

## Welcome to LATC

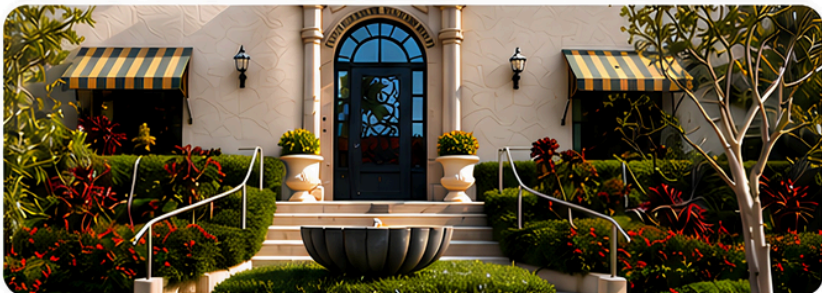

Founded in 1920 as Los Angeles' first private equity tennis club, LATC has long been a home for California's tennis legends. Our Stadium Court—famously known as the “Home of Champions”—was where the Golden Age of Tennis and Hollywood converged.

Today, LATC is more than just a club; it's a vibrant community. Our members range from juniors to seniors, singles to families, all coming together to enjoy the game and great company. With 16 courts—including two beautiful Har-Tru courts—tennis is always in full swing here.

But we're more than just tennis. Whether you're browsing our full-service Pro Shop, hitting the gym, taking a dip in the pool, or relaxing over a great meal or drinks at the restaurant and bar, LATC offers something for everyone. It's a place to play, connect, and belong.
