

Les and Dar Stumpf Youth Arts Scholarship

Les and Dar Stumpf combined their love of children and the community into a youth arts granting program to support area young people interested in music, drama, dance and visual arts. "We wanted to give young people the chance to use their unique talents to better themselves and continue a sharing and caring philosophy," Les said.

"We feel that God has given us great blessings and that we are on this earth to share, care and nurture wherever we can," Dar said. "The Community Foundation has given us the tools to that end."
