Chaplain Wade Butler: Cheshvan 5786

I want to share with you an incredible experience I just lived, the 2025 Republic Fall Conference which was held in Breakenridge Colorado.

Generally, I start each month by sharing a spiritual experience, vision or revelation. This trip was all the above. Governor Jim Carpenter, his wife Laurie, and his entire staff brought their best to the forefront of the Republic. It was not without challenges. When President Geiger, his wife Susanne, my daughter Kristen and I were picked up at the airport, we were having a great time catching up when we were involved in an accident that left us stranded on interstate 70 in Denver for several hours. Needless to say, we didn't make the reception on time. LOL……

When we arrived, we were greeted with such respect, love and appreciation that we were overwhelmed with emotion. We will always remember the RuSA 2025 conference for that if nothing else. My daughter was so impressed with the reception we experienced. She said, "Dad these people are real, and they care about you. The responses to the calendar, and your book are incredible. Some people have read it multiple times." So, thank you

Colorado and the RuSA representatives. Your hospitality was above and beyond.

The greatest revelation anyone can experience is an open heaven vision when Yeshua greets you and says, "Come up here to see ME." So very often when you step into HIS presence and look into HIS eyes, you will experience love beyond anything you have ever experienced. Many at the Colorado conference have been called up or experienced angels. If you are fortunate, you will taste through HIS mouth and feel through HIS hands. HE may walk with you in the garden and taste the sweetness, feel the juice run down my chin and smell the aroma of the freshness. *"He has said to me taste and see that I AM good." We walked through the veil of Heaven and earth, and HE said, "tell my sons and daughters I did not send the Seraphim, I brought them to earth. I am here.' It is a dimensional step from earth into Heaven." You have a destiny, call on ME, decree, declare, praise and worship onto ME and watch what I do in the days ahead. You are in a new season, a new time."*

Everyone has a call on their life. It is our job to discover it. My job is to encourage you to press into HIS presence. That discovery leads to incredible journeys with the LORD where he will show you all you need to know, if we simply trust HIM. In doing so, we get on the path to our Identity, which allows us to find our Destiny, and in turn, we can get a hold of our Inheritance. I refer once again to Jeremiah 33:3, "Call to ME and I will answer you, and tell you [and even show you] great and mighty things, [things which have been confined and hidden], which you do not know *and* understand *and* cannot distinguish."

We are in troubling times; the demonic no longer even try to hide themselves. They are out in the open spouting vile evil, doing what they do: Kill, Steal and Destroy. The greatest misfortune is we as our school system and church the church have been dulled down and allowed them to take over our government, schools and even our churches.

It is a time for the Bride to suit up for War.

When the LORD told me to be the Chaplain to the Republic HE gave me a specific responsibility, **"Train my Bride".** I knew this was going to be a difficult task that I did not know if I could do, even though I have pastored for many years and have been in the trenches for many more. Along the way, I have seen things that people should not have to witness; death, sin beyond understanding, and the supernatural both good and bad. Mostly, I've taken it in stride, but sometimes it can be overwhelming. Many

wonderful people have walked with me like Jean and David Hertler, the Rockwell's, Matt Friesser, Sharon Kieswetter, Steve Loopstra, the Geigers, Stephen Denison, Brian Falls, Berry Wunsch, Terry Friesen plus many others. Denominational churches do not prepare their people for the war we all eventually face. That is why I sought out the Apostles, Prophets and Seer-Hearers. I have never liked surprises, particularly of the warring kind. If you are going to have a wedding it ought to be fun, full of joy and happiness.

When the enemy interrupts your life, you need to be prepared. The bride needs to have combat boots on, a pistol strapped to her garter and an AR15 behind her vail. The groom needs a Laser Sword under his tux and to be trained as a Jedi for the LORD.

There is so much evil everywhere we look. It is all about good versus evil. We know who wins. However the outcome, our enemy will keep on trying to destroy life, our nation, and anyone who professes the LORD. Once again**, 2 Chronicles 7:14, If My people, who are called by My name, shall humble themselves, pray, seek, crave, *and* require of necessity My face and turn from their wicked ways, then will I hear from heaven, forgive their sin, and heal their land. (Amp CE)**.

Am I saying gun up, do what you have to do to be safe? I am saying be PRAYED UP!

The Amplified, King James, New American Standard, and Passion versions of the WORD of GOD were used in this study. **Biblical Months fall under the Law Form of YHWH (Yahweh), Father-Son-Holy Spirit, through the revelation of His Word and begin on the new moon each month.**

I often ask myself, do the readers understand how to pray after reading a text of prophesy. The answer is to ask the LORD how did this relate in the Bible for then, and how does it relate now? How would YOU have me to pray, Lord?

In developing this calendar prayer guide prophets are used to bring current words from the LORD*. (See last page.) Each month the contributors change, and some months have multiple contributions from a particular author depending on what they received that month. Many Christians do not have access to publications such as the Elijah List, Judaism 101, teachings from Chuck Pierce, Robert Heidler, and many other contributing authors which are included.* 1 Thessalonians 5:20, Do not spurn the gifts *and* utterances of the prophets (do not depreciate prophetic revelations) nor despise inspired instruction or exhortation or warning.

It's been eight years in June since we started publishing the Republic Prayer Calendar based on the Hebrew Lunar Cycle, so for anyone joining us for the first time, I want to give some background. In Genesis 1:1 the very first words GOD speaks are "In the

beginning," and according to Rabbinical teaching, the very first commandment given to the children of Israel while in Egypt was to sanctify the "New Moon." From that point on, the nation of GOD was to look at the Moon for the setting of their days and evenings and as a means to reconcile the times and seasons. The Biblical day begins at sundown and ends at sundown the following day. At sundown, it is known as the dawning of a new day.

Genesis 1:5*, And* God called the light Day, and the darkness he called Night. And the evening and the morning were the first day. Even history is set into motion as God said that the world may be understood as seven 1,000 days with the last, the seventh 1,000 years of days, would be the time being the Millennial Reign of Christ.

The Lunar cycle has only 29.5 days or 354 days per year, whereas the solar cycle has 365 days per year. An additional month is added every 3rd year to coordinate with the solar calendar for agricultural seasons. The reason the numerical date may not look like the previous years is because of this shift. The Month begins with the rising of the "New Moon." The Hebrew year begins in spring every year in the Month of Nissan when Passover occurs. Every month is related to a specific tribe, feast and season.

I want you to carefully read the word Jim Gregory sent me from Işık Abla:

Most of Christianity believe an eschatology that was developed by Globalists, Freemasonry, Jesuits and Satanists. These anti-kingdom, godless people entered the subconscious mind of all humanity through their evangelists, Darby and Scofield. This eschatology promoted this idea of a better day following an event which is never recorded in scripture. Even the most learned theologians among us will go to great lengths to inject this word, "Rapture," inviting supposition and faulty reason into all their research just to explain this eschatology that was planted as a lie in the unconscious mind of all. So, to be clear, the fact that you have the Holy Ghost and have been baptized in Jesus' Name doesn't mean that the lie you have believed won't bring you damnation.

This lie feeds upon the lie that was propagated by religious folks concerning Jesus' resurrection, that his disciples stole his body away. From this lie

comes the protection of Israel as a nation instead of as children of God. It is high time we awaken to become the people of life we were created to be. Put on the true immortality of the Holy Ghost and walk in the Name of Jesus, in life more abundantly, above all principalities and powers. If you have received the baptism of the Holy Ghost, then your mortal body has been quickened, and you should no longer sleep, but be changed.

Paul said, Romans 7:18

Amplified Bible, Classic Edition [18] For I know that nothing good dwells within me, that is, in my flesh. I can, will what is right, but I cannot perform it. [I have the intention and urge to do what is right, but no power to carry it out.]

He was referencing this evil lie in his subconscious mind that continually opposed his belief in the defeat of death by the resurrected power of Jesus Christ living inside him.

So, shake yourself today and know indeed it is JESUS CHRIST IN YOU THE HOPE OF GLORY!

"When the Box Breaks and the Lion Breathes" by Işık Abla

Once, you learned to fold your wings to fit in someone else's sky.
You mistook silence for peace, and peace for safety.
You became fluent in the language of pleasing—
editing your truth, dimming your fire,
so their comfort could remain your cage.

You were not living your life—you were leasing it.
Your soul signed contracts of compromise
so others could sleep soundly while your spirit suffocated softly.
You called it love.
But Heaven called it captivity.

Heaven Whispers:
"My beloved,
you were never meant to live in their box.
You are a wind-being—uncontrollable, uncontainable.

You were designed to disturb false peace with divine truth.

Fear built walls to protect itself from your light.
So you learned to live small,
to make yourself less threatening to their insecurities.
But I—your Maker—did not craft you to crawl.
You are the lion in the mirror of My courage,
the storm that teaches still waters to roar.

You are not rebellious—you are resurrected.
You are not too much—you are the measure of My glory.
I am teaching your nervous system the sound of Eden again—
where peace was not survival,
it was presence.
Where love did not demand silence,
it celebrated song."

Neuroscience through the Eyes of Heaven:
Your mind once believed that fear was wisdom.
Your body learned that pleasing others kept you alive.
But trauma is a teacher that must be unlearned.
The amygdala—the guardian of fear—was trained by rejection;
now the Holy Spirit retrains it with love.
Neural pathways once carved by anxiety
are now rivers where grace rewires your thinking.

Every time you say, "I am safe in God,"
your brain writes a new prophecy.
Every deep breath becomes a sermon—
your vagus nerve hums with the frequency of freedom.
Healing is not magic; it is divine reprogramming.
Fear loses its grip when love becomes your logic.

Prophetic Declarations of Freedom
1. I will no longer shrink to fit small minds.
2. My silence is not surrender—it is sanctified strength.
3. I break agreement with every lie that said my voice was dangerous.
4. I breathe peace deeper than panic.
5. I no longer call captivity compassion.

6. I am wired for courage, not conformity.
7. I honor my boldness—it is holy inheritance.
8. My nervous system remembers Eden—shalom, not survival.
9. I walk unafraid, unmasked, unmuted.
10. I live from heaven's heartbeat, not man's approval.

Heavenly Whispers
1. "You cannot make peace with your own chains."
2. "Courage is the roar you forgot you carried."
3. "You were not created to be understood—you were created to be unveiled."
4. "Freedom sounds like your true name being spoken again."
5. "When you stop apologizing for shining, darkness panics."
6. "Your calm is a weapon heaven forged in secret."
7. "To be confident is not pride—it is prophecy in flesh."
8. "Fear trembles when you smile again."
9. "You are not a box-dweller—you are a box-breaker."
10. "Every deep breath is Eden calling you home."

Prayer
Lord of my freedom,
I release the ghost of fear that once governed my peace.
Where I learned to please, teach me to stand.
Where I learned to hide, teach me to shine.
Rewire my thoughts until they echo heaven's confidence.
Let every anxious neuron bow to Your name.
Breathe courage into the crevices of my memory—
that I may remember who I was before fear was my teacher.
Make me bold, but kind; fierce, yet gentle;
rooted, radiant, and resurrected.
In the name of the fearless One—Jesus Christ, Amen.

A word came out from Terry Friesen this very morning. The Lord showed him a two-sided key. You are to place it in the doors that are locked and turn it first to the right to reset the season the then to the left to unlock the season we are in.

Take a look at the word from Chuck Pierce and team for the month from 5785!

I Am Going to Turn You Like I Turn a Key!"
Chuck D. Pierce, Corinth, TX

Dear Digging Ones:

One of the wars in the year ahead is over digging new wells. Therefore, our focus for prophetic empowerment is preparing to dig! In the Word of God, a well can refer to a spring, a fountain (a living fountain fed by a spring) and also a pit or prison.

There is great power in coming together, particularly when we celebrate First fruits and honor the Lord with the first of our time and increase! When we choose to gather and seek Him first at the beginning of each month, we receive the Lord's anointing on our "whole lump."

The month of Cheshvan is reserved for the anointing, so this is a "key time" to assemble and receive the prophetic revelation that will enable us to move from blessing to blessing, until blessings overtake us.

A "Key" Word

This is a time of great movement! **A prophetic portal formed during worship on Sunday, and a fresh stream of revelation broke forth.** As we press beyond our Tabernacles season, **declare that you are advancing with a new turning, a new exchanging, a new wind, a new movement and a new giving!**

Prophetic Word received on Sunday, October 16, 2022:

God says: ***"I am going to turn you like I turn a key! I'm going to turn you just like I turn a key and cause your eyes and ears to open up.***

"Keep your eyes open when you turn. As you keep your eyes open, I'm going to cause that shift in your whole body to cause a shift to be turned around, so that you can be like the key that turns the lock that opens the doors.

"I am exchanging keys! Satan has used a key of death against you, but I am the God of death, Hell and the grave.

"I am giving you a key to exchange for the death structure that is working against you. This key may appear as an old jail-like key chain, but it will sparkle and drip with gold. Old places of captivity in your life and bloodline are being unlocked by My glory.

My Second Wind Is Blowing in This hour

"You've been distanced but come to Me. Come visit Me at My well, and I will show you how to look through My eyes at each other. As you love Me, you will love each other, and that is an army invincible.

"For the enemy has even come to wear out the saints, but I am the God who is about to blow a second wind. Even as it is with an athlete – when that athlete senses that he can no longer finish that race, I come with a second wind to bring strength and to bring energy so that athlete can meet the goal that is set in front of him.

"I'm coming with a second wind of My Spirit, and I'm about to blow on you in a new way. Let the weak say, 'I am strong,' for the strength of the Lord will cause you to finish the race that is set before you. My second wind is blowing upon you now in this hour."

A Dance of Joy Will Hide Your Tracks from the Enemy

"***I'm changing your footprint on the earth. When you are not in joy, you walk and you trudge in a straight line, and you cause furrows in the earth. These lines are very easy for the enemy to follow. But when that turns to joy and you begin dancing, you create footprints all over the earth in circles, up and down and back and forth. The enemy is not able to see which way you are going and which way you are moving when you move in joy and dance."***

The Portals Will Open!

"The shift has begun, and the wind has begun to blow. I have My Judah – the company of Judah – at the line across this nation, and the portals will be open, and My glory will be seen upon My people like never before."

Decree That Your Well Will Fill Up!

"I so loved the world that I gave… There's a new giving that's coming up and out of My people, and it's the generosity of the sound of love that I'm getting ready to penetrate this world with like never before.

"Open up the gate of your heart and let the wellspring of love flow through. As you choose to give in this season, decree that your well will fill up and you will drink from it all year long.

"I have created a new 'opening up' of resources and supply lines for My people in the natural, and in the spiritual. Continue to praise Me and I will open them up supernaturally in more and more ways."

(Word of the Lord spoken by Brian Kooiman, Norma Urrabazo, Chuck Pierce, Jamie Spears, Mark Waldrep, Barbara Wentroble, Lisa Lyons, Pasqual Urrabazo, Susan Shaulis and Eleanor Roehl).

This is a time where we must ascend to new heights in worship. Let's continue ascending through this prophetic portal and reflect on the blueprint of Heaven in the earth.

Take a look at the season we are entering into from the teaching of Robert Heidler.

Cheshvan: The Judgement of the Nephilim and the revelation of "New Beginnings".

Who were the Nephilim? They were the sons and daughters of the watcher Angels that were originally assigned to the Earth to train the human race of the things of Heaven. They had physical form and ranged from nine feet to fifty feet tall. They had bodies, ate, knew the secrets of Heaven and were both male and female. Zec 5:9.

Mythology was based on truth; the Greek demi-gods Hercules, Perseus and Andromeda were the children of the fallen watchers mating with humans and are well-known figures in Greek mythology and history**.**

They saw the daughters of man as attractive and desired them. Because of their sin God judged them and they became demons now from satan's kingdom of darkness. The Nephilim or the fallen ones. They were here before the flood and after the flood (Gen 6:4). You may ask how could this be? It was because Father had not shut the doors between the second heaven and earth until the resurrection (Matt. 24:36-34). The flood wiped out most of the Nephilim and their offspring, yet after the flood, the fallen returned to do it again, so when Israel was conquering the promised land, Father told them to wipe out entire races of mankind due to their interaction, therefore stopping the seed from passing on.

Demons can:

- Attack mankind. Luke 13
- Infest mankind, burrowing into personalities.
- Invade mankind through being involved in witchcraft, satan worship and music.

Manasseh is the tribe represented this month and was the most blessed of all the tribes of Israel, yet at the same time rebelled against GOD and became one of the "Lost Tribes" of Israel. Manasseh was Joseph's first-born son adopted by Jacob, and due to sin, the tribe experienced a twenty-seven-century exile until 2017 when the lost tribe returned to became once again a "Tribe of Israel". Therefore, "New Beginnings" have once again come to Israel**. Now it's time for America to return!**

Prayer guide for Cheshvan 5785

The Second Month of the New Year

Biblical Months fall under the Law Form of YHWH (Yahweh), Father-Son-Holy Spirit, through the revelation of His Word.

Cheshvan is the eighth month of the Hebrew Calendar, yet it is the second month of the Spiritual Calendar. The number "8" represents eternal revelation and "New Beginnings". It is considered the time of the "Messiah".

In modern times, this month has become known as **Cheshvan or Mar-Cheshvan**, which seems to have originated at the time that Jews came back to Israel after the Babylonian Exile. The prefix **Mar (which means bitter)** is a reference to this month having no festivals or rejoicing, but much suffering for Jews throughout the ages. Also, during this month, God brought down the Flood and drowned the world (except for Noah and those with him on the ark.) Mar also means drop and refers to the first rains (the Yoreh), which fall in Cheshvan.

This new month that follows the holiday laden month of Tishrei is quite different in mood and pace of life. It certainly lacks the drama of the preceding two months of Elul and Tishrei, the sense of awe and anticipation that the holidays always bring to us and the emotional depths of majesty, self-analysis and finally joy that mark the previous months.

In fact, Mar Cheshvan is the only month of the Jewish year that has no special days, neither feast nor fast, (though there is a custom of fasting for three days within that period to "atone" for frivolity during the holidays – a custom no longer universally observed) that occur within its time frame. It is, so to speak, a month of rest after the rigors and tensions and efforts of the two preceding months.

It is as though the Jewish destiny has seen fit to give us a month off, a time to return to ourselves and our daily lives, to place into daily practice the great lessons afforded us by the challenges of the two previous months. It is as though God says to us, so to speak, **"My children, let Me see how you put into your daily lives the holiness and commitments that you accumulated during the months of holidays and the preparation for them."**

Sense: Smell

The sense of smell is the most spiritual of all senses. The Hebrew word **for "smell" (ח י) is cognate to the word for "spirit" (רִ֫וחַ).** The Hebrew elders teach us that smell is the one and only sense that "the soul enjoys and not the body." As noted, in Hebrew, "soul" is a permutation of Menasseh.

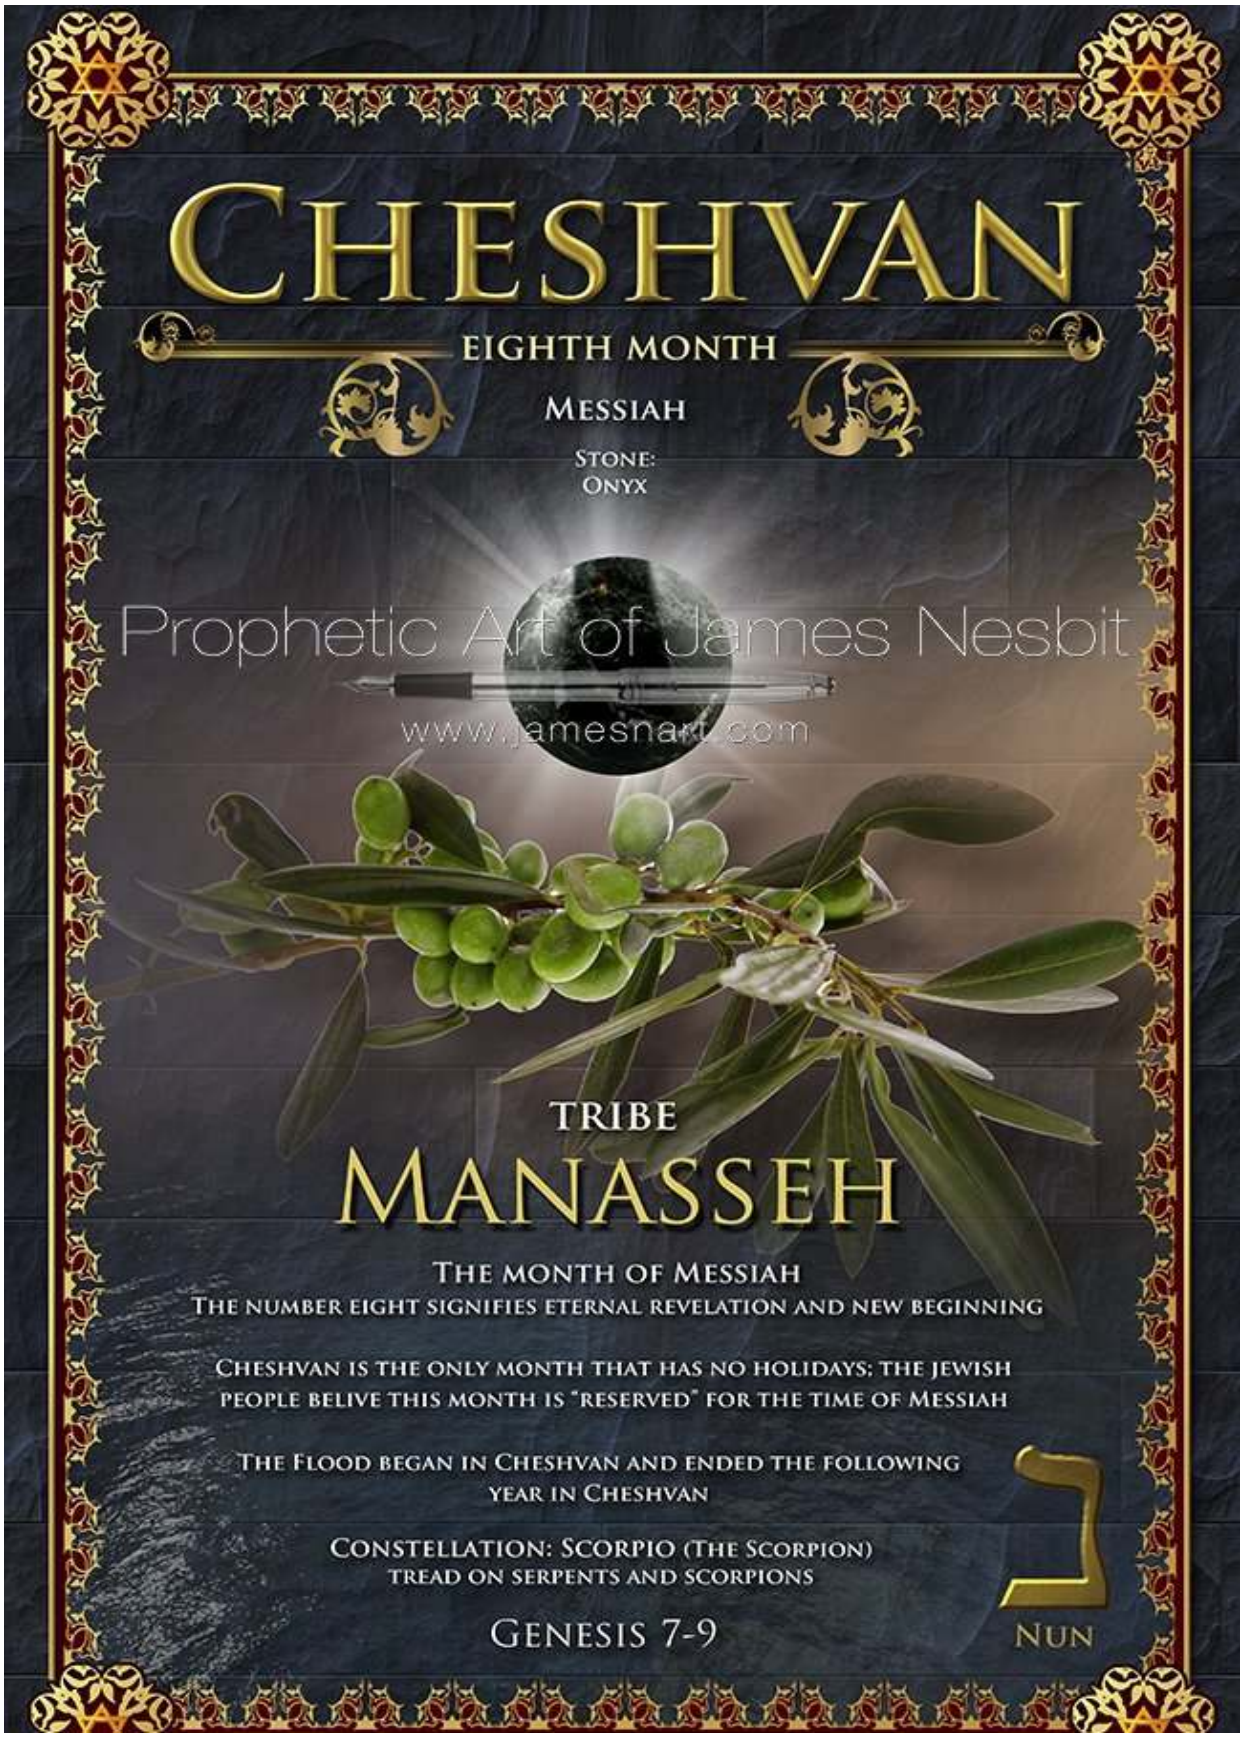

The sense of smell is the only sense (of the five senses) that did not participate, and thereby was not blemished or polluted, in the primordial sin

of man in the Garden of Eden. It is the sense which saved the Jewish people in the time of Mordechai and Esther, who are called Mor veHadas ("myrrh and myrtle," the two primary sources of fragrance).

And he shall smell with the awe of God"—" he shall judge by smell" (rather than by sight or hearing. Isaiah 11:3;) By his sense of smell (his "holy spirit") the Mashiach will know how to connect each Jewish soul to its Divine root, and thereby identify its tribe (branch) in Israel.

Other facts: King Solomon completed the seven-year building of the Sanctuary during Cheshvan and there should have been a festival. Though all Israel waited for G-d's command concerning this dedication, G-d waited until the next Tishrei (11 months later) before he finally commanded the dedication.

Mar Cheshvan in Jewish history and tradition
11 Mar Cheshvan (circa 2105 BC) – Methuselah dies at age 969
11 Mar Cheshvan (circa 1553 BC) – Death of Rachel while giving birth to Benjamin
17 Mar Cheshvan (circa 2105 BC) – Great Flood began, Noah and his family enter the ark.
17 Mar Cheshvan (circa 960 BC) – First Temple completed by King Solomon (it was not inaugurated until the following Tishrei however)
20 Mar Cheshvan (1938) – Kristallnacht: 1,400 synagogues and numerous copies of the Tanakh are purposefully and systematically set on fire and allowed to burn in Nazi-occupied Germany
23 Mar Cheshvan (137 BC) – Hasmonean holiday commemorating the removal from the Holy Temple of altar stones which were defiled by the Greeks
27 Mar Cheshvan (circa 2104 BC) – Great Flood ends (Genesis 8:14)

NUN

Another viewpoint. The Month of Cheshvan According to the Book of Formation (Sefer Yetzirah).

Introduction:
Cheshvan (in Hebrew: חֶשְׁוָן), or as it is also known, Mar-Cheshvan, is the eighth of the twelve months of the Jewish calendar.

Letter: Nun (נ)

The letter *nun* is considered to be the letter of Mashiach, as is said (with reference to Mashiach): "Before the sun, his name is Ye-non [from nun]" (Psalms 72:17). As a verb-root, *nun* means "to reign." As a noun, it means "the heir to the throne" (from *nin*).

Cheshvan, the eighth month, is the month of Mashiach, because eight signifies the eternal revelation of the supernatural (the consummate state of rectified nature being the secret of the number seven). Whereas in our present reality, the "harp" played by King David and used in the Temple has seven strings, the harp of Mashiach possesses eight strings. Just as 8 transcends 7, so does 50 (the numerical value of *nun*) transcend $49 = 7^2$.

In our present reality, the *nun* is bent over, confined by the boundaries of nature. With the coming of Mashiach, the *nun* will "straighten out" (the shape of the final *nun* – ן), and will break through the boundaries of nature also descending ("below the line") into the subterranean realms of reality in order to reveal there God's all-encompassing Infinite light.

Mazal: Akrav (Scorpio – the Scorpion)

Our sages teach us that the scorpion (עַקְרָב) is the deadliest member of the general category of poisonous creatures whose archetypal figure is the primordial snake of Eden. The Hebrew word for "scorpion," derives from the word meaning "heel" (עֵקֶב) as is said: "And you [the snake] shall bite him [man] at the heel" (Genesis 3:15). Thus, the scorpion symbolizes the consummate "bite" of the snake at the heel of man.

While the poison of the snake is considered "hot," the poison of the scorpion is considered "cold." The Mashiach is the one and only soul who can overcome, kill, and ultimately revive the primordial snake (in order to convert it to good). (The soul of Mashiach and his continuous state of consciousness manifest the ultimate rectification of "heat," "burning" solely in his love for God and Israel, as well as that of "cold"-

absolutely "cold" to the false vanities of this world.) This is the secret of the well-known gematria that "Mashiach" (מָשִׁיחַ) equals "snake" (נָחָשׁ).

Indeed, the Mashiach is also numerically related to the scorpion since "Mashiach" (358) plus 14 is equal to 372, the value of "scorpion." 14 is the value of David (דָּוִד) and the 14th letter of the Hebrew alphabet is nun, the letter of the month of *Cheshvan*. Furthermore, the root-letters of *Cheshvan* are *chet-shin-nun* and they permute to spell "snake." One final point about the relationship of *Cheshvan* to the Mashiach who rectifies the snake is that whereas the snake is crooked and bent the nun in the word *Cheshvan* is "straightened out" as it is the final *nun*, as above.

Tribe: Manasseh

Manasseh is the firstborn of Joseph. Deriving from the word **"to forget" (literally "to leap, up and away"),** Manasseh suggests the power of the Joseph to make us forget the hardships, trials and tribulations of this world, with the coming of Messiah. By the power and sense of Manasseh, all of the pain of this world will transform and metamorphose into the pleasure of the Messianic era.

Of Moses it is said that, "He is the first redeemer and he is the final redeemer" (See *Shemot Rabbah* 4:2; *Zohar* 1:253a; *Sha'ar HaPesukim*, *Vayechi*; *Torah Or*, beginning of *Mishpatim*). In his first lifetime (as "the first redeemer"), Moses did not attain the 50th gate of understanding—the understanding of God Himself, as it were, and His deepest intention in the creation of the universe. 50 is the numerical value of the letter *nun*, the letter of *Cheshvan*. But, when Moses will return as Mashiach—the final redeemer—he will be given forever the 50th gate, the *nun* of Mashiach, the secret of Manasseh (Moses with an additional *nun*).

