### TRANSFORMATIONAL CHURCHES FOR THE DISABLED AND MARGINALIZED

DAWN CLARK  
Director of Ministry to the Disabled at College Church, Wheaton, IL

How can we live well with each other's differences? We will identify barriers, explore scriptural themes and learn practical ways to transform your church into a place where people of all abilities are welcomed and belong.

### TRANSFORMATIONAL CHURCHES FOR RURAL AND RURBAN COMMUNITIES

ZACH GRELL  
Senior Pastor of Christ Community, Peotone, IL

In current times much thought has been given to ministry in urban settings. While this is positive, we never want to forget God's heart for smaller communities. We will consider some of the unique elements and exciting opportunities that exist for ministry in rural/rurban communities. Let's celebrate and envision how one vibrant church in a small community can make a huge and eternal impact for Christ!

### TRANSFORMATIONAL PREACHING FOR ALL PEOPLE

JARED ALCÁNTARA  
Associate Professor of Homiletics at TEDS

As the U.S. moves toward its intercultural future, the preachers of today and tomorrow must prepare for the church that is emerging. We will learn from a diverse representation of preaching traditions in order to enhance our capacity to reach a diverse world for the gospel.

### TRANSFORMATIONAL CHURCHES FOR THE RECENT IMMIGRANT

ALEX MANDES

EFCA Executive Director of All People Ministry

Most immigrant churches meet in garages or homes with little direction. A 2nd language service in the right host church can extend that church's mission and vision. We accomplish this with a simple but clear emphasis on disciple making, equipping in handling the word of God, and finally, the multiplication of cell groups in their neighborhoods. The key is shared values and trusting relationships! Across America, immigrant ministry is mushrooming. Help reach your community!

### TRANSFORMATIONAL CHURCHES FOR MILLENNIALS

DEREK RISHMAWY

Ph.D. student at Trinity Evangelical Divinity School  
Using the wisdom of Paul's letter to the Corinthians, we'll explore a theological vision for reaching Millennials for the Gospel of Jesus Christ, without burning out or selling out.

### TRANSFORMATIONAL CHURCHES FOR REACHING MUSLIMS

ROY OKSNEVAD

Director of the Coalition of Ministries to Muslims in North America (COMMA)

We are experiencing an unprecedented open door among Muslims. A significant segment of the Muslim community is finding the mosque irrelevant. We will explore how your church can be transformational in reaching Muslims by using tools available through on-line tools, multi-faith encounters, and answers to questions Muslims are asking.

### TRANSFORMATIONAL CHURCHES THAT INFORM "RACIAL" CULTURE

STEVEN WEATHERS

Senior Pastor of One Fellowship, Highwood, IL

Racial tension is still a monumental problem in North America. We will look at how the people in our congregations can become restorers of peace in the midst of our North American "racial" tensions.

### TRANSFORMATIONAL LEADERSHIP FOR ALL PEOPLE

KNUTE LARSON

GLD Church Consultant

These are seven practical and biblical "Major Concerns" for a church, pastor and leaders, to have maximum efficiency and growth. Workable and proven!
