

PROVEN TRACK RECORD AS A CITY COUNCILOR

PRACTICAL ACTIONS. STRONGER COMMUNITY.

SUPPORTING LOCAL BUSINESSES AND ECONOMIC VITALITY

Expanded access to financial resources for small businesses, including building improvement grants and tourism events that strengthen our downtown and local economy.

A MORE WELCOMING AND SAFER COMMUNITY

Codified sanctuary city and established financial resources to local nonprofit organizations for supporting targeted communities.

PROTECTING RESIDENTS AND SMALL BUSINESSES

Implemented policies ensuring that data centers pay higher utility costs and do not shift infrastructure costs to residential or small business customers, while also protecting our water resources through limited water use.

STRONGER DEVELOPMENT STANDARDS

Advanced stronger development code standards for data centers and supported the expiration of the city's tax abatement program to ensure meaningful community benefit.

INVESTING IN A STRONG CITY TEAM

Adopted four collective bargaining agreements ensuring competitive pay, comprehensive health benefits, and a strong, stable workforce that delivers essential city services.

ADVOCATING FOR SCHOOLS AND CITIES

Submitted "Yes, And" testimony to strengthen structural backing from legislative mandates to schools and cities.

PRESERVED CLEAN ENERGY AND WATER CONSERVATION

Preserved energy efficiency rebates, a green power option, residential solar metering, and water conservation rebates to lower costs and support a more sustainable Forest Grove.
