From the Principal

This week we kicked off our **Heart of a Hawk** program.

We are all children of God. When we live by Jesus' Fruits of the Spirit, we become people of love, which fulfills God's commandment to love others as ourselves. As a child of God, we strive to shape our life around the leadership of the Holy Spirit. Someone who walks in the Spirit, patterns his or her life after Jesus Christ.

Each month we will focus on a different Fruit of the Spirit. Teachers and staff will watch for students in their class who exemplify the characteristic of the month. Each homeroom teacher will nominate one student in their class to receive the 'Heart of a Hawk' recognition.

Our focus for September is Self- Control. Please talk with your children about self control and what self control looks like at school, home, and in the community. At the end of the month we will share a picture of the students who are nominated by their teacher for the **Heart of a Hawk** award for September.

2nd grade parents, please watch for information, coming home soon, from Erin Riley Buchholtz,, Faith Formation Elementary Coordinator, regarding second grade sacramental prep.

We invite you to join us for our weekly mass, Wednesdays at 9:00am. Last week Fr. Bill shared a prayer for the school year that he would like us to use and share with others.

Dear Jesus,
My Best Friend and my Best Teacher, you never stop looking out for me.
Your tender care for me never stops.
You show me how to be more like You.
Help me to become a better person of prayer.
I want to thank You and others at the beginning and the end of every day.
I want to say "I'm sorry" to you and others, whenever I should.
Help me to think first about the other people in my life - my parents and brothers and sisters,
my grandparents and neighbors, my classmates and teammates, my teachers and my coaches.
Bless me today in school!
Help me to see You in the people all around me.
Let all say Amen!
Amen!
Father Bill

Classroom Focus

Mrs. Pollack, our school librarian, works with students as they learn how to use the library and find a book that is a 'just right' fit for their reading ability. Students are asked to return their library books each week so they can check out new ones. A huge thank you to all the parents who volunteer their time in the library. We couldn't do it without you.
