

SHABBAT MESSAGE
JULY 2, 2021

Hi Everyone!

I hope you've had a great week. Many things have been different this past year. I've spent a lot of time in these messages talking about that over the last fifteen months. But there is one thing that hasn't changed, and that is the generosity of this community. Today's message is a short one: **Thank you.**

Thank you to everyone who has contributed to the Alliance's annual community campaign. We've raised nearly three million dollars this year to ensure that we have the strong, vibrant community we all desire. It's easy to throw out a number like that, but those dollars translate to meaningful programs. Those funds help to ensure that those who fall on hard times in our community can get the help and support they need. They help provide great programs like PJ Library to households across Rhode Island. They make sure we have excellent day schools, excellent Hillels, and excellent programs for people of all ages in our community. They make sure we have a place like the Dwares JCC to come together, and virtual opportunities as well. And they make sure we support Jews in need around the world.

We have this strong, vibrant community *because of you*. Thank you to everyone who made a gift to the annual community campaign this year. And thank you to the many members of our community who helped to raise those funds. We couldn't do it without you. If you haven't yet had an opportunity to make a gift, and would like to, you can visit jewishallianceri.org/donate.

I'm so excited for what the year ahead has in store for our amazing community. I look forward to sharing more with you in future messages. For now, thank you for everything. I hope you have a wonderful and meaningful Independence Day, and a safe, peaceful, and joyous Shabbat.

Shabbat Shalom!
