**Re: 2026 WTS Wisconsin Chapter Partnership Opportunities**

Greetings,

In February 1989, a trailblazing group of transportation professionals came together to establish the Wisconsin Chapter of Women's Transportation Seminar (WTS). Fast forward to today, and we're kicking off our 37<sup>th</sup> year of championing equity and access for women in Wisconsin's transportation industry!

WTS has evolved into a recognized and respected force both locally and nationally. We connect professionals with transportation leaders, offer high-quality technical presentations and professional development, and award substantial scholarships to deserving women. From mentoring young talent to supporting seasoned professionals, our mission is clear: advance women in transportation.

Corporate partnerships fuel our impact, funding scholarships, offsetting event registration cost, and enabling us to mentor and expose students to our important field. In the past year, we hosted technical presentations, supported STEM events, held our most successful golf event yet, and collaborated with ITE to spread our mission across the state and region. Thanks to strong partnerships, we awarded over \$14,000 in scholarships, creating more opportunities for female students in engineering.

We believe the value we bring to the transportation industry is a cause worthy of your company's support. With our renewed commitment to sponsors, we hope you find the partnership incentives valuable. For details on partnership levels and associated benefits, please refer to the enclosed Partnership Overview.

If you'd like to participate in our program, please complete the partnership form found in the overview packet or in this link [2026 WTS Wisconsin Corporate Partnership Sign Up Form](#) . Questions and completed forms and check made out to WTS Wisconsin can be mailed or emailed to:

Amanda Stellberg  
WTS Wisconsin Chapter Treasurer  
250 East Wisconsin Avenue, Suite 2000  
Milwaukee, WI 53202  
[Astellberg@hntb.com](mailto:Astellberg@hntb.com)

To pay online, visit [2026 WTS Wisconsin Corporate Partnerships Online Payments](#) , bearing in mind that online transactions include additional fees.

On behalf of the WTS Wisconsin Chapter, we express our gratitude for your ongoing support and eagerly anticipate the prospect of partnering with you in 2026.

Sincerely,

Brenda Schoenfeld  
WTS Wisconsin Chapter Vice President