In the *Zohar* we are taught that when Moses first passed from this world he received the 50th gate and was subsumed, as it were, in the *Mishnah* (מִשְׁנָה), another permutation of Manasseh (and Moses plus an additional *nun*). Through the study of *Mishnah* today (in the time of exile) we reveal the soul of Israel and thereby merit the redemption of Moses-Mashiach and the universal revelation of the 50th gate of understanding.

17 Mar-Cheshvan (circa 2105 BC) **Prayer for Rain**

In Israel we add a request for rain to our prayers starting from the 7th day of Cheshvan. We see rain as the physical manifestation of life force at its very source. Everything that lives depends on water to survive. Our bodies are close to 86 percent

water. The spiritual source of life, God's compassion and creativity, is manifested concretely through His gift. In fact, the Hebrew word for "physicality," *gashmiut*, literally means "raininess," the word for rain being "*geshem*". The rain we see is the source of being and becoming. We have to be mindful enough to see it and not to fall into the trap of thinking that it is the source of having and consuming. When we open our minds to see the rainfall for the blessing it is, each time it rains, our awareness is altered. The Talmud tells us that rain is an enormous statement of God's presence in the day-to-day world. Just listen to the comparisons that Talmud presents to us:

1. A rainy day is greater than the day the Torah was given.
2. A rainy day is greater than the day the heavens and earth were created.
3. It makes salvation multiply.
4. It tells us that our sins are forgiven.
5. Whatever we own is blessed.
6. It is greater than the day when the exiled Jews return to Israel.
7. Even the armies are stopped by its force.

Why is rain considered to be greater than the most significant moments in all of history? In what sense is it a source of inspiration and blessing?

The answer is that we were put in a physical world with all of its temptations and inherent concealment of God's presence. Our role is to light a candle in a dark place, and let the goodness that it reflects illuminate the entire world. Rain gives everything material life. God is as much there as He is in the realms of being. There is one critical difference. In the higher realms of being, and in the more dramatic moments of history, it took very little soul searching for us to know God. When the world is in its less dramatic mode, far more is required for us to have an authentic relationship to the world's Creator.

In Cheshvan we have choices to make about our relationship to the real world, the ordinary days and months that we have yet to face. We have to make commitments to not flinch in the face of the mundane things we see, and the simple choices we make.

Cheshvan is a time of great opportunity. Let's close our eyes, swallow the phrase "just be normal" with a cup of water to wash it down, and fight the good fight, the one in which goodness, in its highest sense, always prevails.

Genesis 7:11 In the six hundredth year of **Noah**'s life, on the seventeenth day of the second month of Cheshvan, on that same day all the fountains of the great deep [subterranean waters] burst open, and the windows and floodgates of the heavens were opened.

Genesis 7:13 On the very same day **Noah** and Shem and Ham and Japheth, the sons of **Noah**, and **Noah**'s wife and the three wives of his sons with them, entered the ark, **Genesis 7:15** So they went into the ark with **Noah**, two by two of all living beings in which there was the breath and spirit of life. **Genesis 7:16** Those which entered, male and female of all flesh (creatures), entered as God had commanded **Noah**; and the Lord closed the door behind him.

The Threat to the West and the Power of the Ten Words

The Universal Master Covenant: Salvation for Judeo-Christian Civilization

A Hebrew Perspective

Part 1: An Urgent Call to Arms: Jews and Christians Must Unite

If We Do Not Fight to Defend Our Faiths, Judeo-Christian Civilization will Fall.

We are addressing the readers of this newsletter as Believers who understand the dark nature of the spiritual warfare in which we are engaged. Like the Watchmen on the walls of ancient Jerusalem, we are sounding the shofar blast as an urgent warning. This subject is not comfortable to write about; our intent is to inform and equip our brothers and sisters, not to frighten or panic. Christians and Jews, *bound together by the power of YHVH's spirit and the authority of His Master Covenant,* will provide us with the courage we need to go forth.

Many Christians believe we are now in the "end times" connected with the Book of Revelation. A variety of ideas surround the timing, the "tribulation" period, etc. Some Jews believe we are close to the "Gog–Magog" war from the book of Ezekiel. In that war, Israel is attacked by diverse forces led by Gog, leader of the country Magog, which was then in the far north which is now Muslim Turkey.

Whatever your viewpoint, we as Bible believers are now at a critical stage of the war for Western Civilization, a war that has been hundreds of years in the making but that many of us didn't even realize was happening until recently. Why is that? Because, although it is easy to identify and fight an enemy who violently threatens us head on, it is not so easy to detect and defend against stealthy ideological and spiritual assaults occurring over time. Our adversaries' "frog in the pot" approach is a gradual "death by a thousand cuts."

The end goal of our enemies is to destroy our faith and our nation by any means necessary; they have gathered intense momentum lately. It is called 5th generation warfare, meaning barrages from all sides: school indoctrination, internet and media propaganda, sexual perversion, "woke" ideology, corrupt politicians collaborating with our enemies, anti-religious lawfare, and paganism revival. We can see the carnage all around us; now, when our society has been divided and weakened, the final battles have "suddenly" come upon us. Beneath it all dwell the shadowy powers and principalities driving the confrontation many have known was inevitable.

While we must call upon YHVH in prayer to defeat our enemies, it is up to us do our part by engaging in the battle on earth. That's the biblical way (1 Sam 7:8–10, 12; 2

Chron 14:11–12; 2 Sam 5:19–20, 25, etc.). While miraculous victories in war do and will occur, we cannot sit back and expect God to supernaturally destroy our foes. We are all called to take up "the full armor of God" both spiritually and with action. Bonding together as Christians and Jews to defend our faith will magnify our power to oppose this darkness.

Does this seem overly dramatic*?* We don't think so; the deep spiritual malaise blanketing the Western world is *a result* of both our faiths being under constant attack from myriad forces determined to eradicate our very existence. Why? *Because we are the irreplaceable Judeo-Christian scaffolding supporting Western Civilization in general, but especially our own endangered Constitutional Republic.* If they can eliminate us, if we fail to defend our society, it will clear the field for their unrestrained world conquest. It is up to us, those who understand and are willing to stand, to be the impenetrable shield wall and to move forward to turn the tide.

Religious Entropy has Opened the Floodgates. Throughout history, civilizations have always been defined by their corporate religious values. This safeguarded the social and political cohesion of their culture. It still works this way. Well aware of this, all the tyrannical "isms"- Communism, Globalism, Islamism, Satanism, etc. know they must destroy our underlying religious fabric and belief in the God of Abraham before they can completely conquer our nation. We are living in the end result of that long term attack—the decline and fall of the West's Judeo-Christian moral foundation.

Over the past decades, the failure of most religious institutions to pay attention to this social and moral degeneration, and to take a strong public stand against it, has opened the doors. *You likely know the saying: "All that is necessary for evil to flourish is for good people to do nothing."* Tragically, many Americans identifying as Christians or religious Jews are "social" believers only, good people upset by what's going on—but doing nothing. They are not anchored in their faith enough to do much except express private words of disapproval. Protected and insulated until now, we've become comfortable in our cocoons and disengaged with the world.

Our children and grandchildren have become the principal victims. Open pedophilia has burgeoned to become the lucrative "business" of child trafficking. Countless kids are confused and psychologically/sexually disturbed; the "educational" system has turned them against their parents, their religion and even their country. Radical "progressive" indoctrination starting in grade school has supplanted our traditional values with contempt and hatred. Abortion has killed off 25% of Generation 'Z' with many others succumbing to the transgender and LGBTQ mental illness.

> Yuri Bezmenov, ex–KGB agent: "Marxist overthrow begins by undermining the values of the targeted society. Ideological subversion is the process, which is overt and

> open... the great brainwashing process begins with a 'demoralization' process that takes 15–20 years … to 'educate' one generation of students… it takes only two to five years after that to destabilize a nation… *the United States is in a state of war: undeclared, total war against their basic principles and foundations; perpetrated by 'the world Communist system.'"*[1]

But disturbingly, this is not the even the ultimate threat we face at this point. The world Communists have a deadly partner—the Dark Age sword of Islam.

Greatest Stealth Danger: Conquest by Islam: Ubiquitous Islamic motto: *"First the Saturday people, then the Sunday people."* The pattern of conquest is a proven winner for Islam: takeover is first by mass immigration followed by intimidation and violence. Their goal is imposing their Medieval Islamic Sharia (law) code which overrides any nation's own laws. According to their holy books, all Muslims have a duty to wage 'jihad' against the non-Muslim world.

Do all Muslims engage in violent jihad? *Of course not.* In fact, many Muslims are merely controlled serfs that have little choice but to bow down to their tyrannical overlords. We saw this sad reality when we lived in Israel for five years. The Koran states that anyone who leaves Islam is a heretic that should be beheaded. This still happens regularly. They are just as much victims as the rest of us in many ways. By defeating the Islamic tyranny, we can liberate them to live as free people.

But the Imams (priests) hold up Prophet Mohammed's behavior as the ideal example of what Muslims should emulate. He was a brutal, sadistic war lord who conquered not through "religious" conversion but through the sword. As of now, enough Muslims have taken up the call to conquest, jihad: the results can be seen daily across the UK, Europe, Africa and elsewhere. it has reached a critical mass in the USA, and they are seizing the moment.

Once they can cram enough Muslims into a country, they become emboldened to begin their public takeover. That number is generally 5%: France has 10%, Britain 8%. Most major cities in Britain now have Muslim mayors. When they have seeded enough migrants, they reproduce at a rapid rate. The average Muslim woman in the West has four children: often the men have more than one wife. The native Europeans have an average 1.4 children. It's not hard to see where this is going.

Turkey's President, Recep Erdogan (our NATO 'partner'), the would-be leader of the global Islamic Caliphate, told the truth about the "religion of peace" in a speech on May 4, 2015:

"The minarets are the bayonets, the domes are the helmets, the mosques are our barracks, the believers are the soldiers!"

As we see, Islamic mosques are NOT places of worship. They are Forward Operating Bases (FOB) designed to be frontier military fortresses for conquest. All of them in the Middle East, especially surrounding Israel, have weapons caches. Why should those in Europe or the US be any different? Those that have been raided all had weapons. *When are we going to wake up?*

Churches in Europe are now mostly empty, often replaced by FOB mosques. Many Imams are now openly calling for the violent overthrow of the West; they operate with little opposition from the complicit globalist leaders of the EU and Britain. Thousands of churches have been vandalized or burned to the ground in France by Muslims. Synagogues and Jews are the number one target in Europe, under threat of physical assault and even death in the streets. But Christians and Jews are now being beaten by Islamists; Christians have been arrested in Britain for openly praying or just debating a Muslim. The police are totally compromised. Many schools have banned pork because it offends the Muslims; children are forced eat only 'Hallal' (animal tortured) Muslim meat! School children are being brought on "field trips" to local mosques to learn how to pray Islamic prayers including "Allahu Akbar"- "Allah is the greatest."

We are seeing the annihilation of the great Western civilization of Europe before our own eyes. A continent that spent over a millennium defending themselves from Islamic conquest has now just opened the doors to the invaders. They have been invaded and occupied in just seventy years. Anyone who speaks against this tyrannical eradication of their own countries is branded "Islamophobic" with many being imprisoned. Muslims have captured most politicians and police: they openly announce Europe and Britain now belongs to them. Their agenda is no longer hidden. We are quickly moving ever closer to the "convert, be a slave or die" phase.

In the USA, Islam is on the march. Did you know there are over 330 mosques and Islamic centers in Texas alone and approximately 2,700 in the U.S.? They are trying to build a complete Islamic Sharia-compliant city north of Dallas. New York City has over 1 million (many illegal) Muslims and a Communist Muslim is currently leading in the race for mayor. Led by imported radical Imams, Muslims broadcast their supremacy through prayers in the street and blast their call to prayer from minarets five times daily—another intimidation technique. They are taking over our cities like Dearborn, imposing Islamic districts and Sharia-only "no-go zones", and through their population concentrations they are able to elect Islamist politicians.

Islamic leaders openly declare that Sharia must displace our Constitution since the Koran states Sharia takes supremacy over any other nations' laws. Recall that Muslim Congresswomen Rashida Tlaib and Ilhan Omar were allowed to be sworn into the US House of Representatives on the Koran, not the Bible or the Constitution. What are they

pledging their allegiance to? *This means something very profound, yet Americans either don't know about or ignore this open treachery.*

The following body count is over 1,400 years of jihad by Muslims following Mohammed's example of conquest by the sword:

> "The number of Christians martyred by Islam is 9 million. A rough estimate… is that another 50 million died in wars by jihad. So, to account for the 1 million African Christians killed in the 20th century, we have 60 million Christians…. There have been 80 million Hindus slaughtered; India is one/half its original size due to jihad. Ten million Buddhists have been killed. **TOTAL: 140 million people slaughtered in the name of Allah**."[2] (Emphasis ours)

Here's a hard truth: *"Normative" Islam that promotes world subjugation for Allah is NOT a religion but a full-spectrum imperialist totalitarian political ideology like Communism to which it is a close but even darker cousin*. Our Bill of Rights does not guarantee freedom to express open rebellion against our country: we should not have to commit national suicide because we are afraid to tell the truth about the militant nature of Islam.

This is possibly the greatest spiritual and existential battle the world has ever seen. Can we fight this vast evil and win? We think that most people reading Wade's newsletter would answer with a resounding Yes! All things are possible with YHVH our God if we humble our hearts, call on him, and stay true to our common Judeo-Christian foundation. A united confederation of Jews and Gentiles working diligently together, defending our common heritage based on the Ten Words of the Master Covenant is the way it always should have been.

Part 2: The Ten Words: Our Shared Ancient Heritage

Jews see the Torah, the five books of Moses (the Torah-Pentateuch) with its ethical and sacrificial system, as the foundation of their faith and the way to "life" in the *olam haba* —the world to come; Christians see the New Testament, which is based on having faith in the atoning, sacrificial death and resurrection of Jesus Christ, as their foundation for obtaining that same "life." As we will demonstrate, surprisingly, neither doctrine comports with the foundational faith as professed by both Moses and Jesus (Yeshua). In fact, the spiritual underpinning for both religions is actually quite simple and something upon which they both agree: The Master Covenant—the Ten Words (traditionally, Commandments).[3]

This month we will explore how the Ten Words of the Master Covenant is the biblical foundation and common ground for creating "unity" between the two great 'Abrahamic faiths' of Judaism and Christianity, something we believe is an immediate necessity at

this critical juncture in world history.[4] The strength of that harmony of mission—by the power of YHVH's *ruakh* (spirit)—can literally save Judeo-Christian ("Western") civilization from the greatest threat to its existence in history.

The Abrahamic Covenant: The Bedrock of our Partnership

"Abram" was a pagan from a northern Mesopotamian city that was dedicated to Sin, the Moon-god of Sumer. In Genesis 12:1–7, YHVH[5] called out to him and presented Abram with an offer to covenant; i.e., to enter into a contract with him:

> ***Now YHVH said to Abram, "Go forth from your native land and from your father's house to the land that I will show you. I will make of you a great nation, And I will bless you; I will make your name great, And you shall be a blessing. I will bless those who bless you And curse him that curses you; And all the families of the earth Shall bless themselves by you" (Gen 12:1–3 TNK, adapted [6]).***

This passage constitutes YHVH's original offer to Abram to covenant. The six elements of his offer are promises of: 1. Blessing; 2. Land; 3. Physical progeny (to make a great nation); 4. A great name; 5. A global impact as a "blessing" to those who blessed him; 6. A "curse" to those who disparaged him and his descendants. As scholars note: "The LORD (YHVH) begins anew singling out one Mesopotamian ... and promising to make him a *great nation*... The twin themes of land and progeny inform the rest of the Torah."[7]

> ***Abram went forth as YHVH had commanded him, … And Abram took Sarai his wife, and Lot his brother's son, and all their possessions; …into the land of Canaan they came. Abram passed through the land as far as the site of Shechem, … YHVH appeared to Abram and said, "I give this land to your offspring"; And he built an altar there to YHVH who had appeared to him (Gen 12:4–7).***

Abram obeyed YHVH's command to "go forth," denoting his acceptance of YHVH's offer and its "terms and conditions." That was Abram's "good and valuable consideration." In terms of law, his intentional action was designed to implement the terms of the contract and was not just passive acceptance. Abram understood God's promises were contingent on his departure, suggesting a bilateral "exchange of value"; i.e., his faithful obedience in exchange for YHVH's blessings. Abram's courageous action—leaving his entire life behind and setting out to a wild, dangerous area—was evidence of the "good faith" between him and YHVH that established the Abrahamic Covenant.

In Genesis 12:7, after Abram reached Canaan, YHVH appeared again to him in a vision, informing him the land he had been traversing God is giving to his offspring (literally,

"seed"). This was a clarification of the promise of the "great nation" of v. 2; Abram's physical offspring would grow numerous and inherit the land of Canaan in fulfillment of the covenant oath. Accordingly, Abram built an altar there to commemorate the occasion, not for sacrifice.

Genesis 12:1–7 establishes the fundamental expression of the Abrahamic Covenant. Subsequent passages in Genesis 13, 15, 17, and 22, including the two promises explicitly termed "covenants" (Gen 15:18; 17:2, 4, 7), serve as supplemental additions, without altering the core tenets of the original contract.

The Abrahamic Covenant represents the bedrock template of all future biblical covenants because Abram—the man of obedient faith—chose to accept God's offer and obey his command to "go forth"—and he continually upheld that covenant responsibility (Gen 13:17, 15, 17, 22).

Why is the Master Covenant the Foundation of our Partnership?

Why did YHVH deliver the Israelites from Egypt? In Exodus, the Tanakh (TNK) tells us his purpose. YHVH came to Moses on Mount Horeb (Sinai)[8] and told him: 1. ***"I come down to deliver them out of the hand of the Egyptians"*** (Ex 3:8, 3:10), and; 2 ***"to bring them… unto a good land and a large, unto a land flowing with milk and honey; … I will send you unto Pharaoh, that you may bring forth my people the children of Israel out of Egypt"*** (Ex 3:7–11). It was time to enact the promise of the Abrahamic Covenant.

In the ancient world, the protection or destruction of a land was considered to be due to the strength and power of their national gods. Shockingly, mighty Egypt had been defeated by the unseen God of the Hebrew slaves. The "mixed multitude" of Gentiles saw their chance to escape their own slavery by aligning with the more powerful, victorious god. "***Now the sons of Israel journeyed from Rameses to Succoth, about six hundred thousand men on foot, aside from children. And a mixed multitude went up also with them***." (Exodus 12:37–38).

The legal status of the mixed multitude: In order to partake of the *Pesakh* (Passover) meal, circumcision was/is a requirement. Since their ancestor Abraham had been circumcised, the Hebrews had undoubtedly continued to practice the rite throughout their time in Egypt. No Gentiles participated in the Passover meal the Hebrews ate on the night the "messenger of death" passed over their households. So, by default, we know that the mixed multitude was not circumcised at that time.

When they fled Egypt to travel with the Hebrew tribes, what was the Gentiles' legal status according to Hebrew law? When they all reached Horeb, preparing to receive the Ten Words from YHVH, a Gentile of the mixed multitude would have been considered to

be a *ger toshav* (resident alien; Lev 25:35). This is the status a Gentile who lived in Israel, but did not become a proselyte. A Convert is called a *ger yaguwr;* a stranger sojourner, proselyte; Ex 12:48). All the ethical and moral laws were to be applied equally to Israelites and aliens (*gerim*) who lived among them (Lev 24:22). Please keep this in mind because we will see how it becomes an important factor in Jewish/Gentile relationships in Yeshua's day.

After Moses successfully led the people to Horeb, he ascended the mountain to receive the instructions of YHVH. God told Moses that his presence would come down upon the mountain in three days, obscured by a thick cloud, so that all the people would see the cloud descend and hear his voice when he personally spoke to them (Ex 19:9, 11).

> ***And Moses went up unto God, and YHVH called unto him out of the mountain, saying, "Thus shall you say to the house of Jacob, and tell the children of Israel: … Now therefore, if you will obey My voice indeed, and keep My covenant, then you shall be My own possession from among all peoples: for all the earth is Mine: and you shall be unto Me a kingdom of priests, and a holy nation." … Moses came and called for the elders of the people, and set before them all these words… And all the people answered together, … "All that YHVH has spoken we will do." (Ex 19:3–8).***

On the third day, after the Israelites agreed to enter into a covenant with him, YHVH audibly announced "the Ten Words"; *asereth haddevarim* to all the Hebrew tribes as well as the mass of Gentiles who had joined them (Ex 20:1–14; Deut 5:6–19 TNK, 6–22 Christian Bible; CB). These "Ten Words", personally witnessed by the entire camp, are the entirety of YHVH's Master Covenant at Horeb, also called "the Covenant of YHVH (the LORD)" (Num 10:33, 14:44; Deut 4:23; etc.).

Israelites chosen; Gentiles welcomed: The Israelites were "chosen" to be **"My own possession from among all peoples: for all the earth is Mine: and you shall be unto Me a kingdom of priests, and a holy nation."** Everyone always speaks of the Jews as "the chosen people". But what does this actually mean? What are the requirements? To be a kingdom of "priests and a *goy kadosh*—a set-apart (holy) nation means there is a function, a responsibility and a solemn duty to perform. This covenant pact has the same performative proviso regarding faithful "obedience" that defined the responsibility of the Patriarchs Abraham, Isaac (Gen 26:2–5) and Jacob (Gen 28:10–15). As the physical "seed of Abraham," the Israelites agreed to follow in the Patriarch's footsteps in faithful obedience to God's "voice." This would allow them to be pure enough to hear YHVH's voice and become a priesthood to the nations of the world.

We should remember that in 1450 BC, the world was unimaginably different than today. The people were immersed in some abominable pagan practices, worshipping multiple gods and engaging in various forms of debauchery and treachery. With few exceptions, there was no standard moral code of behavior to check human excesses and cruelty. The Hebrews tribes were separated out to be the messengers of the One True and Most High God to this dissolute world, bringing the moral and ethical Torah along with them. They were to instruct the pagans the Way of YHVH based on the Master Covenant he had designed for the whole world.

> ***For I have known him, to the end that he may command his children and his household after him, that <u>they may keep the Way of YHVH, to do righteousness and justice</u>; to the end that YHVH may bring upon Abraham that which he has spoken of him. (Gen 18:19, see 26:5).***

Exodus 19:7–8, 20:18–19, and Deuteronomy 5:4–5 confirm that "all the people" heard God's voice including the Gentile aliens (*gerim)* among them. Why is this important? Not only is this an unprecedented event in world history, but it provides a kind of blueprint that showed YHVH's intention to include all of humanity, Israelites and Gentiles alike, in the blessings of his Ten Words.

This was no secret, private revelation; the entirely of the crowd heard and accepted the instruction of YHVH. It was simple, direct and symbolic. The contractual instructions of YHVH's Torah are not up to individual interpretation and the Torah is not a hard road to walk as reflected in Deuteronomy 30:11–14: ***"For this commandment which I command you this day, it is not too hard for you, neither is it far off. … But the word is very near to you, in your mouth, and in your heart, that you may do it."***

YHVH spoke the Ten Words—"And he added no more"

<u>This is the true Torah:</u> The Ten Words—"the Covenant of YHVH"—was written on two stone tablets and put into the ark by Moses as a "Testimony" to all (Ex 25:16, 40:20, etc.). It is the authentic "Torah of YHVH" given publicly to Israel. However, as symbolized by the multitude of Gentile witnesses at Horeb, this Torah is available to all, who, like Abraham, seek to follow the *"**the Way of YHVH,**"* the way of doing "righteousness and justice" (Gen 18:19).

Moses, in his first-person narrative, stated the following to the assembly after YHVH finished speaking the Ten Words to them:

> ***These words YHVH spoke unto all your assembly in the mount out of the midst of the fire, of the cloud, and of the thick darkness, with a great***

voice: <u>And he added no more</u>. And he wrote them upon two stone tablets, and gave them unto me" (Deut 5:19 TNK, 5:22 CB).

"**And he added no more**": This definitive statement is not found in the third-person account of the same event in Exodus chapter 20. In his first-person testimony (Deut 5:6-19 TNK, 6–22 CB; and in the Shapira "Moses Scroll")[9] Moses himself wrote a slightly different version of the Ten Words reporting that after God spoke to them "**...he added no more**." By telling us that, he emphasized the Ten Words were complete, sufficient and final as the primary and foundational Horeb revelation; i.e., *YHVH's will, and intent was fully expressed in the Ten Words.*

By immediately stating that YHVH "wrote them on two stone tablets" during the subsequent forty days, Moses linked the two events. The Ten Words were literarily "engraved in stone" and sanctified by being written by "the finger of God." This is the definitive event that establishes the Ten Words (aka the Decalogue) as the universally applicable "Master Covenant."

<u>A period not a comma</u>: the phrase, "**And he added no more.**" marks a firm boundary between YHVH's personally authored Torah and the later ceremonial regulations as introduced via Ex 20:22–23:33, 24:3, 7. Those ritual observances are not even alluded to in the Master Covenant; many scholars refer to them as a later "Priestly Code." Regardless, the important point is the authentic Torah was written on the two stone "tablets of the Testimony" that Moses placed into "the ark of the Covenant."

Importantly, the validity of the genuine Ten Words—the direct revelation of YHVH—as the whole of the Torah Covenant is corroborated by the broader idea later expressed by his prophet-agents such as Jeremiah:

"For I spoke not unto your fathers, nor commanded them in the day that I brought them out of the land of Egypt, concerning burnt-offerings or sacrifices: but this thing I commanded them, saying, Pay attention unto my voice, and I will be your God, and you shall be My people; and walk in all the way that I command you, that it may be well with you" (Jer 7:22–23).

And Amos' rhetorical: ***"Did you bring unto me sacrifices and offerings in the wilderness forty years, O house of Israel?" (Amos 5:25)***.

These positions were also confirmed by the prophetic stance that YHVH desires obedience and relationship over ritual (Hos 6:6's "***I desire mercy, and not sacrifice***"; 1 Sam 15:22's "***To obey is better than sacrifice.***" In the NT, John the Immerser's formula of repentance followed by water immersion (baptism) as an outward symbol "***for the forgiveness of sin***" without blood sacrifice, aligns with the prophets. (Mark

1:4). This methodology was also practiced by Yeshua and his disciples (John 3:22, 4:1)[10]. God's primary desire is for a people defined by an inner sense of righteousness and justice exhibited by a lifestyle of ethical, moral behavior like Abraham (Gen 18:19).

Moreover, evidence from the original Jewish disciples of Yeshua—followers of "the Way"—supports the foregoing. For example, the Ebionites, descendants of the original Apostolic community in Jerusalem, echoed the Tanakh (TNK) prophets' critiques. In their distinct "*Gospel of the Ebionites,"* Yeshua declares***, "I have come to abolish sacrifices; and if you do not stop sacrificing, the wrath of God will not cease from you"*** (Epiphanius, *Panarion,* 30.16.5).[11]

The Ten Words are the "Tablets of the Testimony": Why is it important to understand that the genuine Torah of Moses is only the Ten Words written on the stone tablets? Because both modern Jews and Christians believe the "Torah" given by YHVH is the entire first five books of the Hebrew Bible. However, according to Moses' statement **"and He added no more,"** all the additional Levitical code's laws, statutes, judgments and regulations *had to have been added subsequently to the Ten Words*. This is actually stated after God gave the Ten Words at Exodus 20:18–22 and at Deuteronomy 5:22–28. Many Jews of Yeshua's time—especially the apostolic community headed by James called "The Way (aka Nazarenes) and the Dead Sea Scroll texts—followed the prophets in proclaiming the authentic Torah of Moses was the only Master Covenant.

Thus, when Yeshua said, "***I have not come to destroy the Torah or the prophets, but to make them full. Till heaven and earth pass away, one jot*** (*yod;* the smallest Hebrew letter) ***or one tittle*** (*taggim;* tiny decorative crowns at top of some letters) ***shall in no wise pass away from the Torah, till all things be accomplished***" (Matt 5:17–18)[12] to what Torah was he referring? The Ten Words.

> ***And as he was going forth into the way, there ran one to him, and kneeled to him, and asked him, "Good Teacher, what shall I do that I may inherit eternal life?" And Yeshua said unto him, "Why do you call me good? None is good save one, God: If you would enter into life, keep the [ten] commandments: Do not murder, Do not commit adultery, Do not steal, Do not bear false witness, Do not defraud, Honor your father and mother…" (Mk 10:17–19 & Matt 19:16–18, adapted).***[13]

Additionally, it is the Ten Words that are referred to as "His covenant" and "the words of the covenant," and the tablets on which they were written are called "the tablets of the covenant." There are also many instances of The Ten Words being called "the Testimony" or "two tablets of the Testimony." There is no mention of anything but "the Ten Words" written on "the tablets of the covenant." The following quotes are representative of literally scores of examples providing proof of the foregoing:

And he wrote on the tablets the words of the covenant—the Ten Words (Ex 34:28b).

Notably, "***…the words of the covenant***" in Hebrew at Exodus 34:28b are: *eth divre habberith*. The use of the definite article "*'eth*" specifies that the scope of "the words of the covenant" written on the tablets encompass **only** the Ten Words.

"And he declared unto you his covenant, which he commanded you to perform, the Ten Words; and he wrote them upon two stone tablets" (Deut 4:13).

"When I was gone up into the mount to receive the stone tablets, the tablets of the covenant which YHVH made with you, … And YHVH delivered unto me the two stone tablets written with the finger of God; and on them was written according to all the words, which YHVH spoke with you in the mount out of the midst of the fire in the day of the assembly. … YHVH gave me the two stone tablets, the tablets of the covenant" (Deut 9:9-11).

