

## The People's Community Baptist Church

Haywood A. Robinson, III, D. Min., Pastor

Greetings in the Strong name of Jesus, our Christ!

As the apostle, John, wrote to his dear friend, Gaius, "I pray that you are prospering in every way" (3 John 2). At the beginning of 2019, we presented to the congregation a challenge and an opportunity, namely, to liquidate our two mortgages by the end of 2020. A Mortgage Liquidation Committee (MLC) was formed, which outlined a strategic plan for achieving this objective. By doing so, we would further answer God's call to impact and influence lives through the Gospel, while increasing our economic capacity for Kingdom advancement.

We realize that due to unanticipated circumstances caused by the Coronavirus Pandemic, we have experienced some setbacks in 2020. However, in God's Kingdom setbacks most often are setups for divine comebacks .... Amen! Despite these lingering circumstances many of you have completed your pledge commitments, for which we are grateful. To God be the Glory! Others of you have faithfully given in accordance with your pledge commitment. We are equally as appreciative to you for your support. The Lord be praised! Because of our combined efforts, we are very close to paying off the mortgage on our building. We're believing God to help us wipe it out before 12/31/20. Once this goal is accomplished, we will pursue the liquidation of the \$1,000,000 mortgage on the land.

Here's how you can help. If you have not yet completed a pledge card, please do so. If you have completed a card, but still working to complete your existing pledge, we encourage you to make that your goal for the end of the year. If you need assistance with that process, please solicit help from your Tribal Family leadership or contact Deacon Anthony Rodgers (240) 247-7053. We are praying for you as you sacrificially serve the Lord in this way.

Yours in Christ Service,
