that he'd been living in – constantly under the shadow of his old identity and what he'd been known as, and all the years of pain working for Laban, and deceiving his brother.

He knew that he needed to come to a place of violent showdown against his past, and that was Penuel – a place where the angel of the Lord wrestled him until daybreak.

This has been a season that you have battled God and man. Let me break this down for you.

This has been a season that God has brought you to that brook, Jabbok. He's brought you to a place of transition. He's brought you to a moment of decision where He's been asking you, ***"What do you want? Do you want to stay where you've been, or do you want to move into this next phase of promise and blessing that I have for you?"***

You're not wrestling God in the way you imagine. You are wrestling for WHO YOU REALLY ARE. But it has been a place of EXCHANGE and contending.

It's been a place of dealing with your "stuff," where there's been drawing out all the pain of the past and all the things that have been around you.

He's been saying, "***Do you want my inheritance, or do you want your own? Do you want the generational bondage that you've been carrying, or do you want my blessing, my kingdom, my power, and my destiny upon your life? What do you want?"***

**I've been in this wrestle myself, and so many others too, where we have come to the end of ourselves, and we have been battling and wrestling the promise so long in the dark.**

**It has been the battle of all battles. It's been a battle of the mind. It's been a battle coming up against principalities and powers that are not wanting you to step into the fullness of your calling and who you're called to be, and it's been a battle for that place of destiny and legacy and stepping into that leveling up that God has.**

**It's been a place of such intense pressure and stretching beyond anything that you've been through in your whole entire life.**

**And it's popped your hip out. You feel broken, beat down, and trying to figure this out saying, 'this can't be God. I'm walking with a limp now.'**

No, you've been prevailing to BREAK PAST THE BARRIERS you inherited, and patterns and cycles you have been living in.

You came to place of such rock bottom that it's like you died to yourself and you have fallen in a heap saying, 'Ok God, I give up. God, I can't keep living in the fruit of my yesterday. I can't keep living in the dysfunction and the patterns and the cycles I've been living in. I need what You have for me. I need Your promises to come to pass…

I'm tired of seeing robbery at every single turn. I'm tired of experiencing this Jezebel spirit over and over again. I am tired of the warfare. I'm tired of the familiar spirits. I'm tired of Leviathan. I'm tired of the Python spirit. I'm tired of the witchcraft and the fogginess constantly robbing my days and my destiny and my family, my marriage, and every area of my life.

And you've come to a place of contention. You've come to a place of a breaking point where the Lord has met you and given you a choice – what and whom will you serve.

Most level off here. Most choose comfort, but in this wrestling moment, you have chosen what is better. You've chosen Him.

And I know you feel like you're faulty and broken after the battle, but yet you've chosen what is needful. You've chosen what He has for you, and you're now breaking into a new dawn and a new day.

Let me say this over you – there is a new chapter after Jezebel. There is a new chapter after all of the warfare you've been facing.

Remember, the angel said, "you've been wrestling with God and MAN." That's why this season has been a battling-with-man season, a season of intense relational warfare.

Because you've been battling the dynamics around you that have been set up by the enemy. You've been battling the dysfunctions that have been around you since you were born – what you inherited, what you've carried, the whole world that you've known.

You've been battling the narcissism, the constant gaslighting, the hidden-in-plain-sight dynamics of the enemy that keeps coming to rob you at every single side.

This is where the Lord has been revealing the snakes in the grass, what's been hiding in close proximity to you that you haven't been able to see. This is where the Lord has been showing you that you can't keep casting your pearls the way you have. You can't keep fearing man the way you have. Where it silences you, shuts you down, causes you to run from your calling.

**No, there's a new day dawning over you.**

There is a new day and a new chapter after the warfare you've been in and you're about to step into that. And this is for those who are battle weary – the battle is about to become breakthrough. The battleground is about to be the place that you look back on and say, *'That was the greatest season of blessing in my life.'*

'That right there, that mess where I hit rock bottom, where everything looked like it was robbed from my life. When my marriage came under fire, when my kids came under fire, where my finances were depleted, where every single person around me was slandering me, cursing me, and accusing me, and I was at complete rock bottom, and I felt like a failure and a mess.

