DBB, Inc.

Dixie Boys Baseball, Inc. (DBB) was founded in 1957 in Alexandria, Louisiana. The mission of the organization is to provide a recreation outlet for young people (age 13-19) that desire to play youth baseball.

Operating in eleven states from Texas to Virginia, the program reaches over 15,000 participants each year. Leagues affiliating themselves with the program must comply with a basic set of rules and regulations, but league officials have absolute autonomy on most local league matters. District & State Officials are readily available to assist the leagues.

While the primary emphasis is on local league play, there are district tournaments, state tournaments and a world series for leagues wishing to participate following the close of the local league season in June. Five divisions of tournament play compete for state titles with the winners advancing to a highly-anticipated world series.

Beginning July 19th with the championship game set for July 24, 2024, the Majors World Series will be held in Ozark, AL. The Pre-Majors World Series will be held in Independence, LA. The Pre-Majors and Majors World Series are scheduled for the same dates. The Junior Boys World Series (for age 13) and the Boys World Series (for age group 13-14) will be hosted by Beaufort County, SC. The Junior Boys and Boys World Series are slated for July 26 to July 31, 2024.

In July 2016, DBB offered its inaugural 15U World Series. With the tremendous success, the 15U World Series is now an annual event. South Hill, VA. will host the 15U division World Series: July 17-19, 2024. The DBB organization strives to provide opportunities for young people, ages 13-19, to play baseball.