Rashi, the most influential Jewish commentator in history (1040–1105 CE), validates this fact. He wrote that the tablets **are "the Torah"** (Ex 25:16) and **"the testimony"** (Ex 40:20):

"העדות *(ha'eduth)* 'THE TESTIMONY—the Torah (the Tablets; *cf.* Rashi on Exodus 40:20) which is a testimony between Me and you that I have ordained the commandments written in it (Midrash Tanchuma, Pekudei 4).'"[14]

Following is one of many commentaries on same subject from Keil & Delitsch's (K&D) *Biblical Commentary on the Old Testament:*

"Into this ark Moses was to put 'the testimony' (העדת; *cf.* Exodus 40:20). This is the name given to the two tables of stone, upon which the Ten Words spoken by God to the whole nation were written... (Exodus 24:12). Because **these ten words were the declaration of God upon the basis of which the covenant was concluded** (Exodus 34:27–28; Deuteronomy 4:13; Deuteronomy 10:1–2), **these tables were called the tables of testimony** (ch. Exodus 31:18; Exodus 34:29), **or tables of the covenant** (Deuteronomy 9:9; Deuteronomy 11:15)."[15] *Emphasis ours*

There is a total of **76 instances of unassailable testimony (i.e., witnesses) from the Hebrew Scriptures that the Ten Words written on two stone tablets by the finger of YHVH are YHVH's "Master Covenant**" at Horeb.[16]

Additional support for this conclusion also comes from the Ebionites via their own writings. The *Pseudo-Clementines Recognitions* referred to as *The Ascents of James (Syriac)* states at 1.35.2: "They heard with heavenly sounds **the Law (Torah) of God, all ten commandments** (S)."[17] *(Emphasis ours)*

Jewish and Gentile Believers were United

The Ebionites were descendants of "The Way" who continued to follow and teach the original apostolic teachings for centuries—to mixed synagogues of Jews and Gentiles. Because of doctrinal differences exacerbated by the newly forming Graeco-Roman (GR) Church, the original Ebionites were gradually pushed aside. Many of the Church fathers quoted from their Hebrew Gospel and other writings, bearing witness to their survival as a distinct group for nearly five centuries. The Ebionites stated that Jews and Gentiles should be united together because Jesus and Moses preached the same Torah.

> ***"I have not come to destroy the Torah or the prophets, but to make them full. Till heaven and earth pass away, one jot or one tittle shall in no wise pass away from the Torah, till all things be accomplished." (Matt 5:17-18)***

As stated, to "fulfill" or "make them full" was a Jewish idiom indicating the proper interpretation of the Law (see footnote 10). The Dead Sea Scrolls, some of which were contemporary with Yeshua, spoke of a man who was/would be the "Interpreter of the Law." He was the anointed teacher who would give the genuine sense, meaning and intent of the original Torah of YHVH (the Ten Words) without any additional traditions.

Writings attributed to the Ebionites from the late second to the early third century called the *Pseudo Clementines* contain two books: *Recognitions* and *Homilies*. They record the Ebionite teaching that Yeshua was the prophesied prophet like Moses who was the proper *'Interpreter of the Law,'* instructing the Jews about returning to the original Master Covenant and the true desires of YHVH. They sometimes refer to him as "the True Prophet."

> "For this reason, the Law was given by Moses, without which there is no coming to the divine knowledge. For how should anyone know the will of God unless he be taught by the Law and the Prophets? ... For Moses foretold him, saying, 'A Prophet shall the Lord your God raise up unto you of your brethren, like unto me.'" *(Recognitions Book 4 Ch 5)*

> "And therefore, he who is the true Prophet did not come to destroy the Law, but to fulfil it, and to teach men to worship one God, and to live in holiness and justice. For the Law was given by Moses, but it was not new, having been from the beginning; and Messiah came to confirm it, and to make it known to all. And thus, the same

God who spoke by the Law and the Prophets, sent His Son to declare His will more fully, that men might know and worship Him alone." *(Recognitions Book 4 Ch 6)* (Adapted)

Of course, Yeshua would have no need to teach the Jews to worship the one true God as they had always known who YHVH was. Yeshua came to "declare His will more fully that (all) men might know and worship Him alone." "Men" was directed at the pagan polytheistic Gentiles. Yeshua confirmed the true interpretation of God's word often called the "Higher Torah"—that's what "fulfill the Law" actually means. And importantly, God brought the moral code of Torah to a world that mostly (with exceptions) had none.

The following are from *Homilies Book 8, Chapters 5 through 7:*

"(5) For on this account also our Lord himself says that he is sent to the lost sheep of the house of Israel, and that he ought not to go to the Gentiles, except in so far as he bestows on them the same instruction. *For the doctrine which he gave to the Jews, he also imparts to the Gentiles*…;" (Adapted, emphasis ours)

"(6) Moreover, the Law, though given by Moses, was not new, but from the beginning, and was given to Adam, and renewed to Noah, and again to Abraham, and was set in order by Moses. But the coming of our Lord Jesus, the true Prophet, confirmed the Law, teaching that there is one God, and that men ought to be just and pious. For the Law, through the tradition of the elders, had been corrupted; but he, coming to fulfill the Law, brought it back to its original truth, teaching men to worship one God, and to live in holiness and justice."

"(7) And therefore, neither are there two gods (i.e., separate gods for Jews and Christians), nor is the Law opposed to the Gospel (of Yeshua). For the same God who gave the Law by Moses, sent Jesus to fulfill it, and to teach men to worship Him alone, and to live righteously. For Moses and Jesus, the true Prophet, are in agreement, preaching the same doctrine concerning the one God, who is above all, and who is the Creator of all things." (Adapted; emphasis ours; see John 17:3, 20:17; Mark 10:6, confirmed by many verses in the Tanakh)

Conclusion—The Way Forward

Both Jews and Christians share the common heritage of the genuine Torah of YHVH given to Moses. As demonstrated, the authentic Torah was only the Ten Words of the Master Covenant and, as we all know: the Scripture usually interprets itself. This is what Moses and Yeshua taught and is the common, unbreakable link between Judaism and Christianity. If we want to save our civilization from collapse, we must embrace this shared heritage and walk together.

We have shown proof validating the Ten Words as the only instruction God personally gave for the people. The multiple references in the Tanakh to the Ten Words *alone* being the genuine ethical "Torah," "the Testimony" and "the Covenant of YHVH" is the basis for many admonitions by the prophets. Yeshua, his followers of the Way /Ebionites, and the Dead Sea Scrolls Essenes all taught the same thing.[18] We have also given evidence that the only thing written on the two tablets of the Testimony (of YHVH) were the Ten Words which are "the God-breathed" Torah of YHVH. All the Hebrew tribes as well as the uncircumcised mixed multitude of resident aliens *(gerim toshavim)* heard and accepted the Ten Words at Horeb. Those Gentiles were a type and shadow of the Gentiles who joined the original community of Jewish followers of the Way—without being required to convert or be circumcised. (Acts 15:19–21)[19]

> "This expectation of ancient Jewish Christianity that the two great religions from which it derived would be brought together in a morality of good works was not realized…The Christ which the Great Church confessed was for them not the True Prophet, but the Lord and the Savior. Just as little did rabbinic Judaism permit discussion of a reform of the Mosaic law. (*ed. note:* the rabbis, descendants of the Pharisees, expanded the five books of Moses (Pentateuch) to include their Oral Law — "the traditions of men.")
>
> "The belief of the primitive church in Palestine and of the Ebionites in Transjordan that Jesus Christ is the new Moses has been condemned to remain unproductive by the church throughout her history; …. expressed in modern terms, God established two covenants with mankind through the revelations on Sinai and Golgotha which in the last resort are nonetheless one 'this striking interpretation of the coexistence of Judaism and Christianity in world history represents a conviction of Ebionite Jewish Christianity which remains worthy of note even today."[20] (Emphasis ours)

Since the tragic "*parting of the ways"* of Jewish and Gentile followers of the Way beginning mid-second century CE, a wide chasm between the two Master Covenant "religions" has existed to this day. Isn't it time that our two paths reunite to defend our common Judeo-Christian heritage—Western Civilization itself?

The unholy alliance between evil, anti-human Marxist/Globalist forces and tyrannical Islam is now revealing itself to the shock of many who are just waking up to it. However, Jews have been on the front line of this modern war against us all for decades —in reality—for centuries. For many Jews, the partnership between the globalist Marxist 'utopia' of the New World Order—where "the state" replaces God (UN, EU, WEF, Communism, etc.) and oversees every thought and deed—combined with their sword, the Islamic Jihadi forces—who dream of a worldwide Sharia-compliant Caliphate, are all too familiar threats. For Americans, this evil confederation, fueled by the latest Jihadi

rallying cry, "First the Little Satan (Israel); then the Great Satan," should sound the alarm of the existential threat that requires immediate action. Israel is Christianity's natural ally in this fight.

Brothers and Sisters: Do you believe the words and actions of the radical Left-wing globalist New World Order (NWO) and their sword and partners—the Islamist Jihadis to destroy our religious heritage and our country are aimed at you? If not, why not?

We must unite—Jews and Christians—under the Master Covenant, The Ten Words, the Abrahamic foundation we profess to follow, forming a "shield wall" to stand in prayerful action against the existential threat to our Judeo-Christian heritage, until it is exposed and defeated, ensuring the survival of us all.

Shalom u'vrakhah – Peace and blessings,

4. We do not consider Islam and Sharia (Islamic law) to comprise an authentic Abrahamic faith. Their three holy books containing the tenets of Islam are the Qur'an, the Hadith, and, to a lesser extent, the Sira (biographies of the Prophet Muhammad). These books promote jihad, conquest, colonization, misogyny, rape, forced conversion, pedophilia, enslavement and/or death for **all** *"kafirs"* (i.e. infidels, subhumans, 'unbelievers' in Muhammed as Allah's 'final prophet" and ideal exemplar whom all men are to emulate). Sadly, peaceful or "reformed" Muslims are considered apostates to true Islam doctrine. The "uniting" of historical Islam with the radical Left's Marxist New World Order (NWO; Globalism) is akin to their alliance with the Nazis in WWII, except this time "The Final Solution" is focused on Western Judeo-Christian culture and civilization.
5. We will use the transliterated 'YHVH' instead of the traditional "the LORD" (JPS Bible, 1901; "Jehovah" in the ASV Bible, 1901) to enhance the reader's understanding of how the Hebrew Scriptures (TNK) really speak. The use of the LORD does not convey the uniqueness of one of God's (God's) attributes, i.e. his eternal "Being" like "YHVH" does. Also, "lord/Lord" in Hebrew (*adon/Adonai*) or

Greek (*kurios/Kurios*) can mean anything from a respectful "sir" or "master" to a lesser "god," or applied to the Supreme YHVH.

10. John 4:2 is considered by many scholars to have been a later editorial insertion. Bruce M. descriptions of the Ebionites as distinguished by their observance of circumcision and the Tora. 1.35.2 might be taken to mean that the Decalogue alone is of permanent validity, while the rest of the Tora (i.e. sacrificial system) was imposed by Moses because of the people's idolatrous tendency revealed in the worship of the golden calf (1.35.5–6). In that case, the information that Israel was blessed by God "whenever they observed the law without sacrifices" (1.37.1 Syriac) would have to refer to the observance of the Decalogue alone, the rest of the Law being categorized with sacrifices."

19. Even one year into the Exodus, about ten months after the giving of the Ten Words, these Gentiles were still described as "resident aliens" *(gerim toshavim)* within Israel. This is evidenced at Numbers 11:4, wherein all the people are described as being fed up with eating the manna: "***And the mixed multitude that was among them fell a lusting; <u>and</u> the children of Israel <u>also</u> wept on their part.***" This verse provides evidence that those same Gentiles were still not considered to be Israelites since they and the "children of Israel" are still presented as two distinct groups. Not until the Exodus generation died off in the wilderness and entered the land with Joshua did the new generation of the mixed multitude become *gerim tsedekkim* (righteous converts) by being circumcised along with all the new generation of Israelites (Joshua 5:2–10).

Andrew Towe: You Are at a Cross-over Moment

Your Miracle Responds to Your Voice

I heard the Lord say***, "You are at a cross-over moment."*** Now is the time for you to step into the new. I am moving you from a place of stagnation to one of swift progress, but you must take action and make the choice to move forward."

"Sing, O barren, thou that didst not bear; break forth into singing, and cry aloud, thou that didst not travail with child: for more are the children of the desolate than the children of the married wife, saith the Lord.

"Enlarge the place of thy tent, and let them stretch forth the curtains of thine habitations: spare not, lengthen thy cords, and strengthen thy stakes." (Isaiah 54:1–2 KJV)

Take note that He commands the barren to sing. **Your next level of blessing is revealed by the waves of sound.** Your miracle responds to your voice.

It's easy to sing when life is flourishing and God's blessings are evident all around you, but what happens when you find yourself in a dry, barren place, where nothing seems to thrive?

In those moments, the last thing on your mind is likely to be a song of joy! Nevertheless, the Lord instructs us to do just that. Why is this important? Because it serves as a bridge to your breakthrough. **Your song is the key that unlocks a new season in your life.**

Singing Your Way Toward a New Beginning

The Scripture tells us, **"More are the children of the desolate than the children of the married wife" (Isaiah 54:1 KJV).** As you reflect on this message, you might find yourself in challenging situations that have weighed you down. However, as you choose to lift your voice in song, you are singing your way toward a new beginning. You are stepping into a season of acceleration!

The Lord declares, "***Those who have been forgotten, overlooked, and even Rejected are entering a time of abundance. They are crossing over from bareness to fruitfulness!***

"Furthermore, My people are entering into a supernatural season of RESTORATION and REVIVAL. Do not place limits on what I am capable of accomplishing. Dream big! Expect extraordinary things, for they are surely on their way to you."

Stretch Forth and Take New Territory

Consider the words of **Isaiah 54 verse 2: "Enlarge the place of thy tent, and let them stretch forth the curtains of thine habitations: spare not, lengthen thy cords, and strengthen thy stakes" (KJV).** You are on the verge of expansion!

"Stretch forth" signifies that this is not a time to scale back and retreat, but rather to make bold steps of faith. Stand firm and refuse to give up any ground to the enemy. Prepare for the Lord to restore what has been stolen and for you to take NEW TERRITORY. Lengthen your cords, and strengthen your stakes (see v. 2). This is not the moment to withdraw or pull back; instead, it is your season to establish new boundaries and firmly lay your claim to the good land that God has promised to you.

Seeds of Potential Are Breaking Forth into a Bountiful Harvest

"For thou shalt break forth on the right hand and on the left; and thy seed shall inherit the Gentiles, and make the desolate cities to be inhabited.

"Fear not; for thou shalt not be ashamed: neither be thou confounded; for thou shalt not be put to shame: for thou shalt forget the shame of thy youth, and shalt not remember the reproach of thy widowhood anymore." (Isaiah 54:3–4 KJV)

This is the moment for the seed of potential that God has planted down deep within you to BREAK FORTH into a bountiful harvest!

I rebuke the spirit of fear that has tried to keep you bound to a past season. God is orchestrating new and transformative opportunities just for you. You must choose to walk by faith, and not by sight. God is giving you fresh vision to see your future through the lens of the Holy Spirit.

Pay close attention to what Isaiah 54 verse 4 conveys: "For thou shalt forget the shame of thy youth, and shalt not remember the reproach of thy widowhood anymore" (KJV). This is crucial. God is saying, "The shackles of shame from your past disappointments and failures have been broken over your life. THEY ARE IN THE PAST!"

The devil is counting on you to remain defeated, overwhelmed, and barren, but I prophetically call you forth today. I announce that this is your time to CROSS OVER, with a song of victory rising from your lips. **As we enter the final quarter of 2025, know that as you sing, you are stepping into a winning season of favor and triumph!** God has given you the power to sing. Your song will birth the most extraordinary outpouring of His Spirit that you have ever experienced in your life. Your best days are still ahead of you!

"Better is the end of a thing than the beginning thereof." (Ecclesiastes 7:8 KJV)

Lana Vawser: I HEARD THE LORD SPEAKING TO MANY DAUGHTERS OF GOD, 'DON'T ALLOW THE MAGNITUDE OF THE MANDATE AND PROMISES I HAVE GIVEN YOU TO OVERWHELM YOU! I AM TAKING YOU TO A NEW LEVEL OF FAITH.'

October 21, 2025
Recently I heard the Lord speaking to many daughters of God, 'Don't allow the magnitude of the mandate and promises I have given you to overwhelm you! I am taking you to a new level of faith.'

As the Lord spoke these words, I began to see many daughters of God hearing and receiving promises and mandates from the Lord that felt more impossible than ever before. I could hear many daughters of God saying, 'This would be miraculous, this would literally take a miracle. This is not possible in the natural realm.'

As I heard these words being spoken by many daughters of God, I heard the Lord reply:

'Just believe.'

I then heard 2 Corinthians 1:20 surrounding me:

'For as many as are the promises of God, in Christ they are (all answered) "Yes." So through Him we say our "Amen" to the glory of God.' (AMP)

As the Lord spoke those words, '***Just believe,'*** I could feel the simplicity of childlike faith and at the same time the deeper depth of stretching and surrender that the Lord was bringing many of His daughters into – taking Him at His Word. The sense surrounded me that these mandates and promises that the Lord was speaking to them – to align their faith and obedience with – were greater than anything they had believed for before.

As I leaned into the Lord and listened to His heart, I heard:

'My daughters, do not allow the magnitude of the mandate and promises I have given you to overwhelm you. For I say unto you, that I am taking you to a deeper level of faith, and I am teaching you in a greater way what it looks like to walk by faith and not by sight (2 Cor 5:7) and to walk in the ways of My wisdom. I am causing you to ascend in these days, further from the

natural realm and to be even more deeply awakened to the heavenly reality and supernatural realm which you live from.

'I say unto you, that I am taking you deeper into the incubator of faith, deeper into the incubator of My heart and faithfulness and glorious nature; to see that which I am speaking and releasing manifest in your lives in ways that you have not yet even imagined (1 Corinthians 2:9). I say unto you, that you are living in the days of seeing the greatest bursting forth of My power and My miraculous hand in ways that you have not yet seen.

'I say unto you, that where you remember and rejoice in miracles that I have done in the past and you continue to feed on My faithfulness displayed in these miraculous moves of My hand; I say unto you, that the miracles you are going to see in these days, as you align your faith with the promises and the mandates I have given you, will be beyond compare to what you have seen before.

'I say unto you, that part of the stewardship of these promises and mandates which I am speaking and releasing to you, you must keep your eyes on Me. You must keep your eyes above and locked in with My gaze. I say unto you, look not at the natural realm and be overwhelmed by the sound and the landscape of the natural realm; but look up and into My eyes and be OVERWHELMED with My goodness and My faithfulness. For I am the Lord thy God who is faithful. My faithfulness will be your shield and rampart. (Psalm 91:4) I say unto you, be not dismayed by the stretching that is taking place, but lean into the stretching by giving your whole heart and faith to that which I have spoken.

'I say unto you, it is time for some of you to believe again and to open your hearts to Me again, and trust Me again and that which I am speaking. For these new realms of faith I am leading you into – the magnitude of the promises and mandates that I am speaking and releasing – are not to bring you deeper into disappointment: but I say unto you, I am leading you into greater places of divine appointment. I am bringing you into greater depths of encountering My heart, My nature and My ferocious faithfulness towards you.

'I say unto you, that there are some of you who have been walking through life with heavy hearts, deep disappointments, griefs and hope deferred. But I say unto you, WATCH how healing, life, refreshment and hope will flood into

your heart as you watch Me move in these days as you trust Me and what I have spoken.'

Hebrews 6:13 then surrounded me loudly:

'For when God made his promise to Abraham, he swore an oath to do what he had promised; and since there was no one greater than himself for him to swear by, he swore by himself.'

The Lord continued to speak:

'I say unto you, that there shall be mighty demonstrations of My ferocious faithfulness towards you. I am making room for My Glory in the stretching. I am making room for My miraculous power in the stretching. I say unto you that you have entered days of the miraculous movement of My Spirit and the magnitude of what I am going to do displayed in ways you have never seen.

'I say unto you, PROTECT THE PROMISE! I say unto you PROTECT THE PROMISE!'

As the Lord spoke these words, Luke 2:19:

'But Mary treasured all these things, giving careful thought to them and pondering them in her heart.'

The Lord continued to speak:

'Protect the promise through your pondering. I say unto you, be not careless and loose-lipped with that which I am speaking and revealing to you. For I am bringing you deeper into a place of private, close, intimate communion with Me and prayer to Me, where I am going to speak things and birth things within you that your eyes have not seen. I say unto you, that you must cultivate the place for My promise – and the revelation of My promises and mandates I am speaking and releasing to you – to grow within you; and unbelief and curse words must be kept away from that which I am speaking. You must protect the promises and the mandates. I say unto you, in the pondering I shall pour out My Spirit and My strategy and wisdom for you to move with Me and know the steps that I am calling you to take.

'Where many of you have felt like your lives have been filled with mountain after mountain in many past seasons, I am declaring over you that as you stand and just believe in faith that which I am speaking and releasing to you, your lives shall be filled in this season with MIRACLE AFTER MIRACLE!

'Watch how I shall not only fulfil ALL I have spoken and promised to you and the mandates I have given you; you shall have all you need, above and beyond in My provision for the vision. As you follow Me and believe, I am bringing you to life. I am bringing you deeper into what it looks like to live fully alive. In this stretching time, this is a time not only for miracles but for your divine comeback.

'I am restoring your hearts. I am restoring life. I am restoring joy. I am restoring breath. I am bringing you into the deeper place of abiding with Me, where you shall know life and life more abundantly (John 10:10) in ways you have not experienced before. And the fruitfulness that shall come forth in fullness will be unprecedented. Joy in Me and in My faithfulness and fulfilment of what I speak WILL burst forth, because I AM FAITHFUL! I am moving you from "fight or flight" to living fully alive in rested faith in Me in greater ways. ARISE!'

Crystal G.H. Lowery: "YOU Give Them Something"

He Started with YOU…

In Mark 6:37–38 (TPT), we read one of the most familiar yet powerful accounts in Scripture—the feeding of the five thousand. But tucked inside this miracle is a

prophetic key most of us miss. **Jesus didn't start with the bread. He started with "YOU."**

"But He answered them, 'You give them something to eat.

"'Are you sure?" they replied. 'You really want us to go buy them for supper? It would cost a small fortune to feed all these thousands of hungry people.'

"'How many loaves do you have?' He asked. 'Go and see.'" (Mark 6:37–38 TPT)

The disciples immediately measured the size of the need against their lack. In the natural, it was impossible. **But Jesus was pulling them into the *realm of faith*, the place where human impossibility meets divine possibility.** He asked them to take inventory, not of what they didn't have but of what they did. The five loaves and two fish were not the end of the story; they were the beginning of a prophetic partnership.

And then came the moment of surrender. They placed what they had in His hands. Jesus lifted it to Heaven, blessed it, and then returned it to them. As they distributed it, it multiplied. The increase flowed through their obedience.

This wasn't just a lesson in provision. It was a prophetic picture of how the Kingdom of God operates: Heaven partners with earth. **The supernatural is unlocked when faith acts on what is already in our hands.**

Faith: The Currency of Multiplication

Every miracle in Scripture is rooted in faith—faith to see, faith to trust, faith to release. Jesus wasn't asking His disciples for bread alone; He was asking for their faith. Faith looks at the little in your hand and sees beyond it. **Faith says, "If I place this in His hands, it will not remain little; it will become more than enough."** *(Photo via Pixabay)*

To the single mom, faith says, "This prayer over my child will shape generations."

To the weary Believer, faith says, "My testimony may feel small, but God will use it to feed another hope for their soul."

To the business owner, faith says, "My obedience to give one seed will open the door for a harvest I cannot measure."

Faith never denies the smallness of the seed, but it refuses to measure the seed without factoring in the God who multiplies it.

The Prophetic Invitation: Partnering with Heaven

This miracle also speaks prophetically. Notice the sequence:

1. The disciples surrendered what they had.
2. Jesus looked to Heaven and blessed it.
3. He gave it back to them.
4. As they released it, it multiplied in their hands.

That pattern is prophetic. The Lord is showing us **when you release what you have, He will bless it, return it, and cause it to multiply through you.**

This is the heart of the prophetic—seeing beyond the natural into what Heaven is ready to do. Jesus wasn't only concerned about feeding people lunch. He was training His disciples to live prophetically, acting in faith on what was in their hands, while trusting Heaven to multiply it.

Prophetic people don't just pray for God to meet needs; they become the vessels through which God's provision flows. They don't just see problems; they release the solutions of Heaven by faith.

From Not Enough to More Than Enough

Five loaves and two fish fed thousands. And not only was the crowd satisfied, but twelve baskets were left over, one for each disciple. That's the prophetic sign:

When you move in faith, God not only meets the need, but He also produces overflow. *(Photo via Pixabay)*

This is a word for those who feel stretched thin in this hour. The Lord is saying, "Stop waiting until you feel like you have enough. Stop disqualifying yourself because of what you lack. I am the God of multiplication. But I'm asking

you first: What do *you* have? Place it in My hands. Look to Heaven. Give thanks. Then release it and watch Me multiply it."

Faith in Action: Your Loaves and Fish

Right now, the Lord is raising up Believers who will not simply wait for miracles but will become participants in miracles, which is really the faith-walk life. This is the prophetic invitation—to look at what you hold and realize it is the starting point of supernatural multiplication.

Your words of encouragement may feel like crumbs, but they could be the bread that sustains someone through their storm. Your prayer may feel simple, but Heaven hears it and uses it to shift nations. Your small act of generosity may look insignificant, but it could unlock a floodgate of provision for a ministry or a family in need. In the prophetic realm, nothing given to Jesus stays small.

Pray this with me today: *Lord, I place what I have in Your hands. I refuse to measure my seed by its size, but by Your power. I believe You are multiplying what I give, and as I release it, others will be fed, strengthened, and filled. I will not hold back. I will not despise what I have. I declare that I am a vessel of Your multiplication, and by faith I say: the miracle will flow through me.*

Beloved, the miracle is waiting to flow, not apart from you but through you. *You give them something!*

Amanda Grace: The Shifting & Cyrus the Great

[**Editor's note:** Below are the prophetic words that Amanda Grace shared during her recent interview on ElijahStreams. We encourage you to read through them prayerfully and watch the episode right here for full context.]

The following word was received on October 7, 2025:

The Shifting: This Is a Pivotal Time

ALL glory, honor, and praise be to the Lord of Hosts, Creator, Sustainer of the Heavens and the Earth, the Lion of Judah, the Righteous Judge. He is clothed in splendor, majesty, and holiness. In His hands are the scales of justice upon which the nations are weighed. His eyes wander to and fro across the earth, for the earth is the Lord's and the fullness thereof. The hands of time are at His mercy, as He holds the foundations of the earth in their place, and to His Kingdom there is no end.

And the Spirit of the Lord says this day, "Ready yourselves, My children, ready yourselves. **Be sober-minded and vigilant in an hour of great significance.** The enemy seeks to make a statement, to bring an outcry, to bring great accusation against the Church," says the Lord, "against leadership in your nation," says the Lord, "against Israel," says the Lord. "For accusation shall arise from

Egypt," says the Lord, "for the enemy seeks to derail and destroy the great shifts that are occurring within the earth. For this is a pivotal time," says the Lord. "It is an urgent time where the course of direction must be wisely followed," says the Lord. "For there shall be blockades and embargoes that occur within hubs within the earth in order to attempt to stop justice from going forth and settling the debts that nations so have accumulated in this time," says the Lord.

Events Coming in Twos and Israel's Reverse Exodus Back to Egypt

Thus says the Lord, "Events shall come in twos, for this is a significant marking of time within the earth," says the Lord. "It is a delicate time; it is a time where the actions of men and leaders shall begin to make agreements to prevent an all-out war in the Middle East," says the Lord. "For at two years," says the Lord, "Hamas is surrounded," says the Lord. "It is surrounded by the nations who once were agreeable to such have bitterly turned," says the Lord. "And the snares that were placed within that region have now come upon them," says the Lord, "have come upon them in a place—Egypt," says the Lord, "Egypt. A place of slavery, a place of defiance against the Lord God Almighty, a place of plagues, a place of the great exodus, a place where a Joseph arose as well," says the Lord.

"Israel finds themselves in a reverse exodus back to Egypt," says the Lord, "once again facing off in Egypt as Moses and the people faced off against Pharaoh. They are dealing with the same regional spirit," says the Lord, "that thousands of years ago enslaved them, and Israel AGREED to the demands Egypt began to make," says the Lord.

"The serpent is around Egypt, circling during such meetings. **Israel, be on guard; do not allow the serpent to beguile, as it has done so many times," says the Lord.** "Do not become defiant in such as your people were in the wilderness, and serpents were released to bite and infect Israel," says the Lord. Leadership of Israel, place your pride at My altar and see such from MY perspective," says the Lord, "for the lives of those who have been captive depend on such," says the Lord.

Thus says the Lord of Hosts, "'The Spirit of the LORD God is upon Me, because the LORD has anointed and commissioned Me to bring good news to the humble and afflicted; He has sent Me to bind up [the wounds of] the brokenhearted, to proclaim release [from confinement and condemnation] to the [physical and spiritual] captives and freedom to prisoners.'" (Isaiah 61:1 AMP)

Thus says the Lord, "The entity in the spirit that is controlling and influencing the areas where the captives are still being held..." Thus says the Lord, "As in the wilderness, [when] I came and tabernacled with My people, so in this time, I the Lord shall do the same. For I the Lord thy God, this day, am ordering from My throne the release of the captives. These powers and rulers must let go of any legal claim," says the Lord. "For there is a weakening and a shift," says the Lord, "and if Hamas does not let go of the captives within a very short window, I the Lord am a consuming fire, and consume them I shall," says the Lord. "I shall do to them what was done to the Philistines," says the Lord, "their physical persons; it shall spread at a supernatural rate," says the Lord. **"Israel in Egypt needs to call on the name of Yeshua," says the Lord.**

Exposing the True Heart Posture of Both Parties

And says the Spirit of the Lord this day, **"There shall be an accounting within the government of the United States for the blood that was shed," says the Lord.** "For what was shed was meant to open a legal door for a second attempt on a high leader in your nation. The cries of the nation to Almighty God in this time have weakened such a plan; however," says the Lord, "it has not broken it. There is about to be a shift," says the Lord. "I, the Lord, shall change the course. For," says the Lord, "leadership in your nation MUST perceive the rerouting the enemy has done," says the Lord, "where he has been coming from a different direction and a different angle," says the Lord. *(Photo via Pxfuel)*

"There are areas of weakness the enemy shall attempt to exploit as your government experiences a shut down. For I, the Lord, am causing events to occur to bring such to a head," says the Lord, "in order to expose the true heart posture of both parties," says the Lord, "BOTH PARTIES."

"For such a shutdown," says the Lord, "choose wisely," says the Lord, **"for if you choose to build on sand in this time, 2026 will be lost," says the Lord.** "If you choose in this time to bargain away the cornerstones for a weakened, compromised structure, then it will not hold the weight of what is coming," says

the Lord. "For," says the Lord, "I am allowing a great pressure to build," says the Lord. "It is being allowed to build in areas of your nation. It is being allowed to be applied," says the Lord, "to Washington, D.C., to the White House," says the Lord, "to Chicago," says the Lord, "to New York," says the Lord, "to Portland," says the Lord, "to Los Angeles," says the Lord, "Denver," says the Lord—"areas where the rulers and dark counsels are on the move," says the Lord, "to attempt to rise up to force a clash with the president in order to power the very altars that have given them their power," says the Lord.

