## Registration Form

Besides being fun, the Lower School Enrichment opportunities enhance our curriculum. They all involve socialization, higher-order thinking skills, learning to follow directions, and emphasize academic skills. Students need to register (by **September 5**) for clubs, please note that some clubs are open K-4, some 1-4, and some require an additional fee. Registration is first come, first serve...so register early! After School enrichment begins the week of September 19.

All clubs will run 3:15-4:00PM except for Thursday, Frencing is 2:00-3:00, Ukulele 2:00-3:00 Math Competition is 2:15-3:15, and Chess is 3:00-4:00. If your child is contracted for the Extended Day Program, he/she will join the program when the club ends. If you regularly pick up your child, please do so at the stated time. From time to time, some meetings may need to be cancelled. Melinda Orzoff will inform parents, through the weekly "Lower School News Letter," which clubs take place each week.

If you would like your child to participate, please return the attached form to Melinda Orzoff. Please call or e-mail Mrs. Orzoff if you have any questions or would like to volunteer in any of our clubs. Again, we need volunteers, so we hope many of you will help.

Please return by **Thursday, September 5** to Melinda Orzoff, Lower School Division Head. With your returned form, you can assume your child is enrolled in the club. You will be emailed if the activity is over enrolled.
