Old New Pathways Location

THE RANCH

RECOVERY ACCESS & NAVIGATION
FOR COMMUNITY HEALTH

The RANCH is a new collaborative resource between Advocates for Recovery Colorado, the North Colorado Health Alliance and Porch Light Health: Front Range Clinic located at **216 N. 3rd Street** in Sterling, Colorado.

This hub of organizations bridges offerings across all three entities to bring support across the continuum of care for people seeking support with accessing care management for health services and for substance use treatment and recovery.

In this location, there is a unification of systems navigation, treatment, & recovery which are founded in the principles of:

- *All and Multiple Pathways of Recovery*
- *Meeting people where they are at*
- *The Power of Connection and Community*
- *Person Centered and Trauma Informed Care*
- *Creating affordable access to support, services and care*

Services available at The Ranch include those provided by Advocates for Recovery Colorado, Front Range Clinic by Porch Light Health and North Colorado Health Alliance.

FOUNDED AND WORKING IN PARTNERSHIP THROUGH:

- Respect - Equity - Access - Accountability -
- Self Determination and Autonomy -

TO CHANGE ACCESS TO CARE, CONNECTION, AND COMMUNITY
