

Shorashim Update

Dec 22, 2017

Reminders:

Monday will be I themed show and tell. Please send in our child with an item that begins with I.

Thank you to all who participated in Special Visitors Day! We really had blast and the Shorashim were ecstatic that you could celebrate with us. We had such a good time singing and playing with you.

Shorashim Love Chanukah! They shared stories about Chanukah in their homes. "I saw a big menorah when I was on the bus," Katie told us. "I don't like latkes," Oren shared as we read a Chanukah story.

This week, we took a few walks around the building to investigate the snow as it melted. When we went on Monday, we saw the field was covered with snow, by Tuesday, there was almost nothing left.

When we discussed the upcoming break, we explained to children that they will not be coming to school next week.

"You're going to turn off the lights," Alana told us.

Wishing you all a great break and we'll see you back in school soon.

Shabbat Shalom
