

## CONSTRUCTION QUESTIONS & ANSWERS

 ***Will the 11am service still be a traditional worship experience even though it's in the Fellowship Hall?***

Yes! Worship will continue in the traditional style, anchored by hymns and sacred music led by the Choir and other ensembles, with leadership from Richard, Jenny, Donna, staff, and volunteers.

 ***Where should I park?***

Additional handicap spaces will be available throughout the parking lots. If you are able, please consider parking further away to leave closer spaces available for those with greater need. Thank you for looking out for one another!

 ***Will hearing assistance devices be available in the Fellowship Hall?***

We are working to have listening devices available in the Fellowship Hall. Please check with a greeter for the most current information on May 3.

 ***Will hymnals be available in the Fellowship Hall?***

Yes, eventually. Our staff and volunteers are working hard to make hymnals available, and a limited number may be on hand in the back of the Fellowship Hall to pick up before the service and return after the service. Please ask a greeter or member of the Welcome Team if you are looking for one. Text will be on screens, and we are actively working on additional solutions.

 ***Will Sunday School Classes be affected?***

Most Sunday School classes will continue meeting in their regular locations. A small number of classes are temporarily moving. Your Sunday school leader will let you know of any changes. Please contact your Sunday School leader for the most up-to-date information.

 ***How can I help?***

If you're interested in being on a Sunday morning Welcome or Parking Team, please contact Sarah Mickle at [sarahm@snydermbc.com](mailto:sarahm@snydermbc.com)

 ***Will the Sanctuary Renovations be complete by the Singing Christmas Tree?***

Yes! As of right now, the Sanctuary is set to be complete early November.

We know this might feel a little inconvenient for a season, but we're really excited about what's on the other side of it. Thank you for your patience and flexibility as we continue to do for the next Generation what the last generation did for us!

*Be Flexible. Be Friendly. Stay Faithful. We'll see you this Sunday!*
