

# WSRA Student Guest Application

The Washington State Recycling Association (WSRA), a statewide nonprofit committed to promoting and advancing waste reduction practices and policies in the Northwest and beyond, welcomes higher education students to apply for a scholarship to attend our [Annual Recycling Conference](#), May 17-20, 2020 in Vancouver, Washington. Scholarships include educational sessions, outdoor activities, networking opportunities, and select meals. This is an outstanding opportunity for future leaders to meet recycling professionals, expand their knowledge of recycling and waste reduction, and prepare themselves for a career in a rewarding and innovative field. There are WSRA member organizations that also offer summer internships. You will learn about these opportunities at the conference as well.