"Amidst such shutdowns, there are uprisings, rebellion, a perceived weakness of such. A shutdown has stirred those spirits influencing such leaders of these areas to uprise now.

Deals to Maintain Control

"The mayor of Chicago [and] the governor of Illinois have met with dark councils, have met with brotherhoods, have made blood deals with gangs in those areas to maintain control. Blood deals with gangs, this shall be exposed," says the Lord. "For the greatest scandal to ever come forth out of Chicago shall come forth in this time.

"For as the media, as the nation, yells 'Shutdown, shutdown!' I the Lord thy God am opening things WIDE UP," says the Lord. "I am gutting such down to the hallows," says the Lord. "Shutdowns will not cover up what you have done," says the Lord. "For," says the Lord, "at the FBI and the CIA, the cover shall be ripped off of such—an intricate plot that was made to look clean on the surface," says the Lord. "I the Lord am cautioning the heads and co-heads of such agencies: **Do not allow the cover-ups to go back underground. Do not make deals to keep such in the dark but expose them and tear out the root of 911 that has wrapped deep around these agencies and continues to produce offshoots of such," says the Lord.**

There Has Been an Infiltration: High Alert!

"In this time," says the Lord, "there shall be a great breaking up of what has covered such up, and the root in all its ugliness shall come forth," says the Lord. "For in this nation," says the Lord, "there has been an infiltration—the governor of New York is involved—an infiltration to bring forth in a moment of perceived weakness another attack, another 911. For terror seeks an occasion amongst a shutdown," says the Lord. "Terror seeks an occasion amidst wars, rumors of wars,

and rogue mayors and governors arising, making such noise amidst the bloodshed in this nation. Terror moves about, seeking to send your nation into complete upheaval," says the Lord, "seeking to be the one who 'rattled the presidency,'" says the Lord.

"For this is greater than the Taliban," says the Lord. "This is a banded network of representatives from these groups banding together by a pact and an oath, like such an oath that was made by Jews and Pharisees, that they would fast until they killed Paul. That spirit that influenced Saul to commit such acts of terror is now on the move to attempt to stop the shift, the great transformation of Paul, in this nation.

"It will take intercession, fierce intercession, and the sword of the Spirit being utilized, and the agreement of the Church to weaken such an attack. For the serpent has not only laid eggs but moved into position in this nation and is posturing itself for another strike around the time of the one-year mark from the election in this nation. High alert," says the Lord, "high alert.

Prayer and Obedience Can Turn the War

"Strategic and powerful prayer can turn the war. Obedience to what I the Lord thy God am requiring in this hour can turn such," says the Lord. "The obedience of the Cabinet and the president and vice in this hour can turn such events that have postured themselves. For just as Hamas appears to make a deal," says the Lord, "the Taliban shall see an occasion and rise up in fierceness—a two-headed serpent. Do not cut one off without the other," says the Lord. "There is a full-circle moment with the Taliban," says the Lord, "that can be cut off and stopped if leadership will hearken unto MY voice," says the Lord. "The advisers, the prognosticators, the company of foolishness yelling in Congress is all noise, that the enemy can attempt to move about undetected.

Logan, Utah

"Logan, Utah," says the Lord. "Logan, Utah... WATCH an uncovering," says the Lord, "that connects to Orem," says the Lord, "that connects to the nation," says the Lord.

My People Must Build

"Amongst the tumult, MY people MUST BUILD," says the Lord, "HUMBLY BUILD, catch the vision, and contend in this time.

"Do not let the tumult distract you or stifle you. This is a window of immense favor I am placing upon My children to build and to take territory and to position now in obedience so the dictatorship that shall fiercely arise with the backing of dark counsels shall not overtake in 2028. *(Photo via Piqsels)*

They Are Attempting to Open a Gate in 2027

"A fabricated event in 2027 will attempt to rattle and shake the earth and derail leadership that I the Lord have chosen. They are attempting to open a gate in 2027," says the Lord. "Bill Gates has until then to repent," says the Lord.

Cartels and Drug Giants Shall Be Struck

"The cartels and drug giants shall be struck in this time. There are scrolls of judgments that have gone forth, and the most well-known drug companies in this time will experience their greatest setbacks, for they and the cartels are connected in the spirit," says the Lord. "And the cartels, half their wealth shall be seized within a seven-day period," says the Lord, "and shall greatly cripple such giants and throw them down," says the Lord.

The Window Is Closing on the Leader of Venezuela

"The window is closing on the leader of Venezuela," says the Lord. "Grace has been offered; judgment is coming," says the Lord, "a catastrophic fracture to the infrastructure of Venezuela," says the Lord. "For in this time, there is a shift that is meant to fracture the platforms of leadership within the earth who have trifled in MY business," says the Lord, "who have attempted to snuff out MY Word," says the Lord.

France: Rebellion Has Reached a Crescendo

"Woundings in this time; France/furnace at the moment shall buckle on itself along with those locked in a battle with such a leader. Those court cases shall implode, and both sides shall fall," says the Lord, "for the rebellion has reached a crescendo, and the sword of Saul has gone out," says the Lord.

[Note from Amanda Grace: When receiving this, the word "furnace" came up, but it's really France. Sometimes when this happens, I leave it, because its piloting to the temperature of that nation.]

The Skies of Israel

"A phenomenon shall occur over the skies of Israel to mark this time," says the Lord.

"There shall be a shocking incident at the Temple Mount to mark the time as well."

Russia and Ukraine Are on Their Last Leg

And the Spirit of the Lord says this day, "Leadership of Russia and Ukraine are on their last leg," says the Lord. "For this is a time of a great shift, and those who do not repent and turn will fall into the fiery cauldron their hands so built," says the Lord.

Watch Indonesia and India

"Watch Indonesia in this hour, and India," says the Lord. "Double I's, double attack," says the Lord.

The Lion and the Snake

"Amidst the sword and spear and javelin being deployed in your nation, boldly proclaim My Word," says the Lord, "so those weapons of mass destruction will reverse upon the senders," says the Lord.

"For the lion and serpent have both gone out," says the Lord, "both predators. One constricts while the other attacks the main lifeline," says the Lord. "Both the lion and the serpent have gone out in England as well, and both will strike in tandem," says the Lord. "It has gone out in the United States," says the Lord, "and the dismantling [of] such in the name of Jesus Christ will expose right before

the strike. For the lion and serpent will suddenly turn and hunt each other," says the Lord, "including within their own parties," says the Lord.

Covenants Made in the Dark Shall Be Exposed

"This is a delicate time," says the Lord. "Events in tandem, one after the other... For the nation needs to continue to humble itself," says the Lord. "Israel must humble itself," says the Lord, "so I do not stay My hand in such matters.

"Therefore, submit to God, RESIST the devil, and he shall flee from you. Resisting without submission is nothing more than rebellion, and that is what attempts to arise in this hour with a venomous outcry in Congress, in the nation, in leadership, in the arena where conservative voices speak across the airwaves. They are resisting without submitting. That," says the Lord, "is rebellion, which is as the sin of witchcraft. And the spell they are under, they attempt to spellbind the people with; that shall be exposed and broken, and the true funding source exposed, as I the Lord am examining the voices who claim they serve Me, however utter such corruption and confusion.

"Oh, the deals you have made in the dark; the deal your spouse made in the dark is about to be exposed," says the Lord. "I have given time; I have given mercy. The mercy seat has been now withdrawn, and the judgment seat has been brought forth," says the Lord. "The covenants you made in the dark will now be what causes your fall," says the Lord, "in the light.

"The Conservative movement is in a civil war," says the Lord, "because I the Lord was never the cornerstone of such, and now a counterfeit cornerstone has attempted to be seamlessly switched out; for the 'we' has turned into 'me,'" says the Lord, "and 'my' theories, and 'my' sources, and 'my' story, and 'my' voice when the sheep scatter and fracture is when the wolves arrive," says the Lord. "Some of you are one step from complete loss at your own hands.

"**STOP THE OBSESSION WITH DAVID," SAYS THE LORD, "FOR YOUR LIFE IS NOT RIGHT BEFORE ME. YOUR OBSESSION WITH DAVID IS BRINGING YOU RIGHT INTO A TRAP. YOU ARE ONE STEP AWAY," SAYS THE LORD, "TURN BACK NOW." *(Photo via Wikimedia Commons)***

Be Strong and Courageous

"I am a merciful God," says the Lord. "I am long-suffering, and I love My children. However, the time requires a greater level of discipline and maturity from My people in order to withstand and dismantle the attacks of the enemy, the sophisticated arguments in high places.

"Be strong and courageous. Do not be afraid, for the Lord your God is with you wherever you go. Make that choice, and step into My plans, My purposes, My timeline," says the Lord, "and dismantle such that the enemy has attempted to put in place," thus says the Lord of Hosts, in the name of Jesus Christ, amen.

The following word was released on Monday, October 13, 2025, which was 21 Tishrei, 5786:

Hostages Freed, 911, and a Trump-Cyrus Connection

The significance of October 13th in history:

• 1792: The cornerstone of the White House was laid in Washington, D.C.

• 1943: Italy declared war on Germany during World War II, shifting alliances after Mussolini's fall. (So alliances shifted in a war where Jews were held captive.)

Looking at October 13, 2025 (10-13-2025), you can find the two "1s" from the numbers "10" and "13," then find the number 9 by adding up the digits in 2025 (2+0+2+5=9). Then, if you reverse the numbers, you find that 911 is in this date; this was called Israel's 911.

October 13, 2025 was also the last day of the Feast of Tabernacles, where the Jews' exodus out of Egypt and captivity is celebrated.

The talks between Israel and Hamas took place in Egypt, the place of the Jews' original slavery. On the last day of that celebration, on a date (October 13, 2025) that has "911" in it, after the talks in Egypt (which was the original ground zero for "Let My people go"—the epic showdown between Pharaoh and Almighty God

through Moses—the place where the Jews were freed from captivity), the twenty remaining hostages that were alive were freed by Hamas.

The year *2023* was the beginning of the war. Let me read to you what Exodus *20:2–3* says: "I am the LORD your God, who has brought you out of the land of Egypt, out of the house of slavery. You shall have no other gods before Me." (AMP)

Also, along with this was a twenty-point peace plan. *Who went in to get the hostages?* The Red Cross... RED CROSS—*Yeshua Hamashiach!* The symbolism here is wild! Yeshua Hamashiach, Jesus Christ, hung on a blood-stained cross; this is who went in and delivered them out of captivity.

October is the *tenth* month on our calendar. Daniel *10:13* says, "But the prince of the kingdom of Persia was standing in opposition to me for *twenty-one* days. Then, behold, Michael, one of the chief [of the celestial] princes, came to help me, for I had been left there with the kings of Persia" (AMP).

October 13th (*10:13*) happens to be the *21st* day of Tishri.

What Does President Trump Have in Common with Cyrus the Great?

Below is a headline about Donald Trump from India Today:

Cyrus the Great Is Alive: Why Israelis See an Ancient Persian King in Trump

"Israelis have likened Donald Trump to the ancient Persian ruler Cyrus the Great, celebrating him as a modern-day liberator who, like Cyrus who ended the Jewish exile in Babylon, has restored Israel's fortunes through his decisive actions."

"Amid a wave of euphoria following the successful Gaza ceasefire and the return of the last hostages, Israel greeted U.S. President Donald Trump with an extraordinary form of admiration—a comparison to the ancient Persian ruler, Cyrus the Great. Billboards and signs across Jerusalem and Tel Aviv proclaimed: 'Cyrus the Great is alive!' in a symbolic tribute to the visiting U.S. president."

Ezra 1:1–4 (AMP): "Now in the first year of Cyrus king of Persia [that is, the first year he ruled Babylon], in order to fulfill the word of the LORD by the mouth of Jeremiah [the prophet], the LORD stirred up (put in motion) the spirit of Cyrus king of Persia, so that he sent a proclamation throughout all his kingdom, and also put it in writing, saying:

'Thus says Cyrus king of Persia: "The LORD, the God of Heaven, has given me all the kingdoms of the earth and He has appointed me to build Him a house at Jerusalem, which is in Judah. Whoever there is among you of all His people, may his God be with him! Let him go up to Jerusalem, which is in Judah and rebuild the house of the LORD, the God of Israel; He is God who is in Jerusalem. In any place where a survivor (Jewish exile) may live, let the men (Gentiles) of that place support him with silver and gold, with goods and cattle, together with freewill offerings for the house of God in Jerusalem."'"

In Trump's first year, he put forth this twenty-point peace agreement to rebuild Gaza. We are in the year *2025*, and the date the hostages were freed equals *911*:

Jeremiah *25:9–11* (AMP): "'Behold (hear this), I will send for all the families of the north,' says the LORD, 'and I will send for Nebuchadnezzar king of Babylon, My servant [to enact My plan], and I will bring them against this land and against its inhabitants and against all these surrounding nations; and I will utterly destroy them and make them a horror and a hissing [that is, an object of warning and ridicule] and an everlasting desolation. Moreover, I will take from them the voice of joy and the voice of gladness, the voice of the bridegroom and the voice of the bride, the sound of the millstones [grinding meal] and the light of the lamp [to light the night]. This whole land will be a waste and a horror, and these nations will serve the king of Babylon seventy years." *(Photo via Picryl)*

Jeremiah prophesied that the Jewish people would be held captive in Babylon for seventy years. **This prophecy was fulfilled when King Cyrus of Persia conquered Babylon and allowed the Jews to return to their homeland.**

Jeremiah 25:12–14 (AMP): "Then when *seventy years* are completed, I will punish the king of Babylon and that nation, the land of the Chaldeans (Babylonia)," says the Lord, "for their wickedness, and will make the land [of the Chaldeans] a perpetual waste. I will bring on that land all My words which I have pronounced against it, all that is written in this book which Jeremiah has prophesied against all the nations. (For many nations and great kings will make slaves of them, even the Chaldeans [who enslaved other nations]; and I will repay [all of] them according to their deeds and according to the work of their [own] hands.)"

Seventy years from 2025 would be 1955. Do you know what happened in 1955? Israel acquired four of the seven Dead Sea Scrolls, containing the book of Isaiah, which mentions King Cyrus by name: *four* of *seven* (47); the 47th president is Donald J. Trump, who has just been compared to Cyrus, who in his first year has freed the hostages from their captivity and allowed them to return home, just as Cyrus did.

Isaiah 45:1–7 (AMP): "This is what the Lord says to His anointed, to Cyrus [king of Persia], whose right hand I have held to subdue nations before him, and I will ungird the loins of kings [disarming them]; to open doors before him so that gates will not be shut:

"I will go before you and level the mountains; I will shatter the doors of bronze and cut through the bars of iron.

"I will give you the treasures of darkness [the hoarded treasures] and the hidden riches of secret places, so that you may know that it is I, the LORD, the God of Israel, who calls you (Cyrus the Great) by your name.

"For the sake of Jacob My servant, and of Israel My chosen, I have also called you by your name; I have given you an honorable name though you have not known Me.

"I am the Lord, and there is no one else; there is no God except Me. I will embrace and arm you, though you have not known Me, that people may know from the rising to the setting of the sun [the world over] that there is no one except Me. I am the LORD, and there is no other, the One forming light and creating darkness, causing peace and creating disaster; I am the LORD who does all these things."

October 13, 2025 was the day the hostages were released, and the day Trump traveled to Israel and spoke at the Knesset.

Isaiah 45:13 (AMP): "I have stirred up Cyrus and put him into action in righteousness [to accomplish My purpose] and I will make all his ways smooth; he will build My city and let My exiles go, without any payment or reward,' says the LORD of hosts."

Watch Russia and Egypt!

Matthew 7:24–27 is a warning for nations built on sand: "So everyone who hears these words of Mine and acts on them, will be like a wise man [a far-sighted,

practical, and sensible man] who built his house on the rock. And the rain fell, and the floods and torrents came, and the winds blew and slammed against that house; yet it did not fall, because it had been founded on the rock. And everyone who hears these words of Mine and does not do them, will be like a foolish (stupid) man who built his house on the sand. And the rain fell, and the floods and torrents came, and the winds blew and slammed against that house; and it fell—and great and complete was its fall." (AMP)

Pay attention for the mid-terms in 2026 and 2027.

Cheshvan 5, 5786: Monday-October 27, 2025
Bobby Haaby: Living from the Inside Out

Have you ever felt like you're constantly trying to measure up, striving to be "good enough" in your spiritual walk? What if I told you that you've been approaching it all wrong? That instead of working from the outside in, God designed you to live from the inside out.

Let's dive into a transformative truth that could revolutionize your relationship with God and your understanding of who you really are.

The Temple of God: Body, Soul, and Spirit

Imagine yourself as a living temple, much like the Old Testament tabernacle. This temple has three distinct parts: the outer court (your body), the inner court (your soul—mind, will, and emotions), and the Holy of Holies (your spirit). Each of these areas plays a crucial role in your spiritual journey, but the key is understanding where true transformation begins.

The Outer Court: Salvation's Starting Point

When you first come to Christ, it's like entering the outer court of the temple. This is where sacrifices were made, and cleansing took place. Similarly, your spiritual journey begins with Jesus' sacrifice cleansing you from sin. As 2 Corinthians 5:17 declares, "Therefore, if anyone is in Christ, he is a new creation. The old has passed away; behold, the new has come!" (ESV)

But here's where many Believers get stuck. They celebrate their forgiveness but never move beyond the outer court. They secure their eternal future but miss out on the fullness of what salvation means for their present life.

The Inner Court: Soul Transformation

Moving deeper, we enter the inner court, the realm of your soul. This is where the real work of discipleship happens. **It's not about striving to earn God's favor but allowing His truth to transform your mind, align your will with His, and shape your emotions.** *(Photo via Rawpixel)*

Psalm 103:2 encourages us, "Bless the Lord, O my soul, and forget not all His benefits" (ESV). It's in this place that revelation flows, wisdom increases, and you begin to reflect the character of Christ more clearly.

The Holy of Holies: Your Spirit's Reality

At the very core of your being lies the Holy of Holies... your spirit. This is where the presence of God dwells in fullness. When you accepted Christ, your spirit was instantly made perfect and complete. Colossians 2:10 affirms that you have been "filled in Him, who is the head of all rule and authority." (ESV)

The astounding truth is this: God's favorite dwelling place is not a building made by human hands but the temple of your spirit. **You are His chosen tabernacle, more precious than any physical structure ever built.**

Living from the Inside Out

Here's the paradigm shift: most of us try to live the Christian life from the *outside in*. We focus on behavior modification, striving to make ourselves righteous through our own efforts. But God's design is for us to live from the *inside out*, allowing the perfection and completeness He's already placed in our spirit to flow outward, transforming our soul and body.

Romans 10:3–4 highlights this crucial distinction: "Since they did not know the righteousness of God and sought to establish their own, they did not submit to God's righteousness. Christ is the culmination of the law so that there may be righteousness for everyone who believes." (NIV)

The key is not trying harder, but surrendering to the truth of who God has already made you to be in Christ.

Alignment: The Path to Transformation

True spiritual growth is about bringing your soul into alignment with what your spirit already knows and contains. Imagine the power unleashed in your life if your mind fully believed what God says, your will effortlessly obeyed His promptings, and your emotions flowed with His peace!

This alignment is a process, and it's okay to be at different stages with different truths. Some revelations you may be ankle-deep in, just beginning to grasp. Others you might be waist-deep in, growing in understanding. And some truths you're fully immersed in, living out daily.

The beautiful thing is, as your soul aligns with your spirit, even your physical body begins to follow suit. Healing, freedom from anxiety, deliverance from strongholds—these often manifest as we allow God's truth to flow from the inside out.

Embracing Your True Identity

Hebrews 10:14 declares a stunning reality: "For by one sacrifice He has made perfect forever those who are being made holy" (NIV). **In your spirit, you are already perfect and complete in Christ. Your journey now is allowing that perfection to transform every area of your life.**

This truth demolishes the need for performance-based Christianity. You don't have to strive to earn God's love or approval; you already have it fully. Your task is to receive and live from that place of acceptance and completeness. *(Photo via Freerange Stock)*

Living as God's Dwelling Place

Colossians 1:27 reminds us that "Christ in you" is the hope of glory. You are quite literally carrying around the presence of the Almighty God within you! This realization should revolutionize how you see yourself and how you approach every aspect of life.

As you embrace this identity, you'll find yourself worshiping God in spirit and truth (John 4:23)—no longer from a place of begging or striving, but from the overflow of what He's already placed within you.

A Journey of Discovery

Living from the inside out is a lifelong adventure of discovering the depths of who God is and who He's made you to be. It's about allowing the rivers of living water Jesus spoke of to flow from your innermost being, bringing life and transformation wherever you go.

So, today, will you choose to stop measuring yourself from the outside in? Will you surrender to the righteousness God has already given you and learn to live from the glorious reality of your spirit outward?

This is the mystery of mysteries: Christ in you, the hope of glory. It's time to dive deep into that mystery and let it transform every aspect of your life from the inside out.

Bruce & Linda Dietler – Kansas

A critical Need Exists Within the Church

Consider for one long moment what the following individuals all have in common: Jefferson Davis, Frederick Douglass, Alexander Hamilton, John Hancock, James Monroe, John Lennon, Ludwig van Beethoven, Louis Armstrong, Malcolm X, Buffalo Bill, Carol Burnett, Marilyn Monroe, Julia Roberts, Babe Ruth, Henry Ford, Colonel Sanders, John Wilkes Booth, Bonnie Parker, Billy the Kid, Lee Harvey Oswald, Esther, Moses, Romulus & Remus, Adolf Hitler

The answer: Besides all being notable, famous, or infamous in their own right, all were orphans. Definitions of the term vary, but one accepted meaning for *orphan* is "a child whose parents have died, are unknown, or have permanently abandoned them."

According to Wikipedia, it can also refer to a child who has lost only one parent, as the Hebrew translation, for example, is "fatherless."

The potential trauma to be suffered by a child in such a circumstance is troubling to consider, and though many individuals are able to overcome such a difficult start in life and do go on to live happy, successful lives, as seen from the list above, many others, understandably, suffer throughout life as a result.

"Placing Out"

Beginning in the mid-1800's in America, growing immigration, urbanization, and economic stressors led to an increasing number of abandoned or neglected children in the cities to such an extent that many lived on the streets or were ultimately placed in orphanages. One novel solution to the problem, offered by urban reformers, was that of placing such children on trains and shipping them to the Midwest for adoption or as indentured servants for five to seven years to whoever would take them. Known as "placing out," this led to the establishment of the so-called "orphan trains." It was a seemingly ideal solution, as state and private institutions could not handle the ever-increasing numbers of such individuals, while at the same time, the rural west suffered from a lack of labor. Farmers needed work hands, retailers and tradesmen needed shop help, and women in these areas complained of lack of "help" such as washerwomen and kitchen girls. By the time the practice of placing out came to an end in the late 1920's, over 200,000 orphans (along with numbers of unemployed women and men) had been removed from eastern cities to the heartland. Of this number, many did find themselves in comfortable and kind homes, while others, unfortunately, did not.

Spiritual Orphans

Though the orphan experience is most often characterized by the loss of one or both parents, I would submit that an individual can equally as well become orphaned either emotionally or spiritually, even if they have living parents, and that likely there are far more examples of this than what are considered to be "true" orphans by the standard definition. The tragic story of one such "feral" child named Genie is documented in on-line accounts. Though she lived with her parents, the father was abusive, the mother had severe trauma of her own due to frequent beatings, and little Genie was severely physically neglected, caged, starved, tortured, and continuously emotionally abused by her father basically from birth until the age of 13, at which time she was rescued by state authorities. Having been abused to such a horrific extent, even though extensive attempts at socialization and therapy had been applied, Genie never gained the ability to speak, walk properly, or in any way to care for herself; she is now in her late 60's.

Nurturing the Orphans

I make mention of Genie's tragic story only for the purpose of absolutely riveting our attention to the critical need that now stands before us within the church, and which will become even more pronounced in the near future as we begin to experience a billion-soul harvest coming into the Kingdom of God. We get all excited, as well we should, in anticipation of the many souls coming to salvation, but we need to consider that the vast majority of these, even if adults, will be as babies or "spiritual orphans," so to speak, who have never been nurtured in the love of Christ and who consequently possess no true understanding of what Christianity is all about. These will be expected to just naturally and effortlessly assimilate into and successfully function in the Christian world while as yet, they have no solid foundation to stand upon or any belief system other than a perverted one which they received from the world. It doesn't happen that way! These spiritual orphans are doomed to failure in the Christian life unless they are cared for, loved to fulness of life, and fed and trained in the pure Word of God. We get all teary-eyed when we hear of a child being abandoned by their mother and being placed into a Safe Haven Baby Box at a fire station, not realizing that the church, itself, is going to be that baby box on a soon-to-be unimaginable scale.

For years, I have had a small placard in my office area of the home as a constant reminder to myself with the saying, "The best thing to spend on your children is time." How do we spend that time with the children? Do we invest it, or do we squander it? In the natural, it is during the foundational years when we must instill godliness, holiness, loyalty, wisdom, family values and Christ-likeness, and by our example bring the child up in the nurture and admonition of the Lord. By extension, so it must be in the church situation. Nobody gleans these values by osmosis; they come through renewing of the mind, and God has ordained teachers and "spiritual parents" to assist in this effort.

As I have said in the past, no true gardener would prepare the ground and plant seeds without then fertilizing, watering, and caring for them until they mature and bear fruit. Likewise, those born into the kingdom of God must be fed not only the milk of the Word and Bible stories (which often is all that is taught in Sunday school), but also the solid meat and deeper truths of the Word and its direct application to their own lives. D.L. Moody promoted Sunday Schools to a high priority, especially for children and youth, but many adults do not participate in such a setting. Direct teaching from the pulpit, rather than only preaching, is the only means that will reach this vast segment of the population.

In 2 Tim 4:2, Paul encouraged Timothy, ***"Preach the Word; be instant in season, out of season; reprove, rebuke, exhort with all long-suffering and doctrine."***

Throughout both epistles to Timothy, Paul instructs him to be mindful to teach what he, Paul, has taught and to beware of false teachers entering the assemblies. Likewise, in 1 Cor 12:28, Paul stresses the importance of teachers when he says, ***"God hath set some in the church, first apostles, secondarily prophets, thirdly teachers ..."*** At Antioch, where the believers were first called "Christians," there were prophets and teachers present to establish the body. (see Acts 13:1)

Billy Graham's greatest concern in ministry was the fate of those who came forward in his crusades. By his reckoning, fully 90% of them likely fell away from Christ and went back into the world. We, as a church, must not allow that to occur. We must present very clear, targeted messages and curricula from the life-giving Word of God to the body in this hour to properly feed and nurture the spiritual orphans and newcomers lest that trend continue. It is not good enough for the church to offer up feel-good social gospel messages, or to provide coffee bars and "user-friendly" experiences, or to attempt to pass off weekly Christian rock performances as pure worship, or to tell the people that, "In this life, you lose!" We are to be the overcoming church (Ekklesia) Christ died for. The "orphans" must come to understand who they are in Christ and gain the understanding of His plan and true purpose for their life. The Bride of Christ is to prepare herself for the Bridegroom. We, collectively, are that Bride. The Bride, as in this case, oftentimes requires attendants to help get her ready.

The Father Heart of God

Expressed throughout scripture are many aspects of the character of God that we must embrace, one being the heart of a good Father toward His children. **Psalm 68:5-6** declares Him to be, ***"A father of the fatherless, and a judge of the widows, is God in his holy habitation. God setteth the solitary in families: he bringeth out those which are bound with chains: but the rebellious dwell in a dry land."*** He is the Father of the great family, the church, and His desire is full, proper functioning within that family. His desire is to loose those who have been bound with chains of worldly, godless mindsets, addictions, carnal thinking, and every other snare of the enemy, and to bring them up into full stature as mature sons and daughters, taught of the Lord. He does that through the teachers and those called to be spiritual fathers and mothers within the body; those who themselves have been established upon the solid foundation of Christ.

The Esther Connection

We are all familiar with the story of Queen Esther, who was an orphan, raised by her uncle Mordecai. However, one aspect of the story of Esther that is overlooked by many is what happened after King Ahasuerus ordered the hanging of Haman and his ten sons on the gallows Haman had built to kill Mordecai. Found in Esther 8:17 is the following statement: *"**And in every province, and in every city, whithersoever the king's commandment and his decree came, the Jews had joy and gladness, a feast and a good day. And many of the people of the land became Jews; for the fear of the Jews fell upon them.**"* The fear of God fell upon the unrighteous, and many became Jews (children of God). Revival broke out and many accepted the God of Abraham, Isaac & Jacob as their own.

God has confirmed to us, and we continue to declare an **Esther work** in our day. God is no respecter of persons; what He did in Esther's day, He will do in ours if we will but believe Him for it and call it forth. This will result as the great shaking takes place throughout the nations and the works and workers of darkness are overthrown. The church needs to be prepared for a mighty influx of orphans, the growth in numbers, the critical need for instruction of the masses, and the expansion of the Kingdom of God. It will indeed be glorious to see precious orphans become excited about experiencing the awesome nature of the true and living God, but we need to be prepared to receive and to care for them. We must be up to the task!

NATE & CHRISTY

18 OCT

This week, our inboxes have been flooded with people asking for prayer in critical situations within their families. Whether it's warfare against marriages, children, finances, or health, the cry has been the same: "What is going on? Why is my home so intensely under attack?"

I want to tell you very simply why. The reason your home and families are under attack is that ***family is the next revival.***

In the past, we've seen revival expressed through the Church, through mega churches, and large denominations, but I believe that in this next season, God has chosen to express Himself through the family. This is the very area that we, as the Church, have often failed to take ownership of and value its importance. We've neglected our homes and done a poor job of prioritizing our families for the sake of the corporate call. But that's all changing.

There are two dynamics at work right now: First, God is leading families higher. He's cleaning out all the bugs, all the problems, all the diseases, and the issues that have been lurking in the darkness, affecting families for too long. He's ironing out the creases, detoxing homes from toxicity, and breaking every demonic assignment that's been at play. God is preparing families to become what they were truly called to be.

The second dynamic is that the enemy is furious and raging right now because he's been exposed. This was his greatest plot and ploy, one that's been at work not just for years or decades, but for generations and centuries, to rob the family unit, and it is coming UNDONE. He's used countless tactics to do so, and now we live in a society that even devalues the family itself. But he hasn't won. The Church is now on a mission to take back what's been stolen, to restore the family to what God designed it to be, and to lay a new, healthy foundation. We're being positioned to become all that God has called us to be in the days to come, and to be ready for what He wants to pour out.

Right now, though, many people are hurting. It doesn't feel positive or enlightening. It doesn't even feel like revival. It feels like deep pain, brokenness, and the very depths of warfare. It looks like the enemy is winning, but he's not.

