A New York Times bestseller and USA Today bestselling book!
From award-winning actor Neil Patrick Harris comes the magical first book in a new series with plenty of tricks up its sleeve.

When street magician Carter runs away, he never expects to find friends and magic in a sleepy New England town. But like any good trick, things change instantly as greedy B.B. Bosso and his crew of crooked carnies arrive to steal anything and everything they can get their sticky fingers on.

After a fateful encounter with the local purveyor of illusion, Dante Vernon, Carter teams up with five other like-minded illusionists. Together, using both teamwork and magic, they'll set out to save the town of Mineral Wells from Bosso's villainous clutches. These six Magic Misfits will soon discover adventure, friendship, and their own self-worth in this delightful new series.

(Psst. Hey, you! Yes, you! Congratulations on reading this far. As a reward, I'll let you in on a little secret... This book isn't just a book. It's a treasure trove of secrets and ciphers and codes and even tricks. Keep your eyes peeled and you'll discover more than just a story--you'll learn how to make your own magic!)