'And in the midst of that wrestle, in the midst of that battle, God chose to birth a new thing in me and through me, and a new day dawned that I didn't even expect.

'I didn't know it was coming. All of a sudden, the sun came up, and I realized that I was out of the dark night of the soul, and I was in a new chapter and a new day I did not see coming.'

And *that* is how the Lord works. And that's exactly what He's been doing in you.

**Isaiah 43:19 says, "See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the wilderness and streams in the wasteland." God is making a way where there has been no way. He is doing a new thing in you even now."**

Then, a new voice comes out of you. A new fresh oil and anointing begin to pour out of your spirit that sets captives free, because you weren't looking for it.

You weren't trying to be the next thing, but the battle commissioned you. The battle readied you and launched you.

And you are about to leave the wilderness full of the power of the Spirit!

**The wilderness did not break you; it EMPOWERED you!**

Now, you are coming out the other side ready to move in a dimension of the Spirit you have never walked in before. So, this is a word of hope and encouragement for so many waking up today saying, *'when will the battle end?'*

There's something about being on your knees before the Lord, the posture of worship, where you're just in surrender and you're like, *'God, I don't get this. This has been fierce. But I surrender.'*

And suddenly, you wake up and you're on the other side.

**One more thing – Get ready.**

Get ready, because He's about to use you. When you've been through the fire, you no longer care about your reputation, you don't care about prominence, you don't care about your agenda. You don't care about building your own empires anymore.

Suddenly, that fierceness that you got during the battle causes you to want to break others free. It causes you to want to break ground in difficult places. It causes you to have a distaste towards anything you see the enemy has got his slimy hands on.

You're about to step into a season of setting captives free and leading people into their new day.

You've contended with God and man and prevailed. Because of that, God is now about to use you mightily.

Prophesy now with me:

*'I'm coming out of the battle season into a new chapter!'*

**IF ONLY THE CHURCH COULD JUST GET GREATER REVELATION OF THIS! WE WOULD SEE NATIONS TURNED UPSIDE DOWN AND INSIDE OUT**

I had a powerful Supernatural Encounter five years ago while sitting on an airplane, flying into London, that forever changed my Prophetic Lens, and for the sake of time, I cannot go into the details here, but since that moment, God has taken me on a radical

five-year journey into the Supernatural Significance of Altars; a journey that has challenged much of what I thought I knew was an Encounter, that overturned long-held assumptions and brought me back again and again to what I believe now is one of the most powerful, profound, yet deeply neglected Truths in the Church today.

I dare to say, that its neglect has been to our great detriment, for in setting it aside, and through much Spiritual ignorance and lack of right teaching, we have unwittingly surrendered much ground to the enemy!

I will endeavor to share more in time, but from what I have gleaned thus far, in a nutshell, it is this ONLY WHEN the Church receives true Revelation that Heaven and Earth are Governed by the Power of Altars, will the Church stop striving and vying to Rule through Influence, position, platforms, and Charismatic personalities and gifting, and begin prevailing in greater Authority and Power through Surrender, Sacrifice, and Consecration unto God.

ONLY WHEN the Church truly understands that the Fire of God does not fall upon Zeal, Ambition, Self-promotion, or Fleshly Effort and Striving, but upon a Consecrated Altar, will we begin to see a Radical, Spiritual Shift that will bring to Birth a Mega Shift and a Supernatural demonstration of the Power of God once again into our midst that will Revive and Reform Nations filled with His Glory!

ONLY WHEN the Church Turns and Returns to Rebuilding and Restoring the Broken-Down Altars of Prayer, Worship, True Repentance, and Covenant will we see Heaven's Government rightly Legislated and Established in the Earth Realm, AND ONLY THEN will the True Church discover that what is Built upon the Altar in the Secret Place ultimately determines what manifests openly in the Earthly Realm.