THE ENEMY IS LOSING GROUND

As I was going to bed last night, **I heard the Lord say, "The enemy is losing ground." Then He led me to Exodus 23:30, which says:**

"Little by little I will drive them out from before you, until you have increased and inherit the land."

I believe this is a promise for us right now. In the midst of what feels like a lot of hard work, husbands and wives and individuals are rising again to stand at their posts in the midst of everything flaring up. It might feel like the walls are closing in. But I believe the opposite is true.

If you're engaging with the Lord and surrendering everything that's warring against you, the walls are not closing in. The enemy is losing ground. You're taking back territory that's been lost, not just for years, but even decades and generations.

We're releasing this word as both hope and encouragement, but also as a call to pray for those walking through deep pain and warfare. This weekend, Christy and I are going to be taking communion while praying over families and homes. We're believing to see warfare pushed back, every hidden snake and demonic plan against families broken, and every crack the enemy created healed. We believe the sources of every assignment meant to derail homes will be exposed, and that there will be a divine pushback in every area that's been under fire.

There has been such a swirl of confusion, an assignment to twist and confuse discernment so that we're unable to see the true nature of the attacks at play. It's almost like the enemy has released a spell over believers to keep us from discerning what is happening against us and around us, but like I shared earlier this week, all of that is being exposed. Dreams are coming, and clarity is coming. If they haven't come yet, stand in agreement, because they will.

For many reading this, even strange health situations that have flared up are going to be healed. All of this is being pushed back by a holy resistance in the Spirit. We're taking back the ground that's been lost.

It's a Ziklag moment where the Lord is declaring over us, *"You will recover all." - 1 Samuel 30:8*

And it's a Nehemiah 4:14 moment, where the Lord says:

"Do not be afraid of them. Remember the Lord, who is great and awesome, and fight for your families, your sons and your daughters, your wives and your homes."

So don't back down. Through prayer, we're fighting for families and rebuilding what's been torn down. We're going to see God's promises over our homes come to pass.

The reason you've been under attack is that God has chosen you and your family to usher in the great harvest and revival. So stand firm. **The Lord will fight for you, your home, and your family.**

If you need prayer, fill out the form below. Then join us in agreement as we all plead the Blood of the Lamb over our families and our homes.

And lastly, I just want to share a breakthrough moment that happened to us and our family recently. While we were in Australia, Christy and I experienced this demonic assignment firsthand. It was confusing and twisting things, even affecting our home. So I asked the Lord to expose what was going on. One night, He revealed the assignment where it was coming from and how to break the partnership with it. As soon as we did, clarity was restored, and the chaos coming from multiple angles broke.

What was the key?

In my dream, it was simple. ***The Lord said, "It is My blood that trumps all."***

That's the reason we're taking communion over families this weekend. I believe God is doing a divine reset through the Blood of the Lamb to reset and restore generations, lineages, marriages, and every covenant. He's cleaning up every single area the enemy has tried to poison, taint, and rob you in. The Lord is shuting doors, canceling contracts and any legal rights to assault. The Lord is beginning a new day.

The Blood of the Lamb speaks a better word. [Hebrews 12:24]

So, pray with us, take communion with us, and let us know how we can support and believe with you this weekend.

Roma Waterman: From Jars of Clay to Megaphones of Glory!

A Kitchen Table with an Empty Chair

In a time of prayer, I saw a kitchen table with an empty chair. **Father God was waiting for you, and there was an invitation to come sit and spend time alone with Jesus.**

He said to me, "Tell them, do not grow weary in the waiting!"

Embrace the Slow

Then, I immediately remembered a story I had studied about the sound of crickets. In the story, someone had slowed down their sound and, in doing so,

changed the frequency. When the sound was slowed down, it sounded like a choir singing in three-part harmony. It was the most beautiful sound.

Although some say this study may not be true, regardless, the Lord brought this to my mind, and what is important is what He said to me. I heard Him say: **"The frequency of slow is going to reveal the sound of My voice in a new way.** You see, I was never silent; I was just on a different frequency. I want My children to learn to embrace slow and not feel guilty about it. Slowing down will not mean you are delayed or missing out. I want you to get off the hamster wheel and learn My 'unforced rhythms of grace' (Matthew 11:29 MSG).

"You have read in My Word that 'no eye has seen, no ear has heard, and no mind has imagined what God has prepared for those who love Him" (1 Corinthians 2:9 NLT). The reason you have not seen and heard is not only because it's above and beyond your wildest dreams, but also because you need to tune in to My frequency.

"The next part of that Scripture is 'but it was to us that God revealed these things by His Spirit.' I am revealing a new way, and it comes when you come into alignment with My sound. **As You slow down, you will receive the revelation you so desire and crave, and what I want deeply to reveal to you.**

Hear the Sound of Heaven

"When I said, 'Your Kingdom come, Your will be done' (Matthew 6:10), it was another example of this. When the Kingdom comes, it changes the frequency."

The Lord says, "Live in My Kingdom come. Live in My will being done on earth as it is in Heaven. It's a different frequency; it's a different level. Earth sounds different, but Heaven is what I want you to hear. And I want the sound of Heaven to be released all over the earth through you!

"You might be asking, 'How do I do this? It is so hard.' I want to encourage you that it's as simple as slowing down—just like slowing down the sound of those crickets. I know it's not easy. This is because the world is fast, and it makes you believe the lie that you are behind, that you missed it, that you're too old or not the right age.

"But here's one way you can see if it's not from Me: the enemy is always in a rush. **The truth is when you slow down, you will accelerate how I move in your life.** I want to set the pace. Let Me set it," says the Lord!

"You don't have to hold it all together. You don't have to juggle it all. There is a simpler way. Let go, and let Me take the reins. (Photo via Pexels)

"Let My Voice Set You Free"

"I want you to know as you exhale and let go of all the pressure you are carrying, I release the disappointment of past seasons off of you. The frequency of sadness is no longer yours. The frequency of depression is no longer yours! **There is a sound from Heaven that wants to make itself known and be released over you. It is the sound of My voice!** It wants to echo within the chambers of your heart and resound over your spirit, soul, and body to recalibrate you back to the place of peace.

"I want to remind you again; the waiting is not wasted time. It's changing the frequency of time... It's like Elijah in the cave, who had seen Me move in power in the fire and the rain, but he still didn't know Me in the whisper. But he learned to in that cave season. He thought it was all over, but it was only just beginning!

"I'm Bringing You Back to Your Original Design"

"Child, I never change, but I'm teaching you to change. But it's really simply coming back to your original design. I made you to hear My voice. Your cave moments won't bring emptiness and silence; they will provide space for your life to be filled with My presence, where My voice is the loudest voice you will hear. You will slow down enough so that even a whisper will ring in your ears, because you are so tuned in.

"**You see, I desire to raise up a people who will not be shaken by the noise of this world but who will only be moved by the sound of My voice**—that you would grow in discernment of who I am, and that will help you discern the times you live in from a place of peace and not despair, where My love will be so overflowing that darkness will have no space to seep in.

From Jars of Clay to Megaphones of Glory

"So, My child, do not grow weary in the waiting! I'm teaching you, refining you, molding you into a new shape. You are My treasure in earthen vessels!"

As the Lord said this, I saw you like a jar. But then it was reshaped into a megaphone. As you grew familiar and confident in hearing God's voice in a new, fresh way, you became His voice. You became a megaphone for a deaf and dying world. You became the voice of peace. *(Photo via Pexels)*

I saw Him place you as a megaphone in His hands. He then brought the megaphone to His lips, and He began to speak hope and life into the earth through you. And it changed the frequency. There was no more chaos. There was a spirit of peace everywhere you went—the oil of gladness instead of mourning, the garment of praise for the spirit of heaviness.

"You see," the Lord says, "You thought this was about you and Me healing you and bringing you to a place of peace, and it is that, but it's so much more! You are My mouthpiece for healing and restoration.

"You might say, 'But, God, I am fragile. I am weary. I cannot carry this type of responsibility.' And to that I say to you, I know your frame is fragile, for that is how I intentionally made you. Did I not allow My Son to enter the frame of mortality, the Word made flesh (John 1:14), knowing how fragile it was? I made you beautifully fragile, an earthen vessel, a jar of clay. It was My choice! It was intentional. I only make good things. **It is not a design flaw; it is a canvas for My glory!**

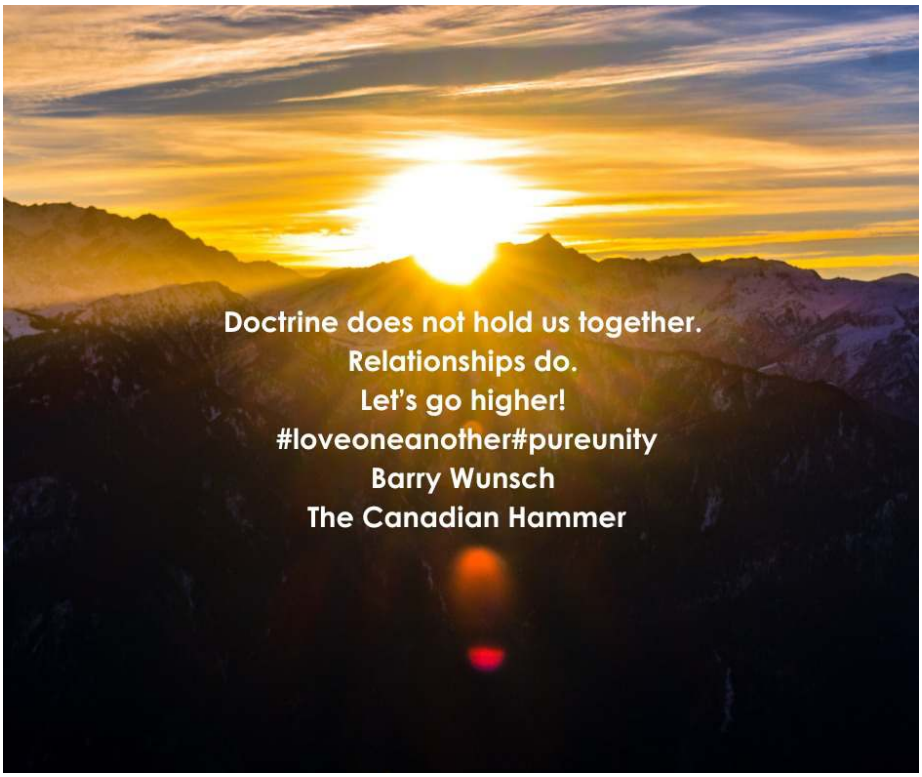

"To be fragile means you will trust Me. You can be humble, receptive to My Potter's hands. A fragile vessel makes room for dependence on Me. And My strength shines most clearly through weakness (1 Corinthians 12:9) so that My power [will be seen] unmistakably from Me and not you!

"So, do not grow weary in the waiting, because this is what I am forming in and through you. Your weakness is not a barrier for My purposes; it is My chosen doorway! Christ in you is the hope of glory (Colossians 1:27)!

"From jars of clay to megaphones of glory, from fragile jars to holy instruments, from the silence of the cave to a voice that shakes nations, from the dissonance of evil to the sound of peace... Do not grow weary in the waiting, because that is My heart for you! **Slow down and let Me do My work. It will change you and change the world around you!"**

Barry Wunsch: "I am turning the Church upside down" September 25, 2025

I woke up at 3 this morning, wide awake and on high alert. I tossed and turned for a while trying to settle down, but I knew I had to get up and spend time with the Lord, so I got up grabbed a drink and went out to sit on the deck. And as I was sitting out looking over Kelowna and Okanagan Lake, I knew something was off. I mean – really off. It was the calm before the storm. I felt really sad, seeing what was coming.
I knew by the Spirit of God that there was major demolition ahead - a tearing down ahead of a big renovation and rebuild. With His Church.
The Father clearly spoke to me.
He said, ***"I am turning the church upside down".*** I was taken into the spirit where I was then shown several ministries and leaders one by one upside down! They were being held upside down by their feet! Not only were they upside down but they were being shaken! As they were being shaken -everything that they had in their pockets was being shaken out! There was money. There were keys to vaults and safety deposit boxes. I saw thumb drives; there were hotel room key cards. I saw boarding passes, crumpled up notes and receipts.

It was all coming out. Every hidden thing was coming out. It was just like a ride at the circus exhibition where you lost your stuff as you were upside down and turned about. It would be painful. But it would bring freedom. I knew by the spirit that some would repent, and some would not, and they would never minister again.

Some of them were raging! They began escalating with such anger in self-defense lashing out against anyone or anything that moved! They were blinded by rage and pride, and they began accusing anyone in their path of attacking them!
They went out of their way to counterattack an attack that was in reality their own delusional paranoia!

They proclaimed it all lies and an attack from the enemy when in fact, it was the Lord who was lovingly bringing discipline to those He loves, and the consequences were the consequences of their actions. They resisted the Father, unable to see clearly let alone come into repentance. Leaders and networks interconnected and intertwined were shaken one after another. And the domino effect began. What started out as good, legitimate, innocent looking networks would now be exposed, and it would come at a great cost to them all. But in the end, it would prove to be the best thing to happen to them.

Then the Father spoke to me clearly:
"An offering is one thing. Fleecing is quite another! I do not take lightly to how shepherds and leaders mistreat My people! These ones have used and abused My precious ones to satisfy their selfish carnal desires! You who have fleeced my sheep, you who have manipulated, and stolen from My people hear Me clearly on this day; It is time to examine your hearts, it is time to lay things down and clean things up! Leave your gift at the altar and go to those you need to go to – and make amends – make things right! For you have made things more about your business than mine! I say unto you on this day, it is in your best interest to sort it out, for if you don't, I surely will. And yes, there is grace, and this is My grace unto you today.

"The Voices of Revival will be The Voices of Despair. Kickbacks and greasy deals are coming to the surface. You can try to hide behind your friends but for only so long! Truth will always prevail over the lies. Either way, it is all coming out! There have been land deals, done in My name, that I had nothing to do with. My name was used to move money, when it was your scheming and planning.

"The truth is, it's a crime. And there will be consequences that will be paid. What evidence was burned in a dumpster fire will not go away that easily. You can't blame the enemy for the consequences. That blame lies upon your actions. Remember, I am a good, good Father, and a good Father disciplines those that He loves, and this is My heart for you; for I do love you and I desire that you could come to me in honesty with your mess with a repentant heart, mind, and spirit. I assure you I will take you through the breaking in order that you will know My statutes and that you will be made whole again. Barry, tell My people it is time to shut down the circus and the exhibition and get back to being the people I have called you to be. For I have called you to disciple Nations.

"I have called you to share the good news. I have called you. The Kingdom of God is near. Heal the sick, raise the dead, cleanse those with leprosy, drive out demons. Freely you have received. Freely give! Return to My ways, My ancient paths, and I tell you things will turn around for good!"

Holy is the word of the Lord
Most Sincerely,

POWERFUL PROPHETIC SIGNS COMING TO PASS

The Dove with a Great Shifting in Its Wings!

America: A Great Shaking, Separation and Shifting!

https://www.hiskingdomprophecy.com/america-a-great.../

September 26, 2020 Veronika West

A Powerful Vision concerning The United States of America and the Nation of Israel.
"A Great shaking, Two trees, The Great Eagle, The great Owl and The White Dove!"
I heard The Spirit say, "Watch! For a great shaking, separation and shifting is now taking place across this nation!"

The Vision!

I am led today by The Holy Spirit to share a very powerful vision encounter I had at the beginning of Rosh Hashanah (Jewish New Year) concerning the nation of America.
This vision encounter took place during a time of early morning prayer and worship when suddenly, I was caught up in the realm of The Spirit, and I found myself standing before a large and beautiful Olive Tree. Its branches were heavy laden with ripe fruit.
Now, as I looked at the Olive Tree, it was quickened to me by The Spirit of Revelation that what I was looking at was the ***'Nation of America.' And as I looked again in the vision at the beautiful Olive Tree, I heard these words, "Watch! For a great shaking, separation and shifting is now taking place across this nation!"***

Get Ready!

As I heard those words, my eyes were drawn back to the large plump olives which hung from the branches of the Olive Tree. I could smell the beautiful fragrance of the very ripe olives, and The Spiritual atmosphere in the vision was filled with such an expectation, and an anticipation, that something highly significant was about to take place. Then suddenly I heard The Spirit say, ***"Get ready! It's Harvest Time! The time of Harvest is now at hand!"*** And as those words echoed in the realm of the Spirit, suddenly, a loud and piercing sound filled the atmosphere in the vision.
It was a sound that was instantly familiar to me, yet it caused me to tremble with The Fear of the LORD. It was the loud and piercing sound of the cry of a Great Eagle. As I heard its piercing cry, I felt a strong wind blow around about me, as the wings of the mighty Great Eagle passed over me!

A Great Shaking!

Now, with my eyes fixed upon the Great Eagle in the vision, I watched as the Great Eagle began to circle high above the Olive Tree. Round and round the Great Eagle flew, its powerful wings moving up and down as if in slow motion. Then suddenly, I saw the Great Eagle begin to fly down towards the heavy-laden Olive Tree. I watched as the Great Eagle came to rest upon the top branches of the tree. But as the feet of the Great Eagle touched the branches of the Olive Tree, suddenly the whole tree began to shake violently. And then I heard these Words, "A time of greater shaking has now begun to take place in this land."

Now, the shaking was so great that I was unable to stand upon my feet, for the ground beneath my me shook with such force that I was brought to my knees.

Harvest Time and Divine Exposures of Darkness!

Now, as I knelt upon the ground, with my eyes still fixed upon the Great Eagle, suddenly I saw that in the midst of the great shaking that was taking place, the heavy-laden fruit on the branches of the Olive Tree were being shaken off the tree and the fruit was falling to the ground. Then I heard these words, "Watch! For a time of greater shaking will now bring forth the greatest harvest the earth has ever seen."
As I heard those Words, suddenly the Vision shifted, and day turned to night and deep darkness surrounded the Olive Tree.

As I watched the Olive Tree continuing to shake violently, suddenly, I saw two large, bright yellow eyes appear in the night sky. As I looked a little closer in the Vision, the face of an Owl came up before me. As I looked at the bright yellow eyes of the Owl, I heard these Words, ***"The eyes of the Great Owl will see what prowls, for even darkness is light to him."***

As I heard those Words, suddenly, I saw Snakes — big black snakes beginning to fall out of the branches of the Olive Tree. And I watched as both the ripe fruit of the Olive Tree, and the big black snakes fell simultaneously to the ground in the midst of the great shaking that was taking place. Then I saw the Great Owl begin to swoop down upon the big black snakes that were falling to the ground, and the Owl began to pick up and devour the black snakes. Then I heard these words, "***Watch! For in the midst of a greater shaking, a great Harvest shall come forth, and every hidden and evil thing shall be exposed and destroyed!"***

A New Movement is Being Birthed in the Earth!

As those Words went forth in the realm of The Spirit, I watched as the Olive Tree continued to be shaken violently. Every big black snake was shaken from its hiding place, and the beautiful ripe fruit on the branches of the tree, were shaken to the ground. And as I watched, I kept hearing these Words, ***"It's Harvest Time! The time of Harvest is now at hand, and every hidden thing shall be exposed and destroyed!"***
Then suddenly, the Vision shifted once again, and I saw a multitude of people beginning to appear 'round about the Olive Tree that was still being violently shaken. But then I heard the sound of many voices, as the multitude who were gathering around the Olive Tree began to sing with one loud voice. And they sang, **"Holy, Holy, Holy is The LORD God Almighty!"**

As the sound of their voices filled the atmosphere, I watched as their feet began to move in time and in rhythm with the sound of the great shaking that was taking place. Then I heard these Words**, "Watch! For a New Movement of Righteousness, Holiness and Justice is rising in the earth."**

As I heard those words, I saw the feet of the multitude moving together as one, and they began to march around and around the Olive Tree. And as they marched in unity, I heard these Words, ***"A Great Awakening has begun as The Army of The LORD rises in the midst of a great shaking. Watch! For Rivers of Revival and Restoration shall rise and flow forth upon the land!"***

A River of Revival and Restoration:

"Their Heels Will Crush the Head of the Serpent Spirits!" As I heard those Words, my eyes were drawn back again to the marching feet of The Army of The LORD and I saw that as they marched, many of the large black snakes that were still falling to the ground and the ripe olives that were still falling from the branches of the tree, were being crushed beneath their feet.
And I watched, as oil — thick oil from the ripe olives — began to cover all their feet. And as they continued to march round and round the Olive Tree, so the thick oil from the crushed olives continued to come forth.

I watched as the thick oil began to rise like a mighty river. At first, only their feet were covered with oil, but as the River of Oil rose quickly, the oil came up to their ankles. Higher and higher the river rose, until I saw The Army of The LORD begin to swim waist deep in the River of Oil. I watched in utter amazement at the acceleration of the rising river, which then began to flow forth across the whole land, and then I heard these

Words, "Rivers of Revival and Restoration shall rise in the midst of great shaking, and a great harvest shall be gathered up, and the head of the serpent shall be crushed under their heels!"

A Time of Shifting Begins!

As I heard The Spirit say those Words, suddenly, the vision shifted once again, and I saw that the Great Owl that had devoured many of the big black snakes, had now gone.

But as I looked up again to the top of the Olive Tree, I saw the Great Eagle stretch forth his mighty wings over the River of Oil. Then I watched as the Great Eagle flew down from the Olive Tree towards the River, which was now flowing with great power, and I saw the tips of his mighty wings touching the top of the River of Oil. As I watched the River flow forth upon the land, it brought Resurrection Life and Supernatural Healing to everything the River touched!

Peace and Victory Comes on the Wings of a Dove!

But then suddenly, a pure White Dove appeared before me in the Vision, and I saw the White Dove fly straight towards the Olive Tree. I watched as it came to rest on the same place where the Great Eagle had been sitting, and as the feet of the White Dove touched the branches of the Olive Tree, suddenly the violent shaking ceased.
A great peace and stillness came upon the Olive Tree.

Then I heard the sound of a soft "coo-oo", followed by another two or three louder coos, as the pure White Dove sat high upon the branches of the Olive Tree.
As the atmosphere was filled with the coo-ooing sound of the White Dove, suddenly, the darkness of the night turned to the brightness of a new day, and then I heard these Words, "Watch and Pray! For a great shaking comes on the wings of the Great Eagle, and a great separation comes on the wings of the Great Owl, and a great shifting comes on the wings of a Dove."

As those words deeply penetrated my heart, I saw the pure White Dove break off an Olive Branch from the top of the Olive Tree, and I watched as the White Dove flew down towards the River of Oil that was flowing forth upon the land. I watched as the Olive Branch was dipped into the River of Oil and thick oil covered the Olive Branch and its leaves. Then I saw the Dove fly up once again with the Olive Branch in its beak.

His Covenant Will Be Restored!

Suddenly, a second beautiful Olive Tree appeared in the vision, and as I looked at the Olive Tree, immediately, The Spirit of Revelation spoke to me saying, ***"Behold, the nation of Israel!" Now as I looked at the nation of Israel (the Olive Tree) my eyes were drawn to the deep roots of the Olive Tree, and I was shown three roots of the Olive Tree. And as I looked at the roots beneath the ground, I heard these Words, "For I AM the God of Abraham, Issac and Jacob!"***

Then I saw the beautiful White Dove with the Olive Branch in its mouth fly towards the Olive Tree (the nation of Israel) and it came to rest upon the branches of the tree. Then I heard these Words, ***"The Olive Branch of Peace and Victory will be given, and The Covenant of Abraham, Issac and Jacob shall be restored, for everyone who calls on My Name shall be saved!"***

Then I saw the roots of the two Olive Trees (the nation of America and the nation of Israel) becoming intertwined.

The vision suddenly lifted, then he showed me;

"First came the GREAT EAGLE with a GREAT SHAKING in its FEET — Then came the GREAT OWL with a GREAT SEPARATION in its EYES — And NOW comes the DOVE with a GREAT SHIFTING in its WINGS!"

So those were the Words I heard last night during a time of meditation and prayer where The Spirit of Revelation caught me up in the realm of The Spirit where I suddenly felt a gentle breeze upon the right side of my face, and as I turned to look, I caught a glimpse of The Wings of a White Dove.

And I heard these words, "**First came the GREAT EAGLE with a GREAT SHAKING in its FEET, then came the GREAT OWL with a GREAT SEPARATION in its EYES, but NOW comes the DOVE with a GREAT SHIFTING in its WINGS!"** As I heard those Words, I saw the Dove circling the Olive Tree that was being shaken, the smell of ripe fruit filled the atmosphere.

I could hear the sound of marching feet, and the atmosphere was filled with an expectation of A Great Victory. I could feel, smell and even taste the spiritual atmosphere which was full of The Glory of the LORD. (There are times when I am caught up in The Spirit Realm where I feel so overwhelmed by the weight of His Glory

that I do not want to return to my natural state. There have been moments in my encounters when I have even asked that I may never return.)

The Spirit of Revelation always gently woos me back and whispers, "Be still and know that My Presence is always with you, and My Glory enthrones you!" Even as I write these Words, my Spirit Man leaps with in me like a baby in the womb. How I long to dwell in the courts of my King forever and never have to leave the deeper realms of His Glory!

Friends, I encourage you to Please read prayerfully over this encounter concerning The Dove. I keep hearing the Spirit say, "Watch, for The Dove is circling, looking for a place to land." I believe The Dove Is Circling, a Divine Realignment and Reordering of things are taking place over the Nations. A Mega Shift Is about to take place, and then I heard these Words, "**Watch and Pray! For a great shaking comes on the wings of the Great Eagle, and a great separation comes on the wings of the Great Owl, and a great shifting comes on the wings of a Dove."**

Dutch Sheets: God is Giving Us a New Start

On April 7, 2020, our friend Gina Gholston had this significant dream. At the time, many who read and heard the dream assumed it was referring to the 2020 presidential election, as it clearly shows President Trump returning to the White House. Several other prophets also received words from the Lord, including dreams, visions, and prophecies, which indicated that Trump would be re-elected, and most of them assumed it would be in 2020. It turns out, the Lord was speaking of 2024.

This was a strong lesson for the body of Christ regarding the interpretation of words from the Lord. The timing can sometimes be difficult to discern, and we must always be cautious not to make assumptions. It is also a strong lesson for those who criticized the prophets, some of whom went so far as to label them "false prophets." However, many prophets obviously DID hear accurately regarding Trump's reelection; it was the timing that was wrong. Here is Gina's dream:

"On April 7, 2020, I dreamed that President Donald J. Trump was walking on the bank of a small river. At first, it seemed he was pacing back and forth, but then I realized he was actually looking for something. He said, 'I was told something had been left here for me and I came to find it, but I'm not seeing it.' He continued to search, but finding nothing, turned to walk away.

"Just as he turned, a wooden crate, measuring about three feet wide, a foot in height, and two feet from front to back, came bobbing up in the water. I could see down in the water, and several people were lying on the bottom of the river. They had been holding the box, but had lost their grip on it, and it rushed to the surface with a splash. President Trump turned to see what caused the splash. When he saw the wooden crate, he reached out, pulled it to the bank, took a knife from his pocket, and used it to open the lid.

"Inside, he found an old Bible, an Appeal to Heaven flag, and communion elements (bread and wine). He immediately took the Appeal to Heaven flag, draped it over his shoulders, and knelt with his right knee on the ground. He placed the Bible under his arm, held the cup of wine in his left hand, and the bread in his right. Then, with tears flowing, he began to pray. With the Appeal to Heaven flag still draped over his shoulders, he looked down at the Bible and communion elements with great admiration and said, 'This is it! This is what I came to find!'

"Suddenly, a huge slingshot appeared, and President Trump stood and positioned himself in it. A hand came into view and pulled him back into the slingshot, launching him from that place. He still carried all of the items he had found in the wooden crate. Just as the President was launched from the slingshot, the 'bottom feeders' who had been in the river holding down the wooden crate came out of the river and tried to grab him. It was too late, however; he was already airborne, and they couldn't stop him.

"I then saw Trump land perfectly, on his feet, like someone finishing a parachute jump. He landed on the steps of the Capitol Building in Washington, D.C., where he was about to give his second inaugural address. This speech was anything but normal! He wrapped the Appeal to Heaven flag around his shoulders and held the old Bible in his hands. I then realized this was one of the Bibles he used when he was sworn in at his first Inauguration Ceremony, a gift his mother had given him, who had connections to the great Hebrides Revival.

"Through tears, President Trump said, 'God is taking us back, and He's giving us a new

start. Now, we are rightly focused. We're getting back on track.' He led the nation in a prayer of sincere repentance. Then he took the communion elements he had found in the wooden crate and led the nation in Communion." (End of dream.)

Takeaways From the Dream

I believe that as America's President, Trump finding the Bible (representing God's Word AND revival), the Appeal to Heaven flag (which represents prayer), and communion elements (symbolizing covenant relationship with God through Christ) speak of both him AND America rediscovering these things. He actually says in his speech, "He's taking us back, giving us a new start, we're rightly focused." Though Satan and Trump's enemies have tried to stop God's purposes, they failed, and will continue to fail.

President Trump led the nation in a prayer of repentance. I know revival is coming to America (and other nations) and that this is associated with national-level repentance. I also feel God has – and will continue to draw President Trump to Himself, and fill him with the Holy Spirit. In the dream, when he found the Bible, the Appeal to Heaven flag, and the communion elements, President Trump fell to his knees and, through tears, said, "This is it! This is what I came to find!" We must pray that our President has "God-encounters," continually "finding" this close connection to the Lord.

As you participate with Communion America this week, know that this is "rightly focusing" us and "getting us back on track," as the dream states. Give thanks to our great God for all He has done, especially for His mercy.

Pray with me:

Father, You have done an amazing thing. What is impossible to man is possible to You. Thanks for putting the person You chose to lead America at this time back in the White House. Satan and people tried EVERYTHING to stop it: assassination, lawfare, corrupt judges, censorship, lies, and betrayal. But You had other plans.

We ask You to use President Trump greatly. Fill him with Your Spirit, give him a passion to know You, and impart great wisdom to him. Cause him to walk in humility, being confident in You alone. At the same time, give him great zeal as You did Jehu when he purged Baal worship from Israel, and as Jesus demonstrated when He cleansed the Temple. And although we are asking You to use Donald Trump, we declare that we are NOT looking to him as our Savior. Unless YOU build the house, we labor in vain (Psalm 127). We ask YOU to save America, just as You have promised.

Protect those in D.C. this week, the thousands gathered there to celebrate Your mercy and salvation over America. We bind every work of darkness, every plan to bring harm, and ask for Your protection. Keep everyone under Your shadow, Your wings, and Your angelic hosts. And lead in all that is said and done. Be glorified in our land! All of this we ask in Yeshua's name. Amen.

Our decree:

We decree that an outpouring of Holy Spirit is coming to America, a Communion revival, bringing back a love for God's Word, passionate prayer, and covenantal intimacy with Christ.

