St. Francis
Xavier
Elementary

Marquette Street Campus

From the Principal

Heart of a Hawk

Congratulations to our Heart of a Hawk recipients from September who were shining examples of self control!

Our focus for October is patience.

Patience is

- Calmly working through problems and forgiving those who have hurt you.
- Being understanding and compassionate to other people's needs.
- Not fighting or being angry even when someone provokes you.
- Waiting for your turn in games and classroom activities.

Giving Tree

St. Pius X has a giving tree each year that helps families in need at Christmas time. If you anticipate a need in your family please reach out to Mrs. Fairweather or Mrs. Radloff for a confidential family application for the Giving Tree. If you are interested in helping a family in need, items needed for donation will be available in November in the church narthex.

Picture Orders

Picture orders are in for families who ordered by the original deadline. Retake orders are due 10/13. If you ordered a class photo they will arrive at a later date to ensure all students who had retakes are included.

Bible Verse of the Week

Romans 12:12

“Rejoice in hope, be patient in tribulation, be constant in prayer.”

Casual for a Cause

Our next Casual for a Cause will be October 21st, and we will be raising funds for the Children's Tumor Foundation. We have a kindergartener at our school who is living with Neurofibromatosis (NF). This is a rare disease that can cause tumors to grow along any nerve in his body, and right now there is no cure. Since he was diagnosed at six months old, the Tseffos family has dedicated themselves to raising funds for the Children's Tumor Foundation, an organization who is leading medical research they hope will lead to a cure!

Classroom Focus

We are blessed to have Mrs. Schmitz teaching kindergarten art this year. This month in the art room kindergartners celebrated International Dot Day by making cut paper dots; they created an apple painting by mixing paint colors on an art pallet, and worked on patterns using line designs with crayons and watercolors.
