

SHABBAT MESSAGE
DECEMBER 30, 2022

Hi Everyone,

I hope you've had a great week. As we approach the end of another year, I want to take a few short moments to thank all of you. It is your continued support that makes our community all that it is, and I look forward to working with you and for you in the year ahead.

I also want to take a moment to thank our wonderful Board of Directors, and our amazing staff at the Alliance. All of them work so hard every day to create the strong, vibrant Jewish community we all desire, and I'm grateful for all their hard work and dedication on behalf of all of us.

The work we do takes great people, and it also takes financial resources to make it a reality. In the past year, the Alliance has done so much to create and lift Jewish joy, and to fight antisemitism and hate wherever it arises. Please consider an end-of-year gift to help us continue this work in the year ahead. We've included a link where you can donate in this e-mail.

May 2023 bring us all good health, a stronger community, and all we hope for. Until next time, I wish you a safe, peaceful, and joyous Shabbat, and a happy, healthy new year!

Shabbat Shalom!