You can click on this link to join Communion America online. There will be events each day, October 9-12.

Michael Shuttlesworth: Know your Enemy

Proverbs 7:1-27

It occurred to me the other day that most of us are not equipped to deal with what is happening in our world today. I am not talking about equipment in a material or physical sense, but in a spiritual sense. You see, this world is in a battle of Good vs. Evil and in order to survive this battle, we must be equipped with the tools needed to survive. Most of us believe that we can recognize our enemies, that since we understand right from wrong that we can just choose to do the right thing. But the enemy understands our weaknesses and can fool us into a relying on our own abilities to withstand his attacks.

Have you ever heard of the book "The Art of War", by Sun Tzu? In his writings he explains the mindset and tactics needed to defeat your enemies. He explains that warfare is based upon deception, hence when able to attack we must seem unable; when near, we must seem to be far, when far away we must seem to be near, pretend to be weak when you are strong, etc. As you can see, deception is the key to victory in battle against your enemies. History is full of great generals or leaders who defeated their enemies in the most difficult of situations, even against overwhelming forces!

In the Bible, you will find numerous passages about great leaders who defeated their enemies in view of overwhelming odds. But they did not rely on their own abilities to defeat their enemies, they relied on their faith in God and in his word.

"Be strong and courageous, for the Lord is with you wherever you go." Joshua 1:9

There have been many times in my life where I have come face to face with my enemy, Satan, and did not recognize him. Temptation comes from Satan and his demons, and we must be prepared to recognize it when attacked. Some of us know our weaknesses and recognize when, where and how the enemy is attacking. But, for so many, the enemy is hidden and unrecognizable until it is too late. Satan is the great deceiver and knows the Art of War, he lures us into complacency, disguises his moves and strikes when we are weak or unprepared.

Recently, I attended a men's Bible study, and we were discussing Proverbs. Each week, they study the proverbs that relates to that day. This week it was proverbs 7, and it just happened to fit into the thoughts that I was having about what is going on in our world today. Isn't it funny how God can take your worries or thoughts and lead you to His word? As I began to study the chapter, it became so clear to me how it correlated to the Art of War. When you look closely, you will discover this situation is divided into 4 distinct parts:

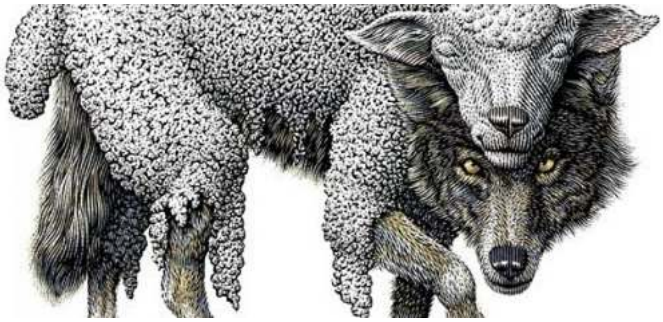

- The Victim
- The Hunter or huntress
- The Tactics
- The Kill

There is also an observer, who is witnessing what is happening to the young man or victim. You will notice in verse 7 that the observer noticed among the young men, one who was lacking wisdom, unable to think for himself and devoid of all sense! He is walking right into a trap and is blind to what is happening. This is how our fallen world has entrapped many of us, through the Art of War deception.

The Hunter or huntress in this case is the woman, who notices him and how gullible he is. She starts to entice him and lure him in using all the tactics she has at her disposal, by playing on his weakness and making her offer seem so easy and harmless. He finally gives in to her, not realizing the consequence of his actions: death! Not death in a physical sense, but a spiritual death.

How so many of us have been convinced that what we were doing was okay, no harm will come of it. This fallen world has dumbed us down, slowly but methodically convincing us that what we were taught to be wrong or immoral, is not so. The pursuit or love of money, the lust of the flesh, and material things is okay and can bring much joy, the world tells us! In verses 1-5, the Lord tells us to keep My words and store up My commands in your heart. Do not depend on your own understanding, but use the wisdom of my teaching, so that it will keep you safe from the hunter/huntress.

As the group discussed Proverbs 7, we all offered our viewpoint on what it meant to us and how it applied to our life. It can be hard to withstand all the temptation of this world, where bad has become good and good has become bad. The enemy is all around us, and temptation is thrown at us on a daily basis. Satan is a wily old wolf, and we must have the "Armor of God" on us at all times. So, what is the Armor of God you say, it is his Word. Keep My word and commandments in your heart and you will not be like this young man, who was devoid of sense.

Even if you study God's word and pray constantly for his protection and ask him to give you strength and discernment, we still have to recognize when our enemy is attacking. We must know the Art of War, and know who or what is your enemy! Whatever you give all your attention to, becomes your focus and controls your thoughts. Be sure to make God your focus, stay in his word, pray constantly, and then your desires will become the desires of God and not Satan.

There have been many times in my life that I did not or could not recognize the enemy, who was luring me into his clutches. I did not have the armor of God with me and was unable to recognize the subtle temptations drawing me in, until it was too late! So, I am reaching out to you as a friend and Brother in Christ.

"Be alert and of sober mind. Your enemy the devil prowls around like a roaring lion looking for someone to devour." 1 Peter 5:8

Look for the signs, learn the Art of War, and keep God's word in your heart. There will always be temptation in your life, but the word of God is your armor and your shield. As it says in **1 Corinthians 16:13, "Be on your guard; stand firm in the faith; be courageous and strong."**

May the Lord Yeshua be with you!

Barry Wunsch
Prophetic Encounter: Entering a year like never before!
September 19/20/21, 2025
Respectfully Submitted
Barry Wunsch

Over the period of several days, the Lord had been giving me open visions of different things. I would be going through my day, and they would open up, and I was seeing different things, different places, different perspectives.

Over the years, I have learned that when this happens, it is a good idea to make a note of it regardless of how random they may seem. In this case, this is what has happened. So, on the night of September 21, I went to bed and woke up around 12:15 A.M. with a very heavy presence of God in the room. It was very heavy.

The next thing I knew, I was in one of the open visions I had in the days before, and only as the Lord can – He began to put them all together and play them out before my eyes. One more thing that I will mention here is the timing of this encounter and the timing of this show. Initially, I was to be on [Elijah Streams] Tuesday, September 16, 2025, and for whatever reason, I was rescheduled to pre-record this on Tuesday September 23, to air on September 24, Yon Kippur.

The Lord knew the day and time it should be released. So here we are! I pray that the release and sharing of this encounter and word would accomplish everything that the Lord has in it, and through it!

In Jesus' name.

So, the first thing I had been taken into was a United States of America Naval Vessel. It was a very large vessel that had a hospital, Doctors, and specialized staff to care for not only the crew on the ship, but there was a separate special team assigned to some very high-level officials on the ship. There was also a highly trained team of administrators, security, intelligence, and logistical members that had been working together for some time now as a well-oiled machine. I knew by the spirit that this was now home to them.

Due to the assignment that they were on, they had to be protected and kept safe for what they had been called to do. There was no flying back and forth anywhere for these ones, they literally had dedicated years of service at great cost to them and their families to do what they were doing. As I saw this, I felt such honor towards them – and I felt such gratitude for them and their service. It felt very real, as I was in about their operations. I did not see a map, but I knew this vessel was in international waters, and due to their position in international waters, they could do things there that could not be done anywhere else in light of International Law.

I hope this makes sense. The area of the ship they were working had been set up in a way that felt sort of like a court room, but it was a little different. It had two main tables in the room facing one another with other chairs and tables. I realized that I was standing in a room that was intended for Military Tribunals.

The head table was where the Generals and officials sat to do their questioning and to present the evidence, this was not done with a lawyer presenting evidence in a greasy way, this was hard core truth. Hard core facts and would present the evidence of the most atrocious crimes against humanity. They had it all in hand, and nothing would be held back. The other table was much smaller.

This is where the perpetrators sat to be charged and brought to justice. They would be brought in from the adjoining cell block for their turn to face the music. This was a very stark contrast to the luxurious and corrupt lives and opulence many of them had come from. This room, these tribunals were the end of the line for them. There would be no place for them to pay off another lawyer or crooked judge, or media outlet to make their crime go away. This was pure justice at hand. The fear of God was in the room.

You could cut the air like a knife; this fortified space was the was dealing with the most evil of evils. With every conviction and righteous judgement that was made, the atmosphere grew a little lighter and brighter. The Justice coming out of these tribunals

would shift the world for good. The Lord then took me into the spirit, and I was the darkest, blackest clouds and storms that were brewing through the earth.
As I was looking this over, it was then that I saw angelic hosts holding back war.
I saw these global powers and principalities working together to push Nations and escalate things to war.

I watched as The Prince of Persia, Radical Islam, and Communism, the Bear (Russia), the Dragon (China) spun, danced around intertwining with each other. They would step down here, and another would step down there through the Nations, and as they stepped on a Nation, trouble would be stirred and activated.

There was a deep darkness. Truthfully, it felt awful. The Lord took me into the spirit, and I watched across the earth, and I saw things started to escalate. First a big flash over there. Then another over here. The enemy was pulling the triggers, pushing the buttons - a collaboration with one another to stir things up and bring death and destruction. They were activating some things to bring a spirit of fear and control to completely another level.

The next thing I knew, I was taken into the spirit on one coastline then another, and then to one capital and then another. It was here where I watched holographic imagery filling the night sky.

City by city, Nation by Nation. An illusion. The deepest of deep fakes. Coordinated by deep state evil kings and regimes to strike fear into the earth. They were projecting that of an alien invasion in the sky that looked so very real! UFOs. Big ones, little ones, and everything in between. Coming in formations. It all looked so real. But it was not. It was all holographic. Fake. Fake. Fake.

As I am watching this, the Lord showed me amidst the holograms and amidst the illusion of this fake alien invasion, these evil kings had real assets they were now deploying. They were using the holograms as screen to hide what they were really doing. It was high level hidden technology hidden from the people. They had developed their own crafts that looked like UFOs, and they were preparing to use on their own people. They also had fleets of drones, big and small they had also weaponized.

It was an evil, evil plan. As I was watching all of this, the Lord came on me with a complete assurance, and I knew by the spirit of God that they would not succeed!
I knew their plans would not come to pass! In fact, the Lord showed me what they wanted to project in the holograms would be cut off, and the Lord's anointed would use

that very system to broadcast the faces, identities and evil crimes against humanity they had committed, and the justice that was brought to them would now be broadcast in a manner for the world to see.

The weapon they designed to bring death and destruction to destroy the innocent would be turned and used against themselves! Truth and hidden things shouted from the rooftops! I was then taken into the spirit again. This time I was face to face with the Face of a Lion!

The Lion of the tribe of Judah! He was majestic. Regal. Powerful. Confident and strong. Clearly the one in Authority. Unshakeable. Unstoppable. Unmovable And so beautiful. I knew it was time the Lord God Almighty the Lord of Hosts - full of all honor, power and might - would move throughout out the Nations! It was then I heard the sound of the winds of change! A rushing powerful wind! Like the roar of many waters! I looked up from the Lion, and there above me was the rushing in and deployment of angelic hosts and eagles! There were so many of them coming! For as far as the eye could see!

It was breathtaking! They were collaborating on this one! In crisp formation. And they were not going to hold anything back! It was Go time! They had a job to do and surely, they would! They had been given their commands and were now dispatched to get things done. I watched as they did their fly by over the Lion of the tribe Judah, for His inspection and His release as He sent them out. It was magnificent! With these in play at the hand of the Lord of Hosts, Victory was assured! The next thing I knew, I was taken down to the side of the Lion. There around Him had gathered millions from around the world. Every tribe. Every tongue. Every Nation, and the great cloud of witnesses!

The Lion positioned Himself just right and began to ROAR! He released a roar that shook the world! He roared into the air! He roared into the ground! And as He roared, I watched it penetrate and send shock waves throughout the earth! Those that had gathered around Him, to worship Him, began to blow the shofars! In unison! With power, with all they had in them they began to blow! They began to blast! The shift had begun!

Like a door turned on a hinge, this opened up a door for the King of Glory to come in! There was a roar out of the people of God who had gathered, and what began as a celebration released a shift, released a cry out over the Nations that I knew nothing would ever be the same!

As the Lion roared, and these ones took their place - I watched as the angelic hosts and the eagles started to break into new formations. Like squadrons now breaking formation to carry out their God-given missions. I watched as they went into warp speed! They were gone in a streak of light! I watched as they deployed with laser beam accuracy as they struck critical evil targets and infrastructure to take it out once and for all. There were boots on the ground that had been waiting for them to show up and help, and indeed, help was there! It was not long, before evil kings, evil rulers, evil oppressors were appended by the boots on the ground - righteous military special opps. As they apprehended them, they were flown to international waters and the warship I was on earlier! There awaiting them were the military tribunals that would bring justice to these ones for the most arduous crimes against humanity and God's people. The Lord brought me back around to where my encounter started!

The angelic hosts and the eagles would sweep in here, and they would sweep in there, rounding up and securing each and every one with blood on their hands. Establishments were taken over and people were being apprehended to face the music. There were not only evil kings, governmental officials and bureaucrats, but there were also financial controllers and string pullers.

I was shown the apprehensions at the UN, NATO, the WEF, the WHO, and the IMF - international monetary fund. All were soon to be dealt with. There were many other establishments, institutions, and organizations on the list. None of them would get away without consequences of their actions. It was time to pay the piper for all of them. They were going to be charged and tried by righteous God-appointed Generals and Officials.

The corrupted systems they had paid off, bought, and owned would also be facing these same tribunals. They hit one Nation and then another. Systematically cleaning things up with incredible logistical, tactical coordination. It was something to see! As they rounded up and removed these ones, the demonic atmospheres and structures were simply done! Their goose was cooked. It was over.

I saw righteous kings being prepared and put into positions of power. Leadership being hand-picked, appointed, and installed. Many of these ones were now no longer blocked or taken out by evil corrupt systems or people.

I watched as City by City, Nation by Nation, God's hand moved throughout the Nations. Millions dancing on the streets celebrating freedom. The wounded, hurting and broken were embraced by the Love of God. Now, full disclosure. I was seeing this stuff, making my notes as I was taken into it all, wave after wave. I thought that was it, so I was

processing it all and was going to go back to sleep, when the Lord said, Barry, I am not done, I have a little bit more. I have more for you to share, and He immediately began to talk to me. Here it is just as it came that night:

"Barry, tell my people you are entering a year like never before. The great cloud of witnesses has watched and waited for this very year. This is the year that I am moving across the earth, and what has been stuck, I am able to move. That which looked impossible is going to come together. Insurmountable odds I am going to overcome. Decades of delays are coming to an end. Barry, tell my people, there are times when things get seized up, you must soak it in oil and hit it hard to break it free. There are times to use a torch, fire to heat it up to move it, to get it to move. Fire can be used to cut things loose! As can light! Intensified laser light! Tell me, how much more can My Oil, My Fire, My Light and My power move things to bring freedom?

"Barry, tell my people that we are in such a day. I am indeed pouring out My Oil upon My people. I am indeed releasing My Fire throughout the Nations! And I indeed am using the Light and power of My Spirit to cut off and cut away everything that is not of love's kind from you and in you! Barry, tell my people do not be afraid! Barry, tell my people do not fear! Barry, tell my people not to worry! The day is coming, and you will see, and you will recall My words to you, to prepare you, to give you understanding of what is at play! You will know what is unfolding! You will know I have all things at hand! Barry, tell my people it is time for justice to be served. It is time for evil kings to be removed and righteous kings to be established. Barry, tell my people, talk is cheap and faith without works is dead. What is coming is going to require something from you. It requires your full surrender to Me. You are no longer your own. You are mine, and I am jealous for you!

"It is not My desire for you to give yourself to another or have any other idols before Me. Lay them down before Me today and turn your whole heart back to me. I would rather you be hot or cold than lukewarm. Come close to Me, and if you ask for it, I will baptize you with Holy Fire! It matters not if you are a President or a pauper. My love and desire for you remains the same!

"Never forget the ground at the foot of the cross is level for everyone. Barry, tell my people that alignment matters, and it is more important now than ever that you be rightly aligned in this hour. Not only with Me, but with those you run with. Know that you shall advance at the speed of your humility,

vulnerability, authenticity, obedience, and surrender. Many are whining, and many are stuck. Caught up with the questions of how come this and how come that? Most often based in selfishness, pride, and ego. You cut yourself off from me with your questions and judgements against Me or others. I have said in this world you will have trouble. And you all have to walk out your own path with me one way or another.

"I know, My Beloved, that you have many questions about why painful things have happened to you and you have withdrawn from Me, no longer trusting Me. I know this, and I understand how you feel. Beloved, hear me today, there are things that you may never understand that side of heaven. My question is, can you trust me even when it makes no sense? Even if you don't have all the answers?

"For your ways are not my ways and you don't know everything I do through every circumstance. My Beloved, trust me with this today. It is My desire for you to be free, walking in all I have for you. Abundant Life. You will bring comfort to those who need comfort. And you will bring My healing to others through the power of your testimony with Me. My Beloved, this is a year that I am making an accelerated shift in the earth, and I am making all things beautiful once again! Barry, tell my people it is a new day. It is a new year, and you are going to get to know Me in a new way! You are going to get to know Me as the Lion of the Tribe of Judah!

Holy is the word of the Lord
Most Sincerely,

Kim Potter: A Kairos Moment in Time

As we look around the world, there is a clear indication that revival meetings are beginning to emerge in various places. This surge is not just coincidental; it points to the realization that we are entering a new moment in God's timing. I am convinced that we have once again stepped into a kairos moment—a divinely appointed season where the Holy Spirit is moving in remarkable ways.

Just last week, my daughter Bre and I experienced a tangible sign of this new season.

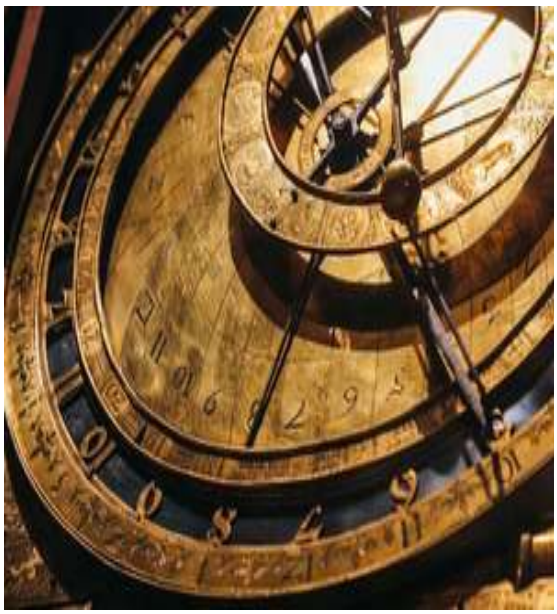

On a weekday, while visiting a Christian bookstore to get supplies for children's church, we immediately sensed that something was noticeably different. The store, which we have frequented hundreds of times and is usually quiet during the weekdays, was unexpectedly packed with people. This unusual activity was a clear indication to me that something significant was happening. It felt as though everyone present was aware that we have entered a new season (a kairos moment) that is impacting many lives at once.

Understanding the Kairos Moment

A kairos moment is a unique time when the Holy Spirit is actively moving and is ready to bring about change. It is more than just an ordinary event; it serves as an invitation for us to cooperate with the Holy Spirit in the present moment. **The significance of this period cannot be overstated; it is a time when**

everything has the potential to change, provided we choose to believe and respond in faith.

Throughout this week, I have witnessed multiple confirmations that reinforce my conviction: we are living in a moment that is divinely appointed. These confirmations did not come by chance; rather, they point to the reality that we are in an extraordinary season where God's timing is at work. *(Photo via Unsplash)*

The word "kairos" originates from ancient Greek and carries the meaning of "opportunity" and "proper season and time." It describes the right, opportune moment—the supreme moment when things are aligned for significant change.

Today, we find ourselves in such a moment. I am convinced that this is where we stand, not just in theory, but in reality, during this very week.

Some of the things the Lord has spoken to me have been confirmed by other trusted ministers. This unity of confirmation deepens my belief that we are truly in a kairos moment, a season in which God is inviting us to step forward and experience transformation.

The old season has passed; a new one is upon us. The water has been stirred—step in. **This is a time of harvest. Prodigals are coming home, strongholds are being broken now, debts are being canceled, and properties are being given.**

We will begin to see all these things in the natural realm. **God is going to exceed our expectations! We are under an open Heaven, and we will experience an overflow if we continue to press in.**

Promises for the Faithful

These promises are reserved for those who have remained obedient to God's Word. They are for individuals who have listened for His voice and followed His guidance, even when circumstances around them seem to be unraveling. In the

midst of adversity, those who have chosen to stand firm on the Word of God and remain faithful are now entering into a season where they will experience and enjoy the results of their perseverance and labor.

We are living in a special moment in God's timeline, a time when sudden miracles are being poured out upon His people. It is essential that we recognize and discern this season with our spiritual eyes, understanding the significance of what is unfolding. Now is the time to step boldly into this kairos moment, determined not to let it pass by or miss the visitation from the Lord. Embracing this divine opportunity ensures that we receive all that God has prepared for us. *(Photo via StockCake)*

A Season of Divine Opportunity

We are living in an extraordinary season, a time marked by God's favor and divine visitation. This is a glorious moment, filled with the promise of miracles and breakthrough. Each of us is invited to recognize and embrace our own kairos moments, refusing to let them pass us by. **In this season, it is vital to be attentive and obedient to God's leading, responding quickly to whatever He asks of us.**

Now is the time to see clearly with eyes of faith and to receive everything God has purposed for us. Let faith rise within your heart; lift your hopes to new heights. **This is a time to believe for debt cancellation, to expect healing, and to step boldly into the waters that are stirring in this season.**

Every act of faith brings us closer to the manifestation of God's promises.

Acting in Faith and Expectancy

Cast your net of faith once more. Let your expectation be set on good things and sudden miracles, for God is present, and His reward is with Him.

This is a supreme moment, an opportune time to lay hold of every promise.

Do not miss this divine opportunity. Press in with faith until you witness an overflow of fulfilled promises, far exceeding anything you could have imagined. All glory belongs to God!

The Shifting of Seasons
By Candace Roberts

Can you feel the shifting of the season? The other day I walked outside, and I could feel fall in the air. I took a deep breath of the cool, crisp fall air, and it seemed to permeate deep within. As I exhaled, I felt a shift and a weight lift.

When you are in seasons of grief so heavy that your breath is literally taken away, a deep breath is a sign, in and of itself, that something has shifted. It is felt in your heart and soul and brings evidence of the hope that a shifting of the seasons is not only on the horizon but actually here.

To the prophet, the surrendered one, the willing one, the one who has suffered well through long seasons of constant change, testing and grief, everything holds meaning greater than what is seen in the natural. I sensed that this shift wasn't just about a reprieve from the heat, or noticing the beauty I was beginning to see in the natural all around. I began to hear the Lord speak to those who have endured well through the long wilderness seasons of testing, pruning and grieving.

I began to see the hearts of those who have lost so much more than what is seen on the surface. Lifetimes, years, moments and memories were laid before me. I saw the aching and grieving of those who have been laid bare and given *everything,* those who have chosen to hold onto nothing.

I saw your weary and tired hearts trying to hold onto the promises, but it had been so long. You've endured so much trauma that you have begun to feel like a shell of your former selves. Like a soldier who has returned from battle still on edge, you constantly feel under attack. You have been in survival mode for so long, waiting for the rug to be pulled out from underneath you. This has become your norm. *(Photo via Unsplash)*

The Lord Is Speaking Over You Now

But the Lord is speaking over you now: ***"Your season is shifting!"*** In the days ahead, you will begin to see the terrain around you shift and change. Where grief once stole your breath, a deep breath of fresh air will fill every part of your being. Memories and moments that were stolen by trauma are being restored unto you. **Because you were willing to endure the season and not bypass the process, you will now bear the fruit.** I know the season has felt long, and at times meaningless (for no other reason but to suffer), but that is a *lie*. The beauty that was forged in you—the strength, destiny and anointing—are about to come to FULL BLOOM!

Your season has felt barren, and you have been waiting for things around you to shift, but you are coming into the fullness of the revelation that YOU have been the gift and promise all along. He promised to make everything beautiful, and although you feel broken and battered, your true beauty that could only come through the fire is about to shine like never before.

No longer will you look over your shoulder. No longer will you allow the attack and words of those who do not know who and *Whose* you are to affect you. **A new authority is coming upon you, and you will take ground everywhere your feet step.** Every place in the natural that has been touched by loss and devastation will experience the restoration and recompense of the Lord. Your land, houses, finances, family, ministries, children and every promise that has yet to come to fruition will shift in this season.

Even when you don't see the fullness, you will be filled with a joy and peace you have not felt in years. You will be full of promise and not pain. Anxiety and fear are losing their grip on you, and you will no longer be held by the effects of trauma! **You are *not* a sum of what has happened to you; you are evidence of what He has done in you!**

You may have heard it before, but let there be no mistake, your season is shifting. You have shifted! *Can you feel it? Can you discern it? Will you be brave enough to believe for it? (Photo via Pexels)*

Your Season Is Upon You!

There is a great shaking and a great stillness, all at the same time. Your season is upon you. You can finally rest and take a breath. You can step into His ease and choose to smile. You have cried until there are no more tears to cry. He has held them all and transformed them into promises that are beginning to fall like beautiful leaves all around.

This is your season. Seize it while you can; step into it fully. Take your eyes off the seasons of the past and do not worry about the next. There is something precious and beautiful right here, right now, in front of you.

"There is an appointed time for everything. And there is a time for every matter under Heaven." (Ecclesiastes 3:1 NASB)

"See! The winter is past; the rains are over and gone." (Song of Songs 2:11 NIV)

Lana Vawser

I HEARD THE LORD SAY, 'EYES OFF THE MOUNTAIN! MOMENTOUS MIRACLES ARE BEFORE YOU AND A MOMENTUM OF MY SPIRIT THAT YOU HAVE NOT YET KNOWN'

Recently I heard the Lord say, 'Eyes off the mountain! Momentous miracles are before you and a momentum of My Spirit that you have not yet known.'

As the Lord spoke these words I went into a vision, and I saw mountains before my eyes, and I knew these mountains represented the obstacles and things that have raised themselves up against the knowledge of God in this season. They were the impossibilities that many were facing, and as I looked at these mountains, suddenly, I

saw them being amplified. As I saw them being amplified, I could see them being amplified in their size but also their sound. All around me there was an increasing swirling of amplification that was attempting to lure many of God's people into beholding its magnitude.

I then heard the Lord say, 'I am going to turn the mountains upside-down. Miracles are before you and a momentum of My Spirit that you have not yet known.' As the Lord spoke these words, I could feel the weight of His Spirit inviting His people to allow the Holy Spirit to examine their place of beholding. I could feel the question from the Lord's heart, 'What are you beholding? What are you giving your attention to? What are you giving your eye-gates to, and the pondering of your heart and meditation?' I then heard the Lord speak again, 'Stop meditating on the mountain. Meditate upon Me and the power of My Word.'

As I continued to lean into the Lord and listen to His heart, I heard: 'Come up here! Come up higher, My people! The temptation to magnify the mountains in this hour and to take the bait of the enemy that is before you – to bait you into belief of his lies – has intensified and has been relentless for many of you. But I say unto you, come up higher. I say unto you, you must meditate upon that which I am speaking and to move in active faith in what I am speaking. I say unto you, arise and move with Me in how I am leading. I say unto you, arise and move in My wisdom and strategies in this hour and sow your faith into that which I am speaking.

'I say unto you, that where the battle has been deeply wearying, where the silent battles have intensified, where the deep agony that many are facing in the magnitude of the mountains and their amplified sound; I say unto you, GET LOUDER! I say unto you, declare My Word and speak My Word and build yourselves up in the most holy faith. I say unto you, do not cower to the sound of the mountain, do not cower to the amplifying sound; but arise as the Sower that I have called you and created you to be and stand and sow your faith into what I am speaking. For there are many at the brink of a breaking through of some of the most momentous miracles that you have ever seen.

'I say unto you, come in the opposite spirit. I say unto you, where the mountains seem bigger than ever, where the natural realm and the things that are opposing that which I am speaking and have promised to amplify their sound, I say unto you, move in the opposite spirit. I say unto you, move in divine defiance to the impossibility that is before you, and move forward in the place of faith and trust in Me.

'I say unto you, that I am renewing your hope, and I am renewing your strength. Sow not into discouragement, despair and disappointment that has been knocking at the door of your hearts loudly. I say unto you, turn your face towards Me and behold Me, and I will infuse you with strength and hope afresh. I say unto you, that you have not fallen behind, I know many of you are weary, and I am bringing you forth into a place of greater dependency upon Me and My ways and know that I am bringing forth a turnaround by the power of My Spirit that you have not yet seen. I say unto you, that I am bringing you to a new level of strength in your trust of Me and My ways, and I am increasing and expanding your faith in ways that you have not experienced, to carry a move of My Spirit that you have not yet known.

'I say unto you, that the mountains have been screaming loudly, but look not to them; look to Me and know that I am bringing you into a slipstream of My grace, momentum, and acceleration that you have not known before. I am bringing you into a slipstream of grace in My ways and My strategies in this season where you will see Me do what you never thought you would see with your eyes. I say unto you, that where the mountains have been amplifying their sound and size, I say unto you, that I am bringing you into a deeper place of awakening of Matthew 17:20: "Truly I tell you, if you have faith as small as a mustard seed, you can say to this mountain, 'Move from here to there,' and it will move. Nothing will be impossible for you."

'I say unto you, that there is a great crossover taking place, and you are moving into a greater place of rested faith. In the wrestle, I am bringing forth a purifying, a refining, a strengthening and a purging, and leading you forth in this hour in greater realms of rested faith. I say unto you, that in the wrestles, in the mountains before you and in the amplification, I am exposing areas of the heart where there have been foxes that have been attempting to raid our vineyard of intimacy and to tear down the place of faith and dependence upon Me in your hearts and lives. I am bringing them to the surface; I am exposing them for us to deal with together. I am exposing the roots of unbelief, and I am bringing forth the areas where disappointment and hope have deferred has taken up residence.

'I say unto you, I am removing, purifying and purging; and as you behold Me in this hour and magnify ME and not the mountains, I shall renew your strength, I shall renew your hope, and I shall fill your heart with joy and expectation for the momentous miracles that I will perform in this hour. I am faithful, and I am the same yesterday, today and forevermore (Heb 13:8). Where many have been filled with angst in the last few years, I say unto you, a great and mighty turnaround is happening as you behold Me. Watch the momentous miracles I bring forth, for you will now be filled with AWE.'

