

Vesper Hall Participants,

Thank you for your patience as we navigate through these unprecedented times. As we work toward opening Vesper Hall fully, we must continue to practice the guidelines set forth by Jackson County. Please see the attached flier regarding CDC protocols that will be practiced at Vesper Hall, as we begin the process to open fully. Please stay home if you aren't feeling well!

The various "in house" phases for Vesper Hall will be determined by the success our county has, using the CDC criteria. Once we are open in phase 1, the following changes will be in effect:

- Class registration is taken daily via phone for multiple classes covering a two-week period. Walk-in registration will not be allowed. Those that have called Vesper Hall prior to the day of class to pre-register, will be allowed in the facility. Please see the attached class schedule for classes opening in phase 1.
- Attendees to Vesper Hall for classes and/or lunch can enter the building 10 minutes prior to their scheduled class/lunch. Class size is limited to five plus the host. Those that arrive earlier will be asked to wait outside or in their vehicle.
- All registrants must check in at the front counter and then go directly to their classroom. Hallway visiting will be discouraged. Students must exit the building immediately after class is over.
- Students are expected to provide their own class equipment at this time. Items brought into the building will need to be taken home daily.
- Lunch will be held from 11-11:40 a.m. (and 12-12:40 p.m., starting in Phase 2) with a max of 20 attendees per time period. You may preregister up to two weeks in advance for lunch. Please bring your key fob to check in for lunch! Walk-Ins for lunch will not be allowed. Visitors will be excused by table numbers to get in line for lunch. Only two people allowed at each table due to the six-foot distance restriction unless you arrive as a "family unit". Please ask for the updated lunch registration policy at the Vesper Hall counter. Floor markers will designate a six-foot distance as you wait in line for your meal.
- In order to allow time for sanitation, classes may have a shortened schedule. All tables/chairs equipment will be sanitized prior to you entering the classroom. You are encouraged to bring hand sanitizer for your personal use and wash your hands prior to entering your classroom per CDC and Jackson County "Stop the Spread" practices.
- At this time, the Weight Room is closed. For the current refund/prorate schedule, please call Vesper Hall.
- At this time, all day trips are cancelled. Registrants will be notified when trips are rescheduled.
- Coffee/tea service will not be available when Vesper Hall first opens. Any drinks that enter the building must have a lid to prevent spillage.

- Entry into Vesper Hall will be via the east, main doors. Exit from Vesper Hall will be via the small hallway/south doors or the multi-purpose room doors.
- Vesper Hall will be open from 8 a.m. – 5 p.m. All senior programming in the evening has been cancelled until further notice.
- Those that utilize the OATS bus are required to wear a face mask while traveling to Vesper Hall. Busses are sanitized before each rider is picked up.

Anyone not following these procedures or showing signs of illness may be asked to leave the facility for the safety of others. We all need to do our part to ensure the safety of others and the ability to fully reopen our facility again.

It is our desire to provide our members and community with full access to our facilities and amenities as soon as we can safely do so. However, without your assistance in these measures we will not be able to return to full operation and could potentially be faced with another shutdown should Jackson County deem it necessary.

Your safety and the safety of our staff is our highest priority. Staff will continue cleaning and disinfecting all areas above and beyond our normal cleaning routines once we reopen to ensure the safety of our patrons while they utilize our facilities. Prior to room usage, the room will be sanitized. We may need to shutdown areas from time to time to disinfect equipment to ensure the safety of everyone.

Our staff is here to assist and serve you, if you notice something or you have a concern with an area, please notify any staff member so that we can address it.

Thank you for your understanding and patience as we work through all the issues related to this unprecedented situation. We look forward to serving you!

Marty Bears, Vesper Hall Administrator

Vesper Hall Re-Opens starting on Monday, April 5!

Please call 228-0181 for more
information.

Please preregister for all classes via phone call.

Please call 228-0181.

Face mask must be worn at all times while in the building.
