**Knights of
Columbus[®]**

Through the Aid and Support After Pregnancy (ASAP) program, Knights of Columbus councils help provide critical financial and material support to local pregnancy help centers.

Despite the essential services pregnancy resource centers provide to women and their new children, **90% of funding for pregnancy centers is raised locally.**

Since the launch of ASAP in 2022,
Knights have donated over **\$19 million** to more
than **2,000** pregnancy help organizations!

*The ASAP program is one of many ways
Knights of Columbus help to foster the culture of life.*