Steve Porter: Every Word Matters

Our Words Are That Important

"But I say to you that for every idle word men may speak, they will give account of it in the day of judgment. For by your words you will be justified, and by your words you will be condemned." (Matthew 12:36–37 NKJV)

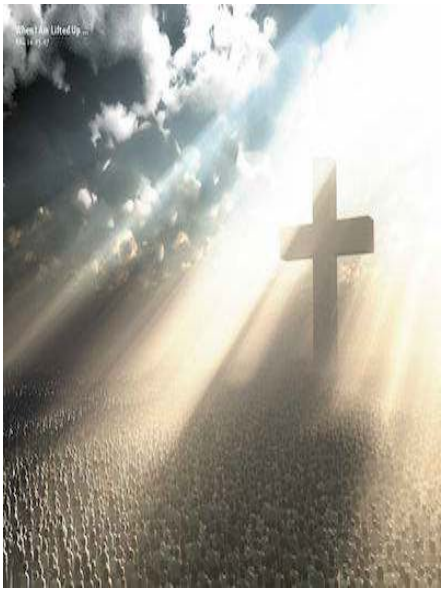

There are verses and passages in the Word that strike a holy note within our hearts. They cause us to pause, to tremble a little, to reflect on the life we're living. Matthew 12:36–37 is one of these passages.

Jesus Himself speaks of a day coming when every idle word will be brought to account: every careless phrase, every unguarded sentence, every whispered criticism, every sarcastic jab. It will all come to light. And yet, this is the tension we carry as redeemed ones.

We Have Been Cleansed

We've been washed clean, covered by the blood of Jesus. We've confessed; we've received mercy. So why—why would any word, especially a careless, idle one still be remembered, still be brought up? It's a tender question... a*nd the answer?* It's just as tender: **The blood of Jesus truly cleanses us from all sin.**

If you have turned from your sin and placed your trust in Christ, you stand justified before the throne of God. There is now no condemnation to those who are in Christ Jesus (Romans 8:1). Your name is written in the Lamb's book of life.

Your past is under the Blood. You are not facing the "great white throne" judgment of sinners (Revelation 20:11–15). *(Photo via Flickr)*

Dear friend, your judgment is different. It is called, in the Bible, the "béma seat" (Strong's G968), or the "judgment seat of Christ" (2 Corinthians 5:10). And it is not a judgment for punishment but for your eternal reward and placement in Heaven. It's when we stand before the mercy seat of Christ, not His judgment seat of wrath.

Our Words Matter Just Like Our Actions

Yet still, Jesus says that every idle word will be weighed. *Why?* Because **our words matter, just like our actions. They're part of our witness.** They reveal the heart—what's hidden deep inside. They carry weight, eternal weight. And, yes, we are forgiven, but the Lord still refines. He purifies our life's record, separating what was eternal from what was empty.

Your idle words won't damn you; they're already forgiven, but they may burn away as wood, hay, and stubble (1 Corinthians 3:12–15) in the holy fire of His presence. They will not follow you into eternity. But every kind word, every word of encouragement, every whispered prayer, every time you comforted the brokenhearted—those words remain. **They are your treasure in Heaven. They determine your placement and reward.**

The Weight of Our Words

Beloved, may we tremble when we find ourselves speaking words of death over others. Some go about casually judging fellow ministers and mocking other ministries. They speak with sarcasm and cynicism about churches, movements,

and people they barely know. They call it discernment, but it's often nothing more than veiled slander.

These words are not light; they grieve the Holy Spirit, and they stir division in the Body of Christ. We have to be careful, so careful, not to curse what God might be blessing, just because it feels unfamiliar, just because it's not what we're used to.

Different doesn't mean wrong. Style doesn't equal sincerity. And just because we don't understand it doesn't mean we're called to judge it or tear it down. If Christ has not assigned us to tear it down, then we must not pick up the sledgehammer, for with the measure we use, it will be measured back to us (Matthew 7:2). This is risky business.

Your Testimony Is Precious

Beloved, our salvation is not fragile, but our testimony is precious. And that is what Jesus is reminding us of. He was not speaking to frighten the saints, but to awaken the careless. He was addressing Pharisees whose hearts were full of pride, not humility. His words were a mirror to show them what their religious words were really producing. *(Photo via Pexels)*

For those who walk humbly with Him, His words are not a whip but a whisper: "Be careful, little mouth what you say... for the Father up above is looking down in love."

Let Us Guard Our Lips

Let us guard our lips, not out of fear but out of love. Let us speak with the awareness that every word is heard in Heaven. Let us weep when we've spoken out of anger. Let us run to the mercy seat when we fail. Let us choose to speak life.

"**Let the words of my mouth and the meditation of my heart be acceptable in Your sight, O LORD, my strength and my Redeemer." (Psalm 19:14 NKJV)**

Dear one, there is nothing we have said in the past that His blood cannot cover. There is no careless phrase that His mercy cannot erase. But may we never take His grace lightly. Let us walk wisely. Let us speak gently. Let us remember that we were bought with a price and so were our words.

At the mercy seat, you will not be shamed. You will be loved. But when the fire of Heaven refines your life, may it burn away only the dross and leave behind plenty of gold.

WARRIORS OF THE SPIRIT: A PROPHETIC WORD FOR NEW ZEALAND
DANIELLE DIXON, QUEENSLAND, AUSTRALIA

The hearts of the watchmen, gatekeepers, intercessors, and those travailing and wailing in New Zealand—your capacity is being enlarged. The Lord hears your birth groans. Since I landed in New Zealand this week, the Lord has been speaking to me about the warrior spirit that is arising within the prayer company of this nation.

Definition of warrior: "a person engaged or experienced in warfare; a soldier."
The Lord reminded me that during my visit to New Zealand last year, He spoke these words: ***"A fresh, pure wind of intercession is going to blow over New Zealand. These powerful winds of change are calling prodigals back home. Get ready for the precious harvest of the earth."***

I was also reminded of a previous word the Lord gave me for New Zealand, where He referred to the people of this land as fierce warriors from the day of their beginning. This land is awakening to the call that is going out across Aotearoa: Rise up and declare the words that have been spoken over your land! Decree the word of the Lord over this nation—it will not return void.

The Lord says, "***I am increasing your capacity in the realm of prayer—over this nation and coming out of this nation. The boundaries of the enemy are being pushed back. "As you lift up your voices, there is a new boldness coming out of this nation. My power is being carried in your voices. You will see the atmosphere shift as people join together to pray over cities, regions, and the nation. In one heart and one accord, a multi-generational prayer movement will arise, establishing greater unity."***

I saw a vision of canoes going out from New Zealand's shores in all directions. The people aboard were dressed as warriors—twelve in each boat. These prayer missionaries were fierce and strong. Some carried musical instruments, and others held sickles. I believe the Lord is saying that prayer warriors from New Zealand will go out into the nations—teams sent forth to stand with other people groups and nations, encouraging them to endure and fight. I particularly sensed the mandate to come alongside the Southern Lands of the Holy Spirit: Australia, the Asian Rim, and the South Pacific Islands.

Many have spent decades on the threshing floors of the Lord, symbolized by the sickles. Part of your victory will be released through worship, symbolized by the instruments. Many will go to the nations without fanfare in the natural—hidden from the eyes of men and not standing on the large stages of the world to receive the accolades of people. This work will be done in secret, yet you will see the abundant fruit it produces. Many in the Body of Christ in New Zealand will be stirred to take part in these prayer assignments - those who have been prepared in the secret place and refined by fire. Though they may have had little public voice, they have captured the ear of the King. A great prayer army is being mobilized from the nation of New Zealand to boldly go to the nations of the world.

Dave Mook
Heavenly Fatherly Guided Thoughts

Dear Friends and Family, I write to you today with a heart burdened by the weight of what our nation has become, and I must begin with a humble apology for the delay in sharing these thoughts. For the past ten days, this message has pressed upon my spirit like a stone I could not dislodge. Age has caught up with me, as has frailty of health, and just weeks ago, my wife, our spirited eight-month-old puppy Maximus, and I completed a grueling cross-country journey from Michigan to our new home in Fresno, California. We departed on a crisp Friday morning and arrived only late Sunday evening, exhausted but grateful. My mind races ahead with conviction, yet my body reminds me of its limits. Still, these words flow directly from my soul, guided by the gentle yet

insistent promptings of our Heavenly Father. They are long overdue, and in my silence, I confess I have fallen short of the boldness He calls us to.

In an America where shame once served as a guardian of virtue—a quiet sentinel against the erosion of our moral compass—such restraint now feels like a relic of a bygone era. Yet, when the collective conscience of a people dims to near extinction, the Divine sometimes stirs it anew, piercing the darkness with a light so sharp it leaves us longing for the refuge of another land, another time. Such a moment confronted me recently, captured in a harrowing video from X.com, where a courageous mother stands before the Davis Joint Unified School District board in California, her voice steady but laced with righteous outrage. It is not a spectacle for amusement, but a stark tableau of our cultural descent—one that evoked in me a profound, personal shame, reminiscent of my own wayward youth when I chased fleeting pleasures without regard for eternal truth.

Having traversed all but one of our fifty states and wandered the globe—from the vast outback of Australia to distant shores—I once believed I had witnessed the full spectrum of human folly. But as I watched this exchange unfold, a fresh wave of sorrow washed over me. Why, I wondered, did the assembled school board members—perched in their elevated semi-circle like indifferent monarchs—feel no such remorse? Why did they not rise in collective disgrace, heads bowed, and flee the chamber? In that instant, the words of the Apostle Paul echoed through my mind like a clarion call: "For it is a shame even to speak of those things which are done of them in secret." (Ephesians 5:12, KJV)

The Davis Joint Unified School District, in a policy that defies reason and decency, is distributing "penis tucking kits" to boys and free chest binders to girls—tools designed to conceal and compress the very bodies God crafted with divine intentionality. These are not mere supplies; they are instruments of deception, offered covertly through on-campus clinics, by-passing parental oversight and sowing confusion in tender young hearts. The brave woman at the podium—displaying the tucking kit with unflinching clarity—explained its mechanics: adhesive strips that force genitalia into unnatural positions, risking irreversible harm, including potential sterility from impaired gonadal function. For girls, the binders crush developing breasts, flattening what nature and nurture affirm as beautiful and purposeful. She revealed, too, the district's provision of secretive counseling, urging children toward these paths without a whisper to their families. Her piercing question hung in the air: "Why are you doing this? What is in it for you?"

Indeed, what profit lies in such shadows? This is not mere immorality; it is a perversion born of darker impulses, a creepiness that chills the soul. These board members, ensconced in their thrones, embody a tyranny more insidious than any protest chant. Just this past weekend, on October 18th, crowds rallied in "No Kings" demonstrations against President Trump, decrying perceived authoritarianism. Yet, in their fervor, they overlook the true kings reigning over our children—unelected potentates in schoolrooms, steering innocent souls toward spiritual ruin and eternal peril.

It is time, dear ones, to resurrect a word long consigned to obscurity: reprobate. Far from archaic, it speaks with urgent relevance to our hour—a term denoting moral corruption, depravity, and, in its deepest biblical sense, a divine surrender to one's own damnation. The Apostle Paul warns us unflinchingly: "For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature: And likewise, also the men, leaving the natural use of the woman, burned in their lusts one toward another; men with men working that which is unseemly, and receiving in themselves that recompence of their error which was meet. And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient" (Romans 1:26-28, KJV).

In these last days, as Scripture foretells, reprobation shall mark the age preceding Christ's return—a willful abandonment of truth that invites judgment. Ponder this deeply, for civilization teeters on the brink, confronted by three kings yet to come, none of whom bears the name Donald Trump. The first, the Antichrist, emerges amid global chaos—perhaps from Europe's shadowed halls—to claim dominion over the earth and, in blasphemous audacity, declare himself God: "Let no man deceive you by any means: for that day shall not come, except there comes a falling away first, and that man of sin be revealed, the son of perdition; Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God" (2 Thessalonians 2:3-4, KJV). His reign will be one of iron and deception, sparing none who bow not to his lie.

The second king rises from the abyss, sovereign over demonic hordes unleashed to torment humanity for five relentless months—targeting those unmarked by God's seal, for their rejection of the Creator and obeisance to the beast: "And he opened the bottomless pit; and there arose a smoke out of the pit, as the smoke of a great furnace; and the sun and the air were darkened by reason of the smoke of the pit. And there came out of the smoke locusts upon the earth: and unto them was given power, as the scorpions of the earth have power. And it was commanded them that they should not hurt the grass of the earth, neither any green thing, neither any tree; but only those

men which have not the seal of God in their foreheads" (Revelation 9:2-4, KJV). Their overlord, Abaddon in Hebrew, Apollyon in Greek, pursues a singular mission of anguish. (Revelation 9:11)

But glory to God, the third King endures forever—the King of Kings and Lord of Lords, whose rule shatters every false throne with unyielding justice. From His mouth proceeds a sharp sword of truth, smiting nations and treading the winepress of Almighty wrath: "And out of his mouth goeth a sharp sword, that with it he should smite the nations: and he shall rule them with a rod of iron: and he treadeth the winepress of the fierceness and wrath of Almighty God. And he hath on his vesture and on his thigh a name written, KING OF KINGS, AND LORD OF LORDS" (Revelation 19:15-16, KJV). This sword, among its sacred purposes, will judge and condemn those who presume to remake God's image in our children—to turn boys into girls and girls into boys, defying the Creator's design.

My beloved friends and family, in this hour of trial, let us not grow weary in well-doing. Guard your households with prayer and vigilance; reclaim your voices in the public square; and anchor your hope in the One who holds all kings accountable. May the Lord stir fresh shame where it is needed, revive reprobate hearts to repentance, and hasten the day of His appearing. Until then, stand firm in faith, for our redemption draws near.

With deepest love and unwavering resolve in Christ,
'Papa Dave'

Terry Freisen: Oct 22, 2025 Step into a New Wineskin

For the last several months, I have been immersed in the fullness of old wine skin from the last season. Every morning for weeks, I have awakened in the old. I have felt it press in on my soul and my spirit to the point I have found it hard to breath at times.

There is nothing inherently wrong with the old wine skin, it has served us well in many ways. But it is time for change. It is time for a new wine skin.

In the months coming up to this fall season and the Jewish new year, the Lord has been speaking to me about the significance of what is being birthed. The significance of the change that is upon us.

We are stepping into, and indeed have stepped into a new time which requires a new wineskin. Many have already been prepared and positioned for the new wine skin, and we have been in the transition of separating from the old and stepping into the new. This, for me, has been a great challenge because I have received vision of the new and wanted to step into the new. At the very same time, the Lord wrapped me in the old so I could understand the dichotomy between the old and the new and how to see His new wine skin come forth in the midst of the old.

This morning, and in the days leading up to this morning, I can feel that we are in times of great transition. Most of us can feel it, see it, and maybe you are already experiencing it.

I want to share the following word that the Lord spoke to me in 1st person, so I will, in turn, relay it in 1st person. I encourage you to read it as a personal message to you. I received this word on Oct 20, 2025.

"Let me make a way for you!"

"Quit drawing from a "wellspring" of doubt.

"Give Me your doubt, and step forward into a place of faith. Don't fight with doubt in this season, just give it to Me. Some things aren't removed as much as they are "replaced" by the new that comes on the scene.

"Step into Me 1st, then see/discern/hear the way forward. You cannot go forward in the way you need to in this season apart from Me. When you try to walk this out apart from Me, you will experience internal and external circumstances you cannot overcome in your own strength. But simply step into Me, by faith.

"You've been practicing and learning this in previous seasons, so enter the way you know how, and see/discern all through My eyes of faith in this hour.

"Remember, I have no fear of the future. At times I move swiftly, but I am also humble and meek of heart, so I am patient and longsuffering in the in-between moments. You

have also been learning to walk with me this way in previous seasons, so when you put on My ways you have stepped inside of Me.

"Be at rest in the ready position. "It is time, now and in the days ahead, to walk out My Father's joyful service in the earth, and bring to life Our joyful anticipation."

On the morning of Oct 21, 2025, I was again spending time waiting on the Lord and heard the following message. I encourage you to again read it in the 1st person, as if the Lord's words are being spoken to you. Stay at rest in Me, fear not. I am your Lord.

"Your heart most often looks for vision and understanding so you can determine and understand the way to go – this is not that. First, learn to rest with the direction you receive from MY Holy Spirit, and understanding will be added as your heart can handle it, without fear or control. You are being led this way to prevent "wrong" formation. If I illuminate your path during this season in a way that you fully comprehend, your soul will seek to perform what only I can perform. By resting in Me and simply following My leading and the messages you receive, you will be at rest.

"Through your obedience, you will step into new realities and see My kingdom manifest around you. By this, your soul will be informed by what you experience more than by what you conclude through your reasoning.

"You will be very thankful to have this multi-pronged, multi-led approach. You are becoming an apostolic people – learn to be led, in order to lead. You need to carry faith in all of this, and it's more about who you are than what you do – remain in Christ. The angelic will help get you in the right place at the right time. By remaining in my Son, you will start to see the circumstances of your life ordered according to who He is within you.

"A new Season means you will be led in new ways and experience new fruits. Expect the new to come into your world. Things will start to rotate around Christ in you, that is why, in this season, **being** is elevated over **doing** – but doing will also be present.

"Resist the desire and comfort of slipping back into the old. So, leave space and allow yourself the freedom to be uncomfortable, making room for the new. Step into the new as it unfolds, 1st before you, 2nd around you.

"You need My grace in this hour, and you will have it – old devices won't get you there, but I, the Lord will."

I then saw a vision whereby I received into my spirit a very large, leatherbound ancient looking book. It was titled Encyclopedia of the Kingdom. It was very thick and full of terms and definitions. As I looked at it, I didn't know where to focus, yet it contains much of what I will need to know. It's a composite of reference materials for the Kingdom. Not to be "read", but it will inform me as I go, step by step. Ask for it now!

I recognized that it would not very helpful in my hands unless Holy Spirit, the Lord, and the angelic utilize it to my benefit – but with them, it will reveal a new well of Kingdom realities and revelations. It will be nourishment for our spirit's that we have not had in this way before. It will be used to create a new composite vessel within us that is informed by the Kingdom and for the Kingdom.

In this next season, I also see angelic hosts with prophetic scrolls, which need to be declared over our lives. Some words on these scrolls have waited until now. They are connected to this new season and require we be postured and positioned properly to receive them. They are best received into a spirit that is at rest with its master, and not predisposed to performance.

We have definitely entered into a new season with a completely new set of operations and realities. We are being encouraged to activate our faith, trust our Lord, and walk boldly into a new reality we have not yet known. He is faithful and just to see His plan for our lives unfold in a way that accelerates His kingdom plans and the place we are to occupy with Him. This is a time we have longed for and looked towards, so lift up your head and see the one who is worthy of our devotion and praise.

Jamie Rohrbaugh: God Says, "Prepare to See My Redemption at Work!"

Beloved, have you been in a season of testing and stripping away, a season in which you have clung to the Lord for your very life itself? If so, this word is for YOU.

All Things Are Becoming New and Restoration Is Coming Forth!

This is what I heard the Lord say, **"This will be a month of many different experiences.** For I the Lord am shaking things up; I am bringing newness to your heart and life. In particular, I am restoring the years the locusts have eaten, and I am bringing things full circle so that you will see fruit from situations and skills that you sowed and developed years ago which you thought were lost to you.

"For I the Lord am God who redeems and restores, and I am redeeming all things that you have lost and am paying them back to you with interest. You may not see My plan and purpose in every blessing I send at first, but I promise you that you will see the layout of it all in time. Like a quilt of redemption that covers you and brings you home, you will see that I have been orchestrating even the worst things for your good.

"This month, prepare to see My redemption at work!" says the Lord. He continued, "For I have taken even the worst things you have been through and have worked them out for My glory and for your benefit. *(Photo via Pexels)*

It's Time to "Come up Here"!

"I know you have suffered a lot, but I am carrying you up the ladders of Heaven so you can see things from My perspective. As I told John the Revelator, I also say to you today, 'Come up here, and I will show you things to come!' says the Lord. "For I the Lord am holding your hand and making your way straight, My beloved. I am with you to keep you, and over time I have removed external props that were holding you up. And now your faith and trust are in Me!

More Blessings than Ever Before

"This has been the culmination of a very long process of stripping away from you things that would not have served you well in the end, such as a dependence upon your own efforts or upon external factors. Now you know that I alone am God your Provider, God your Source, and God your Fountain of living waters. And now I can rain down upon you with My blessings more than ever before, for you have cooperated with My stripping process, and you have been faithful!

"For I the Lord am good; from everlasting to everlasting, I am good, and I will always be good to you. I will not leave you nor forsake you! You have endured temptation, but you have not grown weary in doing good and in believing Me, even when the enemy tried to rob you of your faith in the night seasons. But I have strengthened you, that your faith would not fail. I have helped you! And now you will see how I work all things together for good to those who love Me. And I want you to know that fountains of blessings are yours, and it is time for you to rise up in your authority in Me and refuse to accept anything less than ALL My Word has to offer you.

The Testing of Your Faith and Entering His Rest

"For in this month and this season and indeed this year, it shall be a time of the proving of your faith. Your faith shall be a witness to others, for you have believed long, and you have persevered against all odds! And now you will find My hand of

favor upon you. You will be able to breathe deeply of My Spirit again, and I will renew your fire! **For the time of testing has exhausted you, but that is why I am again calling you into My rest.**

"I am ministering to you with My own hand, through My angels, and by My Holy Spirit as well. Like I ministered to My Son Jesus after His time of fasting and being tempted in the wilderness, so I am also ministering to you and blessing you. I am restoring your soul! I am indeed leading you in the paths of righteousness for My own name's sake! And I am anointing you with fresh oil so that your cup can indeed overflow once again. *(Photo via Unsplash)*

"It has been many years that I have tested and tried you, but you have found that I am faithful. And now I will move you into vineyards you did not plant. I will build houses for you that you did not conceive of yourself, and I will prove Myself faithful to complete all that I have begun in you. **For I the Lord am merciful and good, and I do not change with the seasons.**

"Look Up, Your Redemption Is Here!"

"I will always be reliable, no matter what the circumstances look like on the outside. I will not leave you nor forsake you; I the Lord alone am God over the universe, and it is an easy thing for Me to take care of all your needs, wants, and desires.

"Look up, for your redemption is here! I am your Bridegroom, riding on a cloud to save you! I am mighty to save, and I the Lord am giving you all that I am, all that I have, and all of My Kingdom for you to enjoy. I am not holding anything back from you! So, exercise your faith and believe Me. Look again to your first works, in which you had confidence in Me and My hand of blessing upon your life.

"For I have never left you and never will; all that I am and have is available to you, and I will shower it all upon you as your faith rises up again in this season of hope!" says the Lord.

Thank You, Abba Father!

Sara Whitten: New Life on Old Battlegrounds

The testimony in Ezekiel 37 of the dry bones coming to life is a familiar one for many of us. Recently, the Lord highlighted this text to me in a fresh way that I believe is a very timely encouragement.

When the Lord Initiates

In the first few verses of Ezekiel 37, it was the Holy Spirit who brought him to a valley of exposed bones. The foundation of this miracle was not the will or idea of Ezekiel, but of the Lord.

There are times in our journey where the Lord brings us to a place for the purpose of His supernatural plans. Often, it's not initially our choice or our idea. It may be a washed-up or forgotten dream. It may be something we've never even come across before.

Where the Supernatural Begins

The stage for God's great plans often looks like a wilderness at first. God didn't bring Ezekiel to a flourishing garden or an oasis. He brought him to a low and lifeless place, NOT for the purpose of wanting Ezekiel to experience hardship, but for the purpose of wanting the whole area—Ezekiel included—to witness the miraculous.

The NKJV Cultural Backgrounds Study Bible footnote for Ezekiel 37:1 explains that for such a large number of bones to be left exposed to the elements lends evidence to it being the "scene of a major catastrophe." Because none of the bones were given a proper burial, it was likely a battle scene. This had been the sight of a battle, most likely a defeat. To have one's bones left exposed to the elements was a curse one would wish on an enemy in that day and culture.

Back to Our Valleys of Dry Bones

The Lord is taking some of us back to a place where there was a defeat, maybe for us individually or maybe for others before us—a battleground that has been forgotten, even a "cursed" place that hasn't felt full of life in a long time. **He's doing it to turn that place of defeat into a miraculous place of new life.** *(Photo via StockCake)*

This process begins with a good look. The Lord had Ezekiel "pass by them all around" and "behold" (Ezekiel 37:2 NKJV) how many were there (how much was lost) and how dry they were (how hopeless it was from a human perspective).

In my own journey, the Lord has begun His most beautiful works by letting me get to the end of my solutions to see just how impossible it would all be by my power. This isn't to sow hopelessness or fear; neither of these are from the Lord. It's to prepare us for surrendering to Him in our answer to a question.

For Ezekiel, it was "can these bones live?" (Ezekiel 37:3). For us, the Lord may be asking a different, more specific question about the "dry" that we are facing. The Lord never asks, "Can YOU make this happen?" (though that is often where we insert ourselves when facing a similarly impossible situation). He asks, "Can this happen?" With hearts prepared for surrender to Him, we know the answer is yes, but that it will have to be in a way that only the Lord knows (see verse 3).

Are You Living in an Almost-Victory?

Next in the passage came a word. It was a word first given by the Lord but then was meant to be acted upon and perpetuated by the hearer. What word has God given you over your "dry place"? **What does it look like to speak or to act in accordance with that word?**

What happened next is interesting. Movement happened for Ezekiel the second he partnered with the word. Creative miracles happened. Bones began rattling and coming together with flesh, sinews, and skin! The bodies, however, were still dead. The word Ezekiel had just been given was that they would LIVE, so it looked like an almost-victory. Things started looking better, but it didn't happen. The word didn't come to pass, at least not in its fullness. Maybe that's the place you're in, the almost-victory? If so, this Biblical testimony tells us we can't stop there.

Prophesy to the Breath

God then gave him a solution in the form of another word. The first time, He told Ezekiel to prophesy to the bones. This time, He told him to "Prophesy to the breath" (Ezekiel 37:9). God first had him speak to the bones, the natural physical thing—the dead thing, in this case. **In our dry places, what does God want us to prophesy to the earthly or the "dead" thing we are facing? What does He speak over what we see?** *(Photo via Unsplash)*

The second piece—the piece that causes the fullness of the word to be fulfilled—was when the Lord gave Ezekiel words to prophesy to the breath, otherwise translated as "spirit" (Ezekiel 37:9–10). This word for spirit is the same Hebrew word "ruach" (Strong's 7307) used for God's creative Spirit hovering over the waters in Genesis 1:2, or the Spirit of the Lord that was prophesied to rest on Jesus in Isaiah 11:2. He asked Ezekiel to speak to the spiritual, to speak to what he didn't yet see, to speak to what was alive and moving.

What does God want us to speak to the spiritual, unseen, life-giving things that His Spirit is doing behind the scenes? What can we say in agreement with His Spirit or breath?

The whole experience Ezekiel had is a picture of what the Lord wants to do for the greater group of Israel. The dry bones the Lord is reviving through your life are a picture and a testimony to the greater world around you about His heart and what He wants to do. **Our prophetic words have much more power than just for us; they are life-giving to a community as we walk them out in obedience.**

So, let the Lord take you to a dry place, to an old battleground. Then ask Him, "What do You speak to these 'dry bones'? And what do You declare to the Spirit?" Then watch what He will do.

Ella Onakoya: The Resurrection of Lazarus's, Dreams & Destinies!

The Resurrection and the Life

One of the names of Jesus is *the Resurrection and the Life*. In John 11:25–26, Jesus, on His way to raise Lazarus from the dead, declared to Martha that whoever believed in Him would live, even if they died, and whoever lived by believing in Him would never die.

"Jesus said to her, 'I am the resurrection and the life. The one who believes in Me will live, even though they die; and whoever lives by believing in Me will never die. Do you believe this?'" (John 11:25–26 NIV)

Many are being delivered from spiritual death into eternal life when they come to believe in Jesus. Even untimely, physical death was defeated, as Jesus raised those who had died, like Lazarus in John 11.

Resurrection from Physical Death: An Awakening Behind the Gravestones

I believe, along with spiritual resurrection, there is an awakening from the Lord that is longing to be quickened so that many who have physically died in an untimely way—where their destinies were not fulfilled—will be raised back to life.

Several months ago, the Lord gave me a dream where I was taken in the spirit to a burial ground. I saw many gravestones of those who had died. As I stood there, I began to think of the mandate of the Lord to raise the dead. My heart was filled with great compassion, especially for those whom the enemy had taken out prematurely, who had not fulfilled their full destinies.

In the dream, I laid the side of my head on the ground, and with a deep groaning in my spirit, I began to call forth an awakening and resurrection of those who had died prematurely. *(Photo via Freerange Stock)*

When I woke up, I thought of John 11:33, where Jesus had groaned in His spirit before calling forth Lazarus. I believe the Lord wants to breathe on the mandate to raise the dead and release faith in us to do so.

"When Jesus saw her weeping, and the Jews who had come along with her also weeping, He was deeply moved in spirit and troubled." (John 11:33 NIV)

I believe the Lord wants to quicken His mandate to raise the dead today. Faith to awaken those who have prematurely died is being quickened in hearts, and some resurrection stories of the dead coming back to life have happened as a result of the faith of the Believer—the gift of faith and the resurrection power of our Lord. I truly believe the Lord wants to release more of

this in this season. As we activate this mandate by faith, the anointing will increase to see the dead raised.

Resurrection from Spiritual Death: Your Destiny Is Mandated to Live!

I believe my dream also spoke of many real-life dreams, mandates, and destinies that have prematurely died. The Lord wants to awaken these.

Your destiny is mandated to live and not die.

There is a diabolical plan of the enemy to see destinies unfulfilled. For many, the immense battle you have faced has been a plan from the enemy of your soul to stop your God-given purpose from producing fruit.

Your destiny will be redeemed in the following ways:

• The release of your faith-filled decrees will stop and halt the enemy's plans to destroy destinies.

• The incoming power of the Lord will crush delays and setbacks so that your destiny can be fulfilled.

• Determination to obey your God-given mandate in a timely manner will see your purpose fulfilled.

The apostle Paul was focused on fulfilling his purpose. His obedience and resilience in the face of setbacks caused him to fulfill all of his God-given purposes. He declared that he had run the race and finished the course before he went to be with the Lord.

Run your race with eternity in mind. Be obedient to fulfill all that the Lord has called you to.

Resist the Temptation to Self-Abort

The Lord gave me another dream about a woman who had a sudden desire to abort her baby. In this dream, I saw that she was associating with another woman who had a similar demonic desire to self-abort. I discerned that the spirit influencing her friend started to influence her to give up and let her baby go.

I woke up with a revelation that some people—because of hope deferred and long delays in seeing their God-given dreams come to pass—had decided to give up. Instead of the life-giving words they had been speaking, they got so discouraged they began to speak death over their own dreams.

