

Dear Supporter,

We hope that this letter finds you staying healthy and well during these unprecedented times.

As a friend of San Diego French-American School, we know that you share in **our values of promoting diversity, inclusivity and global citizenship** - particularly in years such as these. SDFAS is a non-profit, independent school that enrolls over 330 students representing at least 45 nationalities from pre-kindergarten through 8th grade.

Our school is one of the very few schools in San Diego County and, indeed, nationally that has **managed to sustain safe full-time, in-person learning since the start of this academic year**. This achievement is in no small part due to the support of our outstanding teachers, parents and community - including yourselves - who rallied to make the impossible, possible. This accomplishment has garnered the attention of several media outlets and other schools and educational institutions as they look to SDFAS as an example of how to pivot and adapt to the challenges that we have all faced since last year.

Of course, the school and many of our treasured families incurred significant and unexpected financial expenses in pivoting our businesses and lives around the pandemic. Nevertheless, we celebrate the achievements of the school, reflect on the opportunities for continued learning, and have confidence and excitement for post-COVID recovery.

On Saturday, May 15, 2021, SDFAS will host its annual fundraising Gala, **True Colors**, which is our theme this year. Due to ongoing pandemic public health guidelines, the Gala will take place virtually. We anticipate a tremendous number of viewers and participants at our community celebration, **and we humbly invite you to contribute by providing a donation or goods or services for our online auction.**

We can assure you that donating an item to our 2021 Gala auction will elevate your visibility within San Diego's international community. We are proud to have many returning supporters who are very satisfied with the business and referrals that supporting our gala has brought them from within our community.

Thank you in advance for your consideration. To pledge your support online, please visit the following URL: <https://www.sdfrenchschoo.org/2021procurementform/>.

With our sincerest gratitude,
