Parents using this program are asked to **read this handbook carefully and are required to sign and return the Parent Agreement** to the Coordinator. Mission Statement

The Summer Care Program provides a safe, fun-filled, caring and Christian environment for students of St. Francis Xavier Elementary Campuses. It gives families an option for quality care where students can socialize with other children of the St. Francis Xavier Elementary School System.

The Summer Care Program

Summer Care is a continuation of the Care Programs offered during the school year and is offered to St. Francis Xavier Preschool, Elementary, and early Xavier Middle School students who were registered for the current school year through the 5th grade and the upcoming school year entering 3K to 6th grade. All children must be completely independent with their bathroom needs. (Please see **Bathroom Expectations** below).

Summer Care offers children opportunities to participate in theme-based activities to enrich and inspire each child's interests while enhancing individual learning. Summer Care attendees will explore their community with weekly field trips, show their creative style through arts and crafts, build self-confidence through team building activities and STEAM activities will be made available.

Summer Care operates daily beginning Wednesday, June 10, 2020 through Friday, August 14, 2020. The hours of operation are 7:00 AM – 6:00 PM. Late charges will apply to children not picked up by 6:00 PM. The Child Care Coordinator reserves the right to change the Summer Care location due to site preparedness routines for the upcoming school year.

Summer Care Leadership

The Summer Care Program is supervised by trained and qualified staff. The staff is responsible for the day-to-day details of the program. The Child Care Program Coordinator is responsible for the care providers and ensuring the safety, viability, and success of the Summer Care Program.

Registration

The following forms must be completed and returned: the Registration Form, Parent Agreement Form, Weekly Schedule Plan and Blanket Permission Form.

Attendance

St. Francis Xavier Catholic School System offers Summer Care as a service to our System families. In order to provide quality care and appropriate staffing, it is important to know how many children will be attending our program on a daily basis. Summer Care Staff is scheduled based on the number of children attending. Therefore, parents are **required** to turn in a schedule for the upcoming week to the Child Care Coordinator or staff by the Thursday before children will attend the program.

On the form parents need to indicate the days children will be attending Summer Care and mark days as **full** or **half**. To help our Summer Care staff plan for the week, please write down any non-Summer Care activities your children may be involved in during this time. If there is a change to the non-Summer Care activities, parents are to notify the Child Care Coordinator or staff immediately. **The 24-hour advance notice to change without penalty does not apply to Summer Care scheduling.**

Parents are responsible to pay for all days as they were turned in on the weekly schedule. **No refunds or credits will be given for schedule changes that reduce the amount of Summer Care used for that week.** *(For example, if a parent schedules a child for full days Monday through Friday one week, takes Wednesday off and keeps his or her child at home that day, there will not be a refund or credit for the child not attending Wednesday.)* We do not refund or credit days when children miss due to illness or late change in schedule. **The 24-hour advance notice to cancel without penalty does not apply to Summer Care scheduling.**

Unexpected situations arise and additional care may be needed. Parents can contact the program for availability. Every effort will be made to accommodate while maintaining a safe staff to child ratio and considering the activities planned for the additional days. Fees will be billed to the family Smart Tuition account.

Attention: The cost for Field Trips is determined by the number of children signed up to go. All families who schedule their children to go on a field trip will be responsible to pay the cost regardless of attendance or cancellation.

Summer Care Necessities

Each child will bring their own swim suit, beach towel, and tennis shoes. It is strongly encouraged these items remain at care. For children safety, flip flops are not allowed. On the child's last day of care for the week, the items should be brought home for washing and returned the following week. Each child also needs a change of clothing. **Please label all swim items and extra clothes.** Summer Care personnel will notify families in the event that extra clothing is needed.

Dress Code

Children will be dressed appropriately. We follow the "dress down day" dress code of the St. Francis Xavier Catholic Elementary Schools. Please keep in mind; if children are not allowed to wear an item during school days, then the item will not be acceptable for the Summer Care program. For children safety, flip flops are prohibited.

*Sunscreen must be applied before the child arrives to Summer Care. Sunscreen application is the responsibility of the family. During their day at Care, all children will have opportunities to reapply as needed under the supervision of staff.

Field Trips

An exciting part of Summer Care is weekly field trips. Some of our destinations will be reached by walking or contracted transportation (Lamers). Information and permission forms will be available prior to field trips. Proper attire is required for all field trips. Please read field trip information carefully and send your children with any special requested items or clothing. For children safety, flip flops are not allowed.

For safety reasons, children must travel to and from field trips or excursions with their care group. Children cannot be dropped off or picked up at field trip locations; please plan accordingly.

Field Trip Schedules and Payment

All field trips are posted on the XCS website, www.xaviercatholicschools.org, you are encouraged to review the summer field trips and plan care with this schedule in mind. Care schedules are due Thursday prior to the week care is needed. Parents will be billed in full for any scheduled care, field trip and associated costs where notification is made after Thursday the week prior to care. Field trips are staffed according to the number of children scheduled; total student attendance influences the cost of the field trip.

Attention: The cost for Field Trips is determined by the number of children signed up to go. All families who schedule their children to go on a field trip will be responsible to pay the cost regardless of attendance or cancellation.

Swimming Pool Tips

Well supervised groups of children will walk to the Erb Park Pool on hot summer days. These trips will not interfere with other planned activities. Seasonal pool passes can be used. To ensure safety, children are required to stay with the providers in the area designated. Proper attire must be worn to Summer Care, on the walk to Erb Park, and at the pool. For children safety, flip flops are not allowed.

Pick Up

Families must pick up their children from the Summer Care Program at Marquette Street campus and sign them out. Only those people listed on the registration form will be allowed to pick up the children. When an adult is not familiar to staff, the pick-up person will be asked to show identification. The names of additional authorized adults may be added. For safety reasons, each child must be signed out before leaving the Summer Care Program.

Children are considered picked up when the parent has assumed responsibility for the child; said responsibility happens when the parent signs children out. They are not considered picked up until the parent signs the child out.

Parents/Guardians who pick up their children after 6:00 PM will pay an additional \$5.00 for every five minutes after 6:00 PM. This extra charge will be billed to the family Smart Tuition account. In case of emergency situations, please contact the Child Care Program Coordinator.