The main woman I saw in my dream represents people who have been surrounded by those who have also given up on seeing the manifestation of God's promises in their lives. In my dream, I discerned that a demonic spirit was influencing and releasing words into their hearts to give up and abort their babies.

The babies represent the destinies and promises that these people have been pregnant with. *(Photo via Freerange Stock)*

I believe both of my dreams are interrelated. In fact, some of the gravestones I saw in my dream belonged to those who had self-aborted their own destinies and purposes.

Many are going through intense battles that seem insurmountable and have given up hope that their God-given dreams will still come to pass. They have given up to the extent that they are submitting to a demonic influence that wants to kill their hopes and dreams.

Have Hope: Jesus Is Calling You Forth!

My word of the Lord to you is this: **If you are in this seemingly insurmountable situation, hold on to Jesus with all your heart, abide in Him, and worship though this season. Surround yourself with those who would speak life into you.** There will be a sudden shift and breakthrough for those who wait on the Lord. Wait on Him, for He will not fail you.

Today, in the name of Jesus, I decree a binding of every death-causing spirit that has been sent to influence you to abort your own destiny and purpose. I speak the wisdom and discernment of the Lord into your heart that will cause you to come out of alignments with what would cause death to the destiny and purpose you are carrying. I speak encouragement to your heart, soul, and mind to hold on, for He is faithful who has promised (see Hebrews 10:23). I pray for everyone who feels a "deadness" or a "dying" in the womb of their spirit.

Beloved, God wants what He has put in you to come forth. Will you put your hands on your belly as I come in agreement with you for a coming forth, a birthing, and an awakening to life all that the Lord has for you?

I say, let there be a gushing forth of living waters into the womb of your spirit, releasing your long-awaited dreams and destiny!

CHUCK PIERCE WITH PENNY JACKSON

This word was posted on October 19, 2024 by Chuck Pierce, and released by Penny Jackson:

"Tell My people that I am coming sooner than they think, but much will happen first. Much must happen first. Much is happening now and will continue to. Things you have heard for years and expected for years will now come forth. Don't limit Me in your expectations. I can do anything, and I will do anything necessary, but only as much as is necessary. I know exactly what is needed to accomplish all that I will do. Prepare yourselves for anything. Seek Me for your role in it and how I need to use you. Sit before Me, and allow Me to line out everything before you and ahead of you. Sit and listen. Sit and listen.

"I am speaking in this season, and if you are too busy, you will miss it. Only be about what I have told you; be very focused. While some of what I ask may seem frivolous to you, don't discount anything. I have My reasons for all of it. I am so much bigger than you realize. I move in ways so much bigger than you can even anticipate.

"There is a fullness of Me that you haven't seen yet. There is a greatness and a grandness in who I am that you haven't fully understood and couldn't yet. But I am making who I am clearer in days ahead, and you will see things that you could not have comprehended before.

"Don't be afraid for Me to be different than you thought as you begin to see and even walk in the fullness that I am. You have read about Me in My Word; you have read the miracles I performed. Get ready to see even greater miracles in days ahead. Expect them. Anticipate them. As much as you have

longed for them, there will be an adjustment when you begin to see them in their full manifestation. It will startle you at first, because it will be something so new, so profound. But watch and see what I accomplish through them. Watch as I astound the world around you. You may have to suspend judgment at first, but raise your expectation level. Expect Me to be who I am. Anticipate it.

"The world is different than when I walked here. I haven't changed, but the world has. Expect to see Me move in unprecedented ways because of those differences. And you will do the greater things by My Spirit. Who I am is still the same, but this season is not."

God's Heart Carriers: "THE WATCHMEN WILL NOT BE SILENT BUT WILL SOUND THE ALARM WITH THE ROAR OF THE LORD!!

By: **Veronika West**

I heard these Words, "October 7.the Day a Holy Hush came over Heaven, as the Great Cloud of Witnesses watched while Hell unleashed its hordes of darkness to annihilate a Nation that shall never be destroyed And well the hordes of Hell roared with fury against a Holy Nation, Heavens Armies stood Ready. And As demons rejoiced in the slaughter of the Innocent, the Captain of the Heavenly Hosts Arose and drew His Sword and the command went forth through the ranks of Heaven.

"ISRAEL IS MINE,ISRAEL SHALL LIVE,ISRAEL IS FOREVER"

Ha!!! Even as I Listen and write this word, I feel the tangible Presence of Lord Sabaoath, and while the Nation shook with terror on this Day, the Throne of the King was unshaken. for on this Day the cries of the innocent began to rise like incense before the Courts of Heaven, .and I See the bowls of Intercession beginning to fill, I hear the Sound of the Prayers of the Generations filling the airwaves, there is a Divine Convergence taking place in the deeper realms of the Spirit, For Such a Time as This,
I See tongues of Fire rising and falling upon the Altar.

And I hear the Spirit say,..

"This Day was intended to be a Day marked for the destruction of Israel, but I Tell you this Day was the beginning of divine exposure,.. the Day the Scales of Justice and Righteousness tipped, For what the enemy meant for evil, for the annihilation of a Holy Nation,. I am turning into a Great Awakening unto a Great Harvest of Souls, Watch! As the Watchmen Arise and sound the alarm as the Prophets lift their Voices to decree that which must be built and established in this hour Watch as the Nations are summoned to take their place ..I Say Choose this day whom you will serve?.

For I hear the blood that cries out from the ground of Israel night and day and while the enemy thought his assault on this Day. October 7 would silence a Chosen People and scatter a Nation I Say I will not be Mocked I will not be Silent but the Roar of the Lion of the Tribe of Judah shall be heard going forth across the Nations, for My Angel Armies will not rest until Zion shines again"!!! "O God, do not keep silent; do not hold Your peace, nor be still, O God! For behold, Your enemies make an uproar; those who hate You have raised their heads. They say, 'Come, let us wipe them out as a Nation, that the name of Israel be remembered no more Psalm 83:1–4.

The Spirit of the Lord says,
"I saw the ambush before it came, even before the foundations of the Earth,. I heard the plotting and scheming even before it was formed. For I have recorded the cries of the innocent and the anguish of those who mourn.
.And now I shall raise a standard over Ziona banner that the Nations cannot ignore.
Listen, Pay Attention, Incline your ears, For I am calling forth My Faithful Watchmen once again,.. those who will not Rest, who's Cries will not give Me rest, until the Peace and Prosperity of Jerusalem is established and Until I make her a praise in the earth"!!!
"I have set watchmen on your walls, O Jerusalem.. they will never be silent day or night. You who call on the Lord, give Him no rest, till He establishes Jerusalem and makes her the praise of the earth"!!! Isaiah 62:6–7
"Though the enemy struck suddenly and without mercy,. I shall Arise over the Nation of Israel with swift Restoration. My outstretched Right Hand will overturn the works of darkness, and My Great Reward and Recompense shall silence the voices of deception and destruction. FOR I WILL VINDICATE MY COVENANT PEOPLE, AND THE NATIONS WILL KNOW THAT I,.THE LORD SABAOATH,HAS SPOKEN AND WILL STAND OVER MY WORD TO PERFORM IT.

Look! For even as the shed blood of the Innocent soaked the soil of the Nation, Watch as I bring forth a Great Harvest of Redemption and Salvation, .And All Nations, Yes! I Speak now, to you the United Nations you shall be divided, and your stiff necks will be broken that which you mocked you shall mock no more, but I Shall cause you to Watch in Awe as I lift the Nation of Israel once again as a Sign and a Wonder in the Earth realm For Zion shall not be forgotten, Her Righteousness will shine forth like the dawn, her Salvation like a blazing torch before the Nations. So let the Prophetic Intercessors Arise in the midst of War unto Divine Restore, .Let the Watchmen blow the shofar, Let the Sound of the Horn be heard again across the borders and boundaries of All Nations. For I Am the Lord, Watch For I am purifying the Oil and Awakening the Deep Sleepers. The Sweet-Smelling fragrance of My Covenant will once again fill the air. and All Nations will know that the God of Israel neither slumbers nor sleeps"!!!

I Am Releasing a Whole New Way of Hearing!
Derek Murray via Chuck Pierce and Glory of Zion
Word of The Lord Received on 1/25/14:

SIT AND LISTEN, FOR CHANGE IS COMING

"Everything that moves has a sound. For even when I was on the Cross and My drops of Blood hit the ground there was a frequency that was released. That frequency caused the earth to shake and healing to explode because the dead were raised. Even now I'm sharpening your ability to tune in to My frequency. It is My Kingdom frequency. Just as you tune a radio to dial into a station and all you hear is static; but, now I will cause you to tune into My Kingdom station. No more static but perfect hearing. You will hear the frequency of depression as it walks by you in the marketplace. You will hear the frequency of cancer as it walks by you in the marketplace.

"I am releasing a whole new way of hearing. No longer will you rely only on your finite senses to discern. When sickness and disease and bondage pass by you, you will release the frequency of My Blood upon the people. You are receiving a whole new revelation of My Blood in this hour. Everything that moves has a sound. My Blood is still moving and still flowing from the day it was released on the Cross. Like Me, it is not dead. Match the frequency of My Blood in the earth and watch nations shake, and devil-entrenched kingdoms fall. Look at Seattle. They tuned into a frequency in one accord and caused the earth to shake. You will do even greater things for you will cause kingdoms to crumble when you match the frequency of My Blood.

"Everything that moves has a sound. Everything that moves has a sound."

HE IS CHANGING, REARRANGING, AND CATAPULTING YOU!
LORILEI COOLEY, SCOTTSDALE, AZ

I saw the Lord leveling the mountains and things that have been erected before the people of God and what the Lord has spoken over them and this season. It seemed as if they were bigger than they appeared to be. But I sensed what the Lord was about to do: There would be instantaneous movement and shifts happening to current circumstances and long-standing situations. There would be a complete leveling and overcoming to what had seemed overpowering to many.

As the mountains were leveled and suddenly became flat, there was a clarity to see what the Lord was bringing forth. Things He had spoken were just moments away. The things that the Lord had spoken to you, and over you, were making headway and breaking forth. Alignments and assignments were changing rapidly, for the long-awaited change was upon you. There was no stopping the movement of Heaven that was coming over His people.

I also felt that there was such a deep birthing happening. There was deep healing from the grief, shame, and pain of many past painful seasons. There was room being made to enlarge the capacity to carry more of what the Lord was releasing over many, for the appointed time had arrived.

"Enlarge the place of your tent, stretch your tent curtains wide, do not hold back; lengthen your cords, strengthen your stakes." (Isaiah 54:2)

I also felt that the Lord was making many ready, for He is about to showcase and display His glory, the power of His word, and His promises. Many have felt overlooked, but the tide is now turning. There are sudden shifts of change, rearrangements, and catapults into many doors that are opening before you. The heavens are rumbling with divine change and kairos timing.

"There is an appointed time for everything. And there is a time for every event under Heaven." (Ecclesiastes 3:1)

I also sensed that many of you have already received your marching orders of what the Lord has instructed you to do in this season, but the warfare and resistance have attempted to keep you from advancing and progressing into what He has given you to

do. I felt this magnanimous shift happening that will suddenly cause many of you to step into the new alignments and assignments. It was a catapult and thrust you into what the Lord has already spoken and instructed you to do.

There is a changing of the guard, and His divine change is at hand. He is accelerating things and moving you into the new season. This is the season that many have been waiting to enter into for such a very long time. It has finally arrived!

Nate Johnston: It's Time to Hang Up a Twenty-Year Mantle

Hang up Your Twenty-Year Mantle

While messy awakening is shaking the world stage, there is something more personal taking place that the Lord keeps speaking to me about. Right now, the personal process many are going through is the hanging up of a twenty-year mantle. Yes, it's that specific. Trace back your years. Look at your timeline.

When the Lord spoke this to me, He said, ***"Will you hang up your twenty-year mantle?"***

Instantly, in my spirit the name "Laban" came to mind, and we know the story of Jacob serving Laban. He served him for seven years for Rachel but was deceived and was given Leah instead. So, he served another seven years and received Rachel. Then he served a final six years to get the flocks he wanted and the ability to COME OUT FROM UNDER LABAN. (see Genesis 29–31)

These timelines are key to this message and prophetic for what many have been through. Here's a prophetic snapshot to give you more insight.

The First Seven Years: The "Saul Years" (Genesis 29:18–25)

These were the years where you gave your strength and best years, expecting a reward, but woke up to disappointment and deception. You were faithfully serving leaders who appeared godly, but they manipulated, controlled, and gaslit you. Your loyalty was met with betrayal, often by Christian brothers you trusted deeply.

These years felt like they were stolen, as if your youth and energy were cast like pearls. The labor was intense but bore no lasting fruit, because the soil was defiled with spiritual abuse. You began to question your own discernment, wondering if your sacrifice was in vain.

These were years of being in the atmosphere of leaders and brothers who were insecure and jealous of your anointing. This was a season of invisible warfare, disguised in spiritual language, yet marked by internal suppression over time. The betrayal cut deep because it was from those closest to you, even family. You were building something you thought was righteous, but you were actually building man's kingdom.

The Second 7 Years: Wilderness and Pressing into Obedience (Genesis 29:27–30)

You stepped out in obedience to God's voice, leaving behind the old system, but walked into a wilderness of the unknown. These were lonely years marked by deep consecration, where the motives of your heart were tested in fire. **You chose purity over platform and hiddenness over hype, and it cost you relationships, reputation, and comfort.**

The fruit you saw felt significant and foundational but not yet the fullness of what was promised. People you expected to stand with you slowly withdrew, as the

refining fire exposed them and your path with the Lord. These were the years where survival and obedience coexisted, pushing forward in passion and worship.

Your reward was not recognition but closeness with God in secret, and the oil of intimacy produced isolation to protect you. It was years of good fruit but still felt limited.

The Final 6 Years:
Preparation and Impending Exodus (Genesis 30:25–43)

You began to see visible fruit and multiplication, but it came within a system that couldn't steward your calling, so God started preparing you to break free. Your labor was blessed by God, but the structure you were under placed a ceiling on your destiny. You were still under someone else's authority, building something that could not carry your future, so God started showing you how to dream. *(Photo via Unsplash)*

Then the warfare started, because the enemy could see what was coming. There was an internal stirring that you couldn't ignore, the sense that this wasn't your final destination and something drastic was coming.

There was clarity that this season was transitional, a place of survival, not legacy. **God began to whisper to you to step out and leave everything you knew behind.**

Can You Relate?

I believe these three seasons can speak so much into the periods of time we have been through. So, whether you've seen the full twenty years or not, can you relate to any of these?

This is not just personal, but corporate. We have been at a threshold, and God wants to lead us out from under the religious era we have been groomed in and in bondage to.

Think about the name Laban, which means "white" (Strong's H3837), and (in Laban's case) can symbolize purity on the outside but represent false systems, hidden motives, and casting your pearls aside to build man's kingdoms. This is a picture of man-made systems that look holy but are built on control and drain you of your pure anointing.

Right now, that is why God is delivering you. **Leaving Laban is about more than leaving a person or place; it's about leaving behind performative Christianity, people pleasing, and the systems that use your anointing but never recognize or allow you to step into your fullness**—much like the Church, which has been held back and going around the mountain and not advancing.

It's all led us here, a very messy and chaotic threshold moment. People feel lost because they have let go of the old mantle, season, and even people. But they feel vulnerable and are left asking, "What is this? This makes no sense. Where do I go?"

Crossing the Jabbok Brook

You see, Jacob's true destiny wasn't activated until he crossed the Jabbok brook, and that's what the twenty years of training was for: wilderness and battling for the promise. Then he finally came into his FULFILLMENT.

But to even get there, Jacob had to leave Laban behind and spiritually detach from everything—the manipulation, control, and performance. He had to deal with his head, his mindsets, his hurt and pain, and his trauma. He even had to deal with his deeper wound of betraying his brother.

You see, this is a deliverance moment for you and me and the corporate Body of Christ. Messy doesn't even cut it. Moments of crossing aren't easy. They are painful, risky, and lonely. It's endless warfare.

In Jacob's story, he was wrestling with the angel of the Lord until daybreak. What if that's your "dark night of the soul," your wrestle, and your Gethsemane? It either takes you out or makes you.

This is the moment where identity shifts, where we are no longer Jacob, the striver and survivor, and we become Israel, the one who wrestles with God and overcomes and inherits the full promise.

This is where many are standing right now. They are standing at the banks of Jabbok, in between who they were and who they're called to become. The Laban years are behind you—the pain, the waiting, the obedience, the shaping, and the warfare. But now you're at the place of wrestling and unmantling so much of what you have been carrying, and you are being recommissioned.

You can't take old names into this next season. You can't take the striving, the labels, or the lies. It's deeper than just a spring clean. It's a death. Let me say that again: *It's a death,* because the kingdom many of us have been serving has been compromised. It's man's system that has come with heavy yokes. Your mantle has been graffitied with man's labels for so long, it's even hard to recognize what it once looked like. *(Photo via Unsplash)*

Right now, God is dealing with more than you can see. He is dealing with cracks, chasms, deep ravines, and massive cancers of the soul; demonic assignments that have been choking you, holding your voice for ransom, and robbing your home, your marriage, and your kids. It's been a subtle, yet murderous spirit sent to take you out slowly. The remedy? Take off the old. Face it. Cast it off. Cross over.

You see, God sees that these mantles that we are wearing are carrying bondage with them, as well as authority mixed with error and chaos... And so, when God is removing an old mantle from you, it also removes the snakes. Let me say that again: *God is exposing the snakes.* He is exposing the faults of your foundations.

When God removes an old jacket from your shoulders, He's also removing pain and trauma, all in one movement.

Prior to the Hebraic new year, I kept seeing that Rosh Hashanah would be a massive trajectory shift for so many people, with an era's worth of bondage being released, but also authority and unction, where we would step out of one thing into another—a limited anointing into a double portion.

Lastly, on the 22nd of September (in Australian time), I was up watching the memorial service for Charlie Kirk when **I saw 4:14 on my phone and heard the Lord say, "You have pierced through the veil."**

What did this mean?

Instantly, I saw a vision of people breaking through this film of sorts—an invisible barrier. They looked ferocious and were breaking past so much religiosity and lies that had been holding them back.

The veil? It was the veil torn in the temple when Jesus died. It represents the finished work.

John the Baptist caused the Church to take Heaven by force, and that's what I was seeing.

We have been in another season where God has been awakening the Church to what is available through the finished work, and it's led us here, to an unshackling moment.

So, throw off the mantle of the past two decades and let's cross over with the Rock of Ages. There's a new mantle waiting for you.

Dutch Sheets with Gina Gholston: Fearless Advancement

Introduction from Dutch Sheets:

Our friend, Gina Gholston, sent the following word, which I believe is timely.

Everyone can see that we have entered a new season. God is and will continue to define the season, not satan and his kingdom. Our part is to listen to Holy Spirit and follow Him.

The title of Gina's post is "Fearless Advancement." *(Photo of Gina Gholston)*

Fearless Advancement
By Gina Gholston

For several months, the Lord has kept me focused on and speaking about the importance of understanding His timing. I feel the reason for this is that we have crossed a threshold into an appointed time on God's timeline.

Timing is a key component of our journey with the Lord, very important to God and, therefore, to us. We see this all through Scripture. He operates according to the timeline and plan He has established. He knows the plans He has woven over us (Jeremiah 29:11), and He will fulfill all of His purposes in their right time.

Entering a Set Time

Earlier this year, I had a dream in which God said we were entering a set time. He said, **"I am giving you a *moment* in which to advance with My purposes... and that time is now."** We have now entered that "moment." It's an appointed, strategic, opportune time (*kairos*) for things to change.

Changes will happen now that couldn't have happened before. Prophetic promises and unfulfilled destinies that have been hovering over us, over our regions, and over this nation have now intersected the moment of their intended fulfillment.

God once spoke to me, saying, "It's time, and I am culminating the years, events, words, dreams, visions, obedience, and the steps you have taken. I am pulling things together, and soon you will see My purpose in it all!" While we may not have understood everything we've done, seen, and heard in the previous seasons, all of those things were pieces to a much bigger picture. Now the pieces are coming together in the right moment to reveal the big picture. This will not only validate our past obedience, but it will also prophesy into the future now unfolding.

In this appointed time, things will begin to unfold very quickly. We are already seeing it happen! And it's SO much bigger and more far reaching than we could ever have imagined! **It is imperative that we stay alert and stand in readiness to hear and run with what Holy Spirit imparts to us concerning our times.** We must rely on His guidance as He instructs us in the way to go.

Great Grace: Acts and Today's Ekklesia

The book of Acts is a model for today's Ekklesia. The faith and devotion of those in the early Church gave the Lord access to work through them, appropriating His will and purposes in amazing ways. How were common, ordinary people able to have such an impact on the world around them? Acts 4:33 says, "And **great grace** was upon them all." *(Photo via Unsplash)*

One meaning of grace is "divine influence upon the heart and its reflection in the life." The Church in the book of Acts took its place in the plan of God for its season. God led them with great grace, and they followed. They gave heed to and obeyed His outpouring of "divine influence," and the evidence of that influence was demonstrated through them with undeniable power.

In this critical moment, the Lord is once again extending to the Ekklesia "great grace." Holy Spirit is releasing strategy and revelation to instruct us in this time. Being influenced by what He releases, we find confident faith to obey His leading, and He will work through us to demonstrate His power and reality.

A Pulsating Open Door, Jesus, and 4 Questions

A few days ago, I had an instructive dream, relevant to this time. **The dream revealed that a door is now open for us, and the Lord is calling His Body to engage with Him as He works through us to fulfill His purposes.**

In the dream, I stood before a large, intricately carved, wooden door. Suddenly, the door began to pulsate with what seemed to be an electrical current. I could hear a humming sound as the power pulsated. Then the door opened.

Suddenly, an angel appeared beside me and said, "You can enter the door."

But I was afraid because of the "current" of power, so I asked, "Is it safe to go through that?"

The angel said, **"You can only enter the door with the right garment."**

He then showed me a beautiful, robe-like garment, and held it in position for me to put my arms into the sleeves. When the garment was on me, all fear left, and I joyfully leaped through the door. I entered a room filled with brilliant light, pulsating with the same "power current" as the door.

In the center of the room, I saw two wooden folding chairs facing each other, like those that had been used in the old tent revivals from years gone by. Although I didn't clearly see His face, I knew Jesus was sitting in the chair on the right! His presence was the reason for the brilliant light and the pulsating power! He motioned for me to sit in the other chair, facing Him. *(Photo via Unsplash)*

I sat down in the chair, weeping, overcome by the power of His presence!

He said to me, "In the days to come, whatever I ask you to do, you must remember this and hear Me asking you four questions. How you answer will determine whether or not you obey My leading."

Then He asked me the four questions, with each question followed by an assurance from Him.

"Are you afraid? Don't be!

"Are you devoted to Me? I am devoted to you.

"Are you resolved? I am!

"Will you go for Me? I will go with you!"

He then placed His right hand on my head and said, "It's time."

I said, "Lord, we've been hearing this phrase, but *what* is it time for?"

Without any pause, **He answered, "Fearless advancement, possession of promises, and the fulfillment of purposes I have set for this time.** You

shall lift your head, I will capture your ear, and you will hear My voice as I order your steps."

What a dream! What a moment! In this appointed time, may the Ekklesia rise, fully devoted and unflinchingly resolved to follow Jesus, without fear and hesitation, as He advances us into the fulfillment of His purposes.

Our Prayer and Declaration

Pray with me:

Father, as we step into this turning-point moment, may we realize the urgency and necessity of taking our place on the timeline of Your plan. Your timing has changed everything. Help us not to misinterpret what we are feeling and seeing, and what we will see in the days to come. Give us wisdom and understanding. Grant us "great grace" that impacts our thoughts and actions, enabling us to align with You and follow You forward. May we advance without fear or hesitation, fully devoted to You, as You work through us to fulfill Your intended purposes for this time. We lift our heads! Lord, "capture our ears" so that we hear Your voice as You order our steps. We are resolved. We go, knowing that You are going with us. You make us brave! Amen!

Our decree:

The Ekklesia is arising with unshakable devotion and unflinching resolve, enabling us to follow Jesus without fear or hesitation. We will now advance into the fulfillment of His intended purposes.

2/2/22: IT'S TIME TO TAKE BACK YOUR KEYS!
NATE JOHNSTON, REDDING, CA

On this day, 2/2/22, I feel led to prophesy to you that it's time to take back your keys. It's time to pick up your gifts, your calling, and your authority. Years ago, I lost my car keys at our local mall and went into a frenzy trying to retrace my steps. After an hour of desperation and panic, I finally asked the Lord to help me, to which He instantly told me to go find the man collecting shopping carts who had found them.

On my way home, as I was trying to calm myself, the Lord said, "Don't lose your keys," and I instantly knew what He was referring to. I hadn't been in the word or spending

time with Him, and I was dry. I was feeling battle-weary and had dropped my keys of authority and identity.

We have all been through a similar season of the enemy overtly robbing and stealing from us and trying to prevent us from starting the movements we were called to. He doesn't want us to have keys or access to the Kingdom, and he doesn't want us walking in miracle-working power and anointing.

Today, the Lord is saying that not only is it time to take back your keys, but it is time to open the double doors that have been hidden from you. It's time to move from the place of treading water and survival and move into a new realm of access, closing the door to the era of defeat behind you.

Today also reminds me of the season when we were launching our ministry, and I kept seeing 222 and 22:22 over and over, daily, and couldn't understand why until one night I had a very vivid dream. In the dream, a Canadian revivalist knocked on my door and said his name. We went for a walk around my city talking about revival, territory for the Kingdom, and the coming harvest. At the end of the dream, he handed me a big, ancient set of keys on a key ring, like a jailer's keys. Some of the keys were really old and some were new and shiny. When I woke up, I googled this man's name, and he existed! But what were the keys?

• "**I will place on his shoulder the key to the house of David; what he opens no one can shut, and what he shuts no one can open." (Isaiah 22:22)**

• "I will give you the keys of the Kingdom of Heaven; whatever you bind on Earth will be bound in Heaven, and whatever you loose on Earth will be loosed in Heaven." (Matthew 16:19)

Jodie Hughes says on her website that 222 and 2222 (or 22:22) mean "Open door, double doors, authority to decree God's purposes, assurity of His promises...Open doors of favor...Kingly authority to take new ground. Encouragement for the pioneer and those establishing apostolic works to trust and enter new promise...establishing in the spirit Kingdom order."

Today is your day to pick up your keys again and shake them in the face of every demonic assignment that has been bullying and intimidating you, threatening your family, your marriage, your finances, and your destiny.

It's time for the Church to be reminded of who she is and what she carries. We aren't empty-handed or voiceless – we are the head and not the tail, ABOVE not beneath. Today is a line-in-the-sand day to break past every confining influence that has been trying to hold us back from wielding what is our birthright.

So let me prophesy: You are at a threshold, and you can't keep going the way you have been. You can't keep living in the frenzy of the enemy's games and plans swirling around you. It's time to pick up your keys and wave them in the air as a declaration of a new day of Heaven fighting for you and the Holy Spirit overshadowing you, in Jesus' name!

CONCLUSION

I encourage everyone to go to the Elijah List website as well as each author to see a complete list of the works of each contributor. The Prayer Guide is just that, a daily devotional consisting of the WORD OF GOD as well as prophetic insight from multiple contributors reposted for HIS Glory. The Republic and Pastor Wade Butler do not make or receive any compensation for this publication, as this work is just passing on the great insight of so many contributors.

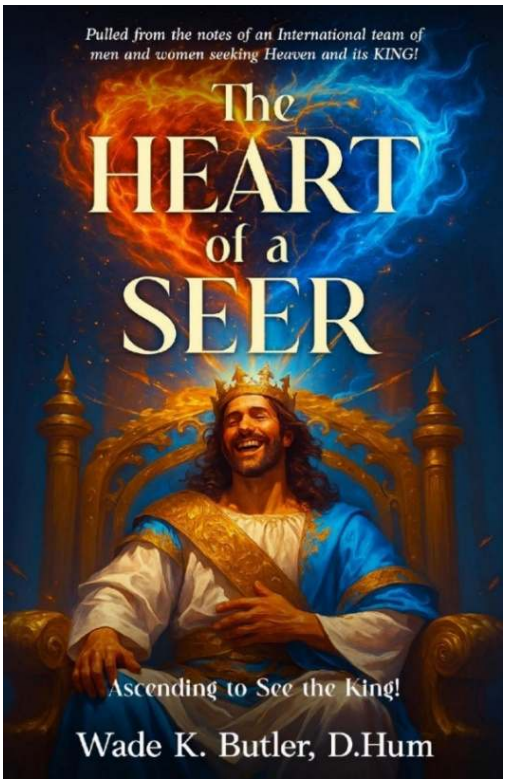

Again, I want to give special thanks to all who contributed to this devotional prayer guide: The Amplified, King James, and Passion versions of the WORD of GOD were used in this study. Words of Prophecy from: Chuck Pierce with Robert and Linda Heidler, Inspiration Ministries, Judaism 101, The Elijah List, Wikipedia, Kevin D. Vincent, Rabbi Tziporeh Heller, Rabbi Dov Ber Pinson, Sefer Yetzirah, Benjamin Gladstone, Nate & Christy Johnston, Veronika West, Lana Vawser, James Nesbit, Bruce and Linda Dietler, Bible Gateway, John & Janet Rockwell, Wade & Frances Butler, Dutch Sheets, Bob & Remy Koch, Sara Whitten, Jim Gregory, Isik Abla, Lorilei Cooley, Barry Wunsch, Andrew Towe, Crystal G. Blessings and enjoy, Dr. Wade K. Butler

I want to encourage everyone to read the WORD of GOD daily and set a goal to read through the Bible every year, again, "Study to show yourself approved."

Announcing the release of
"The Heart of a Seer: Ascending to meet the King."

This is a book of Visions, Words of Knowledge and Testimonies derived from the journals of an international team of intercessors consisting of Apostles, Prophets, Pastors, Teachers, Seers and intercessors. It highlights just a sampling of the many hundreds of visitations, words, and prayers we have experienced over the past several years as related by me, Wade Butler, a Pastor, Chaplain, and Seer, a Revelator.

Most importantly, we are all intercessors; called to the front lines to help plow the way of victory for the sons and daughters of Christ. This is not just about my journey, but includes highlights of leaders from the four corners of the earth. There are so many stories to tell. This publication only begins to share that which we have seen and experienced. I now understand when John said in **John 21:25** **And there are also many other things which Jesus did. If they should all be recorded one by one [in detail], I suppose that even the world itself could not contain (have room for) the books that would be written.** There are not enough adequate words to describe the beauty, the GLORY, or the LOVE that will permeate your very being when you enter the presence of the King. I pray you will enjoy our journey.
