Statement on Budget Negotiations

MADISON, Wis. — Assembly Democratic Leader Greta Neubauer (D-Racine) released the following statement regarding budget negotiations:

“Fair maps and more Democratic voices in the legislature have made a real difference in this budget process. I am thankful that Governor Evers and my Senate Democratic colleagues were at the negotiating table on our state budget and secured some real wins for the people of Wisconsin.

“There are critical investments in education, childcare and the priorities of Wisconsinites in this budget, but we also know that due to years of underfunding by the GOP majorities, there is a lot that remains to be done. Our kids, our schools, and our communities deserve leaders that will deliver for them, and that is what we as Democrats will do in the years ahead.”
