Brews & Tune-IN: Event Press Release

A COVID Safe way to do our 5th Annual Brews & Tunes event!

Moses Lake— 2/27/2021 — The Downtown Moses Lake Association (DMLA) is excited to reveal our upcoming event -- Brews & Tune-IN -- a safe way to host our Annual Brews & Tunes event! We will be featuring three breweries, (*Paradise Creek Brewery, Rocky Coulee Brewing & Ten Pin Brewing)*, celebrating three local bands/artists, (*One Soulution, Rylei Franks & Dimestore Prophets)*, while also involving our local businesses. All proceeds from Brews & Tune-IN will benefit the DMLA, whose primary focus is the revitalization of Downtown Moses Lake.
"We facilitate projects that create a stronger and more vibrant community through memorable experiences and opportunities". A quote from the Downtown Moses Lake Association's mission statement.

Event Details—Brews & Tune-IN has three major parts to it: the basket, the concert and the bingo card. 2021 participants can go to **www.dmlaevents.com** to purchase their B&T basket for $65. These baskets will be ready for a drive thru style pick at the DMLA office (124 E. Third Ave, Moses Lake) on Saturday February 27th between 12:00pm and 4:00pm. In each basket you'll find a few salty snacks, one exclusive Downtown Bingo card, two customized 5oz tasting glasses, a ticket to a virtual concert featuring the bands/artists listed above and beer from the above breweries. The virtual concert takes place the same day (Feb 27th) at 6:00pm from the comfort of your own home; AKA Zoom. This ticket can be found in the B&T basket, as well as in an email that will be sent out to participants after their purchase. Lastly, the Downtown Bingo Card will have tasks for participants to complete at local businesses up until ST. Patrick's Day, March 17th. Each person with a bingo (5 completed tasks in a row) will get their name in a drawing for a one night stay at the Coeur D'Alene Resort! The first 10 people to bring their bingo card in will also win a limited-edition Brews & Tune-In prize. This is a great way to get people out of their house and introduced to DT business owners!

We're inviting our community to support their downtown by having a good time, trying a few delicious beers and listening to local music. More information on this event can be found at www.dmlaevents.com or by contacting the Downtown Moses Lake Association - (509) 770-1700.

###

The Downtown Moses Lake Association is a non-profit organization committed to the economic vitality, purposeful design, and ongoing promotion of the Downtown Moses Lake Corridor. We strive to make Downtown Moses Lake an exciting place to live, shop, work, and play. This year we have placed a heavy focus on economic resiliency and will play a critical role in economic recovery following COVID.