So much of what we have seen in recent Years within the Charismatic Movement has been manufactured by the hands of Men, and the Roots of that Movement have brought forth defiled Fruit that has created much Devastation. But as God is Shaking all things, we are beginning to See and Understand that every True and Authentic Kingdom Move and True Manifestation of God in Public has a hidden Origin. For Every Revival Outpouring there has had to be an Altar. Every True Spiritual Awakening there has had to be an Altar. For Every Spiritual Reformation and Restorative Move of God, there has had to be an Altar, and Certainly, for Every Victory over Darkness, there has had to be an Altar!

Every genuine move of God can be traced back to a People, to a Righteous Remnant who have first laid themselves as Living Sacrifices upon the Altar before Him. Beloved, the Future Destiny of Nations will not be determined by what takes place in our Governmental Buildings or in our Schools, Boardrooms, and Conferences, or through our Media outlets, or even through Religious Institutions of Earthly Power.

The True Kingdom Identity and Destiny of Nations is always first Birthed, and Shaped, upon the Altar of True Consecration. For where the Altar of Consecration stands, everything else follows, and wherever the Altar of Consecration is neglected and broken down, a Spiritual vacuum is created for other Voices and other Powers that will seek to Occupy and Rule in that place of influence.

**Watch and Pray, Remnant!**

For I believe the Spirit of God is once again Calling His Church back to the Altar: back to the place of Fire, back to the place of Sacrifice, back to the place of total Surrender and True Repentance. For HERE, At the Altar, is where Heaven touches Earth and the Kingdom of God is Built and Established among men!

**This might get me in 'trouble'... but I'll say it anyway:**

Yesterday, I was driving, and the Holy Spirit abruptly asked me a question: ***"Did you know the 'religious' system has their own version of 'MK ULTRA?'"***
To which, I was like, "Wait, what?"

Then in I heard: ***"Yes - commentaries of man on my Word have become weaponized tools to brainwash and reprogram my people away from true sonship."***
I dared to ask the Lord, "What do you mean, and how has this happened?"
"***They teach an incomplete gospel for salvation, without the redemptive call to bring my dominion.... "They teach the ceasing of Holy Spirit's power and gifts .... they teach a doctrine of escape.***

***"They have brainwashed my people against our union, and our mission together. They have programmed my people against the reality of true sonship."***

This was eye opening… and sounds like the religious MK Ultra has produced safe religionists, while neutralizing the true power of 'sonship!' May we break free from this anti-Christ programming!

**I believe Rededicate 250 was a TRUE God-ordained event and moment in our nation!**

The worship, surrender, prayer, and repentance by the ekklesia was so very significant that I believe it marked a breakthrough moment and shift of trajectory for America. That said, I believe the most important and significant moment of the day was to hear the prophetic scriptures from Trump's mouth! - Like him or not, trust him or not, God anointed him as the highest governmental authority in the land to speak God's word ---- not to the 'unbelieving' element of America, but to the very group that are "CALLED BY MY NAME!"

I hope we recognize the significance of God using a man who may or may not represent the best picture of Christ - to be a 'prophet' to the CHURCH, - Giving us (the Ekklesia), God's very exact instructions on how to preserve and Heal this nation. Which, by the way, had nothing to do with solutions starting in political offices and organizations, but everything to do with how the Ekklesia of Christ responds to His call to Humble, pray, and turn from wickedness!

If we could recognize it - God just made Trump a prophet to America - even if for a moment... which to the religious sounds like blasphemy, and to the unbelieving sounds insane. YET - Did you hear, by the Spirit of the Lord, both the incredible invitation and severe prophetic warning coming forth from the highest office of the land?

The word from Trump's mouth, again, did NOT address the entirety of America – instead, it was directed at those called by God's name! This rightly restored the future hope for America as the responsibility of the Ekklesia first- not the government, military, or any other institution.

This should be both the most exciting revelation and reality, while also the most fearful and severe truth we must possess - that what we do now as the ekklesia - whether we

truly humble, pray, and turn from our wickedness, will most certainly determine the condition of our land for generations ahead!

My prayer is that the entire ekklesia will not view the event of Rededicate 250 through a whitewashed lens of religion - "Oh wasn't that a nice religious event," but rather, to see it as a watershed moment in which we receive the message that there is hope for our nation, and that God has given us both authority and responsibility to determine how it shall go forward!

