## SCHOOL NOTES

### Welcome aboard!

We are very pleased to announce several additions to our staff. Joining us as a Kindergarten and 1st Grade Instructional Aide is **Mrs. Cristina Birdsall**. She comes to us with lots of experience in early childhood education, most recently with the Menasha School District.

**Ms. Lily Gouin, Mrs. Darci Minorik, and Mr. Rick Duncan** are also joining us this year as instructional aides for 2nd, 3rd and 4th grades. Ms. Gouin and Mr. Duncan also work in our Xavier Care Program, and Mrs. Minorik, a Xavier parent, has worked for

us as a substitute. We greatly appreciate having them help with our students!

### Conferences

Parent teacher conferences will be held Nov. 10, 11, and 12. You will be receiving information and a link to sign up for virtual conferences from your child's classroom teacher. If you would like to meet with one of our specialists, please reach out to them via email to arrange a virtual conference.

### 1st Communion Mass

One of our annual traditions, our 2nd Grade First Communion School Mass, was sadly cancelled during our

stay at home time in the spring. On November 18, we will celebrate our now 3rd Graders with a special liturgy recognizing their reception of Holy Communion. We're so happy they've joined us at the Lord's table!

### Health and Wellness Month

During November, we will celebrate Health and Wellness Month. Each week we will examine what it means to be healthy physically, emotionally, or spiritually. It's more important than ever that we keep our students healthy in mind, body and spirit!
