

About Project Playhouse

Get your company, faith group, family/friends, or other organization involved in the inaugural Habitat for Humanity of DeKalb County's mission by sponsoring a playhouse through Project Playhouse!

Through partnerships with generous community sponsors, each playhouse is thoughtfully crafted through an all-in-one kit that is provided by Habitat for Humanity of DeKalb County and can be:

- Gifted to a local family in need
- Offered as a company raffle prize
- Given as a memorable holiday gift
- Showcased proudly in your office or storefront