Lastly, I pray that for all of us, and for the body of Christ, the conviction of the Holy Spirit will now come in a way that causes us to humble ourselves, pray, and turn from wickedness! - in Yeshua's name!

Rededicate 250 was a breakthrough moment to shift our trajectory... but our future doesn't rest in one day! May we heed the word of the Lord, by the grace of Yeshua Christ!

**"Study to show yourself approved."**

**I want to encourage everyone to read the WORD of GOD daily and set a goal to read through the Bible every year, "Study to show yourself approved."**

**<u>2 Timothy 2:15</u> Study *and* be eager *and* do your utmost to present yourself to God approved (tested by trial), a workman who has no cause to be ashamed, correctly analyzing *and* accurately dividing [rightly handling and skillfully teaching] the Word of Truth.**

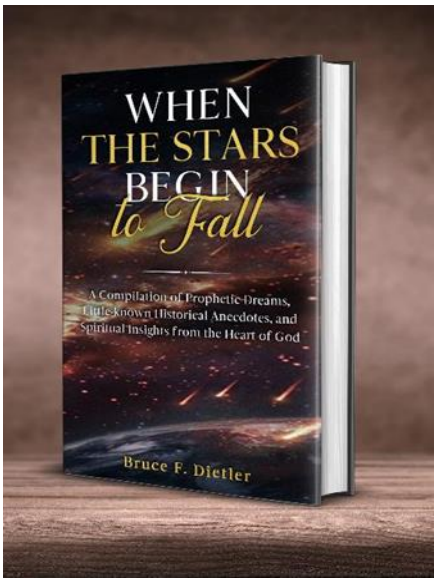

**Additionally, pay attention to 2 Chronicles 20:20. Amplified Bible, Classic Edition [20] And they rose early in the morning and went out into the Wilderness of Tekoa; and as they went out, Jehoshaphat stood and said, Hear me, O Judah, and you inhabitants of Jerusalem! Believe in the Lord your God and you shall be established; believe *and* remain steadfast to His prophets and you shall prosper.**

**Bruce Dietler has written two incredible books:**

***When Stars begin to Fall: A Compilation of Prophetic Dreams, Little-known Historical Anecdotes, and Spiritual Insights from the Heart of God***

It would appear that everything in our world that can be shaken is either currently being shaken or soon will be. The foundations of security for many will surely crumble in the immediate future; those who have trusted in them and not in the Lord will be desperate for escape. Yet the Lord is calling us, His Ekklesia, to be as the sons of Issachar, understanding the times and seasons and exercising great biblical discernment in every area of life. There is great hope for the future when we view life from God's perspective; when we see how He has intervened in days past and project that into our future. This book does that. **When the stars begin to fall** will be the worst of times or the best of times depending on one's perspective and where we place our trust and confidence. Look up, get excited, and expect great things in the days ahead. Purpose to flow in God's plan, and all will unfold in awe and wonder. The best is yet to come!"

***God's Glorious, Victorious Church***

**God's Glorious, Victorious Church** is a compelling, Scripture-anchored call for believers to rediscover the Church as the *Ekklesia* - **Christ's governing body on earth, empowered to manifest the Kingdom of God in real and tangible ways.** This book moves beyond theory into practical, Spirit-led application, equipping readers to live with confidence, authority, and purpose in an increasingly unstable world.

Bruce F. Dietler walks primarily in the ministry gift of teacher. Ordained into Christian ministry by the late Wilford Wright, son-in-law of John G. Lake, and later by Dr. Lester Sumrall of LESEA Ministries, he has been involved in ministry for over 45 years.

**"I saw Yeshua standing as a man with hair and the face of a lion- His hair waved and flowed as liquid gold, an appeared like God's Glory. In His right hand was a tall gold scepter-Yeshua walked int the world and through the earthly and worldly systems and structures, as if they didn't exist. He thrust His scepter into the ground to stake the land and His Kingdom. The ground in the spirit was leveled and prepared for Kingdom structures to be built. He didn't wrestle with earthly structures; He simply moved through them as if they weren't there. By doing this, He pronounced and carried out judgment on the world…**
