

## PLAY LITTLE HAWKS BASKETBALL!!

### Dear Basketball Fans –

The Xavier Youth Basketball Association (“XYBA”) is pleased to announce Instructional practices for boys and girls (“Little Hawks”) starting in November and ending in February. These sessions are open to all players in grades Kindergarten through 2nd grade. Led by parent volunteer coaches, our Little Hawks program is aimed at introducing our young student athletes to the game of basketball while developing basic skills in a fun environment. In 3rd through 8th grade, XYBA creates teams and will enter leagues/ tournaments for each age group. We encourage families at the Little Hawks (K-2) age level to organize their families to participate in area leagues – including the YMCA and Appleton Park & Rec programs, if they are available.

We are announcing the following practice times all located at Xavier Elementary - Marquette St. gymnasium. Lead coaches noted below will contact you in the future with more details. The fee is \$30 per child.
