

JCPS Summer League 2021

Session 1: June 21st-July 9th

Session 2: July 12th - July 30th

Jefferson County Public Schools is seeking teacher-designed proposals for the 2021 Summer League program for high-interest, digital, asynchronous, week-long Adventures that focus on JCPS priority standards and culminate in student creation of an artifact to demonstrate learning (open to students in grades 1-12).

All Virtual Summer League proposals will be due on or before May 21st.

In an effort to offer students deeper learning experiences that are learner-centered and authentic and offer voice and choice, Adventures should be designed using the Project-Based Learning structure. This proposal is the overview for the week-long PBL unit. Once proposals are selected, teachers will be paired with a coach and will need to complete a more detailed unit plan.

Requirements for Proposal Submission.

- Complete the [2021 Summer League Proposal](#).

Compensation:

- Teachers will get paid for the curriculum development of the Adventures (15 hours) and for up to 30 hours for facilitation with students for up to 3 weeks. Teachers will receive a total of 45 hours of their hourly rate for completion.

Questions and Support Materials:

- For questions about Summer League please email Raymond.yaksic@jefferson.kyschools.us
- For questions regarding the PBL framework please contact Maddie.shepard@jefferson.kyschools.us
