CORDILLERA
Metro District

Cordillera's fire restrictions include all of Eagle Country's restrictions and the following additional closures/restrictions/prohibitions:

- Building, maintaining, attending, or using a fire, campfire, or stove fire with solid fuels. This includes charcoal or wood-burning grills, barbeques, stoves, pizza ovens, chimineas, sheepherder's stoves, fire pits, fire rings, and fireplaces.*
    - EXCEPTIONS: Gas-fueled fire pits, grills, stoves, or lanterns that have shut-off valves are permitted only in areas free of flammable vegetation and other flammable materials and must be used in a manner that presents no fire danger to the surrounding area.
    - No fire or grill shall be left unattended

- Smoking outdoors including discarding cigarette butts at any location or from any vehicle is expressly prohibited.

- Discharging any firearm, except for personal safety reasons.

- Using floating sky lanterns, fire balloons, acetylene balloons or tiki torches.

- Using explosives, including, but not limited to, fireworks, sparklers, fuses or blasting caps, rockets, exploding targets, tracers or other incendiaries.

- Welding or operating an acetylene or other torch with an open flame.

Emergency Information: ECAlert
We encourage property owners to sign up for EC Alert at www.ecalert.org to stay informed about emergency notifications.

Please Note:

- The 2016 Amended Design Review Guidelines state that fire pits using solid fuels, including wood or pellets, are never permitted.

- The 2005 ATV Resolution states that ATVs are not permitted on any District roads except for CMD personnel when conducting maintenance operations.
