Dancer Information for Battle of the Brains 80's Trivia

How can a Company Dancer earn money?

Recruit TEAMS...the answer to a successful event!

Each team is made up of 8 players. A team cost \$200, or \$25 per player.

Earn \$200 - Sign up a full team of 8 players or a team paying full price even if they play with less people. Sign up as many as you can by March 1st for a great event. Call Mandy at 307-421-1466 to sign up a team!

Earn \$25 per player - if you don't have a full team call Stormy 660.441.2458 and add your players to a team.

Auction Items

Items will be sold between rounds and during at a silent auction. Each dancer is allowed to solicit 4 Auction Items. The item must be valued at \$25 or more. If the item sells for more than \$25 the extra funds will be used to help pay for the venue and food costs.

Auction Item (\$25 Value) x Up to 4 = Possible up to \$100 per dancer

If you have an item or items please contact Stormy Taylor, bbbsjc@iland.net or by phone at 660.441.2458.

Other Expectations

Dancer or Representative for the Dancer **MUST** volunteer for at least **one** shift on the day of the event. If you are out of town the committee will discuss on individual basis. No funds will be given for just volunteering only. You must have players recruited or solicited auction items. Volunteer Sign-up will be in Company Newsletter in February!
